AUDITORS

STATUTORY AUDITOR

M/s. Agarwal Mahesh K & Co., Chartered Accountants (FRN:008007C), were appointed as the Statutory Auditors of the Company in the Extra-Ordinary General Meeting (AGM) of the Company held for the year 2018-19, to hold office from the conclusion of the this Annual General Meeting of the Company till the conclusion of the Annual General Meeting to be held in the financial year 2023-24.

As required under Regulation 33(d) of the SEBI (LODR) Regulation, 2015 the Auditor has confirmed that they hold a valid certificate issued by the Peer Review Board of the Institute of Chartered Accountant of India.

Board Considered the major observations given by the auditor and reply of management on the same as follows:

- (i) *According to the information and explanations given to us and in our opinion the cost records pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended and prescribed by the Central Government under subsection (1) of Section 148 of the Companies Act, 2013 needs to be maintained by the company as per the recommendation given by the Cost Auditor. -*

Reply form Management: Company has process and systems to maintain the cost records. During the previous year due to COVID-19 situation there were unforeseen changes in the business world. Hence, as a business owner our priority was to run business and maintain the plant, which is being done and we have sustained in this difficult period.

Our maximum office staff was working from home and due to limitations of the availability of material transport and changed demand in products it was practically difficult to follow hundred percent process cost record. This is already being taken care by the management

(ii) *According to the information and explanations given to us, the Company has delayed (defaulted) in repayment of loans and borrowings to banks and financial institution as on the balance sheet date of Rs.39.91 lakhs.*

Reply form Management: Due to change in business condition, ballooning effect of EMIs, delayed payments by government and other customers company have faced working capital shortage during the previous year. But situation is improved and as of today the all-outstanding dues for the financial year 2021-2022 was paid by the Company.

(iii) *According to information and explanation give to us and on the basic of our examination of the records of the Company, Company has been sanctioned working capital limit in excess of five crores rupees, in aggregate, from bank during the year. Below are the instances where value submitted to banks through quarterly/monthly statement is not in agreement with the books:*

Quarter/Month ending	Value as per Books Accounts	Value as per Quarterly/Monthly statement filled with Bank	Difference
June 2021	293124779	93124779	0.00
30 th September, 2021	276350109	296259455	-19909346
December 2021	323655585	323655585	0.00
March 2022	340168730	340202690	33960

Reply From Management: The discrepancies are on account of statements filed with the banks on 25th of September due to half year ending reporting.

(iv) *According to the information and explanations given to us, no undisputed amounts payable in respect of Income tax, sales tax, value added tax, duty of customs, service tax, cess and other material statutory dues were in arrears as at 31 March 2022 for a period of more than six months from the date they became payable as on 31st March 2022 except one TDS under section 194Q of Rs.55854/- which has been paid post balance sheet date.*

Reply From Management: Due to some technical reason the Company was not able to make the payment on time but which was paid immediately after due date.

- (v) *According to the information and explanations given to us and the records of the Company examined by us, there is a prior period income of Rs.1.08 lakhs that have been disclosed during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).*

Reply From Management: As Prior Period income of Rs. 1.08 Lakh. Resulted due to omission of income or expenses of prior period as below:

- Due to excess payable remuneration booked in earlier year of Rs 64737/-
- Due to short TDS & TCS Receivable booked in earlier year of Rs 43080/-

The Board of the Company take pleasure in stating that no other observation has been made by the Auditors in their report which needs any further explanation by the Board.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Management Discussion and Analysis Report

a) Industry Structure and Development

The Company was originally incorporated as “Cian Healthcare Private Limited” at Pune, Maharashtra as a Private Limited Company under the provisions of Companies Act, 1956 vide. Certificate of Incorporation dated January 07, 2003 bearing Corporate Identification Number U24233PN2003PTC017563 issued by Registrar of Companies, Pune, Maharashtra.

