# Sustainable Growth.

# Stepping ahead with indefatigable

vigor

The year 2020 has been unprecedented for the global economy, for societies and individuals as well as for the oil and gas industry. In addition to the ongoing global market uncertainty, the year was strongly mutilated by the COVID-19 pandemic.

In spite of the adverse environment, we have been able to maintain our competitiveness and market position continuously focusing on enhancing our operational efficiency and complying with standard safety measures.

Our ongoing operational excellence efforts delivered productivity improvement, optimum resource mobilization and improved customer satisfaction.

#### Working towards a better world

In today's world, it has become imperative for all players to provide sustainably produced products. MSL, being a leading producer in the country has always been adopting a socially responsible attitude by complying to all environmental, social and economic norms and best in class production processes.

We are committed to mitigating carbon footprint adhering to stringent industry standard emission measures. We continuously develop our processes and energy efficiency to further lower our environmental impacts.

# Creating value – consolidating priorities

With sustainability at our core, we are continuously looking for ways to even further improve the sustainability of our products and processes. Our sustainability strategy covers the economic, environmental and social aspects of our Operational excellence and aims to deliver continuous improvement.

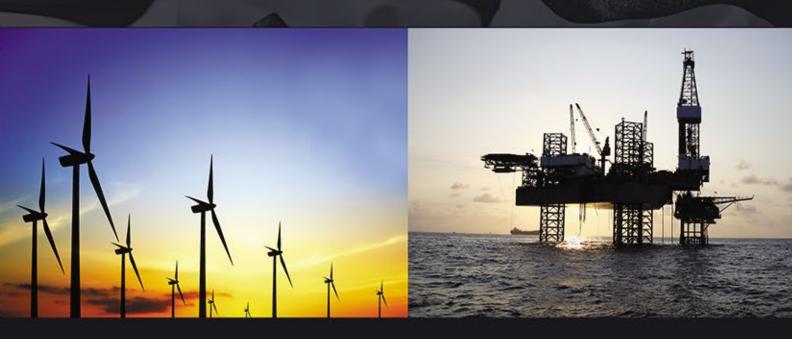

Our commercial excellence focuses on margin growth through a superior product strategy that meets the stringent customer requirements and matches market demand with an optimal product mix.

#### **Research & Development**

R & D contributes to fulfill our aim to be sustainably relevant to the society and to our stakeholders.

MSL's research and development (R&D) aims to create extraordinary value by delivering current and future product demands of our customers, developing and adopting new process technologies, ensuring and improving efficiency of our production processes, ensuring best in class product support, securing competitive knowledge.

#### **Health and well-being**

In addition to regular health checks and other preventive medical care activities which is essential for our people, MSL has several safety measures in place to ensure the safety of people and to mitigate the impacts of the COVID-19 pandemic.

We aspire to develop a high performing organization and make MSL an even better place to work. We want our people to feel motivated, respected, and proud to be part of the MSL team.

# Chairman's Statement

Dear Shareholders,

It gives me pleasure to share with you the performance of your Company for the FY 2020-21

It was a tough year as the country faced brunt of COVID causing tremendous misery and agony. We all suffered personal losses of dear and near ones. The country fought back with all its vigor and frontline warriors did a tremendous job.

Your Company withstood the challenges and managed to keep the good performance of previous year due to our dedicated workforce and supportive customers. We ensured complete compliance of COVID safety measures and ensured that the production and dispatches were maintained despite the pandemic. The Company launched an organization vide vaccination drive and we are pleased that we have achieved nearly 100% vaccination of all our staff and supportive services.

We are pleased to inform you that the Company is poised for a strong future as the demand for seamless pipes continues to increase due to infrastructure investments. The Government of India policy of "Atmanirbhar Bharat" has opened up new growth opportunities in Oil & Gas sector. As the country moves from imports to domestic production of Oil, we expect tremendous investments in new and marginal oil exploration blocks.

The world continues to reel under the consequences of global warming and climate change. As countries around the world join hands to push for green energy, we have been continuously investing in renewable energy, This year we have set up additional solar power capacity of 21 MWp, thereby taking our total renewable energy production to 73 MWp.

Your company has been working tirelessly to ensure continuous growth of our customers, dealers and partners. Towards this objective the Company continues to invest towards expansion and modernization. Your Company continues to be at the forefront of cutting edge technology thus ensuring best quality for our customers across the globe.

We are committed to fulfil our corporate social responsibility and have been taking new initiatives each year. This year also the Company held various vaccination camps and distributed free masks to various villages surrounding our factory. Free medical and testing facilities were provided in the villages. We shall continue to fulfill our obligation to the society and the ecosystem.

Your Company has been successful over the years due to the deep relationship that has been built over the years with our customers and shareholders. Our customers have once again demonstrated their confidence in us and our products. We take immense pride in playing a key role in building countrywide oil & gas infrastructure. Our shareholders have stood by us in good and bad times. We shall continue to endeavor for their wealth maximization.

Last but not the least, your Company thanks the Government of India for its proactive economic growth initiatives. The country is poised for a high trajectory growth rate in future and your Company shall not shy away from playing its role towards this national goal.

Thank you

D. P. JINDAL

# Message from Managing Director

#### Dear shareholders

It is my pleasure to declare the annual results of the company as we have done remarkably well despite the slowdown in economy due to COVID pandemic.

We are continuing to have leadership position in seamless pipe industry in India and have mantainence reasonable exports despite stiff competition overseas.

We are buying steel both from foreign and domestic sources and have largely mitigated the risk associated with price fluctuations through careful negotiations and strategic decisions.

We have continued to maintain premium quality in our product range and are facing very minimal customer complaints. We are improving our factory maintenance and trying to increase capacity utilisation by reducing breakdown time

Success

MSL, has reduced it's power cost by using captive renewable energy both solar and wind, almost all it's power requirements are met by in house power plants.

Our investments in seamless facility in Hyderabad, and in off-shore oil rig should be beneficial in future .

Our employees, customers and bankers have played a vital role as partners in progress and we appreciate their contribution to the growth of the Company.

We are gearing up for further investments in the near future in profitable avenues and are keen to maintain the growth trajectory and cross new milestones.

We have upgraded our ERP system and also having Cloud based networking to modernise our information technology infrastructure.

MSL, is constantly doing research and development to cut cost and improve both product and process quality, we engage renowned consultants for the same.

I once again thank all stakeholders of our Company for their support and encouragement and I'm sure we shall capture new frontiers of success going forward.

Thank you,

Saket Jindal

- Stoping SRM outlet conveyor in Auto mode during mill off time.
- 1500 KVAR RTPFC panel installed to improve power factor.

#### 14" Mill

- VFDs installation done at various locations in the 14" Plant
- L.T. Automatic power factor control, capacitors installed at sizing mill.
- Replaced obsolete DC series Motors and its switchgear system with VFD and AC motors.

#### 6" Mill

- Provision made to stop retainer DC motors' field current during mill off time.
- Additional capacitors 800 KVAR with thyristorised / contactor on/off control installed to improve the power factor.
- 500 KVAR RTPFC panel installed.

#### **ERW**

- Replaced 45 no's of 250 watts sodium vapour lamps with 150 watts. LED lights.
- Solid state medium frequency induction heater installed in place of Motor generator sets, to reduce break downs.
- Installed high speed blowers two no's at Edge Milling in auto mode to reduce the consumption / wastage of compressed air at low power.

#### **OCTG**

- VFDs installation done at various locations in the Plant.
- Replaced the obsolete analog drive by VFD at Spherodizing Furnace for power saving & reduced the repairing & breakdowns.
- Installed VFD & changed the DC motors by AC motors with precise speed control at Varnishing area to reduce breakdowns.
- Installed VFD & changed the DC motors by AC motors with precise speed control at Straightener inlet/outlet conveyor to reduce breakdowns.
- Installed VFD & changed the DC motors by AC motors with precise speed control at 7" OCTG furnace cross conveyor to reduce breakdowns.
- Replaced the fluorescent lamps (250-450W) by LED lamps (90-120w) with less wattage high illumination level.

#### i) Efforts made towards technology absorption:

#### 7" Mill

- SRM Location-4 SCADA upgraded with new version.
- Batch Saw-2 Transfer arm # 2 new ABB make digital DC Drive installed in place of old Analog GE make DC Drive.

