Our responsibility is to issue a report on these financial statements based on our review.

2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. Basis for Qualified Conclusion

Based on the information provided to us by the Management of Mahanagar Telephone Nigam Limited, we have given in the Annexure – I to this report the basis for qualified conclusions.

4. Qualified Conclusion

Based on our review conducted as stated above, except for the observations / matters mentioned in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results read with notes thereon, prepared in accordance with the applicable Indian Accounting Standards (Ind-AS) and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Emphasis of Matter

- (i) With reference to pending dispute with the Income Tax Department before the Hon'ble Courts regarding deduction claimed by the Company u/s 80 IA of the Income Tax Act, 1961 we are unable to comment on the adequacy or otherwise of the provision and / or contingency reserve held by the Company.
- (ii) Impact of accounting of claims and counter claims of MTNL with M/S M&N Publications Ltd., in a dispute over printing, publishing and supply of telephone directories for MTNL, in the year when the ultimate collection / payment of the same becomes reasonably certain.
- (iii) Amount receivable from BSNL & Other Operators have been reflected as loans and other financial assets instead of bifurcating the same into trade receivables and other financial assets.

The amount of difference in computation of Adjusted Gross Revenue (AGR) is under consideration of DOT.

**Annexure – I to the Independent Auditors' Review Report
(Referred to in Para 3 of our report of even date)**

1. The Net Worth of the Company has been fully eroded; The Company has incurred net cash loss during the quarter ended and nine months ended December 31st, 2019 as well as in the previous year and the current liabilities exceeded the current assets substantially.

Furthermore, Department of Public Enterprises vide its Office Memorandum No. DPE/5(1)/2014-Fin. (Part-IX-A) has classified the status of the Company as "Incipient Sick CPSE". Department of Telecommunication (DOT) has also confirmed the status vide its issue no. I/3000697/ 2017 through file no. 19-17/2017 – SU-II.

However, the unaudited standalone financial results of the Company have been prepared on a going concern basis keeping in view the majority stake of the Government of India.

Further, Union Cabinet has also approved the "Revival plan of BSNL and MTNL" by reducing employee costs, administrative allotment of spectrum for 4G services, debt restructuring by raising of sovereign guarantee bonds, monetization of assets and in principle approval for merger of BSNL and MTNL.

2. **Bharat Sanchar Nigam Limited (BSNL):**

a) The Company has certain balances receivables from and payables to Bharat Sanchar Nigam Limited (BSNL). The net amount recoverable of Rs.3,474.53 Crores out of which Rs. 2,627.32 Crores is subject to reconciliation and confirmation. In view of non reconciliation and non confirmation and also in view of various pending disputes regarding claims and counter claims, we are not in a position to ascertain and comment on the correctness of the outstanding balances and resultant impact of the same on the unaudited standalone financial results of the Company for the quarter ended December 31st, 2019.

b) The Company has not provided a provision for doubtful claims in respect of lapsed CENVAT Credit due to non-payment of service tax to service providers within the period of 180 days and due to transition provision under Goods and Service Tax (GST) where the aforesaid CENVAT credit amounting to Rs. 144.66 Crores has not been carried forward and ineligible credits amounting to Rs. 51.65 Crores excessively carried forward to TRANS-1 under GST laws resulting in overstatement of current assets and understatement of loss to that extent.

3. The Company has certain balances receivables from and payables to Department of Telecommunication (DOT). The net amount recoverable of Rs. 328.82 Crores is subject to reconciliation and confirmation. In view of non reconciliation and non confirmation, we are not in a position to ascertain and comment on the correctness of the outstanding balances and resultant impact of the same on the unaudited standalone financial results of the Company.

4. Up to financial year 2011-12 License Fee payable to the DOT on IUC charges to BSNL was worked out on accrual basis as against the terms of License agreements requiring deduction

for expenditure from the gross revenue to be allowed on actual payment basis. From financial year 2012-13, the license fee payable to the DOT has been worked out strictly in terms of the license agreements. The Company continues to reflect the difference in license fee arising from working out the same on accrual basis as aforesaid for the period up to financial year 2011-12 by way of contingent liability of Rs. 140.36 Crores instead of actual liability resulting in understatement of current liabilities and understatement of loss to that extent.

