## Vaibhav Global Limited

### **Successful conclusion of 1<sup>st</sup> 'Hackademic' event: An innovation initiative by VGL for engineering students**

**Jaipur, October 15, 2022:**

Vaibhav Global Limited, in collaboration with Manipal University (Jaipur), Atal Incubation Centre (AIC), and Niti Aayog, conducted an innovation series- 'Hackademic'- a platform for talented engineering students across India to showcase their innovative product ideas. The event started in May 2022 and proceeded through different qualifying stages. The response was commendable and encouraging.

This initiative has provided students with an opportunity to experience a complete product development lifecycle from ideation to commercialization. This is our first step towards building an '**industry-academic collaboration**' and encouraging young innovators across the country.

We received 155 entries from 48 universities all over India, including IITs, and NITs. Post clearing the '**Prototype Development**' and '**Prototype Implementation**' stages, we shortlisted top 5 finalists as follows. The best adjudged ideas were rewarded with cash prizes and gift hampers.

<b>Position</b>	<b>University</b>	<b>Student(s)</b>	<b>Product developed</b>	<b>Prize money</b>
First	Sri Krishna College of Technology (Tamil Nadu)	Arun VS, Harsita Sarathy, Kirthika Bheeman	Fall detection device for elderly people	Rs. 50,000
Second	JK Lakshmi Pat University (Jaipur) & Pune Institute of Computer Science (Pune)	Himangi Puri Sanskar Dubey	Smart jewelry	Rs. 30,000
Third	Bhartiya Vidhya Bhawan (Jaipur)	Aditya Choudhary	Piezoelectric Footwear	Rs. 20,000
Fourth	Bannari Amman Institute of Technology (Tamil Nadu)	Kavyasiri and Dharsan	Smart bag	Rs. 10,000
Fifth	Bhartiya Vidhya Bhawan (Jaipur)	Niti Jangir	Washing machine water recycler equipment	Rs. 10,000

"The end goal of this tech event is to bring together innovative aspirants from many backgrounds to create a commercially viable solution. The budding innovators who participated in this event were extremely driven to achieve their visions. The results were impressive and provided an excellent example of what is possible when the young minds were trying to solve a challenge. In conclusion, as we wrap up our 'Hackademic' we will be back again the next year keeping up with

the same momentum to empower budding innovators,” says Kulathendral, Chief Innovation Officer, Vaibhav Global Limited.