Subsequently, our Company was converted into a Public Limited Company pursuant to special resolution passed by the shareholders at the Extraordinary General Meeting held on November 19, 2018 and fresh certificate of incorporation consequently upon change of name was issued by Registrar of Companies, Pune, Maharashtra dated November 30, 2018 and name of our Company was changed to Cian Healthcare Limited. The Corporate Identification Number is L24233PN2003PLC017563.

The Indian healthcare sector is expected to reach US\$ 372 billion by 2022. Rising income level, greater health awareness, increased precedence of lifestyle diseases and improved access to insurance would be the key contributors to growth. The sector is expected to generate 40 million jobs in India by 2030. 100,000 jobs are expected to be created from Ayushman Bharat, the National Health Protection Scheme. As of November 14, 2018, number of sub-centres reached 167,961 and number of Primary Health Centres (PHCs) increased to 33,137. The hospital industry in India stood at ₹4 trillion (US\$61.79 billion) in FY17 and is expected to reach ₹8.6 trillion (US\$ 132.84 billion) by FY22.

The private sector has emerged as a vibrant force in India's healthcare industry, lending it both national and international repute. It accounts for almost 74 per cent of the country's total healthcare expenditure. Telemedicine is a fast-emerging trend in India; major hospitals (Apollo, AIIMS, and Narayana Hrudayalaya) have adopted telemedicine services and entered into a number of public private partnerships (PPP). Further, presence of world-class hospitals and skilled medical professionals has strengthened India's position as a preferred destination for medical tourism.

The Government of India aims to develop India as a global healthcare hub. It has created the Intensified Mission Indradhanush for improving coverage of immunisation in the country and reaches every child under two years of age and all the pregnant women who have not been part of the routine immunisation programme. In March 2018, Union Cabinet approved budget support of ₹85,271 crore (US\$ 13.16 billion) for the period of April 2017- March 2020 under the National Health Mission to encourage medical infrastructure in India. In August 2018, the Ministry of Health and Family Welfare set up national Resource Centre for EHR Standards (NRCeS) to facilitate adaptation of notified HER standards, at an estimated cost of ₹23.59 crore (US\$ 3.52 million).

INDEPENDENT AUDITOR'S REPORT

To the Members of Cian Healthcare Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone financial results of Cian Healthcare Limited (hereinafter referred to as the "Company") which comprise the Standalone Balance sheet as at 31st March 2022, the Standalone Statement of Profit and Loss, the Standalone Statement of Changes in Equity, the Standalone Statement of cash flows for the year ended on that, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Accounting Standards prescribed under section 133 of the Act read with the rule 7 of the Companies (Account) Rules, 2014 and other accounting principles generally accepted in India, of the Standalone state of affairs (financial position) of the company as at March 31, 2022, its profit, changes in equity and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information other than the financial statements and auditors' report thereon

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Annual Report, namely Financial Performance, Director's Report including Annexures to the Director's Report etc.; but does not include the Standalone financial statements and our auditor's report thereon.

These reports are expected to be made available to us after the date of this auditor's report. Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

Management's Responsibility and those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone financial statements that give a true and fair view of the Standalone financial position, Standalone financial performance, change in equity and Standalone cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Going Concern

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Company's Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, We exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the Standalone Financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to

provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud of higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- b. Obtain an undertaking of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(1)(i) of the Act, We are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- d. Conclude on the appropriateness of Management's use of going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events and conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the misstatements in the Standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of the users of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Standalone financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Standalone financial statements have been kept so far as it appears from our examination of those books.
- (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss, change in equity and the Standalone Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Standalone financial statements comply with the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the Directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors are disqualified as on 31st March, 2022 from being appointed as director in terms of Section 164 (2) of the Companies Act 2013.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.

