24. Important Communications & Awareness Material for Shareholders:

- a) SEBI encourages all shareholders to consider the inherent advantages of dematerialization and get their existing physical shareholding converted into demat mode. SEBI has also prohibited transfer of equity shares in physical mode. Therefore, all Members holding their shares in physical form are advised to dematerialize their shareholding at the earliest, by opening a demat account with any Depository Participant (DP) and submit the demat request to their DP.
- b) Members may please note that SEBI vide its Circular dated 25 January 2022, has mandated Listed Companies to issue securities in demat form only, while processing service requests such as issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/exchange of securities certificate, endorsement, sub-division/splitting of securities certificate, consolidation of securities certificates/folios, transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled-in and signed Form ISR-4, along with relevant documents, the format(s) of which is available on the Company's website at www.bhartiya.com.

- c) SEBI has mandated the Company/RTA to obtain copies of PAN Card, KYC Details, Bank Account Details, Nomination Form, etc. from all shareholders holding shares in physical form. Therefore, shareholders holding shares in physical form are requested to provide PAN, KYC and other details at the earliest in Form ISR-1, along with the supporting documents/details such as contact details including mobile number and email, self-attested copy of PAN card and address-proof of all holders, Nomination Form in SH-13 or 'Declaration to Opt-out' in Form ISR-3 and bank details along with original cancelled cheque and banker's attestation of specimen signature in Form ISR-2. Detailed instructions and specimen formats in this regard, are available on the investor section of the website of the Company at www.bhartiya.com.

Please note that in case you are holding shares in physical form, you will be eligible to get any service request processed by the RTA only when your KYC details are updated. Further, w.e.f. 1st April, 2024, you will be eligible for dividend payments in electronic mode only when your KYC details are updated. Hence, please download, fill and send the requisite documents to the Company/RTA at the earliest.

- d) SEBI vide its circular dated July 31, 2023, has introduced a common Online Dispute Resolution Portal ("ODR Portal"), which harnesses online method for resolution, conciliation and arbitration for disputes arising in the Indian Securities Market. The ODR Portal allows investors with additional mechanism to resolve their grievances, in case they are not satisfied with the resolution provided by the Company/RTA and/or through SCORES Platform of SEBI (scores.sebi.gov.in). Web-link to access the said portal is <https://smartodr.in>. Detailed circulars in this regard to this facility are available on the investor section of the website of the Company at www.bhartiya.com.

STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 IN RESPECT OF THE SPECIAL BUSINESS ITEM NOS. 3 TO 6.

ITEM NOS. 3 & 4

The Company is desirous of utilizing the expertise of Mr. Robert Burton Moore Jr., Director for business requirements and hence wants to pay consultancy fees to him towards his appointment as Consultant for Marketing of our business.

As such, Mr. Robert Burton Moore Jr. will hold office or place of profit in the Company within the meaning of Section 188 of the Companies Act, 2013.

As per provisions of section 188 (1)(f) read with rule 3(b) of Companies (Meetings of Board and its Powers) Rules, 2014, approval of shareholders is required if the monthly remuneration of such person exceeds Rs. 2,50,000/-per month. Since the company is benefitted from the services of the above-mentioned Director holding office or place of profit in the Company, the Board has sanctioned his consultancy fees exceeding Rs. 2,50,000/- per month which is justified.

Copy of Appointment Letter setting out terms and conditions of his appointment is available for inspection by Members till the Annual General Meeting as per details mentioned in the Notes.

Further, in terms of the notified Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, consent of the Members by way of Special Resolution is required every year, if the remuneration payable to a single Non-Executive Director in that year exceeds 50% of the aggregate remuneration payable to all the Non-Executive Directors taken together. Your approval is therefore sought for the payment of remuneration upto USD 125001 (equivalent to INR) towards Consultancy fees for Marketing of the Company's business, to Mr. Robert Burton Moore Jr. for the financial year 2024-25.

Mr. Robert Burton Moore Jr. is interested in the resolutions set out at Item Nos. 3 & 4 of the Notice.

The relatives of Mr. Robert Burton Moore Jr. may be deemed to be interested in the resolutions set out at Item No. 3 & 4 of the Notice, to the extent of their shareholding interest, if any, in the Company.

None of the other Directors / KMP, except Mr. Robert Burton Moore Jr., are interested in the aforesaid resolution.

The Board accordingly recommends the ordinary and special resolutions as set forth in Item Nos. 3 & 4 for the approval of the members.

Brief resume of Mr. Robert Burton Moore Jr, nature of his expertise in specific functional areas, name of companies in which he holds directorship and memberships/chairmanships of Board Committees, shareholding and relationships amongst directors inter-se as stipulated under Secretarial Standards and Regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 forms part of this Notice.

ITEM NO. 5

As per the provision of Regulation 17(1A) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, no listed entity shall appoint a person or continue the directorship of any person as a non-executive director who has attained the age of 75 years unless a special resolution is passed to that effect.

