WHOLE-TIME DIRECTOR'S MESSAGE

Dear Valued Shareholders,

As I put down these words, the world as we know it is in the midst of the biggest financial, social and health crisis we may witness in our lifetime. The toll that COVID -19 pandemic has taken is making economies plunge into a recession like never before. While the return to any sort of normalcy rests solely on concerted efforts globally towards creating a vaccine, our journey till then is one of caution which follows mandated protocols and common sense.

Having lived through economic crises before, most of us have adapted and evolved as individuals, organisations and as a country. I am sure, like we have risen and overcome adversities in the past, we will overcome the COVID-19 catastrophe and while the next few months are precarious and uncertain, it will favor organisations who reengineer, rebuild, and recreate long term sustainable business growth models.

The acquisition of Weizmann Forex in 2019 not only provided economies of scale but also broadened our target audience by tapping into the existing market and allowed us to acquire a larger share of this market, the consolidation of businesses saw EBIXCASH's airport foreign exchange business operate from 75+ counters across Delhi, Mumbai, Chennai, Hyderabad, Goa and Kolkata international airports and from over 130+ branches in 69 cities and presence at 12 seaports conducting a total of \$4.8 billion in gross transaction value per year and the inward remittance business of approx. \$5 billion gross annual remittance makes us the undisputed leadership position in India

The infusion of new ideas, products and business processes has transformed the organization setting it on a path of expansion and innovation, we will be introducing new ways of doing business that will give us a distinct identity and allow us to consistently achieve and maintain an edge with regards to our research, innovation and progress.

On behalf of the Board of Directors, I am pleased to share that for FY 2020, the Company earned net profit of Rs. 3919.06 Lakh as compared to loss of Rs. 1363.52 Lakh in FY 2019. However, the total income of the Company is Rs. 591581.62 Lakh as compared to FY 2019 total income of Rs. 918937.12 Lakh. .

I would like to take this opportunity to thank the members of the Board and the Management for their priceless insights, and the dedicated employees for their contribution towards creating industry benchmarks and building the brand to where it stands today.

I would like to thank all the stakeholders for their continued support in achieving this feat for the company, which I am confident, is only going to gain pace in the years to come.

With best wishes,

Guruprasad T. Chandrashekar
Whole-Time Director

Explanatory Statement (Pursuant to Section 102 of the Companies Act, 2013)

ITEM NO. 3.

In terms of Section 139 of the Companies Act, 2013 (“the Act”), and the Companies (Audit and Auditors) Rules, 2014, made thereunder, the present Statutory Auditors of the Company, M/s. Sharp & Tannan LLP, Chartered Accountants (Registration No. 127145W/W100218), will hold office until the conclusion of the ensuing Annual General Meeting and will not seek re-appointment. The said auditor was paid remuneration of Rs. 22,51,000/- (Rupees Twenty Two Lakh Fifty One Thousand Only) in connection with audit of accounts of the Company for the FY 2019-20. The Company is required to appoint another Auditor for a period of five years to hold office from the conclusion of this Annual General Meeting till the conclusion of the 40th Annual General Meeting.

The Board of Directors at its meeting held on June 19, 2020, after considering the recommendations of the Audit Committee, had recommended the appointment of M/s. T R Chadha & Co LLP, Chartered Accountants (Firm Registration No. 006711N/ N500028), as the Statutory Auditors of the Company for approval of the members. The proposed Auditors shall hold office for a period of five consecutive terms from the conclusion of the 35th Annual General Meeting till the conclusion of 40th Annual General Meeting of the Company. The committee considered various parameters like capability to serve the similar line of business as they are the auditors of EbixCash World Money Limited (ECWML - Promoter and Holding Company) and Ebix Paytech Private Limited (Holding Company of ECWML), their audit experience, market standing of the firm, clientele served, technical knowledge, etc. and found that M/s. T R Chadha & Co LLP, Chartered Accountants to be best suited to handle the audit of the financial statements of the Company.

M/s. T R Chadha & Co LLP, Chartered Accountants (Firm Registration No. 006711N/N500028), have consented to the aforesaid appointment and confirmed that their appointment, if made, will be within the limits specified under Section 141(3)(g) of the Companies Act, 2013. They have further confirmed that they are not disqualified to be appointed as the Statutory Auditors in terms of the Companies Act, 2013 and the rules made thereunder.