(g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended, we report that:

In our opinion and according to the records of the Company examined by us and the information and explanation given to us, the Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

(h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its Standalone financial position in its Standalone financial statements.

ii. The Company did not have any long-term contracts including derivative contracts as such the question of commenting on any material foreseeable losses thereon doesn’t arise.

iii. There has not been an occasion in case of the company during the year under report to transfer any sums to the Investor Education and Protection Fund.

iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other persons or any entities, including foreign entities (“Intermediaries”) with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

(b) Management has represented that to the best of its knowledge and belief, no funds (which are material either individually or in aggregate) have been received by the company from any persons or any entities, including foreign entities (“Funding Parties”) with the understanding, whether recorded in writing or otherwise, that the company shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the

funding party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. (a) The company did not declare or paid dividend during the year hence question of compliance with section 123 of the Companies Act, 2013 does not arise.

Annexure-B to the Independent Auditors' Report – 31st March 2022

Report on the Internal Financial Controls under clause (i) of sub – section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the Internal Financial Control over financial reporting of **Cian Healthcare Limited** (hereinafter referred to as the “Company”) as at March 31st, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of assets, the prevention and detection of fraud and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We have conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the standards on auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment,

including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transaction and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of internal Financial Controls over Financial Reporting

Because of inherent limitations of internal controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

The company has not entered in to any amalgamation transactions, hence the AS-14 for Accounting for Amalgamation is Not Applicable

30.05 AS-15: Employee Benefits

i) Short Term Employee Benefits

Short term employee benefits are expensed as & when the related service is provided. A liability is recognized for the amount expected to be paid if the company has existing legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

ii) Long-Term Employee Benefits

The liability for the earned leave is not expected to be settled wholly within twelve months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees upto the end of reporting period with actuarial valuations being carried out at each balance sheet date. The benefits are discounted using market yields at the end of the reporting period that have terms approximating to the terms of the related obligations.

iii) Post Employment Benefits

a) Defined Contribution Plan

Payments to defined contribution retirement benefit plans are recognised as expenses when the employees have rendered the service entitling themselves to the contribution.

Provident Fund: The employees of the company are entitled to receive the benefits in respect of provident fund, a defined contribution plan, in which both employees and the company make monthly contributions at a specific percentage of the covered employees salary. (currently 12% of employee's salary) The contributions are made only for those employees whose salary is below or at par with the limit prescribed by the law. The contributions as specified under the law are made to the provident fund and pension fund administrator by Regional Provident Fund Commissioner The Company recognises the such contributions as and expenses when incurred.

b) Defined Benefit Plans

For defined benefit retirement plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurements, comprising actuarial gains and losses, the effect of changes to asset ceiling (if applicable) and the return on plan assets (excluding net interest), is recognised in profit and loss account for the period in which they occurs.

Defined benefit costs comprising service cost (including current and past service cost and gains and losses on curtailments and settlements) and net interest expense or

income is recognised in profit and loss.

The defined benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plan.

The obligations are presented as a current liabilities in the balance sheet in the entity does not have an unconditional right to defer the settlement for at least twelve months after the reporting period, regardless of when actual settlement is expected to occur.

Gratuity: The company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides lump sum payments to vested employees at retirement, death while in employment or on termination of employment of an amount as per the provisions of the Payment of Gratuity Act,1972. Vesting occurs upon completion of five years of service. The company accounts for the liability method.

Note 2: Significant Accounting Policies

2.01 Basis of accounting and Preparation of Accounting Statements

A) Compliance with Accounting Standards

The Financial Statements of the company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) The company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention. The financials are prepared according to Indian Accounting Standards (AS)

B) Current and Non-current classification

The assets and liabilities reported in the balance sheet are classified on a "current/noncurrent basis", with separate reporting of assets held for sale and corresponding liabilities. Current assets, which include cash and cash equivalents are assets that are intended to be realized, sold or consumed during the normal operating cycle of the Company. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

2.02 Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the year and balances of assets, liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

2.03 Inventories

Inventories of Raw Material, Packing Material and Stock-in-Trade are valued at the lower of cost and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges excluding GST. The costs are valued at Weighted Average cost Formula.

Work in Progress are valued at the cost of Conversion of inventories, includes cost directly related to the units of production, such as direct labour. There is stage wise systematic allocation of fixed and variable production overheads that are incurred.