Mr. Robert Burton Moore jr. (DIN: 08108097), was appointed as non-executive director in the Company on 16th April, 2018. Mr. Moore Jr. will attain the age of 75 years with effect from 18th September, 2025 and approval of members by way of special resolution is required for the continuation of his directorship from the day he attains the age of 75 years.

In terms of the above provisions, upon the recommendation of Nomination and Remuneration Committee, Audit Committee and Board of Directors, the continuation of Mr. Robert Burton Moore Jr. (DIN: 08108097) as a Non-Executive Director from 18th September, 2025 and as detailed in Resolution No. 5 of accompanying notice is sought to be ratified by the members of the Company.

Mr. Robert Burton Moore jr. was not debarred from holding the office of the Director by virtue of any SEBI order or any other such authority pursuant to BSE Circular LIST/COMP/14/2018-19 dated June 20, 2018 and NSE circular NSE/CML/2018/24 dated June 20, 2018.

Further, the details as required under the Secretarial Standard and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, have been provided separately at the end of this statement.

Except Mr. Moore Jr., none of the Directors and Key Managerial Personnel of the Company or their relatives are in any way concerned or interested, in the special resolution as set out at Item No. 5.

The Board recommends the passing of the resolution as set out at Item No. 5 of the Notice of the AGM as a special resolution

ITEM NO. 6

Ms. Sannovanda Machaiah Swathi (DIN:06952954) was appointed as an Independent Director of the Company pursuant to the provisions of Sections 149, 152 and other applicable provisions of the Companies Act, 2013 (Act) and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI LODR). Her term of five consecutive years commenced w.e.f. 1st April, 2020 and is due to expire on 31st March, 2025.

The Nomination and Remuneration Committee (NRC) evaluated the skills, knowledge and experience on the Board and found that Ms. Swathi possesses relevant expertise and capabilities required of an Independent Director.

Based on the recommendation of NRC, the Board of Directors of the Company at its meeting held on 9th August, 2024, has approved the re-appointment of Ms. Swathi for a second term of five (5) consecutive years, with effect from 1st April, 2025 to 31st March, 2030, not being liable to retire by rotation, as provided in the Resolution.

The Company has received a declaration from her confirming that she meets the criteria of independence as prescribed under Section 149(6) of the Act and SEBI LODR.

Ms. Swathi is not restrained from acting as a Director by virtue of any order passed by SEBI or any such authority and is not disqualified from being appointed as Director in terms of Section 164 of the Act. She has given her consent to act as an Independent Director.

The requisite details of Ms. Swathi pursuant to SEBI LODR and Secretarial Standard-2 are provided in Annexure to the Notice.

In the opinion of the Board, Ms. Swathi is a person of integrity, possesses relevant expertise and fulfills the conditions specified in the Act, rules made thereunder and SEBI LODR and is independent of the management. The Company has received a notice under Section 160 of the Companies Act, 2013 from a member proposing her candidature for re-appointment as an Independent Director of the Company.

It is proposed that Ms. Swathi be re-appointed as an Independent Director of the Company for an another term of five consecutive years i.e. from 1st April, 2025 to 31st March, 2030, not liable to retire by rotation.

A copy of the draft letter of re-appointment of Ms. Swathi setting out the terms and conditions of re-appointment is available for inspection at the Registered Office/Corporate Office of the Company on all working days (except Saturdays, Sundays and Public Holidays) between 11:00 a.m. to 1:00 p.m. upto the date of AGM and will also be available for inspection during the AGM. A brief profile of Ms. Swathi is also available on the website of the Company i.e. www.bhartiya.com.

The Board considers her rich experience and knowledge to be of immense value to the Company and therefore recommends her re-appointment to the Members by special resolution.

Except Ms. Swathi, none of the Directors and Key Managerial Personnel of the Company or their relatives are in anyway concerned or interested, in the special resolution as set out at Item No. 6.

FROM THE CHAIRMAN

Dear Shareholders,

I am filled with pride as I reflect on Bhartiya International's continued progress and success. Our journey is marked by a steadfast commitment to design excellence, innovative production management and our core values. At the heart of our success lies a disciplined approach to client development and management.

This year our Chennai accessories group has undergone a remarkable transformation. Through a focused, long-term strategy, we have established ourselves as a premier manufacturer for a portfolio of world-renowned handbag brands including Coach, Ralph Lauren and Hogan. This strategic pivot has positioned Bhartiya International as a future global leader in luxury accessories manufacturing.

Operational excellence remains a cornerstone of our success. The efficiency and lean initiatives we embarked on this year have yielded impressive results across our Bengaluru outerwear production units. Enhanced product quality, compressed lead times and cost reductions are tangible outcomes of our unwavering dedication to operation excellence.

Beyond financial performance, we are deeply committed to the communities where we operate... a great company doing good. Our continued support of CSR projects in Bengaluru and Chennai exemplify our enduring value of community support.