#### 14" Mill

- · Old obsolete analogue D.C. drives replaced with Digital D.C. drives at various locations in 14" plants.
- 14" RHF furnace, installed electrical actuator instead of old obsolete. Pneumatic Controller.
- Old absolute hydraulic level sensor replaced with new electronic deferential pressure transmitter for high accuracy, reduce the breakdown and stop the wastage of hydraulic oil in various locations.
- RHF Hearth Drive –Imported absolute Switch gear replaced with VFD for smooth start/stop operation and reduce wear and tear of gear pinion.

#### 6" Mill

- .Pressure transmitter installed for MPM main hydraulic pressure. Also graph with recording arrangement provided in scada
- MPM mandrel temperature graph provided in Scada.

#### **ERW**

- COC differential gear module modification done, procurement done then changed the modified differential gear to reduce breakdown and enhance the productivity. It is running satisfactory since installation.
- Separate cooling system developed (heat exchanger, pumps, DM water tank, pipe lines arrangement) and installed for old seam normalizer-1&2 in close loop with using of DM water to improve the quality of pipes.
- New Rotator unit fitted in end facer no. 1 and 2 to increase the productivity.
- New hydro tester outlet skid changed with rail line in place of pipe to increase the productivity.

- New Finishing line required following modification done to process higher grade API pipes to improve the productivity.
- 1. New conveyors fabrication and installation.
- 2. New Kickers fabrication and installation.
- 3. New Rotators fabrication & weighing scale installation.
- 4. Fabrication of skids benches and MPI, manual UT arrangements done.

#### OCTG

- OCTG straightner -Replaced the obsolete analog DC motor control system by DC digital drive with precision controlling of speed & torque for pipe quality improvement also improved the repeatability of the pipe quality. Reduced the breakdown time & hence reduced production cost.
- OCTG CD section- on Pilger 2 & 4 replaced the obsolete analog motor speed controller by digital DC drive for reducing breakdowns.
- Spherodizing furnace running on obsolete relay logic, replaced with by PLC with PID controller. Improved pipe quality, repeatability & increased the productivity.
- At OCTG Installed the RRC at EOT cranes & saved the manpower.
- OCTG Tempering furnace, Installed pyrometers for getting online pipe temperature for improving quality & better traceability.
- OCTG Utilities- Installed Soft starters for high rating motors at air compressor & quench pump motors for reducing maintenance cost.
- Installed the new air dryer with air compressor for improving life of pneumatic equipment & valves to reduce breakdowns.
- SL8 CNC coupling- Replaced the relay old control logic by upgraded PLC for reducing breakdown time.
- ii) The benefits derived like product improvement, cost reduction, product development or import substitution:

This will reduce energy consumption, down time of the equipment, and improve the production, yield and quality.

iii) In case of imported technology (Imported during the last three years reckoned from the beginning of the financial year):

| i)   | Details of Technology imported  | Nil            |

#### SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2021

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

Tο

The Members, Maharashtra Seamless Limited, (CIN: L99999MH1988PLC080545)

Pipe Nagar, Village Sukeli, NH 17, BKG Road, Taluka-Roha,

District Raigad-402126, Maharashtra

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Maharashtra Seamless Limited (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2021 (Audit Period), complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2021, according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- IV. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992:
  - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; (Not applicable to the Company during the Audit Period);
  - d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; (Not applicable to the Company during the Audit Period)
  - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not applicable to the Company during the Audit Period);
  - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations,1993 regarding the Companies Act and dealing with client;
  - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not applicable to the Company during the Audit Period)
  - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; and (Not applicable to the Company during the Audit Period)
  - ) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- VI. Management has, in its Representation Letter, identified and confirmed the applicability and compliance of all laws as being specifically applicable to the Company, relating to Labour/Pollution/Environment/Production process etc., apart from other general laws.

I have also examined compliance with the applicable clauses of the Mandatory Secretarial Standards issued by the Institute of Company Secretaries of India and the Listing Agreements entered into by the Company with the Stock Exchanges. Company's request for waiver of fine imposed for delay in announcing unaudited financial results for quarter ended 31st December, 2020 due to fire accident, is pending with Stock Exchanges.

During the period under review, the Company has generally complied with the provisions of the Acts, Rules, Regulations, Guidelines, Standards, etc.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with provisions of the Act..

Adequate Notice is given to all Directors at least seven days in advance to schedule the Board meetings. Agenda and detailed notes on agenda are also sent in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board meetings and Committee meetings are carried out unanimously as recorded in the Minutes of the Meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that, based on review of compliance mechanism established by the Company and on the basis of compliance certificates issued by the Company Executives and taken on record by the Board of Directors and Audit Committee at their meetings, there are systems and processes in the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. However, keeping in view volume of activities, legal compliance mechanism needs to be strengthened and streamlined by the Company to commensurate with its size and operations. And also, Board of Directors of the Company and its Committees need widening their roles respectively as per regulatory requirements. Further, Company lost, inter alia, some of the secretarial records in a fire accident at company's corporate office at Gurgaon in January, 2021, which Company is re-constructing / furthering.

I further report that, during the audit period, the following major events happened, namely-

- 1. Company's manufacturing and other operations remained closed/ suspended at plants of the Company for a few days in the beginning of the year due to lockdown imposed in the Country on account of COVID-19.
- 2. Shri Saket Jindal was re-appointed as Managing Director for a period of five years w.e.f. 1st April, 2020 vide Members' ordinary resolution dated 26th September, 2020. Shri S.K. Singhal, Whole time Director, resigned / ceased w.e.f. 9th November, 2020.
- 3. Members authorized the Company to mortgage its assets for borrowings upto Rs. 1000 Crore, vide Members' resolution dated 16th April, 2020 passed through postal ballot.

I further state that this report is to be read alongwith the following-

- 1. Maintenance of secretarial record is the responsibility of the management of the Company. My responsibility is to express an opinion on these secretarial records based on my audit.
- 2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. I believe that the processes and practices, I followed provide a reasonable basis for my opinion.
- 3. I have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
- 4. Wherever required, I have obtained the management representation about the compliance of laws, rules and regulations and happening of events etc.
- 5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. My examination was limited to the verification of procedures on test basis.
- 6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.
- 7. The aforesaid fire accident coupled with the prevailing circumstances in the country on account of Lockdown and COVID-19 have impacted, to some extent, verification of documents and records of the Company.

#### **Nomination and Remuneration Policy**

The Nomination and Remuneration Policy of the Company is designed to attract, motivate, improve productivity and retain manpower, by creating a congenial work environment, encouraging initiatives, personal growth and team work, and inculcating a sense of belonging and involvement, besides offering appropriate remuneration packages and superannuation benefits. The policy reflects the Company's objectives for good corporate governance as well as sustained long-term value creation for shareholders. This Nomination and Remuneration Policy applies to Directors, senior management including its Key Managerial Personnel (KMP) and other employees of the Company.

Remuneration of Whole-Time Directors including Managing Director should reflect the overall remuneration philosophy and guiding principles of the Company. When considering the appointment and remuneration of Whole-Time Directors, due consideration be given to pay and employment conditions in the industry, merit and seniority of the person and the paying capacity of the Company.

The Company's Remuneration Policy is guided by a reward framework and set of principles and objectives as more fully and particularly envisaged under the Companies Act, 2013, inter alia principles pertaining to determining qualifications, positive attributes, integrity and independence etc.

Remuneration also aims to motivate personnel to deliver Company's key business strategies, create a strong performance-oriented environment and reward achievement of meaningful targets over the short and long-term.

The remuneration of other employees is fixed from time to time as per the guiding principles outlined above and considering industry standards and cost of living. In addition to basic salary they are also provided perquisites and retirement benefits as per schemes of the Company and statutory requirements, where applicable. Policy of motivation/reward/severance payments are applicable to this category of personnel as in the case of those in the management cadre.

### **MANAGEMENT DISCUSSION & ANALYSIS REPORT**

#### **ECONOMIC REVIEW**

### **Global Economy**

As per International Monetary Fund (IMF), the global economy is projected to grow at 6% in 2021 after an estimated contraction of 3.3% in 2020 and in 2022 it would moderate to 4.4%. The global economy remains uncertain one year into the pandemic and the economic recovery depends on how effectively the economic policies are deployed by the major world economies. Although the growing vaccination numbers are giving a sense of optimism, the death rate and new virus mutations pose a challenge to growth. Merchandise trade volumes have returned to pre-pandemic levels. However, cross-border trade in services remains subdued. Oil prices increased by 39% between August 2020 and February 2021 on positive vaccine news and the rapid economic recovery in Asia. High natural gas price volatility sustained the power sector's demand for thermal coal. South African coal prices were also boosted by strong Indian steel and cement industry demand. Phase-out plans and rising emission costs continue to weigh on the demand outlook for coal over the medium term.

