Aurionpro's iCashpro+ Transaction Banking Solution wins Technoviti Award for the 3rd consecutive year

Mumbai, 9th May 2022: Aurionpro, a leading digital innovations company and an enabler of platform-led enterprise transformation has won the Technoviti Award for its digital transaction banking solution, iCashpro+, in the “Best Innovative Product” category. Technoviti is an annual award that celebrates the best technological innovations within the financial and fintech sector. The awards were judged by an eminent jury from the banking, financial services and insurance fraternity.

“Today the faster time to market is a key differentiating factor for banks' business to grow their strategic customer portfolio. iCashpro+ has aided many banks to secure their position as one of the leading banks in their region that truly improves corporate and SME's clients' Financial well-being in terms of both efficiency and sustainability through digital technology. We're honoured to be recognised for our achievements in Technoviti 2022 as well.” Said, Shekhar Mullatti, President & Global Head Banking at Aurionpro

Commenting on this win, Poonam Puthran, SVP – Delivery, Transaction Banking at Aurionpro, said: *“We're extremely delighted to have won the Technoviti Award for the 3rd consecutive year. The theme for the 8th Technoviti Awards and Conclave 2022 was 'Innovate to Accelerate' and having being acknowledged for iCashpro+ is a great testament of our efforts in helping enterprises accelerate digital innovation. iCashpro+ is an Integrated Transaction Banking Platform which considers the changing digital transformation trend to deliver true digital transaction banking experiences to the bank's corporates and SME customers, benchmarked to handle 5 million transactions per hour with more than 6000 concurrent users.*

Technoviti is an annual financial event committed to bring forth & acknowledge the innovation quotient in the BFSI ecosystem. The program features a series of talks, panel discussions and enrolment conversations with luminaries from the industry to create role models for future captains of the domain. CIOs and CXO jury members from BFSI organizations came together to reaffirm their strong commitment towards innovation and fintech, at the Technoviti Awards 2022 for the 8th year by evaluating 30 plus valid innovation nominations out of 80.