Our greatest asset is our people. Bhartiya International is fortunate to have a remarkable global executive leadership team and a dedicated workforce. Their passion, expertise and unwavering commitment are the foundation of Bhartiya's sustained success.

I am confident we will continue to deliver long-term growth with improved profitability for our shareholders. Thank you for your continued support.

Thank you for being a part of our journey.

Sincerely,
Snehdeep Aggarwal
Chairman

MANAGEMENT DISCUSSION & ANALYSIS

INDUSTRY UPDATE

In 2023, the fashion industry showcased resilience despite global challenges, paving the way for a promising outlook in 2024. McKinsey forecasts the luxury segment to maintain its economic leadership amidst evolving economic conditions. Globally, luxury growth is expected to range between 3 to 5 percent in 2024, indicating a strategic adaptation post-pandemic and underscoring ongoing consumer confidence and expenditure in high-end markets. India is strengthening its role as a key sourcing hub for leather garments, apparel, and accessories, supported by its heritage, infrastructure, and commitment to sustainability. The country's skilled workforce and competitive manufacturing costs make it an attractive destination for global brands seeking quality production at scale. As India's fashion industry evolves, innovation, sustainability initiatives, and inclusive representation are driving continued growth and global partnerships.

ABOUT THE COMPANY

Bhartiya is a diversified global company with presence across six countries and a partner of choice for over 100 retailers/brands across the world. The group operates across segments such as manufacturing of fashion apparel and accessories, real estate, and city development.

Bhartiya International Limited (Bhartiya Fashion): Bhartiya Fashion is a leading manufacturer of outerwear, apparel, and accessories and a partner to many of the best fashion brands in Europe and North America. The company has a strong network of manufacturing units, design and prototyping facilities, business development offices, and showrooms are driven by direct and indirect employment of over 15000 people in India and abroad.

With close to 30 years of experience and vertically integrated model, Bhartiya Fashion offers its customers a one-stop-shop manufacturing platform and 360-degree Customized Fashion Solutions ranging from product design, raw material sourcing, production, quality control, logistics, and documentation.

DESIGN-DRIVEN APPROACH AT BHARTIYA

At Bhartiya, design excellence drives innovation, supported by an advanced in-house Research & Development team in Milan, Gurugram, Bengaluru, and Chennai. It has exclusive design Studios in Milan, Gurugram, Bengaluru and Chennai. Design teams create private label collections to partner with brands, who collaborate on design and product development. The teams supplement customer design, provide trends, fashion directions, and inspirations every season. Every year the company develops fashion collections for over 150 luxury brands/retailers across the world including marquee clients like Calvin Klein, G-Star, Levis, All Saints, Armani, Belstaff, Ralph Lauren etc.

This blend of design focus and efficient delivery fosters profitability and scalability.

Key Business Divisions

LEATHER GARMENTS DIVISION

Bhartiya's Leather Garments Division is a driving force within the company, renowned for its extensive array of men's and women's leather outerwear. It consistently ranks among the world's largest producers of leather garments, setting itself apart in a competitive industry dominated by smaller players. The division's achievement stems from its capacity to achieve economies of scale, ensuring consistent profitability amidst evolving market dynamics.

As the fashion landscape evolves rapidly, sustainability emerges as a critical concern.

Bhartiya acknowledges this imperative and pledges to be a responsible partner to its 100+ global collaborators. A prime example of this commitment is its Chennai – based Tannery's transition towards responsible and eco-conscious production practices. Here, the focus is on sourcing and manufacturing traceable, sustainable, organic, and biodegradable leathers. This initiative highlights our dedication to supporting partner brands in meeting consumer expectations sustainably and responsibly.

Central to our manufacturing prowess is a team of world-class design talent based in Milan, Gurugram, and Bengaluru. Their constant innovation and integration of the latest fashion trends are pivotal in delivering superior products. Bhartiya's comprehensive

expertise across the value chain — from design and sourcing to manufacturing — ensures streamlined processes and optimal capacity utilization, culminating in a robust and profitable business model.

With a resilient business framework now in place, the Leather Garments Division is poised to leverage operational efficiencies for growth. Lean operating costs mean that increased sales directly enhance profitability. The division's strategic focus is on nurturing long-term partnerships with select high-value clients while also diversifying its customer base to mitigate risks. To catalyze further expansion, Bhartiya has amplified its global presence by enlisting business development representatives in strategic markets.

TEXTILE OUTERWEAR DIVISION

Bhartiya's Textile Outerwear Division is known for its unwavering commitment to delivering premium-quality products to large retailers and brands worldwide. Specializing in an expansive range of styles for both men's and women's outerwear, this division has experienced remarkable growth in recent years. Over the past two years, we have streamlined operations, enhanced efficiencies, and upgraded to cutting-edge systems. Upon stabilization this quarter, we are poised to accelerate our growth trajectory in the coming year.

Given the large market potential for textile outerwear, Bhartiya is strategically positioned to capitalize on emerging opportunities and solidify its presence as a dominant industry player. A key driver of our success is our cross-selling strategy, which entails offering multiple product lines to our existing global clientele. This approach not only deepens relationships with existing customers but also attracts new ones, thus fueling sustained growth within the segment.

