Dynacons wins one of the prestigious Project of High-Performance Digital Workplace Solution to Bharat Heavy Electricals Ltd. (BHEL)

Mumbai, India, January 10, 2024

We are thrilled to announce a significant order from Bharat Heavy Electricals Ltd for High Performance Digital Workplace Solution as a Service including Desktops, Workstations, LED Projectors and UPS for their nationwide offices / factories all over India. The overall Project Value is **INR 137 Crores** for Five (5) years as contract period.

Bharat Heavy Electricals Limited is an Indian central public sector undertaking and the largest government-owned power generation equipment manufacturer. Established in 1964, BHEL is one of the earliest and leading contributors towards building an Aatmanirbhar Bharat. BHEL is deeply aligned to the vision of a self-reliant India.

As per their policy, Bharat Heavy Electricals Ltd is planning to refresh their IT Assets with the latest Technology Workplace solution as a Service. This Workplace solution will help to streamline their device management, enhance operational efficiency, and ensure the latest technology is seamlessly integrated into their workflow, equipped with cutting-edge hardware, guaranteeing a seamless and productive experience.

The project offers a comprehensive suite of devices, including High End Desktops, Workstations, LED Projectors and UPS paired with an array of services such as device management, security, maintenance, and tech support. This all-encompassing offering is designed to provide a hassle-free and cost-effective solution for managing their device infrastructure.

Commenting on the development, Mr. Amit Vora, National Business Head of the Company said, "We are delighted that BHEL has chosen Dynacons as their trusted partner for their Workplace solution needs. This order underscores our commitment to delivering cutting-edge technology and tailored services to support BHEL in achieving their business objectives. As organizations increasingly recognize the benefits of Device as a Service in optimizing IT operations and reducing total cost of ownership, Dynacons remains dedicated to delivering innovative solutions that empower businesses to thrive in the digital age."