Pursuant to Section 139 of the Companies Act, 2013, approval of the members is required for appointment of the Statutory Auditors and fixing their remuneration by means of an Ordinary Resolution. Accordingly, approval of the members is sought for appointment of M/s. T R Chadha & Co LLP, Chartered Accountants (Firm Registration No. 006711N/N500028), as the Statutory Auditors of the Company and to fix their remuneration.

It is proposed to pay fees/remuneration of Rs. 14,50,000/- (Rupees Fourteen Lakh Fifty Thousand Only) for the financial year basis. The aforesaid fee will be for performing statutory audit, limited review and tax audit.

None of the Directors or Key Managerial Personnel of the Company and their relatives, are in any way concerned or interested financially or otherwise in the Resolution.

The Board of Directors recommends the **Ordinary Resolution** set out at Item No. 3 of the accompanying Notice for approval of the Members.

ITEM NO. 4.

The Board of Directors on the recommendation of the Nomination and Remuneration Committee appointed Ms. Lauren Paton as an Additional Director (Non-Executive

Independent) of the Company, at its Meeting held on March 13, 2020 for a period of 5 years and such 5 years be computed from the date of his initial/first appointment, i.e. March 13, 2020. The present appointment is subject to approval of the Shareholders in terms of the applicable provisions of the Companies Act, 2013. The terms of appointment including payment of sitting fees are as per the Letter of Appointment dated March 13, 2020.

BRIEF PROFILE:

Ms. Lauren Paton holds LLB (hons) from the University of Edinburgh. She has work experience of approximately 10 years in Corporate Laws of United Kingdom & Dubai.

Your Directors are of the opinion that Ms. Lauren Paton fulfills all the conditions prescribed under relevant sections of Companies Act, 2013, rules and amendments made thereunder and SEBI Listing Regulations.

None of the Directors or Key Managerial Personnel of the Company and their relatives except Ms. Lauren Paton, are in any way concerned or interested financially or otherwise in the Resolution.

ANNEXURE VI TO DIRECTOR'S REPORT MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW

GENERAL ECONOMIC OUTLOOK

Global growth is expected to remain subdued between 2 to 2.5 per cent in 2020 and a moderate one in 2021 according to leading economists and the estimates of the World Economic Forum. Developed countries like US, European nations have been reflecting a declining domestic demand based on reduced consumption. This has brushed off on the emerging market economies too like China, Russia, Brazil and South Africa. The year 2019-20 has witnessed enormous global events and risks in the backdrop of the trade war between US and China and geo political disturbances in other parts of the world.

Indian Economic momentum is expected to remain muted this fiscal year, which started in April. Purely based on evaluation of economy, RBI expects a GDP growth of about 4.5%. However, it is expected to witness a downside in growth forecasts on account of the unprecedented pandemic have predicted several uncertainties clouding the inflation outlook. Sustained growth depends on from the angle of industry as well as welfare of the people.

COMPANY BUSINESS

Fiscal year under review, 2019-20 has been the first year after the change in control and management of the company with Ebix Group acquiring the entire stake of 74.84% from Weizmann Group Promoters and 15.09% from the public shareholders through Open Offer. Ebix is a multinational entity having presence in all the continents and listed in NASDAQ. Ebix Group is predominantly into supply of on-demand software and e-commerce solutions to the insurance, financial, and healthcare industries. Ebix operates data exchanges in the areas of finance, travel, life insurance, annuities, employee health benefits, risk management, worker's compensation, insurance underwriting. Ebix financial and travel exchanges currently operate primarily in India and certain ASEAN countries. Ebix Group acquired a number of money transfer businesses and money changing businesses apart from travel and software related entities in India in the last couple of years and expects through proper restructuring and reorganizing a perfect economies of scale. The Company now has the privilege of international expertise to further its interests as well as strengthen its existing network.

The Company continues to focus on strengthening its core businesses of Money Changing and Money Transfer. The company has over 60,000 network locations and has tie up with all the leading overseas money transfer players like Western Union, MoneyGram, Ria Financial Services, UAE Exchange and Transfast.