Finished Goods are valued at net realizable value or cost whichever is lower. Valuation of Cost of finished good includes all the conversion costs directly attributable to product and other Administrative overheads.

The inventories have been certified by the management for both physical verification and valuation.

The inventories are kept at the below mentioned locations by the company for the Closing stock as on March 31st, 2021

2.07 Revenue recognition

- a) Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are exclusive of Goods and Service Tax and net of discounts, applicable taxes and returns. The company recognises revenue when the amount of revenue can be reliably measured, when it is probable that future economic benefits will flow to the entity and when specific criteria have been met for each of the company's activities, as described below.
- b) Provision for sales returns are estimated on the basis of historical experience, market conditions and specific contractual terms and provided for in the year of sale as reduction from revenue. The methodology and assumptions used to estimate returns are monitored and adjusted regularly in line with contractual and legal obligations, trade practices, historical trends, past experience and projected market conditions.
- c) Other income:
 - i) Dividend income is recognized when the right to receive dividend is established.
 - ii) Interest income is recognized using the time-proportion method, based on rates implicit in the transaction.
 - iii) Other income is recognised when no significant uncertainty as to its determination or realisation exists.

2.08 Fixed Assets

Tangible fixed assets

Property, Plant and Equipment are stated at cost of acquisition/construction net of recoverable taxes less accumulated depreciation / amortization, government grants and impairment loss, if any. All costs attributable to acquisition of Property, Plant and Equipment till assets are put to use, are capitalized. Subsequent expenditure on Property, Plant and Equipment after its purchase / completion is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Capital work-in-progress:

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Intangible Assets

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase / completion is recognised as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of the asset.

2.09 Foreign currency transactions and translations

Initial recognition

Transactions in foreign currencies entered into by the Company and its integral foreign operations are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Measurement of foreign currency monetary items at the Balance Sheet date

Foreign currency monetary items (other than derivative contracts) of the Company and its net investment in non-integral foreign operations outstanding at the Balance Sheet date are restated at the year-end rates.

In the case of integral operations, assets and liabilities (other than non-monetary items), are translated at the exchange rate prevailing on the Balance Sheet date. Non-monetary items are carried at historical cost. Revenue and expenses are translated at the average exchange rates prevailing during the year. Exchange differences arising out of these translations are charged to the Statement of Profit and Loss.

Treatment of exchange differences

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company and its integral foreign operations are recognised as income or expense in the Statement of Profit and Loss.

2.10 Government grants, subsidies and export incentives

Government grants and subsidies are recognised when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants / subsidy will be received. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire capital assets are presented by deducting them from the carrying value of the assets. The grant is recognised as income over the life of a depreciable asset by way of a reduced depreciation charge.

Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

2.11 Investments

Long-term investments (excluding investment properties), are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

Investment properties are carried individually at cost less accumulated depreciation and impairment, if any. Investment properties are capitalised and depreciated (where applicable) in accordance with the policy stated for Tangible Fixed Assets. Impairment of investment property is determined in accordance with the policy stated for Impairment of Assets.

Investment in Dr. Smiths Biotech Private Limited has been valued at cost as per AS-13

2.12 Employee benefits

i) Short Term Employee Benefits

Short term employee benefits are expensed as & when the related service is provided. A liability is recognized for the amount expected to be paid if the company has existing legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

ii) Long-Term Employee Benefits

The liability for the earned leave is not expected to be settled wholly within twelve months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees upto the end of reporting period with actuarial valuations being carried out at each balance sheet date. The benefits are discounted using market yields at the end of the reporting period that have terms approximating to the terms of the related obligations.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDING ON MARCH 31, 2022

iii) Post Employment Benefits

a) Defined Contribution Plan

Payments to defined contribution retirement benefit plans are recognised as expenses when the employees have rendered the service entitling themselves to the contribution.

