 - 6- The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
- THE INTRUCTIONS FOR SHAREHOLDRES FOR REMOTE E-VOTING ARE AS UNDER:
- (i) The voting period begins on 25.09.2023 09:00 a.m. and ends on 27.09.2023 05:00 p.m. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 21.09.2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting being by VC
 - (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has

been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Management Discussion and Analysis Report

INDUSTRY STRUCTURE AND DEVELOPMENT OF THE INDUSTRY:

Your Company is in manufacturing of auto components such as Pistons, Gudgeon Pins, Rings, Auto shafts required for commercial vehicles, tractors, and heavy-duty stationary engines. The market is divided into many segments such as export market, replacement market, OEM market. These are distinct from one another and have distinct advantages and plights. The auto component manufacturers mainly cater to two types of buyers, i.e., the original equipment manufacturers (OEMs) and the replacement segment.

Our Company growth is linked with the automobile industry growth and on overall growth of rural economy. Indian Auto Component Industry is growing as potential Global automotive supplier with very good export potential to the developing Countries during the year 2022-23. We are upgrading Pistons and Rings manufacturing Technology BS6, Euro norms.

OPPORTUNITIES AND THREATS

With the introduction of Electric Vehicles opportunities have increased and with the ban of I.C engines the threat is also equally affected your company. To meet with this situation our company has to become very cost effective by introducing sophisticated technology at high expense.

The Company has very good opportunities because of long term business relationship with valued customers both in Domestic OEM's and agricultural tractors and Replacement Market & Exports.

Because of your company meeting on time supplies, superior quality and cost-effective products and our technical expertise both from Japanese & German Consultants.

The Company has got a diverse product portfolio across all market segments i.e., OEM's, after Market and Export Market and all vehicle segments and a very strong distribution network at aftermarket sales.

OUTLOOK:

Under these circumstances, the Company is putting all efforts to drive for sustainable growth. In view of

strong support of OEM's and because of establishing good distribution network, Company is poised for comeback and work for study growth.

Several cost effective and time-bound steps have been taken with technical support from Japan to meet the changing expectations of customers, challenges of price competition and also zero-defect quality and delivery. Your company has now fully developed and revalidated the products complying BS-VI norms of all major OEM suppliers and now for Replacement Market received orders for supply from October/November 2020.

This established and poised for moderate demand growth with all OEM's & Replacement Market during the year 2022-2023 and there on.

RISK AND CONCERNS:

The risk is always the part and parcel of any business activity. The Company operates in a highly competitive environment that is subject to innovation and varying level of resources available to each player in this segment of business. The common risks inter alia are:

Risk to Company Assets and Property, Employees Related Risks, Foreign Currency Risks, Risks associated with Non-Compliance of Statutory enactments, Competition Risks, Operational Risks, Business risk, Technology obsolescence, Investments, Retention of talent and Expansion of facilities. Business risk, inter-alia, further includes financial risk, political risk, fidelity risk, legal risk. Immense competition is faced by the company from the international players and unorganized sectors. The Company is constantly reviewing the risk that would impact adversely. Cost of raw material and inflationary pressure also increase the cost of manufacturing, but the availability of raw material from the suppliers at the right time and at the right price has enabled the company to reduce the cost of manufacturing. For Inflationary pressures and its impact the company has taken suitable cost control steps.

The Company's Human Risk is minimal as it enjoys a harmonious industrial relationship in the manufacturing units of the Company.

Lack of clarity on future Government policy continues to be an area of major concern for the industry. The exact impact of this cannot be evaluated until the proposed changes are actually introduced and implemented.

Several cost effective and time-bound steps have been taken with technical support from Japan to meet the changing expectations of customers, challenges of price competition and also zero-defect quality and delivery. Your company has now fully developed and revalidated the products complying BS-VI norms of all major OEM suppliers and now for Replacement Market received orders for supply from October/November 2020. The company deals in single segment wise performance.

INTERNAL CONTROL SYSTEM:

INDEPENDENT AUDITOR'S REPORT

To the Members of Samkrp Pistons& Rings Limited
Report on the Indian Accounting Standards (Ind AS) Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of Samkrp Pistons& Rings Limited (“the Company”), which comprises the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity, and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the Standalone Ind AS Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the afore said Standalone Financial Statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the standalone state of affairs of the Company as at March 31, 2023 and its standalone profit (including Other Comprehensive Income), standalone changes in equity and its standalone cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Following is the Key Audit Matter identified which is of most significance:

TRADE RECEIVABLES: Trade Receivables accounts for 53.65% of total current assets of the company.

The Company is not exposed to potential risk of financial loss as there is no risk of default on receivables from the customers. As the company has good valued customers both in domestic OEM's and Replacement market and Export.