OUTLOOK, OPPORTUNITIES AND THREATS

Induction of Directors with International expertise on the Company's Board, coupled with the growth estimates of 7.3% for the Indian economy the overall business outlook is quite encouraging

As per the World Travel & Tourism Economic Report of 2018, the global Travel & Tourism sector grew at 3.9% to contribute a record \$8.8 trillion and 319 million jobs in the world economy. The UN World Tourism Organisation (UNWTO) predicts that India will account for 50 million outbound tourists by 2020. Operators say that at present around 25 million tourists from India travel abroad — this basically implies that the number would double from current levels within the next two years. The ongoing Coronavirus (Covid 19) pandemic has upset all of the aforesaid predictions on the travel and tourism industry. The travel and tourism industry which is solely dependent on travel, especially international travel, is the worst impacted industry across the globe with reported job losses of close to 50 million. India, by virtue of being one of the top travel dependent economies, is sure to feel the pressure from reduced business and growth. A slightly minute analysis of the industry will reveal that leisure and individual / family centric overseas trips will take a longer time to recover; the business and student travel segments are expected to open up as soon as any antidote or vaccine is tested successful. Also, there might be a decline in the average spending patterns by Indian outbound travellers by 25 to 30%.

India retained its top spot in remittances with \$ 77 bn in 2019 as per World Bank Report

India is followed by China (\$ 67 billion), Mexico and the Philippines (\$ 34 billion each) and Egypt (\$ 29 billion). Global remittances grew by 8.8 percent to \$ 689 in 2018.

The Company's wide network reach across India, built up over the years helps to increase its business prospects in the remittance business.

India being the most sought after destination for Global Investor community and the Government of India's initiative of MAKE IN INDIA, has to translate into good business prospects for the Company. The new slogan of Atmanirbhar (Self-reliant) India is sure to attract more investment into the manufacturing sector which will open doors for export related international trade and travel.

However, the growth prospects will also depend largely on the pace at which the global economy revives from the pandemic. Introduction of

newer technologies and digitisation of businesses, especially financial services and block chain technologies gaining acceptance world over will affect the Company's business to certain extent.

The Company's Management does not fore see any immediate threat to its core business activities. However, its efforts are being channelized to seize the newer methodologies to counter the challenges faced from the newer technologies being introduced in its line of Business.

RISKS AND CONCERNS

Company has laid down a detailed risk management policy, customer identification and acceptance procedure. Credit procedure envisaged by the Company's credit policy ensures identification of the operational and business risk while entering into any transactions with the prospective customers. The financial risks involved are evaluated through a well laid down procedure. However, all the inherent business risks are adequately insured by the Company.

Exchange rate volatility faced is not only faced by the Company but is attuned to the forex industry globally. To mitigate the said risks Company through its Treasury closely monitors the exchange rate movement and hedges its liability on this account in the Forwards Forex market.

The inward remittances due to the Company in its Money Transfer business acts a natural hedge for its Money Exchange business.

The company's business is also subjected to a regulatory framework established by RBI & FIU, which calls for periodical reporting to guard the inherent risks associated with the Money Exchange & Money Transfer business activities.

Hence, there is a regulatory control also in addition to the self control on the operations of the Company warrants continuous upgrading of its controls systems to mitigate different forms of risks.

INTERNAL CONTROL SYSTEM

The Company has already put in place an elaborate Internal Control and Internal Audit systems. The system ensures that adequate periodical checks and balances are exercised.

Continuous monitoring by the Internal Audit team of these checks and balances due to the inherent risks associated with the nature of Company's activities, ensures compliance of the regulatory framework of RBI & FIU.

The Audit team is suitably guided and updated by the Audit Committee of the various regulatory requirements from time to time.

The Company has put in place a strict credit policy for extending credit to its corporate customers. The same is continuously monitored and reviewed periodically for any updates to ensure funds at Company's disposal are being judiciously utilised and efficiently managed vis a vis the business requirements.

The Management Discussion and Analysis explaining the objectives of the Company, the opportunities and threats, the outlook for the future, the risks and concerns have to be read with the meaning of relevant applicable laws and regulations. The actual performance may differ materially from those explained herein above. As in any other business the performance of the Company is totally dependent on the market conditions of demand and supply, the volatility in exchange rate, the Government policy & regulations, the economy of the country and other factors.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES.