On the supply side, lockdown reduced effective productive capacity. Demand fell due to reduced mobility and as a precautionary savings rose amid heightened uncertainty. Overall, the economic contraction in the first half of 2020 is best understood as a combination of massive initial supply shock and a large decline in demand with propagation through production networks.

With the pandemic impacting everyone, central banks swiftly provided liquidity and supported credit extension. At the same time, fiscal authorities channelled relief to households and firms through transfers, wage subsidies, and liquidity support. These actions supplemented other aspects of the safety net, such as unemployment insurance and nutrition assistance. Financial regulators in many countries facilitated continued credit provision with a range of measures. Exchange rate movements have reflected this shift in risk sentiment; most emerging market currencies and those of commodity exporters have appreciated, while the US dollar has depreciated since last April.

Much work remains to achieve a complete recovery. This is a particularly complicated task, considering the high uncertainty surrounding the outlook and for many, the prospect of cushioning the impact on incomes through further period of stop-go activity with far less policy space than was available at start of the crisis.

Three of the largest fiscal packages have been passed by the United State (US), the Europian Union (EU) and China. Total COVID spending by US Government including emergency measures and fiscal stimulus adds up to almost 25% of GDP, compared to 4.7% for China, most of which was already implemented over the course of 2020. The second US stimulus package along with acceleration in the roll-out of vaccines in high-income economies gave a boost to global growth forecasts this spring. The consensus among the World Economic Forum's Chief Economists Community is tending towards an expected average global growth rate in the range of 5.5% to 6% in 2021 (or possibly higher) and a recovery of global GDP to pre-COVID levels within the first half of 2022.

In China, while the immediate spending was focused mainly on public health measures, there are plans to significantly step up investment in digital infrastructure to support the recovery. In the EU, main beneficiaries are expected to be high-debt countries that suffered disproportionately in terms of public health impact such as Italy and Spain plus Eastern European countries. The US approach in the current phase consists of three pillars: the \$1.9 trillion stimulus (the American Rescue Plan); an infrastructure plan; and families plan to support educators, students and families.

Within the global picture, vaccine deployment will be staggered across regions with some countries exiting the crisis much sooner and with new strains forcing occasional and localized lockdowns before vaccines become widely available.

### **INDIAN ECONOMY**

The International Monetary Fund (IMF) has sharply revised India's growth rate to 9.5 per cent from 12.5 per cent which is in line with RBI's GDP projection for FY22. Growth prospects in India have been downgraded following severe second COVID wave during March-May and expected slow recovery. India's growth forecast still remains high among other emerging and developing economies in FY22 ahead of China's 8.1%. For India to achieve its growth potential, the Government will need to implement an effective vaccination rollout and promote a resilient, inclusive and sustainable economy.

According to McKinsey Global Institute's latest report, India's economy has reached a decisive point which requires reform over the next 12 to 18 months to create jobs for millions of workers between now and 2030. In the report's findings, India's manufacturing and construction sectors could amplify growth the most, potentially adding 9.6% and 8.5% in annual GDP growth and creating 11 million and 24 million jobs respectively from 2023 to 2030. The Government's mega push for commodity intensive infrastructure development projects helped boost demand for manufacturing and commodities such as steel and cement even as services remained muted. A pro-growth Union Budget with a Rs.5 trillion capex lifted sentiments and ₹ 110 trillion National Infrastructure Pipeline (NIP), announced earlier, is expected to support gross fixed capital formation. In early October 2020, Centre also announced 12,000 crore interest-free, 50-year tenor loans to states for spending on capital projects, aimed at boosting the respective local economies. The IMF also indicated that India may be impacted if there is emergence of another COVID variant due to its lagging vaccination coverage.

### **Industry Overview**

As per the Worldsteel Economic Committee, the global steel industry ended 2020 with only a minor contraction in steel demand mainly due to robust recovery in China, with growth of 9.1%. In the rest of the world, steel demand contracted by 10%. In the coming years, steel demand will recover firmly, both in the developed and developing economies, supported by demand and governments' recovery programmes. However, for most developed economies a return to pre-pandemic levels of steel demand will take a few years. Most steel-using sectors will show moderate growth and China's steel demand is expected to grow by 3% in 2021. In 2022, steel demand growth will decelerate to 1% as the effect of 2020 stimulus subsides and the government focuses on more sustainable growth. The developed world's steel demand recorded a double-digit decline of 12.7% in 2020. It is expected that a substantial recovery in 2021 and 2022 will happen with growth of 8.2% and 4.2% respectively. However, steel demand in 2022 will still fall short of 2019 levels. The steel demand in 2020 in the EU27 and the UK ended with a better than expected 11.4% contraction. Italy and France recorded proportionately larger contractions due to the severest lockdown measures and collapsed tourism. The recovery in Japan's steel demand will be moderate, driven by a rebound in the automotive sector with recovering exports and industrial machinery because of a worldwide recovery in capital spending. In South Korea the steel demand contracted by 8% in 2020 due to contraction in the auto and shipbuilding sectors. In 2021-22, these two sectors will lead the recovery.

India suffered severely from an extended period of severe lockdown, which brought most industrial and construction activities to a standstill. However, the economy has been recovering strongly since August, much sharper than expected, with the resumption of government projects and consumption demand. India's steel demand fell by 13.7% in 2020 but is expected to rebound by 19.8% to exceed the 2019 level in 2021. The growth-oriented government agenda will drive India's steel demand up, while private investment will take longer to recover.

The demand for Seamless and ERW pipes which got impacted in 2020 due to pandemic is back on track in 2021 riding on decent planned government expenditure, corporates being bullish on the economic recovery and with the opening of international borders for trade, exports are seeing an upside and increasing trend in the steel prices coming to help.

- 3. Current ratio has decreased due to an increase in the trade payables at year end.
- 4. Decrease is on account of timely repayments towards loans.
- 5. The Company has made profit in current year as compared to loss in previous year.

### **Exports**

Exports in the last financial year were impacted due to pandemic and limited to USA, Brazil and Europe. With the re-opening of borders, the Company is aiming at USA and Canada as the primary markets and addition of new markets in Middle East and South East Asia. Currently, the Company is exporting to more than 30 countries and Company's business plan includes expansion into new territories and addition of new countries. The Company's name figures prominently in the approved supplier list of major End Users and EPC's and our focussed audit drive will add few more feathers in the coming years.

### **Human Resources**

The Company has a firm belief that Human Capital is the core to development of Company and the Company's philosophy of wider inclusion and participation from employees has resulted in the transformative growth to enable the Company to reach where it is currently. The pandemic resulted in focus on employee safety which was achieved through an agile workforce connected through a robust Information Technology, development of world class Occupational Health and Safety protocols. As on 31st March 2021, the Company had a total count of 1,444 employees.

### **Risk and Mitigation**

As per the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Companies Act, 2013, the Company has a Risk Management Framework in place. Risk Management in the Company focuses on Operations, Finance and Compliance on basis of the COSO framework (Committee of Sponsoring Organizations of the Treadway Commission) which covers the five components of the Internal Control - Control Environment, Risk Assessment, Control Activities, Information & Communication (ICT) and Monitoring. Accordingly, the Operations are structured and it functions with business and process owners acting as first line of defence and management acting as the second line of defence. In addition there is a third party internal audit firm which conducts periodic audit of the various functions as per the Internal Audit plan. Statutory audits are also conducted on periodic basis as per the audit plan discussed with the External Auditors.

As the Company's products are primarily used in Oil and Gas sector, demand- supply factors, pricing, economics and sovereign policy on Oil and Gas affect demand and cost of our products. In case the crude prices sustain below USD 45 for more than 2-3 quarters there would be possible delay/ postponement of investment activities by upstream companies in Oil and Gas sector. The Company continuously monitors foreign exchange rates movement and our foreign exchange policies safeguard price escalation risk. The Company hedges foreign currency exposure as and when required.

### **Internal Financial Control Systems**

The Company has a framework in place for the Internal Controls over Financial Reporting which complements the size, scale and complexity of business operations and covers all major processes to ensure an effective operating environment. The framework has been designed to provide a robust recording and reporting environment, effectively implement the change management process and with the annual review of the operations and business processes and compliance with statutory, legal, corporate laws and policies it stays relevant. This system is supplemented by internal audit review by management and documented policies, guidelines and procedures.