We have performed the following procedures in relation to recoverability of Trade Receivables

- Tested the accuracy of trade receivables at year end on sample basis
- Obtained a list of Outstanding Receivables and evaluated its recoverability through discussion with management.
- Assessed the recoverability Trade Receivables through sample basis through our evaluation of management assessment with reference to

- (a) Credit Profile of Customers
- (b) Historical Payment pattern of customers
- (c) Tested subsequent settlement of trade receivables after the balance sheet date on a sample basis.

Based on above procedures we found the key judgements and assumptions used by management in the recoverability of assessment of Trade Receivables to be supported based on available evidence.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone Ind AS Financial Statements, Secretarial Report and our auditor's report thereon, which we obtained prior to the date this auditor's reports.

Our opinion on the Standalone Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those Charged with Governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS Financial Statements that give a true and fair view of the standalone financial position, standalone financial performance (including other comprehensive income), standalone changes in equity and standalone cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Financial Statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can

arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls. and operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor’s Report) Order, 2020 (“the Order”), issued by Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the “Annexure A”, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(Referred to in paragraph 2(f) of our Report on Other Legal and Regulatory Requirements of even date to the Members of Samkrg Pistons& Rings Limited)

Report on the Internal Financial Controls with reference to Standalone Ind AS Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Standalone Ind AS Financial Statements of **Samkrg Pistons& Rings Limited** ("the Company") as of 31st March, 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the existence of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in

reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to Standalone Ind AS Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to Standalone Ind AS Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to Standalone Ind AS Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at March 31, 2022 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents the company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets.

Transactions and balances with values below the rounding off norm adopted by the company have been reflected as "0" in the relevant notes in these financial statements.

The Financial Statements of the Company for the year ended 31/03/2023 were approved for issue in accordance with the resolution of the board of directors on 30/05/2023

2. **Basis of Measurement:** These Financial Statements are prepared under historical cost convention unless otherwise stated.
3. **Revenue Recognition:** Revenue from contracts with customers are recognized as per Ind AS 115 when control of the goods or services are transferred to the customers at the fair value of consideration received or receivable. The Company recognizes revenue when the same can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below. Revenue is measured at the value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Amounts disclosed as revenue are exclusive of GST and net of returns, trade allowances, rebates, discounts, and amounts collected on behalf of third parties.

(i) Sale of Goods

Sales are recognized when substantial risk and rewards of ownership are transferred to customer, In case of domestic customers, sales generally take place when goods are dispatched or delivery is handed over to the transporter. In case of export customers, sales generally take place when goods are shipped on-board based on bill of lading.

- ii) **Interest Income** is recognized on time proportion basis taking into account the amount invested and rate of interest.

- iii) **Revenue in respect of other claims** is recognized on accrual basis to the extent the ultimate realization is reasonably.

4. **Expenses** are accounted on accrual basis.

5. **Employee Benefits:**

- (i) Contributions to defined contribution schemes such as ESI, Labor welfare fund, employee pension scheme are charged as expense based on the amount of contribution required to be made as and when services are rendered by the employees. Companies provident fund contribution in respect of certain employees is made to government administered fund and charged as an expense to the statement of profit and loss. The above benefits are classified as Defined contribution schemes as the company has no further defined obligations beyond the monthly contribution.
- (ii) Defined benefit plans: In accordance with payment of Gratuity Act, 1972, the company provides gratuity a defined benefit retirement plan covering eligible employees. The plan provides for a payment to vested employees at retirement, death while in employment or on termination of employment, an amount equivalent to 15 days salary payable for each completed year of service, subject to maximum as may be prescribed. Vesting occurs upon completion of five years of service, except in case of death while in employment in which case the legal heirs would receive the gratuity. Accordingly, a lump sum provision is made as per management policy.

6. **Property , Plant and Equipment:** Property ,plant and equipment are stated at acquisition cost includes related duties freight etc., and interest on borrowed fund if any directly attributable to acquisition/construction of qualifying fixed assets and is net of duty/tax credit availed.

Subsequent expenditure related to an item of property, plant and equipment are added to book value only if they increase the future benefits from existing asset beyond its previously assessed standard of performance. In all such cases, the useful life of assets subsequently added to parent asset are brought at par and depreciated in line with parent asset.

Losses arising from the retirement of, and gains or losses arising from disposal of property, plant and equipment which are carried at cost are recognized in statement of profit or loss.

Depreciation is provided on SLM basis, based on useful life of the assets in accordance with Schedule II of the Companies Act, 2013.

Free hold land is not depreciated.

The residual value of 5% is retained in books for all assets other than the assets whose useful life has elapsed as on 01-04-2014 or those assets whose book value has already been reduced below 5% of acquisition cost.