Your Company being part of the Banking and Financial Services sector, human resources has always been the main pillar for all the activities of the Company. Customer Satisfaction being the ultimate objective of the Company, to ensure sustained business growth. Company's focus have been to improve the staff's contribution towards the various services offered. To achieve this objective Company has ensured that all its employees receive continuous update on the Company's policies as well as the regulatory framework, by conducting continuous programs for learning and development on functional and behavioural training.

INDEPENDENT AUDITOR'S REPORT

To the Members of

Ebixcash World Money India Limited (formerly *Weizmann Forex Limited*)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Ebixcash World Money India Limited** (formerly *Weizmann Forex Limited*) (the 'Company'), which comprise the Balance Sheet as at 31st March, 2020, and the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020, and its profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1. Valuation of deferred tax assets

The Company's assessment of the valuation of deferred tax assets, resulting from temporary differences, is significant to our audit as the calculations are complex and depend on sensitive and judgmental assumptions. These include, amongst others, long-term future profitability, compliance of Income tax Act, 1961 and the Income Tax Rules, 1962 framed thereunder and new developments. Hence, it is considered as a Key Audit Matter.

The Company's disclosures concerning deferred taxes are included in Note 2.2 to the financial statements.

Principal Audit Procedures

Our procedures included, among others, procedures on the completeness and accuracy of the deferred tax assets recognised.

We assessed the applicable provisions of the aforesaid Act and the Rules framed thereunder and developments, in

particular, those related to changes in the statutory income tax rate, since, this is a key assumption underlying the valuation of the deferred tax assets.

In addition, we also focused on the adequacy of the Company's disclosures on deferred tax assets and assumptions used.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in: (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may

reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore, the key audit matters. We describe these matters in our auditor's report, and unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We draw attention to Note 2.37 to the financial statements which explains COVID-19 that has caused significant disruptions in the business operations of companies across India and has caused significant accounting and auditing challenges. One such challenge being inability for the Company to conduct a physical verification of inventories for the year-end 31st March, 2020 due to Government having imposed restrictions during the lockdown on account of health, travel and safety concerns.

The Company's management, however, conducted physical verification of inventories on dates other than the date of financial statements but prior to the date of the board meeting to be held for the purpose of adopting the financial results, at certain locations and has made available the documents in confirmation thereof. Inventories, being material to the financial statements of the Company, the Standard on Auditing (SA) 501, *Audit Evidence - Specific Considerations for Selected items*, cast a duty on us to obtain sufficient appropriate audit evidence regarding the existence and condition of inventories.

We have performed alternate audit procedures based on documents and other information made available to us, to audit the existence of inventories as per the Guidance provided by the Standard on Auditing (SA) 501, *Audit Evidence - Specific Considerations for Selected items*, and have obtained sufficient appropriate audit evidence to issue our unmodified opinion on these financial statements.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the **Annexure 'A'**, a Statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) the Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - (d) in our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act;

- (e) on the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure 'B'**;
- (g) with respect to the other matters to be included in the Auditors Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the provisions of Section 197 of the Act are not applicable to the Company; and
- (h) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (1) the Company has disclosed the impact of pending litigations on its financial position in its financial statements - (Refer Note 2.34 to the financial statements);
 - (2) the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - (3) there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) of our report of even date)

Report on the Internal Financial Controls under Section 143(3)(i) of the Companies Act, 2013 (the 'Act')

We have audited the internal financial controls over financial reporting of **Ebixcash World Money India Limited** (formerly *Weizmann Forex Limited*) (the 'Company') as of 31st March, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and prescribed under Section 143(10) of the Act, to the extent applicable, to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial

reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, read together with Note 2.37 to the financial statements and our observations under paragraph Other Matter of our main report, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as of 31st March, 2020, based on the internal control over

financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTES TO THE FINANCIAL STATEMENTS : 2019-20

1 Company Overview and Significant Accounting Policies

1.0 Corporate Information

EBIXCASH WORLD MONEY INDIA LIMITED (*Erstwhile Weizmann Forex Limited*) (the 'Company'), is a public company domiciled in India and was incorporated on 9th October, 1985 under the provision of the Companies Act, 1956 applicable in India. Its shares are listed on National Stock Exchange of India (NSE) and Bombay Stock Exchange (BSE). The Company's name has been changed w.e.f. 1st January, 2020. The registered office of the Company is situated in the state of Maharashtra.