Provident Fund: The employees of the company are entitled to receive the benefits in respect of provident fund, a defined contribution plan, in which both employees and the company make monthly contributions at a specific percentage of the covered employees salary.(currently 12% of employee's salary) The contributions are made only for those employees whose salary is below or at par with the limit prescribed by the law. The contributions as specified under the law are made to the provident fund and pension fund administered by Regional Provident Fund Commissioner

The Company recognises the such contributions as and expenses when incurred.

b) Defined Benefit Plans

For defined benefit retirement plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurements, comprising actuarial gains and losses, the effect of changes to asset ceiling (if applicable) and the return on plan assets (excluding net interest), is recognised in profit and loss account for the period in which they occur.

Defined benefit costs comprising service cost (including current and past service cost and gains and losses on curtailments and settlements) and net interest expenses or income is recognised in profit and loss.

The defined benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plan

The obligations are presented as a current liabilities in the balance sheet in the entity does not have an unconditional right to defer the settlement for at least twelve months after the reporting period, regardless of when actual settlement is expected to occur.

Gratuity: The company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides lump sum payments to vested employees at retirement, death while in employment or on termination of employment of an amount as per the provisions of the Payment of Gratuity Act,1972. Vesting occurs upon completion of five years of service. The company accounts for the liability for gratuity benefits payable in future based on an independent actuarial valuation carried out at each balance sheet date using projected credit method.

2.13 Employee share based payments

Company has not announced any employee stock option scheme during the year.

2.14 Borrowing costs

Borrowing costs specifically relating to the acquisition, construction or production of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalized (net of income on temporarily deployment of funds) as part of the cost of such assets. Borrowing costs consist of Interest and other costs that the company incurs in connection with the borrowing of funds.

For general borrowing used for the purpose of obtaining a qualifying asset, the amount of borrowing costs eligible for the capitalization is determined by applying a capitalization rate to the expenditure on that assets. The capitalization rate is the weighted average of the borrowing costs applicable to the borrowings of the company that are outstanding during the period, other than borrowings made specifically for the purpose of obtaining a qualifying assets.

All other borrowing costs are recognized in profit and loss in the period in which they are incurred.

The amount of borrowing costs capitalized during a period does not exceed the amount of borrowing costs incurred during that period.

2.15 Earnings Per Share

Basic earnings per share is computed by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is the same as basic earnings per share as the company does not have any dilutive potential equity shares outstanding. The number of weighted equity shares are adjusted for share splits and bonus shares, as appropriate.

2.16 Taxes on Income

Current tax is the tax payable on the taxable profit for the year, using tax rates enacted or substantively enacted by the end of reporting period by the governing taxation laws, and any adjustment to tax payable in respect of previous periods. Income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes arising from deductible and taxable temporary differences between the tax base of assets and liabilities and their carrying amount in the financial statements are recognized using substantively enacted tax rates and laws expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled. Deferred tax asset are recognized only to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilized.

2.17 Leases:

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Operating lease payments are recognized as an expense on a straight line basis over the lease term unless the payments are structured to increase in line with the expected general inflation so as to compensate for the lessor's expected inflationary cost increases.

2.18 Provisions, Contingent Liabilities and Contingent Assets

Provisions:

Provisions are recognized only when there is a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

Contingent liability:

a) Possible obligations which will be confirmed only by future events not wholly within the control of the company, or

b) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent Assets

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognised and disclosed only when an inflow of economic benefits is probable.

INDEPENDENT AUDITOR'S REPORT

To the Members of Cian Healthcare Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial results of Cian Healthcare Limited (hereinafter referred to as the "Holding Company") and its subsidiary (the Parent & Subsidiary referred to as the "Group"), which comprise the Consolidated Balance sheet as at 31st March 2022, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity, the Consolidated Statement of cash flows for the year ended on that, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Accounting Standards prescribed under section 133 of the Act read with rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2022, the consolidated profit, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

- (i) Include the annual financial results of the following entities:

Parent Company

- Cian Healthcare Limited

Subsidiary Company

- Dr. Smiths Biotech Private Limited

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information other than the financial statements and auditors' report thereon

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Annual Report, namely Financial Performance, Director's Report including Annexures to the Director's Report etc.; but does not include the consolidated financial statements and our auditor's report thereon.