The Company has a well-defined organisation structure, authority levels, internal rules and guidelines for conducting business transactions. A third party audit firm carries out the internal audit of company operations and reports its finding to the Audit Committee. The Company strives to undertake sustainable measures as necessary in line with its intent to adhere to procedures, guidelines and regulations in a transparent manner. Internal Audit is carried out as per a risk based internal audit plan which is reviewed by the Audit Committee of the Company. The Committee periodically reviews the findings and suggestions for the improvement and is apprised on the implementation status in respect to the actionable items.

The controls, based on the prevailing business conditions and processes have been tested during the year and no reportable material weakness in the design or effectiveness was observed. These have been reviewed by the internal and external auditors. The Company uses various IT platforms to keep the Internal Financial Control framework robust and our Information Management Policy governs these IT platforms. The systems, standard operating procedures, and controls are implemented by the executive leadership team and are reviewed by the internal audit team whose findings and recommendations are placed before the Audit committee.

#### **Exceptional Items**

The Company has made a provision of 19,099 Lakhs which represents diminution of investment in Subsidiary Company and Joint Venture Company.

### **Green Energy - Wind and Solar Energy & Energy Conservation**

The Company's green energy portfolio is about 73 MWp. The captive powers generated has helped to cut down power costs besides reducing its carbon foot print by using this alternative energy.

#### **Business Outlook**

With the increased vaccination coverage and control on the second wave of pandemic, India is on right track to achieve its growth forecasts.

The Company primarily caters to companies in the Oil & Gas sector, where it is a registered vendor for major domestic oil producers and refiners. In addition, it also caters to other segments, including power plants, boilers, automobile engineering etc. For the upstream Oil & Gas sector involved in exploration and production the demand outlook looks stable. In case of Mid & Downstream which comprise of Oil & Gas, Power, Fertilisers, Chemical, Pharmaceutical and Water companies and targets Cross country pipeline, City Gas distribution, refinery & other projects, the outlook is neutral. The Company has an upstream exposure of 30% and mid and downstream exposure of 70%. In addition 50% of the industry mix is coming from Oil & Gas. With the Company focus on newer products should help in retaining and improving the market share. With the development of the renewable power portfolio across Maharashtra and Rajasthan, the Company has been able to meet its green energy requirements. The Company's capacity share in the domestic seamless pipe market stands enhanced further with the acquisition of United Seamless Tubulaar Private Limited (USTPL). With the addition of USTPL, the Company has added to its revenue and profitability through introduction of new products like the oxygen cylinder pipes which should cater to the lack of supply for the high demand products.

Seamless has been a great source of un-interrupted revenue and profit. ERW has been growing stronger day by day. Our Rig business has been a great addition to the Company with strong numbers and finally our renewable energy sources of Solar and Wind have completed the picture for the Company.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit including other comprehensive income its cash flows and the change in equity for the year ended on that date.

### **Basis for Opinion**

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### **Emphasis of Matters**

- 4. We draw attention to the following matters included in the notes to the financial statements:
  - a. Note No. 2.40 (ii) which states that the Company has not recognized interest income on loan granted to its subsidiary and the reason for such non recognition.
  - b. Note No.2.35 (c) and 2.50 which states that during the year the Company has made diminution of investment in Subsidiary Company & Joint Venture Company. The Company has computed current tax after considering the impact of provision for diminution of investments in subsidiaries and joint ventures as well as payment of provision for bank guarantee in step down subsidiary on the basis of an opinion received from a tax expert.

Our opinion is not modified in respect of these matters.

### **Key Audit Matters**

5. Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

### INDEPENDENT AUDITORS' REPORT

| Sr. No | Key Audit Matter   | How our audit addressed the key audit matter   |
|--------|--|--|
|        |  | We evaluated the disclosures through reading of<br>statutory information, books and records and<br>other documents obtained during the course of<br>our audit.   |
| 2      | Claims and exposures relating to taxation and litigation (as described in note no. 2.27 of the standalone financial statements)  The Company has disclosed in note no. 2.27 of the standalone financial statements contingent liabilities of Rs.1898.97 lakhs (except note no 2.27 a, b and f) in respect of disputed claims/ levies under various tax and legal matters.  Taxation and litigation exposures have been identified as a key audit matter due to:  Significance of these amounts and large number of disputed matters with various authorities.  Significant judgement and assumptions required by management in assessing the exposure of each case to evaluate whether there is a need to set up a provision and measurement of exposures as well as the disclosure of contingent liabilities.  We focused on this matter because of the potential financial impact on the financial statements. Additionally, the treatment of taxation and litigation cases requires significant judgement due to the complexity of the cases, timescales for resolution and involvement of various authorities. | Our audit procedures included the following:  > We obtained an understanding, evaluated the design, and tested the operating effectiveness of the controls related to the identification, recognition and measurement of provisions for disputes, potential claims and litigation, and contingent liabilities.  > We obtained details of legal and tax disputed matters and evaluation made by the management and assessed management's position through discussions on both the probability of success in significant cases, and the magnitude of any potential loss.  > We read external legal opinions (where considered necessary) and other evidence to corroborate management's assessment of the risk profile in respect of legal claims.  > We involved tax specialists to assist us in evaluating tax positions taken by management.  > We assessed the relevant disclosures made in the standalone financial statements for compliance in accordance with the requirements of Ind AS 37. |

### **Other Information**

- 6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis; Board's Report including Annexures to Board Report, Business Responsibility Report, Corporate Governance and Shareholders' Information but does not include the standalone financial statements and our auditor's report thereon. The aforesaid documents are expected to be made available to us after the date of this auditor's report.
- 7. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- 8. In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.
- 9. When we read the aforesaid documents, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

### Management's Responsibilities for the Standalone Financial Statements

- 10. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 11. In preparing the standalone financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
- 12. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Standalone Financial Statements

- 13. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
- 14. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 15. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 16. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 17. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

- 18. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub –section (11) of section 143 of the Act, we give in the Annexure-A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 19. As required by Section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income) and the Cash Flow Statement, Statement of Changes in Equity dealt with by this report are in agreement with the books of account and with the returns received from the unit not visited by us.

#### ANNEXURE- B TO THE INDEPENDENT AUDITOR'S REPORT

#### To the Members of MAHARASHTRA SEAMLESS LIMITED

[Referred to in paragraph 19 (f) of the Independent Auditor's Report of even date]

Report on the Internal Financial Control under Clause (i) of Sub -sections 3 of Section 143 of the Companies Act, 2013("the Act")

1. We have audited the internal financial controls over financial reporting of Maharashtra Seamless Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Control**

2. The Company's management is responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

- 3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the "Guidance Note" and the Standard on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act 2013, to the extent applicable. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial control over financial reporting with reference to these standalone financial statements assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedure selected depends on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statement, whether due to fraud or error.
- 5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these standalone financial statements.

### **Meaning of Internal Financial Control over Financial Reporting**

- 6. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that
  - i) Pertain to the maintenance of the records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
  - i) provide reasonable assurance that the transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the Company are being made only in accordance with authorization of management and directors of company; and
  - iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Control over Financial Reporting

7. Because of inherent limitation of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to errors or fraud may occur and not be detected. also, projections of any evaluations of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

8. In our opinion, the Company has, in all material respect, an adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the company considering, the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting, issued by Institute of Chartered Accountants of India.

### 1. Company Information

Maharashtra Seamless Limited ("the Company") is a public limited Company incorporated on May 10, 1988 in India with its registered office at Pipe Nagar, Village Sukeli, Taluka Roha, B.K.G. Road, Dist. Raigad, Maharashtra, India. The Company is listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE).

The Company manufacture seamless pipes & tubes with the finest quality and wide product range using the world renowned CPE technology. MSL made a foray in the ERW pipe category and also started coated facility. The Company has also diversified into renewable power generation and rig operations.

#### 2. SIGNIFICANT ACCOUNTING POLICIES

### a) Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules 2015 and other provisions of the Companies Act, 2013 as amended for time to time.

Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31 March 2021, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. These financial statements are approved for issue by the Board of Directors on 25th June 2021.

### b) Basis of Preparation of Financial Statements

The financial statements have been prepared on a historical cost basis, except for the certain financial instruments and defined benefits plans which are measured at fair value at the end of each reporting period (refer accounting policy regarding financial instruments).