The depreciation has been provided on SLM basis based on the life of the asset given below:

-Building	30 years
-Plant and Machinery	15 years
-Lab Equipment	10 years
-Electrical Installation	10 years
-Office Equipment	5 years
-Vehicles	8 years
- Computers	3 years

De-recognition: The carrying amount of an item of property, plant and equipment shall be derecognized

- (i) On disposal or
- (ii) When no future economic benefits are expected from its use or disposal

7. **Intangible Assets:** Separately purchased intangible assets are initially measured at cost. Subsequently, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses if any.

The useful lives of intangible assets are assessed as either finite or indefinite. Finite life assets are amortized on a straight line basis over the period of their expected useful lives.

Estimated useful lives by major class of finite life intangible assets are as follows:

Computer Software	10 Years
-------------------	----------

The amortization period and amortization method for finite life intangible assets is reviewed at each financial year and adjusted prospectively, if appropriate.

8. **Foreign Currencies:** The Company's financial statements are presented in INR, which is also the functional currency of the company.

Transactions and Balances: Transactions in foreign currencies are initially recognized by the company at its functional currency spot rates at the date the transaction when it first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognized in profit and loss statement.

9. **Income Taxes:** Income tax expense for the year comprises of current tax and deferred tax. It is recognized in profit and loss.

Current tax is the expected tax payable / receivable on the taxable income / loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of the previous years.

Deferred tax is recognized in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amounts used for taxation purposes.

A deferred tax liability is recognized based on the expected manner of realization or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantially enacted by the end of the reporting period.

A deferred tax asset is recognized only to the extent that it is probable that future taxable profits will be available against which the asset can be utilized. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realized.

10. **Dividend :** Final Dividend on shares are recorded as a liability on the date of approval by the shareholders.

11. **Use of Estimates:** The preparation of Financial Statements is in conformity with Indian accounting standards (Ind AS), requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities and disclosure relating to contingent liabilities as at the date of financial statements and reported income and expenses during the year. The management believes that the estimates used in preparation of financial statements are prudent and reasonable. Future results could differ due to these estimates and differences between actual results and estimates are recognized in the periods in which results are known / materialize.

12. **Financial Instruments:** Financial Assets and Financial Liabilities are recognized when the company becomes a party to contractual provisions of the instrument.

A Financial Asset is:

- Cash
- A Contractual right to receive cash or another Financial Asset.
- A Contractual right to exchange Financial Assets or Liabilities with another entity under potentially favorable conditions; or
- An equity instrument of another entity.

A Financial Liability is:

- A Contractual obligation to deliver cash or another Financial asset; or
- To exchange Financial Instruments with another entity under potentially unfavorable conditions.

A derivative is a Financial Instrument that derives its value from underlying price or index; requires little or no initial net investment; and is settled at a future date.

IND AS 109 divides all Financial Assets into Two Classifications:

Those measured at amortised at cost.

Those measured at Fair Value.

When assets are measured at fair value, gains and losses are recognized entirely in profit or loss (Fair value through profit or loss, FVTPL), or recognized in other comprehensive income (Fair value through other comprehensive income, FVTOCI).

The classification of Financial Asset is made at the time it is initially recognized, namely when the entity becomes a party to contractual provisions of the instrument.

13. Provisions and contingent liabilities:

- (a) **Provisions:** Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Current provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value.

- (b) **Contingent Liabilities:** Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed by the occurrence of non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is probable that an outflow of resources will be required to settle of reliable estimate of the amount cannot be made.

14. Cash and cash equivalents: In the cash flow statement, cash and cash equivalents include cash, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less.

15. Segment Reporting under Ind AS-108:

The Company is engaged in a single segment (i.e. the business of “automotive components” from where it is earning its revenue and incurring expenses. The operating results are regularly reviewed and performance is assessed by its Chief Operating Decision Maker (CODM). All the company resources are dedicated to this single segment and all the discrete financial information is available for this segment. The geographical information in respect of customers is given in Note 38, Notes to accounts and Significant accounting policies.

16. **IND AS-23 BORROWING COST:** Ind AS 23, 'Borrowing Costs' The amendments clarify that if a specific borrowing remains outstanding after the related qualifying asset is ready for its intended use or sale, it becomes part of general borrowings. As the Company does not have any borrowings, there is no impact on account of this amendment.