These reports are expected to be made available to us after the date of this auditor's report. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

Management's Responsibility and those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, change in equity and Consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Going Concern

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Company's Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, We exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the Consolidated Financial statements, whether due to fraud or error, design and perform audit procedures

responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud of higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- b. Obtain an undertaking of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(1)(i) of the Act, We are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- d. Conclude on the appropriateness of Management's use of going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events and conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of the users of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements for the financial year ended March 31, 2022, and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The Consolidated Financial Statements includes the audited financial results of:

a) A wholly owned subsidiary company, whose financial statements include net loss of INR 362.80 lakhs for the year ended March 31, 2022, which has been audited by its independent auditor.

The independent auditors' report on the financial statements of these entity have been furnished to us by the Management of the Holding Company and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors and the procedures performed by us are as stated in the paragraph above.

Our opinion above on the Consolidated Financial Statements and our report on Other Legal and Regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and financial information certified by the Management of the Holding Company.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, change in equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the Directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors are disqualified as on 31st March, 2022 from being appointed as director in terms of Section 164 (2) of the Companies Act 2013.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Financial statements disclose the impact of pending litigations on the financial position of the company. Refer note 29 of notes and disclosures forming part of consolidated financial statements annexed with the consolidated financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts as such the question of commenting on any material foreseeable losses thereon doesn’t arise.
 - iii. There has not been an occasion in case of the company during the year under report to transfer any sums to the Investor Education and Protection Fund.
 - iv. (a) The Management of Holding Company has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company to or in any other persons or any entities, including foreign entities (“Intermediaries”) with the understanding, whether recorded in writing or

otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

(b) Management of Holding Company has represented that to the best of its knowledge and belief, no funds (which are material either individually or in aggregate) have been received by the Holding Company from any persons or any entities, including foreign entities (“Funding Parties”) with the understanding, whether recorded in writing or otherwise, that the Holding Company shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. (a) The Holding Company did not declare or paid dividend during the year hence question of compliance with section 123 of the Companies Act, 2013 does not arise.

2. With respect to the matters specifies in paragraphs 3(xxi) and 4 of the Companies (Auditor’s Report) Order, 2020 (the “Order”/ “CARO”) issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor’s report, according to the information and explanations given to us, and based on the CARO report issued by us for the Company, we report that CARO is applicable to its associate firm whose accounts are included in the consolidated financial statements of the Company.

With reference to the “**Annexure-A**” referred to in the Independent Auditors’ Report to the Members of **Cian Healthcare Limited** (‘the Company’) on the consolidated financial statements for the year ended **31st March 2022**, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant & Machinery and Equipments and Intangible Assets.

(b) As explained to us, the Company has a regular programme of physical verification of its Property Plant & Machinery & Equipments (PPE) and Intangible Assets., by which PPE are verified in a phased manner. In accordance with this programme, certain PPE were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) As explained to us, physical verification of inventories apart from goods in transit and inventories lying with outside parties has been conducted by the management during the year and no material discrepancies were noticed on such verification between the physical stock and book records. In our opinion, the frequency of such verification is reasonable. Annexure-B to the Independent Auditors' Report – 31st March 2022

Report on the Internal Financial Controls under clause (i) of sub – section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the Internal Financial Control over financial reporting of **Cian Healthcare Limited** (hereinafter referred to as the “Holding Company”) and its subsidiary (the Parent & Subsidiary referred to as the “Group”) as at March 31st, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of assets, the prevention and detection of fraud and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We have conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the standards on auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control

based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transaction and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of internal Financial Controls over Financial Reporting

Because of inherent limitations of internal controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal financial control over financial reporting

criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Note 2: Significant Accounting Policies

2.01 Basis of accounting and Preparation of Accounting Statements

A) Compliance with Accounting Standards

The Financial Statements of the company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) The company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention. The financials are prepared according to Indian Accounting Standards (AS)

B) Current and Non-current classification

The assets and liabilities reported in the balance sheet are classified on a "current/noncurrent basis", with separate reporting of assets held for sale and corresponding liabilities. Current assets, which include cash and cash equivalents are assets that are intended to be realized, sold or consumed during the normal operating cycle of the Company. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

2.02 Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the year and balances of assets, liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

2.03 Inventories

Inventories of Raw Material, Packing Material and Stock-in-Trade are valued at the lower of cost and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges excluding GST. The costs are valued at Weighted Average cost Formula.

