## **"Mr. Albert John Allen (Advisor, US Govt. Department of Commerce and Trade) joins the board of Femto Green Hydrogen Limited"**

Mumbai, XXXX 2023: Femto Green Hydrogen Limited (Femto), a Subsidiary company of Indo Thai Securities Limited, listed on the Bombay Stock Exchange (BSE) and National Stock Exchange (NSE), today announced that they have onboarded Mr. Albert John Allen as one of the Board of Directors to further strengthen the senior management. Femto is a revolutionary green solutions provider which helps eradicate dangerous carbon emissions from vehicles, thereby reducing pollution levels significantly. Mr. Allen currently serves as a senior advisor on international trade relations to the current US Secretary of Commerce and US Trade Representative. He has over thirty-seven years' experience negotiating political and economic issues between foreign governments and the US.

Speaking on the appointment of Mr. Nandan Kundetkar, Director of Femto Green Hydrogen Limited (Subsidiary Company of Indo Thai Securities Limited) said, "Mr. Allen is one of the key senior personnel advising the US government and we are thrilled to have such a key authority figure joining our board. This further reiterates Femto's credibility as a global platform focussed on providing ground-breaking green energy solutions. Mr. Allen would also help us in strengthening our relationships with industry leaders in the global market."

Mr. Allen served as Special Assistant to President Ronald Reagan, and has served as an advisor for every Administration since President Reagan. He has extensive experience working with the US Congress, as well as many Foreign Ministers, and Heads of State. After leaving the White House, he founded the Washington, D.C. consulting firm of John Allen & Associates International, Ltd., now Allen Global Enterprises headquartered in Greensboro, N.C. Mr. Allen's firm has been involved in a wide range of projects in over 43 countries.

Speaking on this development Mr. Albert John Allen said, "I am excited to be on the board of this company as it has ground breaking technology that will be successful in making our world a better place environmentally."