Furthermore, Bhartiya has fortified its production teams by recruiting top talent from the manufacturing sector. This strategic initiative ensures operational excellence and reinforces our commitment to sustained profitability. By maintaining a steadfast focus on high-value products,

the Textile Outerwear Division remains instrumental in propelling the company's growth and expanding its market share in the years to come.

FASHION ACCESSORIES DIVISION

Amidst the prevailing geopolitical uncertainty and recent market volatility, India has emerged as a pivotal player in the global landscape. Bhartiya, capitalizing on this shift, has garnered significant and sustained interest from discerning brands in Europe and North America. We have proudly commenced supplying premium brands such as Tod's SPA in Italy, while simultaneously forging new business channels with South Korea. The coming year represents a crucial juncture for us to solidify our position as a premier manufacturer in the region.

In parallel, we have established a strategic relationship with Coach, a globally recognized leader in the bags and accessories manufacturing sector. This collaboration is poised for exponential growth in the years ahead. Additionally, we are actively pursuing similar alliances with marquee brands in North America, positioning ourselves as their preferred manufacturing partner.

With our production facilities now optimized and operating at peak efficiency, we are accelerating our production runs. This seamlessly aligns with our collaborations with leading European brands, leveraging our design prowess and consistently achieving impressive margins in this segment.

VIRTUAL MANUFACTURING DIVISION

Bhartiya recognizes significant potential in the Virtual Manufacturing segment, which complements our established strengths in design, development, and marketing. Strategic investments this fiscal year in bolstering our product design teams and platform vendors have solidified existing client partnerships and unlocked additional growth through expansion into new product categories and the acquisition of new customers.

Our Bangladesh sourcing operation, staffed by a seasoned team and headquartered in

Uttara Dhaka, has been successfully established. We have not only expanded business in existing categories but also ventured into new domains such as knitwear and sleepwear sourced from Bangladesh. Furthermore, our presence in China augments our sourcing capabilities across diverse apparel types, ensuring optimal price points.

Our proactive efforts in cultivating new markets have culminated in the initiation and development of business in South Korea. Overall, Bhartiya's Virtual Manufacturing division has successfully cultivated international client relationships spanning mass-market volume retailers, high-fashion high-street retailers, and premium to entry-luxury segments. We are confident that these future-focused initiatives will drive substantial volume businesses within this category.

Aligned with the asset-light nature of virtual manufacturing, Bhartiya leverages cutting-edge technology to reduce lead times and strategically evaluate best-in-class sourcing and platform vendors. This agility is a direct result of three decades of pivotal manufacturing expertise, allowing us to remain at the forefront of industry innovation.

OUR COMPANY

HUMAN RESOURCE

Human Resources in the organization is working round the clock to support the business to excel in terms of acquiring best talent and bringing the best practices to develop the existing talent. As it is said that empowered and energized workforce results into superior business performance, so has been witnessed in Bhartiya business too.

BHARTIYA CITY, BENGALURU: A PARADIGM SHIFT IN URBAN LIVING

Encompassing over 125+ acres, Bhartiya City is a one-of-a-kind urban smart city seamlessly integrating residential, commercial, and hospitality elements, offering a holistic and efficient lifestyle for its residents and the wider Bengaluru community. Cutting-edge technology permeates every facet of the city, driving sustainability, energy efficiency, and connectivity, thereby elevating the quality of life for all inhabitants.

In our view, Bhartiya City sets a new benchmark for urban planning and community development, standing as the single largest urban development of its kind within any metropolitan city in India.

Nikoo Homes, our flagship residential brand, is India's first branded residential project with a steadfast focus on family, community, culture, health, and learning. Our unwavering commitment is to build vibrant communities that empower families to live richer, more fulfilling lives.

Following the resounding success of Nikoo 1, 2, and 4, with over 5,500 delighted Nikoo families in residence, Nikoo 5 emerged as one of Bengaluru's fastest-selling projects, achieving record-breaking sales on its launch day. Nikoo 6, the first project venturing outside Bhartiya City, has garnered immense customer interest and inquiries, signalling its promising future.

Bhartiya City has already established 3 million square feet of prime IT office space, with an additional 1.1 million square feet under development.

The Leela Hotel & Convention Center boasts one of Bengaluru's largest convention spaces, regularly hosting prestigious events and conventions. It is rapidly becoming the preferred venue for large-scale gatherings. Bhartiya City also features opulent private residences nestled in the city center, overlooking the verdant Central Park. Defined by refined elegance and luxurious finishes, these residences are further enhanced by the legendary Leela service.

The Bhartiya Mall of Bengaluru has cemented its status as the entertainment and shopping epicenter of Bengaluru. Offering a diverse array of experiences that blend art, culture, shopping, retail, and entertainment, it continues to flourish as a sought-after destination. Its calendar of events, featuring the likes of the Van Gogh art exhibition and concerts by renowned artists like Martin Garrix, Prateek Kuhad, and Alan Walker, consistently draws massive crowds.

