Airtel 5G Plus now live in 3 cities of Rajasthan

Jaipur, Udaipur and Kota gets ultrafast Airtel 5G Plus services

- Powers the Jaipur Literature Festival (JLF) venue
- Promises to offer massive speeds, best voice experience, will work on all 5G smart phones and be kinder to the environment
 - No SIM change needed; existing Airtel 4G SIM is 5G enabled
 - Existing data plans will work on 5G until roll-out is complete

Jaipur, January 17, 2023: Bharti Airtel (“Airtel”), India’s leading telecommunications services provider today announced the launch of its cutting edge 5G services in Jaipur, Udaipur and Kota. The company has also deployed the ultrafast 5G services at the Jaipur Literature Festival (JLF) venue that will witness participation from world’s greatest writers, thinkers, humanitarians, politicians, business leaders, and entertainers.

Airtel 5G Plus services will be available to customers in a phased manner as the company continues to construct its network and complete the roll out. Customers with 5G enabled devices will enjoy high speed **Airtel 5G Plus** network at no extra cost until the roll out is more widespread. Airtel 5G Plus is currently operational in the following places in these cities.

Jaipur	C-Scheme, Civil Lines, Bani Park, Vaishali Nagar, Mansarover, Jawahar Nagar, Old city (Walled City), Jothwara, Murlipura, Nirman Nagar and Pratap Nagar
Udaipur	Old City area, Fatehsagar Lake, Hiran Magri, Goverdhan Vilas, Madri Ind. Area, Sukher, Badgaon, Bedla and Transport Nagar
Kota	Chawani area, Gumanpura, Nayapura, Talwandi, Mahaveer Nagar, Dadabadi and Vigyan Nagar

Commenting on the launch, **Marut Dilawari CEO, Bharti Airtel, Rajasthan** said, *“I am absolutely thrilled to announce the launch of **Airtel 5G Plus** in Jaipur, Udaipur and Kota. The fact that we have powered the venue hosting the Jaipur Literature Festival makes this launch special. The 5-day festival will witness participation of the who’s who of the literary world along with thousands of attendees and we are geared up to give them a seamless connectivity allowing them to access superfast high definition video streaming, instant uploading of photos and videos and more.”*

“Customers across Jaipur, Udaipur and Kota can now experience ultrafast network and enjoy speeds upto 20-30 times faster than the current 4G speeds. We are in the process of lighting up the entire state which will allow customers to enjoy superfast access to High-definition video streaming, gaming, multiple chatting, instant uploading of photos and more.” Dilawari added.

Airtel 5G Plus will bolster the entire portfolio of services that Airtel offers. In addition, it will allow superfast access to High Definition video streaming, gaming, multiple chatting, instant uploading of photos and more. With this launch, India will get a fillip to economic growth as **Airtel 5G Plus** revolutionizes education, healthcare, manufacturing, agriculture, mobility and logistics.

In the last one year, Airtel has demonstrated the power of 5G with a host of powerful use cases that will change the way we lead our lives and do business. From India's first live 5G network in Hyderabad to India's first 5G powered hologram to India's first recreation of a game changing world cup match played at a time when there was no TV coverage to India's first 5G connected ambulance to India's first private 5G network with Bosch for boosting manufacturing productivity, Airtel has been at the forefront of 5G innovation.
