[KEC International wins New Orders of Rs. 1,560 crores](#)

Mumbai, March 22, 2023: KEC International Ltd., a global infrastructure EPC major, an RPG Group Company, has secured new orders of **Rs. 1,560 crores** for Transmission & Distribution (T&D) projects in India, from Power Grid Corporation of India Limited (PGCIL) under Tariff Based Competitive Bidding (TBCB) route:

- 765 kV Transmission line
- 765/400 kV AIS Substation
- 765 kV GIS Substations

Mr. Vimal Kejriwal, MD & CEO, KEC International Ltd. commented, *“We are pleased with the prestigious orders from PGCIL. These orders along with the orders announced earlier during the year, have significantly enhanced our order book in the domestic T&D market. With the focus of the Government on green hydrogen and renewables, such as solar, we are witnessing an uptick in the domestic T&D market, which had been sluggish for past few years. With the above orders, our YTD order intake stands at an all-time high of over Rs. 21,000 crores, a substantial growth of ~30% vis-à-vis last year.”*

[About KEC International Limited](#)