Transfer of unclaimed / unpaid amounts / shares to the Investor Education and Protection Fund (IEPF):

Pursuant to Sections 124 and 125 of the Act read with the IEPF (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), the Company has to transfer to the IEPF Authority, established by the Central Government the dividend amounts, application money, principal amounts of debentures and deposits as well as the interest accruing thereon, sale proceeds of fractional shares, redemption amount of preference shares, etc. remaining unpaid or unclaimed for a period of 7 years from the date they became due for payment.

Furthermore, the IEPF Rules mandate companies to transfer shares of shareholders whose dividend amounts remain unpaid / unclaimed for a period of 7 consecutive years to the demat account of the IEPF Authority. The said requirement does not apply to shares in respect of which there is a specific order of the Court, Tribunal or Statutory Authority, restraining any transfer of shares.

In light of the aforesaid provisions, the Company has during the year under review, transferred to IEPF the unclaimed dividends, outstanding for 7 consecutive years of the Company. Further, shares of the Company, in respect of which dividends have not been claimed for 7 consecutive years or more, have also been transferred to the demat account of the IEPF Authority.

The details of the unclaimed dividends and shares transferred to IEPF during FY 2023-24 are as follows:

Particulars	Amount in Dividend (In Rs.)	No. of Shares
Final Dividend 2015-16	153,089	17,546
Total	153,089	17,546

The Members who have a claim on the above dividends and shares may claim the same from the IEPF Authority by submitting an online application in the prescribed web-Form No. IEPF-5 available on the Ministry of Corporate Affairs website on [V3 portal](#) and send an original form and acknowledgement, along with requisite documents duly self-certified by the claimant(s), duly self-certified, of the said Form and acknowledgement along with requisite documents, as enumerated in the Instruction Kit, to the Company for vetting and suitable recommendation to IEPF Authority. No claims shall lie against the Company in respect of the dividend/shares so transferred. The Members/ Claimants can file only one consolidated claim in a financial year as per the IEPF Rules.

The Company strongly recommends shareholders to encash / claim their respective dividend within the period given below from the Company's Registrar and Share Transfer Agents:

Financial Year Ended	Date by which unclaimed dividend amount will be credited/transferred to the "Investor Education and Protection Fund"

INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

**To the Members of
Bhartiya International Limited
Report on the Audit of the Consolidated Financial Statements**

Opinion

We have audited the accompanying Consolidated Financial Statements of Bhartiya International Limited ('the Holding Company') and its subsidiaries (the Holding company and its subsidiaries together referred to as 'the Group') and its associate comprising the Consolidated Balance Sheet as at March 31, 2024, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate / consolidated financial statements and on the other financial information of the subsidiaries and associates, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the Consolidated State of Affairs of the Group as at March 31, 2024, its Consolidated Profit and Consolidated Other Comprehensive Income, Consolidated Changes in Equity and its Consolidated Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibility for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their report referred to in the other matters paragraph below is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Auditor's Response
<p>Revenue Recognition:</p> <p>Revenue from the sale of goods (hereinafter referred to as "Revenue" is recognized when Company performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such revenue recognition in case of sale of goods is when the control over the same is transferred to the customer.</p> <p>The timing of revenue recognition is relevant to the reported performance of the company. The management considers revenue as a key measure for evaluation of performance. There is a risk of revenue being recorded before control is transferred.</p> <p>Refer Note 4.10 to the Consolidated Financial Statements.</p>	<p>Principal audit procedures performed:</p> <ul style="list-style-type: none"> • Assessed the Company's revenue recognition accounting policies in line with the Ind AS 115 ("Revenue from Contracts with Customers") and tested thereof. • Evaluated the integrity of the general information and technology control environment and testing the operating effectiveness of key IT application controls over revenue recognition. • Evaluated the design, implementation and operating effectiveness of Company's control in respect of revenue recognition. • Tested the effectiveness of such controls over revenue cut off at the year-end • On a sample basis, tested supporting documentation for sales transactions recorded during the year which included sales invoices, customer contracts and shipping documents. • Performed an increased level of substantive testing in respect of sales transactions recorded during the period closer to the year end and subsequent to the year end. • Assessed disclosure in financial statements in respect of revenue, as specified in Ind AS 115.

Information Other than the Financial Statement and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation & presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the Consolidated Financial Position, Consolidated Financial Performance (including other comprehensive income), Consolidated Statement of Changes in Equity and Consolidated Cash Flows of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Board of Directors /management of the companies included in the Group, and its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the group and its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates are responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the holding company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the group & its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group & its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities within the Group & its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial Statement of such entities included in the consolidated financial statements of which we are independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of seven subsidiaries, whose financial statements reflect total assets of Rs 20,969.69 lacs as at March 31, 2024, total revenues of Rs. 19,446.76 lacs and net cash inflows amounting to Rs.1,715.82 lacs for the year ended on that date. These financial statements have been audited by other auditors whose reports have been furnished to us by the management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the reports of the other auditors.