1.1 Basis of Preparation

a. Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 (the 'Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied.

b. Historical Cost Convention

The financial statements have been prepared on Historical Cost basis except for-

1. Certain financial assets and liabilities measured at fair value
2. Investment in Equity (Excluding Investment in Associates)
3. Defined benefit plans- plan assets measured at fair value and the present value of the defined benefit obligations as per actuarial valuation.

c. Basis of Accounting

The Company maintains accounts on accrual basis following the historical cost convention, except for certain financial instruments which are measured at fair value or amortised cost at the end of each reporting period, as explained in the accounting policies below.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Fair value measurements under Ind AS are categorised as below based on the degree to which inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- i. Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the company can access at measurement date;
- ii. Level 2 inputs are inputs, other than quoted prices included in level 1, that are observable for the asset or liability, either directly or indirectly; and
- iii. Level 3 inputs are unobservable inputs for the valuation of assets/liabilities

d. Presentation of Financial Statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Division II of Schedule III to the Act. The statement of cash flows has been prepared and presented as per the requirements of Ind AS 7, Statement of Cash flows. The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Ind AS and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

Functional Currency

These financial statements are presented in Indian Rupees in lakh rounded off to two decimal places as permitted by Schedule III to the Act. Per share data are presented in Indian Rupees to two decimals places.

e. Classification of Current / Non-Current Assets and Liabilities

All the assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- i) it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- ii) it is held primarily for the purpose of being traded;
- iii) it is expected to be realised within twelve months after the reporting date; or
- iv) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- i) it is expected to be settled in the Company's normal operating cycle;
- ii) it is held primarily for the purpose of being traded;
- iii) it is due to be settled within twelve months after the reporting date; or
- iv) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other assets/ liabilities are classified as non-current. Based on the nature of the products and services, the Company has ascertained its operating cycle as twelve months for the purpose of Current / Non-current classification of assets and liabilities.

f. Key estimates and assumptions

The preparation of financial statements in accordance with Ind AS requires use of estimates and assumptions for some items, which might have an effect on their recognition and measurement in the (i) balance sheet and (ii) statement of profit and loss. The actual amounts realised may differ from these estimates.

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/ materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

Estimates and assumptions are required in particular for:

i. Determination of the estimated useful lives of tangible assets

Useful lives of tangible assets are based on the life prescribed in Schedule II to the Act. In cases, where the useful lives are different from that prescribed in Schedule II to the Act, they are based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support.

ii. Recognition and measurement of defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation, actuarial rates and life expectancy. The

discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations.

iii. Recognition of deferred tax assets

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax base, and unutilized business loss and depreciation carry-forwards and tax credits. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized.

iv. Recognition and measurement of other provisions

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may therefore vary from the amount included in other provisions.

1.2 Property, Plant and Equipment

Property, plant and equipment (PPE) are stated at the cost of acquisition including incidental costs related to acquisition and installation less accumulated depreciation and impairment loss, if any. Cost of acquisition is inclusive of freight, duties, taxes and other incidental expenses necessary for it to be capable of operating in the manner intended by management.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

Property Plant and Equipment are depreciated based on the revised remaining useful life of the assets as per the requirement of Schedule II to the Act.

1.3 Intangible Assets

Intangible assets are recognised when it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and the cost of the asset can be measured reliably.

Administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets.

Intangible assets not ready for the intended use on the date of the Balance Sheet are disclosed as "intangible assets under development"

Intangible assets are amortised over their estimated useful life as under:

- | | |
|-----------------------------|------------|
| (a) Goodwill | - 10 years |
| (b) Licenses and franchises | - 10 years |
| (c) Computer software | - 3 years |
| (d) Computer software (ERP) | - 10 years |

1.4 Investments

- Non-current investments are carried at cost, after providing for any diminution in value, to recognise a decline other than temporary in nature.
- Current investments are carried at lower of cost and fair value.

The determination of carrying amount of such investments is done on the basis of weighted average cost of each individual investment.

The Company measures its investment in Equity instruments (other than Associates) at its Fair Value as defined under Ind AS 109, Financial Instruments

1.5 Impairment of Assets

As at each balance sheet date, the carrying amount of assets is tested for impairment so as to determine :

- the provision for impairment loss, if any ; and

- the reversal of impairment loss recognised in previous periods, if any.