5. The Company had allocated the overheads towards capital works in a manner which is not in line with the accepted accounting practices and Indian Accounting Standard – 16 “Property, Plant and Equipment” prescribed under Section 133 of the Act, the same results into overstatement of capital work in progress/ property, plant and equipment and understatement of loss. The actual impact of the same on the unaudited standalone financial results is not ascertained and quantified.
6. Except for the impairment loss of assets of CDMA units provided in earlier years, no adjustment has been considered on account of impairment loss, if any, during the year, with reference to Indian Accounting Standard – 36 “Impairment of Assets” prescribed under Section 133 of the Act. In view of uncertainty in achievement of future projections made by the Company, we are unable to ascertain and comment on the provision required in respect of impairment in carrying value of cash generating units and its consequent impact on the loss for the quarter ended on December 31st, 2019, accumulated balance of reserve and surplus and also the carrying value of the cash generating units.
7. The Company does not follow a system of obtaining confirmations and performing reconciliation of balances in respect of amount receivables from trade receivables, deposits with Government Departments and others, claim recoverable from operators and others parties and amount payables to trade payables, claim payable to operators, and amount payable to other parties. Accordingly, amount receivables from and payables to the various parties are subject to confirmation and reconciliation. Pending such confirmation and reconciliations, the impact thereof on the unaudited standalone financial results are not ascertainable and quantifiable.
8. Unlinked credit of 40.37 Crores on account of receipts from subscribers against billing by the Company which could not be matched with corresponding receivables is appearing as liabilities in the balance sheet. To that extent, trade receivables and current liabilities are overstated.
9. Property, Plant and Equipment are generally capitalized on the basis of completion certificates issued by the engineering department or bills received by finance department in respect of bought out capital items or inventory issued from the Stores. Due to delays in issuance of the completion certificates or receipt of the bills or receipt of inventory issue slips, there are cases where capitalization of the Property, Plant and Equipment gets deferred to next year. The resultant impact of the same on the unaudited standalone financial results by way of depreciation and amount of Property, Plant and Equipment capitalized in the balance sheet cannot be ascertained and quantified.
10. Certain Land and Buildings transferred to MTNL from DOT in earlier years have been reflected as leasehold. In the absence of relevant records, we are not in a position to

comment on the classification, capitalization and amortization of the same as leasehold and also the consequential impacts, if any, of such classification, capitalization and amortization not backed by relevant records. In the absence of relevant records, impact of such classification on the unaudited standalone financial results cannot be ascertained and quantified.

11. Department of Telecommunication (DOT) had raised a demand of Rs. 3313.15 Crores in 2012-13 on account of one time charges for 2G spectrum held by the Company for GSM and CDMA for the period of license already elapsed and also for the remaining valid period of license including spectrum given on trial basis.

As explained the demand for spectrum usage for CDMA has been revised by Rs. 107.44 Crores on account of rectification of actual usage.

Also as explained, pending finality of the issue by the Company regarding surrender of a part of the spectrum, crystallization of issue by the DOT in view of the claim being contested by the Company and because of the matter being sub-judice in the Apex Court on account of dispute by other private operators on the similar demands, the amount payable, if any, is indeterminate. Accordingly, no liability has been created for the demand made by DOT on this account and Rs. 3205.71 Crores has been disclosed as contingent liability.

In view of the above we are not in a position to comment on the correctness of the stand taken by the Company and the ultimate implications of the same on the unaudited standalone financial results of the Company.

The above observations/conclusions referred to in Para no. 1 to 11 were subject matter of qualification in the Auditor's Report for the year ended on March 31st, 2019.

The overall impact of matters referred to in above paras except para no. 1, 2(a), 3, 4, 5, 6, 7, 9, 10 and 11 on the attached unaudited standalone financial results of the Company is not determinable.

Annexure – I to the Independent Auditors' Review Report
(Referred to in Para 3 of our report of even date)

1. The Net Worth of the Parent Company has been fully eroded; The Parent Company has incurred net cash loss during the quarter ended and nine months ended December 31st, 2019 as well as in the previous year and the current liabilities exceeded the current assets substantially.

Furthermore, Department of Public Enterprises vide its Office Memorandum No. DPE/5(1)/2014-Fin. (Part-IX-A) has classified the status of the Parent Company as "Incipient Sick CPSE". Department of Telecommunication (DOT) has also confirmed the status vide its issue no. I/3000697/ 2017 through file no. 19-17/2017 – SU-II.

However, the consolidated unaudited financial results have been prepared on a going concern basis keeping in view the majority stake of the Government of India.

Further, Union Cabinet has also approved the "Revival plan of BSNL and MTNL" by reducing employee costs, administrative allotment of spectrum for 4G services, debt restructuring by raising of sovereign guarantee bonds, monetization of assets and in principle approval for merger of BSNL and MTNL.

2. **Bharat Sanchar Nigam Limited (BSNL):**

- a) The Parent Company has certain balances receivables from and payables to Bharat Sanchar Nigam Limited (BSNL). The net amount recoverable of Rs. 3,474.53 Crores out of which Rs. 2,627.32 Crores is subject to reconciliation and confirmation. In view of non reconciliation and non confirmation and also in view of various pending disputes regarding claims and counter claims, we are not in a position to ascertain and comment on the correctness of the outstanding balances and resultant impact of the same on the consolidated unaudited financial results for the quarter and nine months ended December 31st, 2019.
- b) The Parent Company has not provided a provision for doubtful claims in respect of lapsed CENVAT Credit due to non-payment of service tax to service providers within the period of 180 days and due to transition provision under Goods and Service Tax (GST) where the aforesaid CENVAT credit amounting to Rs. 144.66 Crores has not been carried forward and ineligible credits amounting to Rs. 51.65 Crores excessively carried forward to TRANS-1 under GST laws resulting in overstatement of current assets and understatement of loss to that extent.