Certain of these subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their countries and which have been audited by other auditors under generally accepted auditing standards applicable in their countries. The Holding Company's management has converted the financial statements of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. These financial statements which were converted into generally accepted accounting principles in India has also been reviewed by an independent Chartered Accountant. Our opinion in so far as it related to the balances and affairs of such subsidiaries located outside India is based on the report of the other auditors and the review report of the independent Chartered Accountant furnished to us by the management.

The consolidated financial statements also include the Group's share of net loss of Rs. 1,153.05 lakhs for the year ended March 31, 2024, as considered in the consolidated financial statements in respect of two associates, whose financial statements / consolidated financial statements / financial information have not been audited by us. These financial statements / consolidated financial statements / financial information have been audited/reviewed by other auditors, whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, and our report in terms of sub-section (3) of section 143 of the Act in so far as it relates to the aforesaid subsidiaries and associates, are based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by sub-section 3 of Section 143 of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the report of the other auditors.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, and the consolidated cash flow statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards (Ind As) specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on March 31st, 2024 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India and associates, none of the Directors of the Group companies and its associates, incorporated in India, are disqualified as on March 31st, 2024 from being appointed as a Director of that company in terms of sub-section 2 of Section 164 of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/ provided by the Holding Company and its Indian Subsidiaries to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate/ consolidated financial statements and other financial information of the subsidiaries and associates incorporated in India whose financial statements have been audited under the Act:
 - i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group & its associates.
 - ii) The provision has been made in the Consolidated Financial Statement as required under the applicable law or Ind As, for material foreseeable losses, if any, on long term contracts including derivatives contracts.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiary companies and associates incorporated in India.
 - iv) a) The respective Managements of the Company and its subsidiaries and associates which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us and the other auditors of such subsidiaries and associates respectively that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries and associates to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries and associates ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b) The respective Managements of the Company and its subsidiaries and associates which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us and the other auditors of such subsidiaries and associates respectively that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such subsidiaries and associates from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries and associates shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c) Based on the audit procedures performed by us and that performed by the auditors of the subsidiaries and associates, incorporated in India, whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) No dividend has been declared or paid during the year by the holding Company or its subsidiaries and associates.
- vi) Based on our examination which included test checks performed by us on the Holding Company and by the respective auditors of the subsidiaries and associates of the Holding Company which are companies incorporated in India and audited under the Act, the Holding Company, its subsidiaries and associates in respect of financial year commencing on 1st April 2023, have used accounting software for maintaining their books of account which has a feature of recording audit trail (edit log) facility and the same have been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we and respective auditors of the above referred subsidiaries and associates did not come across any instance of audit trail feature being tampered with.

ANNEXURE B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31st, 2024, we have audited the internal financial controls over financial reporting of Bhartiya International Limited ('the Holding Company') and its subsidiary companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, and the audit evidence obtained by the other auditors in terms of their reports is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting with reference to these consolidated financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting with reference to these consolidated financial statements and such internal financial controls over financial reporting with reference to these consolidated financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

We did not audit the internal financial controls with reference to financial statements in so far as it relates to two subsidiary companies, which are companies covered under the Act, whose financial statements/consolidated financial statements reflect total assets of Rs. 3,058.47 lakhs, total revenues of 1,851.53 lakhs and net cash inflows amounting to Rs. 1.77 lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss (including other comprehensive income) of Rs. 1,153.05 lakhs for the year ended 31 March 2024, in respect of two associate companies, which are companies covered under the Act, whose internal financial controls with reference to financial statements have not been audited by us. The internal financial controls with reference to financial statements in so far as it relates to such subsidiary companies and associate companies have been audited by other auditors whose reports have been furnished to us by the management and our report on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements so far as it relates to such two subsidiary companies and two associate companies is based solely on the reports of the auditors of such companies. Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and on the reports of the other auditors.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

1. CORPORATE INFORMATION

Bhartiya International Limited ('the Holding Company') is a public limited company with domiciled in India and incorporated under the provisions of the Companies Act applicable in India. The Holding Company and its subsidiaries (hereinafter referred to as "the Group") is engaged in the business of manufacturing and trading of leather products & textile products. The Holding Company has its registered office at Chennai and its corporate office at Gurugram, Haryana.

2. BASIS OF PREPARATION

The consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015.

The consolidated financial statements have been prepared on the historical cost basis except the certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies.

Based on the nature of products/activities and the time between acquisition of assets and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

3. PRINCIPLES OF CONSOLIDATION

The financial statements of the Holding Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.

Profits or losses resulting from intra-group transactions that are recognised in assets, such as Inventory and Property, Plant and Equipment, are eliminated in full.

In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the Foreign Currency Translation Reserve (FCTR).