Work in Progress are valued are the cost of Conversion of inventories, includes cost directly related to the units of production, such as direct labour. There is stage wise systematic allocation of fixed and variable production overheads that are incurred.

Finished Goods are valued at net realizable value or cost whichever is lower. Valuation of Cost of finished good includes all the conversion costs directly attributable to product and other Administrative overheads.

The inventories have been certified by the management for both physical verification and valuation.

The inventories are kept at the below mentioned locations by the company for the Closing stock as on March 31st, 2021

Cash and cash equivalents comprises cash on hand and at banks, short-term deposits (with an original maturity of three months or less from the date of acquisition), and which are subject to insignificant risk of changes in value.

For the purpose of statement of cash flows, cash and cash equivalents consist of cash and short term deposits, as defined above, net of outstanding book overdrafts , if any, as they are considered an integral part of the company's cash management.

2.05 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDING ON MARCH 31, 2022

2.06 Depreciation

Depreciation has been provided on the straight-line method as per Schedule II of the Companies Act, 2013, Assets are amortised as per their useful life as under:

Land	0 Years
Building	30 Years
Computers	3 Years
Furniture	10 Years
Office Equipment	5 Years
Plant & Machinery	10 Years
Vehicles	8 Year

Depreciation on additions/ disposals of the fixed assets during the year is provided on pro-rata basis according to the period during which assets were put to use.

Intangible assets are amortised over their estimated useful life of 5 years as per the management decision.

Asset block of Intangible assets has the carrying value of zero for year 19-20 and 20-21. Also there is no addition in the block of assets during the year.

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation method is revised to reflect the changed pattern.

As the subsidiary company was not operational during April-September-20, the Management has decided to claim only 50% depreciation for the same.

2.07 Revenue recognition

- a) Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of Goods and Service Tax and net of discounts, applicable taxes and returns. The company recognises revenue when the amount of revenue can be reliably measured, when it is probable that future economic benefits will flow to the entity and when specific criteria have been met for each of the company's activities, as described below.
- b) Provision for sales returns are estimated on the basis of historical experience, market conditions and specific contractual terms and provided for in the year of sale as reduction from revenue. The methodology and assumptions used to estimate returns are monitored and adjusted regularly in line with contractual and legal obligations, trade practices, historical trends, past experience and projected market conditions.
- c) Other income:
 - i) Dividend income is recognized when the right to receive dividend is established.
 - ii) Interest income is recognized using the time-proportion method, based on rates implicit in the transaction.
 - iii) Other income is recognised when no significant uncertainty as to its determination or realisation exists.

2.08 Fixed Assets

Tangible fixed assets

Property, Plant and Equipment are stated at cost of acquisition/construction net of recoverable taxes less accumulated depreciation / amortization, government grants and impairment loss, if any. All costs attributable to acquisition of Property, Plant and Equipment till assets are put to use, are capitalized. Subsequent expenditure on Property, Plant and Equipment after its purchase / completion is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Capital work-in-progress:

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Intangible Assets

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase / completion is recognised as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of the asset.

2.09 Foreign currency transactions and translations

Initial recognition

Transactions in foreign currencies entered into by the Company and its integral foreign operations are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Measurement of foreign currency monetary items at the Balance Sheet date

Foreign currency monetary items (other than derivative contracts) of the Company and its net investment in non-integral foreign operations outstanding at the Balance Sheet date are restated at the year-end rates.

In the case of integral operations, assets and liabilities (other than non-monetary items), are translated at the exchange rate prevailing on the Balance Sheet date. Non-monetary items are carried at historical cost. Revenue and expenses are translated at the average exchange rates prevailing during the year. Exchange differences arising out of these translations are charged to the Statement of Profit and Loss.

Treatment of exchange differences

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company and its integral foreign operations are recognised as income or expense in the Statement of Profit and Loss.

2.10 Government grants, subsidies and export incentives

Government grants and subsidies are recognised when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants / subsidy will be received.

Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire capital assets are presented by deducting them from the carrying value of the assets.

The grant is recognised as income over the life of a depreciable asset by way of a reduced depreciation charge.

Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDING ON MARCH 31, 2022

2.11 Investments

Long-term investments (excluding investment properties), are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties. Investment properties are carried individually at cost less accumulated depreciation and impairment, if any. 2.12 Employee benefits

i) Short Term Employee Benefits

Short term employee benefits are expensed as & when the related service is provided. A liability is recognized for the amount expected to be paid if the company has existing legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

ii) Long-Term Employee Benefits

The liability for the earned leave is not expected to be settled wholly within twelve months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees upto the end of reporting period with actuarial valuations being carried out at each balance sheet date. The benefits are discounted using market yields at the end of the reporting period that have terms approximating to the terms of the related obligations.

iii) Post Employment Benefits

a) Defined Contribution Plan

Payments to defined contribution retirement benefit plans are recognised as expenses when the employees have rendered the service entitling themselves to the contribution.

Provident Fund: The employees of the company are entitled to receive the benefits in respect of provident fund, a defined contribution plan, in which both employees and the company make monthly contributions at a specific percentage of the covered employees salary.(currently 12% of employee's salary) The contributions are made only for those employees whose salary is below or at par with the limit prescribed by the law. The contributions as specified under the law are made to the provident fund and pension fund administrator by Regional Provident Fund Commissioner

The Company recognises the such contributions as an expenses when incurred.

b) Defined Benefit Plans

For defined benefit retirement plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurements, comprising actuarial gains and losses, the effect of changes to asset ceiling (if applicable) and the return on plan assets (excluding net interest), is recognised in profit and loss account for the period in which they occur.

Defined benefit costs comprising service cost (including current and past service cost and gains and losses on curtailments and settlements) and net interest expenses or income is recognised in profit and loss.

The defined benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plan

The obligations are presented as a current liabilities in the balance sheet in the entity does not have an unconditional right to defer the settlement for at least twelve months after the reporting period, regardless of when actual settlement is expected to occur.

Gratuity: The company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides lump sum payments to vested employees at retirement, death while in employment or on termination of employment of an amount as per the provisions of the Payment of Gratuity Act,1972. Vesting occurs upon completion of five years of service. The company accounts for the liability for gratuity benefits payable in future based on an independent actuarial valuation carried out at each balance sheet date using projected credit method.

Company has not announced any employee stock option scheme during the year.

2.14 Borrowing costs

Borrowing costs specifically relating to the acquisition, construction or production of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalized (net of income on temporarily deployment of funds) as part of the cost of such assets. Borrowing costs consist of Interest and other costs that the company incurs in connection with the borrowing of funds.

For general borrowing used for the purpose of obtaining a qualifying asset, the amount of borrowing costs eligible for the capitalization is determined by applying a capitalization rate to the expenditure on that assets. The capitalization rate is the weighted average of the borrowing costs applicable to the borrowings of the company that are outstanding during the period, other than borrowings made specifically for the purpose of obtaining a qualifying assets.

All other borrowing costs are recognized in profit and loss in the period in which they are incurred.

The amount of borrowing costs capitalized during a period does not exceed the amount of borrowing costs incurred during that period.

2.15 Earnings Per Share

Basic earnings per share is computed by dividing the profit or loss attributable to equity shareholders of the Company by the number of equity shares outstanding during the year. Diluted earnings per share is the same as basic earnings per share as the company does not have any dilutive potential equity shares outstanding. The number of weighted average equity shares are adjusted for share splits and bonus shares, as appropriate.