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1,2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The functional currency of the Company is in Indian Rupees. These Financial Information are presented in Indian Rupees. All amounts have been rounded off to the nearest Lakhs and rounded off to two decimals except for Earnings Per Share and where mentioned otherwise.

### c) Use of Estimates & Judgment

The preparation of the Financial Statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent liabilities on the date of the financial statements and reported amounts of revenues and expenses for the year. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in Note no. "S".

Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable and consequently accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

### d) Classification of Assets & Liabilities as Current and Non-Current

All Assets and Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of product & activities of the Company and their realisation in cash and cash equivalent, the Company has determined its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

### e) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The specific recognition criteria described below must also be met before revenue is recognised.

### i) Sale of goods

The Company recognises revenue when control over the promised goods or services is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

The Company has generally concluded that it is the principal in its revenue arrangements as it typically controls the goods or services before transferring them to the customer.

Revenue is adjusted for variable consideration such as discounts, rebates, refunds, credits, price concessions, incentives, or other similar items in a contract when they are highly probable to be provided. The amount of revenue excludes any amount collected on behalf of third parties.

The Company recognises revenue generally at the point in time when the products are delivered to customer or when it is delivered to a carrier for export sale, which is when the control over product is transferred to the customer.

#### ii) Interest income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

#### iii) Dividend income

Dividend income is recognized when the right to receive payment is established, which is generally when shareholders approve the same.

### iv) Leases

The company has applied Ind AS 116 using the modified retrospective approach and therefore the comparative information as not been restated and continues to be reported under Ind AS 17. The adoption of this Standard did not have any material impact on the profit.

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

### Company as lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

### **Company as lessee**

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets. The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term

### v) Government Grants

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attached to them and that the grants will be received. Government grants are recognised in the Statement of Profit and Loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of profit and loss over the expected useful lives of the assets concerned.

### f) Fixed Assets & Depreciation

### i) Property, Plant and Equipment

Property, plant and equipment are stated at cost net of tax/duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. The cost includes its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates and also other costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

The cost of Property, Plant and equipment also includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied.

Capital work-in-progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date. Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets.

Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the costs to the item can be measured reliably. Repairs and maintenance costs are recognized in net profit in the statement of profit and loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gain or losses are recognized in the statement of profit and loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell. The assets residual values, useful life and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

### ii) Depreciation

Depreciation on Fixed Assets has been provided on straight line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II of the Companies Act, 2013

Depreciation will be charged from the date the assets is available for use, i.e., when it is in the location and condition necessary for it to be capable of operating in the manner intended by management.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds if any and the carrying amount of the asset) is included in the income statement when the asset is derecognised. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

### iii) Intangible assets

Intangible assets are stated at cost net of tax/duty credit availed, less accumulated amortization and impairment losses, if any. The cost includes its purchase price, including non-refundable purchase taxes, after deducting trade discounts and rebates and also other costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. This includes computer software packages.

### iv) Impairment of Non-Financial Assets

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis if the asset generate cash flows independently otherwise the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying values of the assets exceed the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated depreciation) had no impairment loss been recognized for the asset in prior years.

#### g) Financial Instruments

### a. Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

### b. Subsequent measurement

#### I. Non-Derivative financial instruments

### (i) Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### (ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### (iii) Financial assets at fair value through profit or loss

A financial asset, which is not classified in any of the above categories, is subsequently fair valued through profit or loss.

### (iv) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination, which is subsequently measured at fair value through profit or loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

### II. Derivative financial instruments

The Company holds derivative financial instruments such as foreign exchange forward and options contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

Financial assets or financial liabilities at fair value through profit or loss.

This category includes derivative financial assets or liabilities which are not designated as hedges.

Although the Company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind AS 109, Financial Instruments. Any derivative that is either not designated as hedge, or is so designated but is ineffective as per Ind AS 109, is categorized as a financial asset or financial liability, at fair value through profit or loss.

Derivatives not designated as hedges are recognized initially at fair value and attributable transaction costs are recognized in net profit in the Statement of Profit and Loss when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit or loss and the resulting exchange gains or losses are included in other income. Assets/liabilities in this category are presented as current assets/current liabilities if they are either held for trading or are expected to be realized within 12 months after the Balance Sheet date

### c. Investment in subsidiaries, Associates and Joint Ventures

The Company has accounted for its investments in subsidiaries, associates and joint venture at cost less provision for permanent diminution. On disposal of investments in subsidiaries, associates and joint venture, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

### d. De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

#### e. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognized in Statement of Profit and Loss.

### f. Impairment of financial assets.

Loss allowance for expected credit losses is recognized for financial assets measured at amortized cost. The Company recognizes life time expected credit Losses for all trade receivables that do not constitute a financing transaction. The financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelvemonths expected credit losses is recognized. Loss allowance equal to the lifetime expected credit losses is recognized if the credit risk on the financial instruments has significantly increased since initial recognition.

### **H) Inventory Valuation**

Raw Materials are valued at lower of cost (FIFO basis) or net realisable value.

Work - in - Process is valued at direct material cost plus conversion cost depending upon the stage of completion or estimated net realisable value whichever is lower.

Finished goods are valued at lower of cost or net realisable value. Cost for this purpose includes direct material cost plus conversion cost and other direct overheads incurred to bring the goods to their present location & conditions.

Stores & Spare parts are valued at lower of cost (Weighted Average Method) or net realisable value.

Scrap is valued at net realisable value.

### I) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of directors of the Company has been identified as the Chief Operating Decision Maker which reviews and assesses the financial performance and makes the strategic decisions.

### J) Cash and Cash Equivalent

Cash and cash equivalents comprise cash on hand and balance with banks which are short-term that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

### **K)** Employee Benefits

- i) Short term employee benefits are recognised as an expense at the undiscounted amount in the Profit & Loss Account of the year in which the related service is rendered.
- ii) Post-employment and other long-term benefits are recognised as an expense in the Profit & Loss Account for the year in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques at the end of financial year. Actuarial gains and losses in respect of post-employment and other long-term benefits are charged to Other Comprehensive Income.
- iii) Payment to defined contribution retirement benefit scheme, if any, is charged as expenses during the year in which related services are rendered.
- iv) Termination benefits are recognized as an expense in the period in which they are incurred.

### L) Earning Per Equity Shares

Basic earning per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equities shares outstanding during the period. Diluted Earning per share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earning per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e., the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes affected prior to the approval of the financial statements by the Board of Directors.

### **M) Foreign Currency Transactions**

The financial statements of the Company are presented in Indian rupees, which is the functional currency of the Company. In presenting the financial statements, transactions in currencies other than the Company's functional currency are recorded at the rate of exchange prevailing on the date of the transactions.

At the end of each reporting period monetary assets and liabilities denominated in foreign currency are re-translated at the rates prevailing at the end of the reporting period. Non–monetary items that are measured in terms of historical cost in a foreign currency are not translated.

The differences in translation of monetary assets and liabilities and realized gains and losses on foreign exchange transaction are recognized in Statement of Profit & Loss.

### N) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

#### O) Income Tax

### i) Current income tax

Current tax is the amount of expected tax payable based on the taxable profit for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961

#### ii) Deferred tax

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

### P) Events occurring after the Balance Sheet Date

Events occurring after the Balance Sheet date and till the date on which the financial statements are approved, which are material in the nature and indicate the need for adjustments in the financial statements have been considered.

### **Q) Provisions and Contingent Liabilities/Assets**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Liability is disclosed after careful evaluation of facts, uncertainties and possibility of reimbursement, unless the possibility of an outflow of resources embodying economic benefits is remote. Contingent liabilities are not recognised but are disclosed in notes.

Contingent assets are not recognised in financial statements but are disclosed, since the former treatment may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and its recognition is appropriate.

#### R) Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

### S) Key sources of estimation uncertainty

In the course of applying the policies outlined in all notes under section 2 above, the Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources.

The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future period.

### Key sources of estimation uncertainty

### i) Useful lives of property, plant and equipment

Management reviews the useful lives of property, plant and equipment at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs. Accordingly, depreciable lives are reviewed annually using the best information available to the Management.

### ii) Impairment of investments in subsidiaries, Joint ventures and associates

Determining whether the investments in subsidiaries, joint ventures and associates are impaired requires an estimate in the value in use of investments. In considering the value in use, the Directors have anticipated the future commodity prices, capacity utilisation of plants, operating margins, mineable resources and availability of infrastructure of mines, discount rates and other factors of the underlying businesses/operations of the investee companies

### iii) Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.

Contingent assets are neither recognised nor disclosed in the financial statements unless when an inflow of economic benefits is probable.