17. UNCERTAINTY OVER INCOME TAX TREATMENTS TO IND AS 12 INCOME TAXES.

Appendix C, Uncertainty over Income Tax Treatments, to Ind AS 12, 'Income Taxes' The appendix explains how to recognize and measure deferred and current income tax assets and liabilities where there is uncertainty over a tax treatment. In particular, it discusses:

- How to determine the appropriate unit of account, and that each uncertain tax treatment should be considered separately or together as a group, depending on which approach better predicts the resolution of the uncertainty;
- That the entity should assume a tax authority will examine the uncertain tax treatments and have full knowledge of all related information, i.e. that detection risk should be ignored;
- That the entity should reflect the effect of the uncertainty in its income tax accounting when it is not probable that the tax authorities will accept the treatment;

That the impact of the uncertainty should be measured using either the most likely amount or the expected value method, depending on which method better predicts the resolution of the uncertainty; and that the judgments and estimates made must be reassessed whenever circumstances have changed or there is new information that affects the judgments.

- The application of this guidance is not expected to have an impact on the separate financial statements.

18. CURRENT VS NON-CURRENT CLASSIFICATION:

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is current when it is:

- Expected to be realized or intended to sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period All other assets are classified as non-current

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period,

There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as noncurrent assets/noncurrent liabilities.

19. Ind AS 116 - Leases

The Company elects not to apply IND AS 116 , as it has got short term leases(Recognition Exemption)

20. Functional and presentation currency:

These financial statements are presented in Indian Rupees (INR), which is the company's functional currency. All financial information is presented in INR rounded to the nearest Lakhs except share and per share data, unless otherwise stated.

Exchange differences are recognized in the Statement of Profit and Loss.

21. Capital management

The Company's objective for managing capital is to ensure as under:

- i) To ensure the company's ability to continue as a going concern
- ii) Maintaining a strong credit rating and debt equity ratio in order to support business and maximize the share holders' value.
- iii) Maintain an optimal capital structure.
- iv) Compliance of financial covenants under the borrowing facilities.

For the purpose of capital management, capital includes issued equity capital, and all other equity reserves attributable to the equity holders of the Company

The Company manages its capital structure keeping in view of:

- i) Compliance of financial covenants under the borrowing facilities.
- ii) Changes in economic conditions

In order to achieve this overall objective of capital management, amongst other things, the Company aims to ensure that it meets financial covenants attached to the borrowings facilities defining capital structure requirements, where breach in meeting the financial covenants may permit the lender to call the borrowings.

There have been no breach in the financial covenants of any borrowing facility in the current period. There is no change in the objectives, policies or processes for managing capital over previous year. To maintain the capital structure, the Company may vary the dividend payment to shareholders. (Refer Note 41 Notes on Significant Accounting Policies)

22. Financial risk management

The Company's principal financial liabilities comprise of loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that it derives directly from its operations. The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks under appropriate policies and procedures.

i) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits.

a) Foreign exchange risk

The Company is subject to the risk that changes in foreign currency values impact the Company's export revenues and imports of raw material and property, plant and equipment. The net

unhedged exposure to the Company on holding financial assets (Trade Receivables and capital advances) and liabilities (trade payables and capital creditors) other than in their functional currency amounted to Rs.16.10 Crores.

The Company is exposed to foreign exchange risk arising from various currency exposures, primarily with respect to US Dollar and Euro and Yen. The Company manages currency exposures within prescribed limits.

Foreign exchange transactions are covered with strict limits placed on the amount of uncovered exposure, if any, at any point in time. The aim of the Company's approach to management of currency risk is to leave the company with no material residual risk.

b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company is not exposed to any significant /material interest rate risk.

ii) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities including deposits with banks, financial institutions, foreign exchange transactions and other financial instruments.

Credit risk is managed by company's established policy, procedures and control relating to customer credit risk management. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business.

iii) Liquidity risk

Liquidity risk is the risk that the Company, will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The Company maintained a cautious liquidity strategy, with a positive cash balance throughout the year ended 31-03-2023 and 31-03-2022.

Cash Flow from operating activities provides the funds to service the financial liabilities on a day to day basis.

The Company regularly monitors the rolling forecasts to ensure it has sufficient cash on an ongoing basis to meet its operational needs. Any short-term surplus cash generated, over and above the amount required for working capital management and other operational requirements is retained as cash and cash equivalent(to the extent required) and any excess is invested in interest bearing term deposits to optimize the cash return on investments while ensuring sufficient liquidity to meets is liabilities.

v) Fair value hierarchy

The Company uses the following hierarchy for determining and or disclosing the fair value of financial instruments by valuation techniques:

The following is the basis of categorizing the financial instruments measured at fair value into Level 1 to Level 3.

Level 1 - This level includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - This level includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - This level includes financial assets and liabilities, measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as of March 31, 2023

The Company uses Level 2 for determining and or disclosing the fair value of Financial instrument.

23 Taxes and Income

- a) Current tax: Provision for Income Tax is determined in accordance with the provisions of Income Tax Act, 1961.
- b) Taxable temporary differences will always lead to Deferred Tax Liability
- c) The timing deference on account of depreciation charged on the assets as per the companies act and as per the Income Tax Act has been provided.
