LTIMindtree and SNP Partner To Launch “Fast Forward” For BLUEFIELD™ Implementation

LTIMindtree and SNP will also set up a joint innovation center to build tailored industry solutions for clients.

HEIDELBERG, Germany and MUMBAI, India – June 8, 2023: [LTIMindtree](#) [NSE: LTIM, BSE: 540005], a global technology consulting and digital solutions company, in collaboration with SNP Schneider-Neureither & Partner SE (ISIN: DE0007203705), a world-leading provider of software solutions for digital transformation processes, automated data migrations and data management in the SAP environment, today announced the launch of “Fast Forward” for BLUEFIELD™ implementation, powered by SNP’s proprietary approach.

The joint offering – “Fast Forward” – is a full lifecycle solution built to accelerate an enterprise’s migration to the SAP S/4HANA platform with minimal risk, while retaining the golden nugget of existing ERP. It combines LTIMindtree’s global S/4HANA capability and industry knowledge with SNP’s CrystalBridge® platform and Rapid Empty Shell Creation technology to transform existing SAP investments without having to fully redesign their legacy systems.

As part of the partnership, LTIMindtree and SNP will also set up a joint innovation center to build tailored industry solutions for clients.

“CrystalBridge® is the world’s leading software suite for data transformations that automatically analyzes, implements and tracks changes to IT systems. It offers clear qualitative advantages while significantly reducing the time and expense involved in transformation projects,” said **Lutz Lambrecht, Executive Vice President of Partner Management, SNP**. “This collaboration with LTIMindtree, will combine the technical tenets of our software suite with LTIMindtree’s domain and engineering DNA to deliver agile transformation and flexibility that can deliver unmatched user experience and automated business processes.”

“Many organizations, during the course of S/4HANA transformation are faced with the dilemma of whether to redefine or rewrite the entire core or carry forward existing, non-optimal processes and data AS-IS,” said **Sudhir Chaturvedi, Whole-Time Director & President, Markets, LTIMindtree**. “The synergies drawn from LTIMindtree and SNP in the form of Fast Forward will seamlessly establish an industrialized process capable of delivering minimal impact and high-value rapid SAP transformation projects and driving significant cost savings, operational efficiencies, and positive business outcomes for its global clients across industries.”

About SNP

SNP (ticker: SHF.DE) helps companies worldwide to unlock the full potential of their data and shape their own tailored journey towards a digital future. SNP’s Data Excellence Platform CrystalBridge® and the BLUEFIELD™ approach have set a comprehensive industry standard for restructuring and modernizing SAP systems faster and more securely while harnessing data-driven innovations in the cloud. The company works with around 2,600 customers of all sizes and in all industries worldwide, including 21 of the DAX40 and 95 of the Fortune 500.

The SNP Group has around 1,400 employees worldwide at over 40 locations in 15 countries. The company is headquartered in Heidelberg, Germany, and generated revenues of € 173.4 million in the 2022 fiscal year.