#### iv) Fair value measurements

When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include consideration of inputs such as liquidity risk, credit risk and volatility.

#### v) Deferred Tax Assets and Liabilities

The deferred tax assets and liabilities are recognised for deductible temporary differences and unused tax losses for which there are probability of utilisation against the future taxable profit. The Company uses judgment to determine the amount of deferred tax that can be recognised, based upon the likely timing and the level of future taxable profits and business developments.

### T) Recent Pronouncement

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

### Balance Sheet:

 Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.

- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

### Statement of profit and loss:

• Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements.

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

### 2.38 Segment Information

The Group's operating segments are established on the basis of those components of the group that are evaluated regularly by the Executive Committee (the 'Chief Operating Decision Maker' as defined in Ind AS 108 - 'Operating Segments'), in deciding how to allocate resources and in assessing performance. These have been identified taking into account nature of products and services, the differing risks and returns and the internal business reporting systems.

The accounting policies adopted for segment reporting are in line with the accounting policy of the Company with following additional policies for segment reporting.

Revenue and Expenses have been identified to a segment on the basis of relationship to operating activities of the segment. Revenue and Expenses which relate to enterprise as a whole and are not allocable to a segment on reasonable basis have been disclosed as "Others".

Segment Assets and Segment Liabilities represent Assets and Liabilities in respective segments. Investments, tax related assets and other assets and liabilities that cannot be allocated to a segment on reasonable basis have been disclosed as "Others"

### **Identification of Segments**

Business segment: The Company's operating businesses are organised and managed separately according to the nature of products, with each segment representing a strategic business unit that offers different products. The three identified segments are Steel Pipes & Tubes, Power - Electricity and RIG.

Inter Division transfers of goods, as marketable products produced by separate divisions of the company for captive consumption are made as if sales were to third parties at current market prices and are included in turnover.

### Fair Value Techniques:

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- a) Fair value of cash and short term deposits, trade receivables, trade payables, current loans, other current financial assets, short term borrowings and other current financial liabilities approximate to their carrying amount largely due to the short term maturities of these instruments.
- b) The fair value of investment in quoted Equity Shares and Mutual Funds is measured at quoted price or NAV.
- c) Interest free loan given / deferred sales tax is discounted at 7.00% p.a. to arrive at fair value.
- d) All foreign currency loans and liabilities are translated using exchange rate at reporting date

### **Fair Value Hierarchy**

The following table provides the fair value measurement hierarchy of Company's asset and liabilities grouped into Level 1 to Level 3 as described below:

Quoted prices / published Net Asset Value (NAV) in an active markets (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities and financial instruments like mutual funds for which NAV is published by mutual funds. This category consist mutual fund investments and equity share instrument of other companies.

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (that is, unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

### Assets and Liabilities Measured at Fair Value (Accounted)

The fair values of the financial assets and financial liabilities included in the level 2 categories above have been determined in accordance with generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparties. Following table describes the valuation techniques used and key inputs to valuation for level 2 of the fair value hierarchy as at 31.03.2021 and 31.03.2020.

### 2.52 Financial Risk Management Objectives and Policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's activities exposed to various risk such as market risk, credit risk and liquidity risk.

The sensitivity analyses exclude the impact of movement in market variables on the carrying value of post-employment benefit obligations, provisions and on non-financial assets and liabilities. The sensitivity of the relevant statement of profit and loss item is the effect of the assumed changes in respective market rates. The company's activities are exposed to varieties of financial risk including the effect of changes in foreign currency exchange rates and interest rates. The company uses derivatives financial instruments such as foreign exchange forward contracts of varying maturity depending upon the underlying contract and risk management strategy to manage its exposures to foreign exchange fluctuation and interest rates.

The Board of Directors reviews and agrees policies for managing each of these risks which are summarised below.

### **Market Risk and Sensitivity**

### 1. Foreign Currency Risk and Sensitivity

Foreign Currency Risk is the risk that the present exposure or Future Cash Flows will fluctuate because of changes in foreign currency rates. The company follow natural hedging to the extend of inward and outward of forex exposure and takes forward contracts to minimise the risk of fluctuation in foreign exchange rates for remaining amount. Exposures can arise on account of the various assets and liabilities which are denominated in currencies other than Indian Rupee.

The following table shows foreign currency exposures in US Dollar & other foreign currencies.

| Particulars  | As At 31    | .03.2021 | As At 31.03.2020 |        |
|--|-------------|----------|------------------|--------|
|  | USD         | Others   | USD              | Others |

### 3. Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the Company. Credit risk arises from Company's activities in investments, dealing in derivatives and receivables from customers.

The Company has a prudent and conservative process for managing its credit risk arising in the course of its business activities. Credit risk across the Company, is actively managed through Letters of Credit, Bank Guarantees, advance payments and security deposits.

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets.

The Ageing of Trade Receivable is as below:

### 4. Liquidity Risk

Liquidity risk is the risk that the company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company monitors its risk to a shortage of funds using a recurring liquidity planning tool. This tool considers the maturity of both its financial investments and financial assets (i.e. trade receivables, other financial assets) and projected cash flows from operations. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of working capital loans, letter of credit facility, bank loans and credit purchases.

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

# CONSOLIDATED FINANCIAL STATEMENTS

### INDEPENDENT AUDITORS' REPORT

# TO THE MEMBERS OF MAHARASHTRA SEAMLESS LIMITED Report on the Audit of the Consolidated Financial Statements

### **Qualified Opinion**

- 1. We have audited the accompanying consolidated financial statements of MAHARASHTRA SEAMLESS LIMITED (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its joint ventures and associates comprising of the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss including other comprehensive Income, the Consolidated Cash Flow Statement, the Consolidated Statement of Changes in Equity, for the year then ended, including a summary of significant accounting policies and other explanatory information (herein after referred to as "Consolidated Financial Statements").
- 2. Except for the possible effects of the matters described in the "Basis for Qualified Opinion" paragraph below in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors on separate audited financial statements and financial information of the subsidiaries, associate and joint ventures referred to in the Other Matters paragraph, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Group as at March 31, 2021, of consolidated profit (including Other Comprehensive Income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

### 3. Basis for Qualified Opinion

- a. In one of the foreign subsidiaries not audited by us and whose audit report for financial year ending 31st March 2021 has been provided to us and the concerned auditor has stated in his report that the Company has investment in unquoted shares which are held in related parties. These investments are carried at their original cost of investments as management is of the view that cost approximates fair value. Management has not determined the fair value of these investments using acceptable valuation methods as required by FRS 109, financial instruments. Consequently, we are unable to determine whether any adjustments to the carrying value of the investments as at March 31, 2021 would be required to be made.
- b. In one of the foreign subsidiaries not audited by us and whose audit report for financial year ending 31st March 2021 has been provided to us and the concerned auditor has stated in his Audit Report that during the previous year ended 31st March 2020, the Company recognized impairment provision in the statement of profit or loss for the opening carrying value of amount due from subsidiary and the opening carrying value of investment in subsidiary as at 01 April 2019 amounting to USD 9,357,500 and USD 6,961 respectively. They are unable to determine whether the above mentioned provisions should have been made in 2020 or prior years and whether adjustments might have been found necessary in respect of the statement of profit or loss and other comprehensive income and statement of cash flows of the Company for the financial year ended 31 March 2020. It is further stated that their opinion on the current year's financial statements is also modified because of the comparability of the current year's figures with the corresponding figures.

The Holding Company has recognized necessary provisions for impairment in respect of the aforesaid qualifications in the standalone financial statements.

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associate and joint ventures in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### 4. Emphasis of Matters

- a. We draw attention to Note No.2.43(c) and 2.55 which states that during the year the Company has made diminution of investment in Subsidiary Company & Joint Venture Company. The Company has computed current tax after considering the impact of provision for diminution of investments in subsidiaries and joint ventures as well as payment of provision for bank guarantee in step down subsidiary on the basis of an opinion received from a tax expert.
- b. In one of the subsidiaries not audited by us and whose audit report for financial year ending 31st March 2021 has been provided to us and the concerned auditor has stated in his Audit Report that the Management has assessed that provision be maintained for temporary diminution in the value of investment for USD 95 million. The Management has assessed that the likelihood of the recovery of these investment is less probable. Further the Management has assessed that the loans and advances due to shareholders is not likely to be repaid considering the temporary diminution in the value of the investment in associate. A provision has been maintain towards temporary write back of these loans and advances of USD 7.95 million during the year and shown under other comprehensive income. This provision will be utilised by the Company once it is confirmed that the investment in the associate is permanently impaired and upon the approval of the shareholders. It is further stated that their opinion is not modified in respect of this matter.