Goodwill represents the difference between the Company's share in the net worth of subsidiaries and the cost of acquisition at each point of time of making the investment in the subsidiaries.

The audited / unaudited financial statements of foreign subsidiaries / associates have been prepared in accordance with the Generally Accepted Accounting Principle of its Country of Incorporation or Ind AS.

The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.

The carrying amount of the parent's investment in each subsidiary is offset (eliminated) against the parent's portion of equity in each subsidiary.

Investment in Associates has been accounted under the Equity Method as per Ind AS 28 – Investments in Associates.

The Group accounts for its share of post-acquisition changes in net assets of associates after eliminating unrealised profits and losses resulting from transactions between the Group and its associates.

Non-Controlling Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to shareholders of the Company.

Non-Controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet.

4. MATERIAL ACCOUNTING POLICIES

4.1 Property, Plant and Equipment

Freehold land is carried at cost. All other items of property, plant and equipment and Capital work in progress (including Pre-operative expenses) are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset. General and specific borrowing costs directly attributable to the construction of a qualifying asset are capitalized as part of the cost.

Depreciation is charged on a pro-rata basis at the straight-line method over estimated economic useful lives of its property, plant and equipment generally in accordance with that provided in the Schedule II.

Assets acquired under finance lease and leasehold improvements are amortized over the shorter of estimated useful life of the asset or the related lease term.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTD).

4.2 Investment Properties

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Group, is classified as investment property. Investment property is measured at its cost, including related transaction costs and applicable borrowing costs less depreciation and impairment if any.

Depreciation is charged on a pro-rata basis at the straight-line method over estimated economic useful lives of building generally in accordance with that provided in the Schedule II of the Companies Act .

4.3 Intangible Assets

Intangible Assets are stated at cost of acquisition inclusive of incidental expenses related to acquisition. all related revenue expenditure including borrowing cost during the period of development forms part of value of assets capitalized.

Computer software are amortized using the straight Line Method over the period of three years.

Amortization of Intangible Assets-Brand at the overseas subsidiary are as per the rate applicable based on the useful life of assets.

4.4 Lease

Effective from 1st April, 2019, the Company adopted Ind AS 116 – Leases and applied the standard to all lease contracts existing as on 1st April, 2019 using the modified retrospective method on the date of initial application i.e. 1st April, 2019.

At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a Lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

(i) Right-of-use Assets (ROU Assets)

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment.

(ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset. Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTD).

(iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as a Lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

4.5 Inventories

Raw materials and consumables have been valued at cost after providing for obsolescence. Cost comprise of cost of purchase and other cost incurred in bringing the inventories to their present location and condition. Cost is determined on FIFO basis. Finished goods are value at cost or net realisable value whichever is lower. Cost of finished goods and work-in-progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

4.6 Cash & Cash Equivalents

The Group cash and cash equivalents consist of cash on hand and in banks and demand deposits with banks, which can be withdrawn at any time, without prior notice or penalty on the principal.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand and are considered part of the Group cash management system. In the balance sheet, bank overdrafts are presented under other current liabilities.

4.7 Employee Benefits

Defined Contribution Plan

Retirement benefit in the form of provident fund is a defined contribution scheme. The Group has no obligation, other than the contribution payable to the provident fund. The Group recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders the related service.

Defined Benefit Plan

Gratuity is a defined benefit obligation. The Group accounts for the gratuity liability, based upon the actuarial valuation performed in accordance with the Projected Unit Credit method carried out at the year end, by an independent actuary.

Re-measurement, comprising actuarial gains and losses and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss.

4.8 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Financial assets are recognised when the Group becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTD).

Financial assets are subsequently classified as measured at

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Debt Instruments:

Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

(a) Measured at Amortised Cost:

Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any is recognised in the Statement of Profit and Loss.

(b) Measured at Fair Value through Other Comprehensive Income:

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

(c) Measured at Fair Value through Profit or Loss:

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

Equity Instruments:

All investments in equity instruments classified under financial assets are initially measured at fair value, the Group may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

The Group makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

Derecognition

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Financial Liabilities

Initial Recognition and Measurement

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Subsequent Measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTD).

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Trade and other payable

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. The amounts are generally unsecured. Trade and other payable are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using effective interest method.

Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

Derivative Instruments:

The Group enters into foreign exchange forward contracts to manage its exposure to foreign exchange rate risks. These contracts are initially recognised at fair value and subsequently, at the end of each reporting period, re-measured at their fair values on reporting date. The resulting gain or loss is recognised in profit or loss in the same line as the movement in the hedged exchange rate.

4.9 Provision and Contingent Liabilities

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Group or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

4.10 Revenue Recognition

Revenue from contract with customers is recognised when the Group satisfies performance obligation by transferring promised goods and services to the customer. Performance obligations are satisfied at the point of time when the customer obtains controls of the asset.

Revenue from Services

Revenue from services is recognised in the accounting period in which the services are rendered.

Other Operating Revenue - Export Incentives

"Export Incentives under various schemes are accounted in the year of export.