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined :

- in the case of an individual asset, at the higher of net selling price and the value in use; and
- in the case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of the cash generating unit's net selling price and the value in use.

(Value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of its useful life.)

1.6 Inventories

Foreign currencies - notes and paid documents on hand are valued at lower of Average Cost and Inter Bank Rate as on the last day of the financial year for each currency.

1.7 Cash and Cash Equivalents

- Cash comprises cash on hand and demand deposits with banks.
- Cash equivalents are short-term, highly liquid investment that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

1.8 Borrowings and Loans

Borrowings and loans are initially recognised at fair value, net of transaction costs incurred. It is subsequently measured at amortised cost using the effective interest rate method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or transaction costs that are an integral part of the effective interest rate. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of profit and loss over the period of borrowings using the effective interest rate.

1.9 Taxation

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of Income Tax Act, 1961, and based on the expected outcome of assessments / appeals, is recognised in profit or loss except to the extent that it relates to a business combination, or items recognised directly in equity or in OCI.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and liabilities are offset only if, the Company:

- has a legally enforceable right to set off the recognised amounts; and
- intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax base used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences.

Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is

settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Transaction or event which is recognised outside profit or loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Statement of Profit and Loss.

1.10 Asset held for Sale

Assets held for sale as required to be disclosed in accordance with Ind AS 105, *Non-Current Assets held for Sale and Discontinued Operations*, are measured at lower of its carrying amount and fair value less cost to sell;

1.11 Provisions and Contingencies

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Contingent liabilities are disclosed in the notes.

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- a) estimated amount of contracts remaining to be executed on capital account and not provided for;
- b) other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

1.12 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The Company recognises a financial asset or a liability in its balance sheet only when the entity becomes party to the contractual provisions of the instrument.

a. Financial Assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

Initial Recognition-

On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset.

Financial assets are subsequently classified as measured at Amortised Cost-

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are

solely payments of principal and interest on the principal amount outstanding.

Fair Value Through Other Comprehensive Income (FVTOCI)-

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value Through Profit and Loss (FVTPL)-

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Derecognition of financial assets-

A financial asset (or where applicable, a part of a financial assets or part of a group of similar financial asset) is primarily derecognise (i.e. removed from the company's financial statements) when:

- a. The rights to receive cash flows from the asset have expired, or
- b. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
 - (i) the Company has transferred substantially all the risks and rewards of the asset, or
 - (ii) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset

Ind AS 109 requires Expected Credit Losses (ECL) to be measured through a loss allowance. In determining the allowances for doubtful trade receivables, the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and allowance rates used in the provision matrix.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instruments.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of it trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income / expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the Statement of Profit and Loss.

b. Financial Liabilities and Equity Instruments

Classification as debt or equity

An instrument issued by a company is classified as either financial liability or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Initial Recognition-

Equity instruments are any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Financial liabilities are recognised when the Company

becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Subsequent Measurement-

Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Derecognition of Financial Liabilities-

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

1.13 Revenue Recognition

Effective , the Company has applied Ind AS 115, Revenue from Contracts with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18, *Revenue and Ind AS 11, Construction Contracts* ('Not applicable to the Company').

Under Ind AS 115, revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for services to a customer.

The Company has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognised at the date of initial application (i.e. 1st April, 2018) in equity. The comparative information in the statement of profit and loss is not restated – i.e. the comparative information continues to be reported under Ind AS 18. Refer note 1.11 – Significant accounting policies – Revenue recognition in the Annual report of the Company for the year ended 31st March, 2018, for the revenue recognition policy as per Ind AS 18.

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

- (a) Sales of foreign currencies/encashed traveller's cheques is recognised when the delivery is completed and invoice raised.
- (b) Income on money transfer is recognised when the payment is made to beneficiaries of remittance.
- (c) Commission is recognised on sale of currency/encashed traveller's cheques.
- (d) Other operational income represents income earned from activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.
- (e) Interest income on deposits, securities and loans is recognised at the agreed rate on time proportion basis.

1.14 Employee Benefits

(a) Short term employee benefits

All Employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, short term compensated absences and bonus are recognised in the period in which the employee renders this related services.