Our opinion is not modified in respect of these matters.

### **Key Audit Matters**

5. Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

| Sr. No | Key Audit Matter  | How our audit addressed the key audit matter  |  |
|--------|---|---|--|
| 1.     | Accuracy and completeness of disclosure of related party transactions and compliance with the provisions of Companies Act 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('SEBI (LODR) 2015') (as described in note no. 2.47 of the consolidation financial statements)  We identified the accuracy and completeness of disclosure of related party transactions as set out in respective notes to the consolidation financial statements as a key audit matter due to:  > the significance of transactions with related parties during the year ended March 31, 2021.  > Related party transactions are subject to the compliance requirement under the Companies Act 2013 and SEBI (LODR) 2015.  | Our audit procedures in relation to the disclosure of related party transactions included the following:  > We obtained an understanding of the Company's policies and procedures in respect of the capturing of related party transactions and how management ensures all transactions and balances with related parties have been disclosed in the consolidation financial statements.  > We obtained an understanding of the Company's policies and procedures in respect of evaluating arms-length pricing and approval process by the audit committee and the board of directors.  > We agreed the amounts disclosed with underlying documentation and read relevant agreements, evaluation of arms-length by management, on a sample basis, as part of our evaluation of the disclosure.  > We assessed management evaluation of compliance with the provisions of Section 177 and Section 188 of the companies Act 2013 and SEBI (LODR) 2015.  > We evaluated the disclosures through reading of statutory information, books and records and other documents obtained during the course of our audit. |  |
| 2.     | Claims and exposures relating to taxation and litigation (as described in note no. 2.35 of the consolidation financial statements)  The Company has disclosed in note no. 2.35 of the consolidation financial statements contingent liabilities of Rs.1898.97 lakhs (except note no 2.35 a, b and f) in respect of disputed claims/ levies under various tax and legal matters.  Taxation and litigation exposures have been identified as a key audit matter due to:  Significance of these amounts and large number of disputed matters with various authorities.  Significant judgement and assumptions required by management in assessing the exposure of each case to evaluate whether there is a need to set up a provision and measurement of exposures as well as the disclosure of contingent liabilities.  We focused on this matter because of the potential financial impact on the financial statements. Additionally, the treatment of taxation and litigation cases require significant judgement due to the complexity of the cases, timescales for resolution and involvement of various authorities. | Our audit procedures included the following:  > We obtained an understanding, evaluated the design, and tested the operating effectiveness of the controls related to the identification, recognition and measurement of provisions for disputes, potential claims and litigation, and contingent liabilities.  > We obtained details of legal and tax disputed matters and evaluation made by the management and assessed management's position through discussions on both the probability of success in significant cases, and the magnitude of any potential loss.  > We read external legal opinions (where considered necessary) and other evidence to corroborate management's assessment of the risk profile in respect of legal claims.  > We involved tax specialists to assist us in evaluating tax positions taken by management.  > We assessed the relevant disclosures made in the consolidation financial statements for compliance in accordance with the requirements of Ind AS 37.   |  |

### **Other Information**

- 6. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis; Board's Report including Annexures to Board Report, Business Responsibility Report, Corporate Governance and Shareholders' Information but does not include the consolidated financial statements and our auditor's report thereon. The aforesaid documents are expected to be made available to us after the date of this auditor's report.
- 7. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- 8. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.
- 9. When we read the aforesaid documents, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

### **Board of Directors' Responsibilities for the Consolidated Financial Statements**

- 10. The Holding Company's Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and statement of changes in equity of the Group including its associate and joint ventures in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder. The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associate and joint ventures and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.
- 11. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate and joint ventures are responsible for assessing the ability of the Group and its associate and joint ventures entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
- 12. The respective Board of Directors of the companies included in the Group and of its associate and joint ventures are responsible for overseeing the financial reporting process of the Group and of its associate and joint ventures.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

- 13. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
- 14. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate and joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
  - Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group and its associate and joint ventures to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
- 15. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 16. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 17. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Other Matters**

- 18. The consolidated Financial Results include the audited Financial Results of five subsidiaries (including four subsidiaries located outside India), whose financial statements reflect Group's share of total assets of Rs. 48,505.01 lakhs as at March 31, 2021, Group's share of total revenue of Rs. 85.37 lakhs and Rs. 468.31 lakhs and Group's share of total net loss after tax of Rs. 24,608.20 lakhs and Rs. 25,180.13 lakhs, total comprehensive loss of Rs.24,858.99 lakhs and Rs.24,785.98 lakhs for the quarter ended and for the year ended March 31, 2021 respectively, and Cash flows (net) of Rs. (7,599.07) lakhs for the year ended March 31, 2021 as considered in the consolidated Financial Results, which have been audited by their respective independent auditors. The independent auditors' reports on financial statements of these entities have been furnished to us and our opinion on the consolidated Financial Results, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors and the procedures performed by us are as stated in paragraph above.
- 19. The consolidated financial results also include the Group's share of net profit after tax of Rs. Nil and Rs. Nil, total comprehensive income of Rs. Nil and Rs. Nil for the quarter and year ended March 31, 2021, respectively, as considered in the consolidated financial results, in respect of one joint venture, based on their financial statements which have not been audited by its auditor. According to the information and explanations given to us by the Management, the financial statement is not material to the Group.
- 20. The consolidated financial results include the unaudited financial information of two subsidiaries whose financial information reflect Group's share of total assets of Rs. 57,675.73 lakhs as March 31, 2021, Group's share of total revenue of Rs. 6,532.49 lakhs and Rs.9,494.23 lakhs and Group's share of total net profit after tax of Rs.1995.72 lakhs and Rs.250.01 lakhs and total comprehensive income of Rs.1,995.72 lakhs and Rs. 250.01 lakhs for the quarter and year ended March 31, 2021, and Cash flows (net) of Rs. 889.46 lakhs for the year ended March 31, 2021 as considered in the consolidated Financial Results. The consolidated financial results also includes the Group's share of net loss after tax of Rs. 610.84 lakhs and Rs. 2,631.36 lakhs and total comprehensive loss of Rs. 523.93 lakhs and Rs. 2,954.29 lakhs for the quarter and year ended March 31, 2021 respectively, as considered in the consolidated financial results, in respect of one joint venture and two associates, based on their financial statements which have been reviewed by their respective auditors. The financial information has been prepared in accordance with accounting principles generally accepted.

Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

### **Report on Other Legal and Regulatory Requirements**

- 21. As required by Section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
  - (b) In our opinion proper books of accounts as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

### ANNEXURE-A TO THE INDEPENDENT AUDITOR'S REPORT

To the members of MAHARASHTRA SEAMLESS LIMITED

[Referred to in paragraph 21(f) of the Auditors' Report of even date]

# "Report on the Internal Financial Control under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")" 4

1. We have audited the internal financial controls over financial reporting of MAHARASHTRA SEAMLESS LIMITED. (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its joint ventures, which are companies incorporated in India as of 31st March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

2. The respective Board of Directors of the Holding Company and its subsidiary companies and its joint ventures, which are companies incorporated in India, are responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors' Responsibility**

- 3. Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company, its subsidiaries and joint ventures which are companies incorporated in India based on our audit. We conducted our audit in accordance with the "Guidance Note" and the Standard on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedure selected depends on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statement, whether due to fraud or error.
- 5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies and its joint ventures, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting the Company, its subsidiary companies and its joint ventures which are companies incorporated in India

### **Meaning of Internal Financial Control over Financial Reporting**

- 6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statement for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that
  - i) pertain to the maintenance of the records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
  - ii) provide reasonable assurance that the transactions are recorded as necessary to permit preparation of financial statement in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorization of management and directors of company; and
  - iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statement.

### Inherent Limitations of Internal Financial Control over Financial Reporting

7. Because of inherent limitation of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to errors or fraud may occur and not be detected. Also, projections of any evaluations of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

8. In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of the other auditors referred to in the Other Matters paragraph below, the Holding Company its subsidiary companies and its joint ventures, which are companies incorporated in India, have, in all material respect, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by

### **Other Matters**

9. Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements of the Holding Company in so far as it relates to three subsidiary companies and one joint venture company, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such subsidiary and joint venture incorporated in India.