3. The Parent Company has certain balances receivables from and payables to Department of Telecommunication (DOT). The net amount recoverable of Rs. 328.82 Crores is subject to reconciliation and confirmation. In view of non reconciliation and non confirmation, we are not in a position to ascertain and comment on the correctness of the outstanding balances and resultant impact of the same on the consolidated unaudited financial results.
4. Up to financial year 2011-12 License Fee payable to the DOT on IUC charges to BSNL was worked out on accrual basis as against the terms of License agreements requiring deduction for expenditure from the gross revenue to be allowed on actual payment basis. From financial year 2012-13, the license fee payable to the DOT has been worked out strictly in terms of the license agreements. The Parent Company continues to reflect the difference in license fee arising from working out the same on accrual basis as aforesaid for the period up to financial year 2011-12 by way of contingent liability of Rs. 140.36 Crores instead of actual liability resulting in understatement of current liabilities and understatement of loss to that extent.
5. The Parent Company had allocated the overheads towards capital works in a manner which is not in line with the accepted accounting practices and Indian Accounting Standard – 16 “Property, Plant and Equipment” prescribed under Section 133 of the Act, the same results into overstatement of capital work in progress/ property, plant and equipment and understatement of loss. The actual impact of the same on the consolidated unaudited financial results is not ascertained and quantified.
6. Except for the impairment loss of assets of CDMA units provided in earlier years, no adjustment has been considered on account of impairment loss, if any, during the year, with reference to Indian Accounting Standard – 36 “Impairment of Assets” prescribed under Section 133 of the Act. In view of uncertainty in achievement of future projections made by the Company, we are unable to ascertain and comment on the provision required in respect of impairment in carrying value of cash generating units and its consequent impact on the loss for the quarter ended on December 31st, 2019, accumulated balance of reserve and surplus and also the carrying value of the cash generating units.
7. The Parent Company does not follow a system of obtaining confirmations and performing reconciliation of balances in respect of amount receivables from trade receivables, deposits with Government Departments and others, claim recoverable from operators and others parties and amount payables to trade payables, claim payable to operators, and amount payable to other parties. Accordingly, amount receivables from and payables to the various parties are subject to confirmation and reconciliation. Pending such confirmation and reconciliations, the impact thereof on the consolidated unaudited financial results are not ascertainable and quantifiable.

8. Unlinked credit of Rs. 40.37 Crores on account of receipts from subscribers against billing by the Parent Company which could not be matched with corresponding receivables is appearing as liabilities in the balance sheet. To that extent, trade receivables and current liabilities are overstated.
9. Property, Plant and Equipment are generally capitalized on the basis of completion certificates issued by the engineering department or bills received by finance department in respect of bought out capital items or inventory issued from the Stores. Due to delays in issuance of the completion certificates or receipt of the bills or receipt of inventory issue slips, there are cases where capitalization of the Property, Plant and Equipment gets deferred to next year. The resultant impact of the same on the consolidated unaudited financial results by way of depreciation and amount of Property, Plant and Equipment capitalized in the balance sheet cannot be ascertained and quantified.
10. Certain Land and Buildings transferred to MTNL from DOT in earlier years have been reflected as leasehold. In the absence of relevant records, we are not in a position to comment on the classification, capitalization and amortization of the same as leasehold and also the consequential impacts, if any, of such classification, capitalization and amortization not backed by relevant records. In the absence of relevant records, impact of such classification on the consolidated unaudited financial results cannot be ascertained and quantified.
11. Department of Telecommunication (DOT) had raised a demand of Rs. 3313.15 Crores in 2012-13 on account of one time charges for 2G spectrum held by the Parent Company for GSM and CDMA for the period of license already elapsed and also for the remaining valid period of license including spectrum given on trial basis.

As explained the demand for spectrum usage for CDMA has been revised by Rs. 107.44 Crores on account of rectification of actual usage.

Also as explained, pending finality of the issue by the Company regarding surrender of a part of the spectrum, crystallization of issue by the DOT in view of the claim being contested by the Company and because of the matter being sub-judice in the Apex Court on account of dispute by other private operators on the similar demands, the amount payable, if any, is indeterminate. Accordingly, no liability has been created for the demand made by DOT on this account and Rs. 3205.71 Crores has been disclosed as contingent liability.

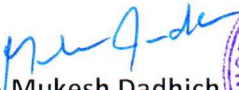

In view of the above we are not in a position to comment on the correctness of the stand taken by the Parent Company and the ultimate implications of the same on the consolidated unaudited financial results for the quarter ended and nine months December 31st, 2019.

The above observations/conclusions referred to in Para no. 1 to 11 were subject matter of qualification in the Auditor's Report for the year ended on March 31st, 2019.

The overall impact of matters referred to in above paras except para no. 1, 2(a), 3, 4, 5, 6, 7, 9, 10 and 11 on the attached consolidated unaudited financial results is not determinable.