(b) Post-employment benefits

- (1) Defined contribution plans : Company's contribution paid/ payable during the year to Provident fund, and ESIC are recognised in Statement of Profit and Loss during the period in which the employee renders the related service.
- (2) Defined benefit plans : Company has covered its gratuity liability with Life Insurance Corporation of India (LIC). Any amount payable to the employees in the year of separation in excess of amount received from LIC is charged to Statement of Profit and Loss. The present value of the obligation under defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method. Re-measurement of defined benefit plans in respect of post-employment are charged to the Other

Comprehensive Income."

(c) Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the balance sheet date. Company provides for Leave Encashment Liability on Privilege Leave, Sick Leave and Casual Leaves.

1.15 Borrowing Costs

Borrowing costs includes interest and other costs incurred in connection with the borrowing of funds and charged to Statement of profit and loss on the basis of effective interest rate. Borrowing costs net of any investment income from temporary investment of related borrowings that are directly attributable to the acquisition, construction or production of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset. All other borrowing costs are recognised as expense in the Statement of profit or loss in the period in which they are incurred.

1.16 Leases

Ind AS 116, *Leases*, requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

The Company as a lessee:

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset; (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease; and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a Right-of-Use asset (RoU) and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. RoU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The RoU assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

The RoU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. RoU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e., the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related RoU asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and RoU asset have been separately presented in the Balance sheet and lease payments have been classified as financing cash flows.

1.17 Foreign Currency Transactions

Purchases and sales of foreign currencies and traveller's cheques are accounted at the contracted rates. Other transactions in foreign currencies are initially recognised at the rate at which the transaction is entered into. On settlement of such transactions the profit/loss arising from exchange differences is recognised in the Statement of profit and loss. Receipts of foreign exchange in money transfer are accounted on the prevalent bank conversion rate or forward contract rate as the case may be and the profit / loss arising from exchange differences is recognised in the Statement of profit and loss. Assets and liabilities denominated in foreign currencies are restated at the rates prevailing at the year end / forward contract rate, as the case may be. The profit / loss so determined are also recognised in the Statement of Profit and Loss.

1.18 Earnings Per Share

Basic Earnings per share is calculated by dividing the net profit for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

Note-

a. Remittance in transit relates to amount remitted by Money Transfer Overseas Principal pertaining to International Money Transfer (IMT) Business on reporting date. The remittance is normally received in the Domestic Bank Account on T+1 day basis, however, to the extent of the intermittent holidays, the remittance is delayed. Since the amount is remitted on reporting date, the same is reduced from Trade Receivables and disclosed under Cash and Cash Equivalents. [Note no. 2.7(a)]

b. In determining the allowances for credit losses of trade receivables, the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix.

i. **Movements in Expected Credit Losses Allowance is as below:**

Change in Rate of Employee Turnover (Delta Effect of -1%)	(0.29)	(9.11)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

NOTES TO THE FINANCIAL STATEMENTS 2019 - 20

Risks associated with defined benefit plan

Interest Rate Risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Investment Risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Concentration Risk: Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

iv. **Liquidity Risk Management**

The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company's treasury maintains flexibility in funding by maintaining sufficient cash and bank balances available to meet the working capital requirements. Given the need to fund diverse businesses, the Company maintains flexibility in funding by maintaining availability under committed credit lines to meet obligations when due.

v. **Credit Risk Management**

The company is exposed to credit risk, which is the risk that counterparty will default on its contractual obligation resulting in a financial loss to the company. To manage this, the company periodically assesses the financial reliability of customers, taking into account the financial conditions, current economic trends, analysis of historical bad debts and ageing of accounts receivable as at different reporting periods.

2.37 COVID-19 has caused significant disruptions to businesses across India. The management has considered the possible effects, if any, that may impact the carrying amounts of inventories, receivables and intangibles. In making the assumptions and estimates relating to the uncertainties as at the balance sheet date in relation to the recoverable amounts, the management has considered subsequent events, internal and external information and evaluated economic conditions prevailing as at the date of approval of these financials results. The management expects no impairment to the carrying amounts of these assets. The management will continue to closely monitor any changes to future economic conditions and assess its impact on the operations.

2.38 Previous year's figures have been regrouped wherever necessary.