## SIGNIFICANT ACCOUNTING POLICIES ON CONSOLIDATED ACCOUNTS

## **A** Basis of Preparation of Consolidated Financial Statements

The consolidated financial statements have been prepared on the historical cost basis except certain financial assets and liabilities measured at Fair Value. The consolidated financial statements of the Group have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

The Consolidated Financial Statements comprises of Maharashtra Seamless Limited and all its subsidiaries, being the entities that it controls. Controls are assessed in accordance with the requirement of Ind AS 110 - Consolidated Financial Statements.

The Consolidated financial statements are presented in INR and all values are rounded to the nearest INR Lakhs, except when otherwise indicated.

## **B** Principles of Consolidation

The consolidated financial statements relate to Maharashtra Seamless Limited (The Company') and its subsidiary companies, associates and joint ventures. The consolidated financial statements have been prepared on the following basis:

- a The financial statements of the Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- b Profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant & equipment, are eliminated in full.
- In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the foreign currency translation reserve (FCTR).
- d Goodwill/ Capital reserves represents the difference between the Company's share in the net worth of subsidiaries and the cost of acquisition of the subsidiary.
- e The audited / unaudited financial statements of foreign subsidiaries / joint ventures / associates have been prepared in accordance with the Generally Accepted Accounting Principle of its Country of Incorporation.
- f The carrying amount of the parent's investment in each subsidiary is offset(eliminated) against the parent's portion of equity in each subsidiary.
- g The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as on the date of disposal is recognised in the Consolidated Statement of Profit and Loss being the profit or loss on disposal of investment in subsidiary.
- h Non Controlling Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- i Non Controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Company's shareholders.
- j Investment in Associates and Joint Ventures has been accounted under the equity method as per Ind AS 28 Investments in Associates and Joint Ventures.
- k The Company accounts for its share of post-acquisition changes in net assets of associates and joint ventures, after eliminating unrealised profits and losses resulting from transactions between the Company and its associates and joint ventures to the extent of its share, through its Consolidated Statement of Profit and Loss.
- The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.

## **C** Other Significant Accounting Policies

These are set out under "Significant Accounting Policies" as given in the Company's standalone financial statements.

## 2.46 Segment Information

The Group's operating segments are established on the basis of those components of the group that are evaluated regularly by the Executive Committee (the 'Chief Operating Decision Maker' as defined in Ind AS 108 - 'Operating Segments'), in deciding how to allocate resources and in assessing performance. These have been identified taking into account nature of products and services, the differing risks and returns and the internal business reporting systems.

The accounting policies adopted for segment reporting are in line with the accounting policy of the Company with following additional policies for segment reporting.

Revenue and Expenses have been identified to a segment on the basis of relationship to operating activities of the segment. Revenue and Expenses which relate to enterprise as a whole and are not allocable to a segment on reasonable basis have been disclosed as "Others".

Segment Assets and Segment Liabilities represent Assets and Liabilities in respective segments. Investments, tax related assets and other assets and liabilities that cannot be allocated to a segment on reasonable basis have been disclosed as "Others"

## **Identification of Segments**

Business segment: The Company's operating businesses are organised and managed separately according to the nature of products, with each segment representing a strategic business unit that offers different products. The three identified segments are Steel Pipes & Tubes , Power - Electricity and RIG.

Inter Division transfers of goods, as marketable products produced by separate divisions of the company for captive consumption are made as if sales were to third parties at current market prices and are included in turnover.

## Fair Value Techniques:

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- a) Fair value of cash and short term deposits, trade receivables, trade payables, current loans, other current financial assets, short term borrowings and other current financial liabilities approximate to their carrying amount largely due to the short term maturities of these instruments.
- b) The fair value of investment in quoted Equity Shares and Mutual Funds is measured at quoted price or NAV.
- c) Interest free loan given / deferred sales tax is discounted at 7.00% p.a. to arrive at fair value.
- d) All foreign currency assets and liabilities are translated using exchange rate at reporting date

## **Fair Value Hierarchy**

The following table provides the fair value measurement hierarchy of Company's asset and liabilities grouped into Level 1 to Level 3 as described below:

Quoted prices / published Net Asset Value (NAV) in an active markets (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities and financial instruments like mutual funds for which NAV is published by mutual funds. This category consist mutual fund investments and equity share instrument of other companies.

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (that is, unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

## Assets and Liabilities Measured at Fair Value (Accounted)

The fair values of the financial assets and financial liabilities included in the level 2 categories above have been determined in accordance with generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparties. Following table describes the valuation techniques used and key inputs to valuation for level 2 of the fair value hierarchy as at 31.03.2021 and 31.03.2020.

## 2.57 Financial Risk Management Objectives and Policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company activities is exposed to various risk such as market risk, credit risk and liquidity risk.

The sensitivity analyses exclude the impact of movement in market variables on the carrying value of post-employment benefit obligations, provisions and on non-financial assets and liabilities. The sensitivity of the relevant statement of profit and loss item is the effect of the assumed changes in respective market rates. The company's activities are exposed to varieties of financial risk including the effect of changes in foreign currency exchange rates and interest rates. The company uses derivatives financial instruments such as foreign exchange forward contracts of varying maturity depending upon the underlying contract and risk management strategy to manage its exposures to foreign exchange fluctuation and interest rates.

The Board of Directors reviews and agrees policies for managing each of these risks which are summarised below.

## **Market Risk and Sensitivity**

## 1 Foreign Currency Risk and Sensitivity

Foreign Currency Risk is the risk that the present exposure or Future Cash Flows will fluctuate because of changes in foreign currency rates. The company follow natural hedging to the extend of inward and outward of forex exposure and takes forward contracts to minimise the risk of fluctuation in foreign exchange rates for remaining amount. Exposures can arise on account of the various assets and liabilities which are denominated in currencies other than Indian Rupee.

The Subsidiaries have no significant exposure to foreign currency risk as its transactions and balances are denominated in their functional currency.

The following table shows foreign currency exposures in US Dollar & other foreign currencies of standalone

## 3. Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the Company. Credit risk arises from Company's activities in investments, dealing in derivatives and receivables from customers.

The Company has a prudent and conservative process for managing its credit risk arising in the course of its business activities. Credit risk across the Company, is actively managed through Letters of Credit, Bank Guarantees, advance payments and security deposits.

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets.

The aging of Trade Receivable is as below:

## 4. Liquidity Risk

Liquidity risk is the risk that the company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company monitors its risk to a shortage of funds using a recurring liquidity planning tool. This tool considers the maturity of both its financial investments and financial assets (i.e. trade receivables, other financial assets) and projected cash flows from operations. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of working capital loans, letter of credit facility, bank loans and credit purchases.

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

The Company reserves the right to restrict the number of questions and number of speakers, depending on the availability of time as appropriate for smooth conduct of the AGM.
- 21. Instructions for e-voting and joining the AGM are as follows:
  - Pursuant to Section 108 of the Companies Act, 2013 read with Rule 20 of Companies (Management and Administration) Rules, 2014, as amended from time to time, Regulation 44 of SEBI Listing Regulations and in terms of SEBI vide circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated 9th December, 2020 in relation to e-Voting Facility Provided by Listed Entities, the Company is pleased to provide the facility of voting by electronic means viz. 'remote e-voting' through National Securities Depository Limited (NSDL), for all members of the Company to enable them to cast their votes electronically, on the resolutions mentioned in the notice of the 33rd Annual General Meeting (AGM) of the Company.

The facility for electronic voting system, shall also be made available at the 33rd AGM. The Members attending the AGM, who have not cast their votes through remote e-voting, shall be able to exercise their voting rights at the AGM.

The remote e-voting period begins on 25th September, 2021 (9.00 A.M) and ends on 27th September, 2021 (5.00 P.M). During this period members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 21st September, 2021 may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter.

The members who have already cast their vote through remote e-voting may attend the meeting, but shall not be entitled to cast their vote again at the AGM and a person who is not a Member as on cut off date i.e 21st September, 2021 should treat this Notice for information purpose only.

Mr. Manish Baldeva (FCS 6180), Proprietor M/s M. Baldeva Associates, Company Secretaries, has been appointed as Scrutinizer to scrutinize the voting through remote e-voting and voting during the AGM, in a fair and transparent manner.

In terms of SEBI circular dated 9th December, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

The Company has enabled e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the NSDL (E-Voting Service Provider-ESPs), thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

The manner and process of remote e-Voting are as under:
