2. OVERVIEW OF BUSINESS

Incorporated in the year 2003, we are engaged in the field of Railway Infrastructure Development involving design, drawing, supply, Erection and Commissioning of 25KV, 50Hz Single Phase Traction Overhead Equipment. The keyclients of the Company include various zones of the Indian Railways like Eastern Railway, South Eastern Railway, South East Central Railway, Northern Railway, East Coast Railway, North Frontier Railway, East Central Railway, Central Organisation for Railway Electrification (CORE) as well as large Public and Private Sector. Our major work encompasses electrification of new & existing Railway tracks helping nation to reduce dependability of fossil fuels thereby reducing the carbon print foot. Our services include concept to commissioning of Railway Infrastructure right from design to energization. We have completed hundreds of Kms of electrification & erected several traction substations in a span of 20 years. Our Company is based out in Chhattisgarh and this gives us an opportunity to offer our services to coal mines. Usually, coal mines in Chhattisgarh have to develop siding which is used to load and transport coals from mines to its respective customers. A siding, in rail terminology, is a low-speed track section distinct from a running line or through route such as a main line, branch line, or spur. It may connect to through track or to other sidings at either end.

Sidings often have lighter rails, meant for lower speed or less heavy traffic, and few, if any, signals. We have over the years developed many siding in the state to facilitate coal mines.

The Company has kept its focus on the Electrification sector of the Railways keeping in view the vast scope of work in the existing and the untapped areas. As a result, the Company has been able to build its resources capable of executing large, medium and small electrification projects in the most efficient and timely manner.

The Company first made forays into a highly technical field, overhead electrification of the Indian Railways and through series of events over the successive years made rapid and spectacular progress in its chosen field of work and with dedication, team work, commitment, discipline and astute planning and strategy, scaled newer heights of progress and glory.

3. IMPACT OF COVID-19 ON OUR BUSINESS

In late 2019, a novel strain of coronavirus (“COVID-19”) emerged and by March 11, 2020, it was declared a global pandemic by the World Health Organization. The spread of COVID-19 and the recent developments surrounding the global pandemic have had, and may continue to have, repercussions across local, national and global economies and financial markets. On March 14, 2020, India declared COVID-19 as a ‘notified disaster’ and imposed a nationwide lockdown announced on March 24, 2020. Subsequently, progressive relaxations have been granted for movement of goods and people and cautious re-opening of businesses and offices. While the recently commenced vaccination drive in India is a positive development, the COVID-19 pandemic has affected and is expected to continue to affect our business and operational performance in the near future. The global impact of the COVID-19 pandemic has been rapidly evolving and public health officials and governmental authorities have reacted by taking measures, such as instituting quarantines, restricting travel, prohibiting people from assembling in heavily populated areas, issuing lockdown orders and restricting the types of businesses that may continue to operate, ‘stay-at-home’ orders, and enforcing remote working regulations. These measures have led to a significant decline in economic activities, and has had and is having an unprecedented effect and a significant negative impact on the global travel industry. An individuals’ ability to travel has been curtailed through border closures across the world, mandated travel restrictions and limited operations of hotels, airlines, bus and railways. Since there was no movement of people, our company faced difficulties to make labour transport to our worksites and due to this we couldn’t conduct our business.

4. SWOT ANALYSIS:

a) OPPORTUNITIES

- There has been a conscious effort by the Indian Railways for electrifying its routes.
- This opens up enormous opportunity for the company to float tenders and take up contracts.

b) Threats

- Our work is dependent on raw material which is steel items, copper, aluminium, zinc items and various electrical and bulk erection materials.
- Fluctuating prices of such raw materials, critical bottlenecks in the supply of for unpredictable lead-time in procurement of such supplies, increasing rates of freight pose problems for the company

c) Strengths

- Experienced Team
- Assured Payments from Clients
- Steady Growth

d) Weakness

- We operate mainly in oversaturated Railway zones which result in delay in work progress due to non-availability of traffic block. This results in loss of man days and escalating our labour costs.
- Small scope of Work
- Established Players available in the Market.

5. MITIGATION OF RISK /RISK MANAGEMENT

The Board identifies and categorizes risks in the areas of operations, finance, marketing, regulatory compliances and corporate matter. Confirmations of compliance with appropriate statutory requirements are obtained from the respective units/divisions. The Internal Auditor expresses his opinion on the level of risks during the audit of a particular area and reports to the Audit Committee. The Company is also taking necessary short term and long-term steps, expanding customer base, forward integration and energy management etc. The Company has already taken effective steps for raw material security in the long-term.

6. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

To the Members of
M/s JAYANT INFRATECH LIMITED

1. Report on the Financial Statements

We have audited the accompanying financial statements of M/s. JAYANT INFRATECH LIMITED (Formerly known as JAYANT INFRATECH PRIVATE LIMITED) ("the Company"), which comprises the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss and statement of cash flows for year ended on 31st March, 2022, and a summary of significant accounting policies and other explanatory information.

2. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2022, the profit and total income, changes in equity and its cash flows for the year ended on that date.

3. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

4. Management's Responsibility for the Standalone Financial Statements

Management is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the Accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

5. Auditor's Responsibility for the Audit of the Financial Statements

Our objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion on these financial statements.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the Auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

"Annexure B" to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s. **JAYANT INFRATECH LIMITED (Formerly known as JAYANT INFRATECH PRIVATE LIMITED)** ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

(a) The financial statements are prepared in accordance with Generally Accepted Accounting Principles (Indian GAAP) under the historical cost convention on accrual basis and on principles of going concern. The accounting policies are consistently applied by the Company.

(b) The financial statements are prepared to comply in all material respects with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and provisions of Companies Act, 2013.

(c) The preparation of the financial statements requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between the actual results and estimates are recognized in the period in which the results are known / materialize.

1.2 Revenue Recognition

(a) Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

(b) Sales are recognized on accrual basis, and only after transfer of goods or services to the customer.

(c) Dividend on Investments are recognized on receipt basis.

(d) Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

1.3 Property, Plant & Equipment & Intangible Assets

(a) Fixed Assets are stated at Cost less accumulated depreciation. The Company has capitalized all cost relating to the acquisition and installation of Fixed Assets.

(b) Depreciation is provided on Fixed Assets on Written down value Method on the basis of Useful Life as prescribed under Part C of Schedule - II of the Companies Act, 2013.

(c) Cost of the fixed assets not ready for their intended use at the Balance Sheet date together with all related expenses are shown as Capital Work-in-Progress.

1.4 Impairment of Assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the higher of the asset's net selling price and value in use, which is determined by the present value of the estimated future cash flows.

1.5 Investments

Investments classified as long-term investments are stated at cost. Provision is made to recognize any diminution other than temporary in the value of such investments. Current investments are carried at lower of cost and fair value.

1.6 Inventories