Interest Income

Interest income is recognized using the effective interest rate (EIR) method

Dividend Income

Dividend income on investments is recognised when the right to receive dividend is established.

4.11 Foreign Currency Translation

Transactions in foreign currencies are initially recorded in functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

4.12 Income Tax

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in other comprehensive income.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTD).

Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit before tax as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period. The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and liability simultaneously.

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The Group offsets deferred income tax assets and liabilities, where it has a legally enforceable right to offset current tax assets against current tax liabilities, and they relate to taxes levied by the same taxation authority on either the same taxable entity, or on different taxable entities where there is an intention to settle the current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

4.13 Earning Per Share

Basic earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

4.14 Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they are incurred.

4.15 Government Grants

Government grants are not recognised until there is reasonable assurance that the Group will comply with the conditions attaching to them and that the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which the Group recognises as expenses the related costs for which the grants are intended to compensate.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Profit and Loss on a straight - line basis over the expected lives of related assets and presented within other income.

4.16 Share Based Payment

Equity-settled share-based payments to employees are measured at the fair value of the equity instruments at the grant date.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTD).

The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Group revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity-settled employee benefits reserve.

4.17 Critical Estimates and Judgements -

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results. Management also need to exercise judgement in applying the Group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving Critical Estimates or Judgement are:

Estimation of Defined benefit obligation

Estimation of current tax expenses and Payable

Useful lives of depreciable assets

Provision and contingent liability

Carry value of investment in associates

47 FAIR VALUE MEASUREMENT

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset and paid to transfer a liability in an orderly transaction between market participants.

The following methods and assumptions were used to Estimate the Fair Values:

Trade receivables, cash and cash equivalents, other bank balances, short term loans, other current financial assets, current borrowings, trade payables and other current financial liabilities: approximate their carrying amounts largely due to the short-term maturities of these instruments.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTD).

Investments traded in active markets are determined by reference to quotes from the financial institutions; for example: Net asset value (NAV) for investments in mutual funds declared by mutual fund house.

The fair values for loans, security deposits were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation techniques.

The following is the basis for categorising the financial instruments measured at fair value into Level 1 to Level 3 :

Level 1: This level includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: This level includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: This level includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

48. CAPITAL MANAGEMENT

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings less cash and cash equivalents.

Particulars	As at	As at
	31st March, 2024	31st March, 2023
Borrowings (long-term and short-term, including current maturities of long term borrowings) (Note 22 & 26)	51,114.75	49,416.11

Capital and Net Debt	87,408.37	87,328.42
Gearing Ratio	55.38%	55.59%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2024 and March 31, 2023.

50. FINANCIAL RISK MANAGEMENT

The Company's management monitors and manages the financial risks relating to the operations of the Company. These risks include credit risk, liquidity risk and market risk (including currency risk, interest rate risk and other price risk).

Credit Risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets.

Financial instruments that are subject to concentrations of credit risk, principally consist of balance with banks, investments in debt instruments/bonds, trade receivables, loans and advances. None of the financial instruments of the Company result in material concentrations of credit risks.

The age analysis of trade receivables as of the balance sheet date have been considered from the due date and disclosed in below table.

Less than 6 month	10817.08	9,732.05
More than 6 month	3568.03	3,237.87

Liquidity Risk

The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The surplus funds with the Company and operational cash flows will be sufficient to dispose the financial liabilities within the maturity period.

Market Risk

Market risk is the risk of any loss in future earnings, in realisable fair values or in future cash flows that may, result from a change in the price of a financial instrument. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates risk/liquidity risk which impact returns on investments. Market risk exposures are measured using sensitivity analysis.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

Foreign Currency Sensitivity

The following table details the Company's sensitivity to a 5% change in rupee value against the relevant foreign currencies, which is used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end.

INDEPENDENT AUDITOR'S REPORT

**The Members of
Bhartiya International Limited
Report on the Standalone Financial Statements**

Opinion

We have audited the accompanying standalone financial statements of M/s **Bhartiya International Limited** ('the Company'), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including other Comprehensive Income), the Cash Flow Statement and Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit, other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibility for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Auditor's Response
<p>Revenue Recognition:</p> <p>Revenue from the sale of good (hereinafter referred to as "Revenue") is recognized when Company performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such revenue recognition in case of sale of goods is when the control over the same is transferred to the customer.</p> <p>The timing of revenue recognition is relevant to the reported performance of the company. The management considers revenue as a key measure for evaluation of performance. There is a risk of revenue being recorded before control is transferred.</p> <p>Refer Note 3.11 to the Standalone Financial Statements.</p>	<p>Principal audit procedures performed:</p> <ul style="list-style-type: none"> • Assessed the Company's revenue recognition accounting policies in line with the Ind AS 115 ("Revenue from Contracts with Customers") and tested thereof. • Evaluated the integrity of the general information and technology control environment and testing the operating effectiveness of key IT application controls over revenue recognition. • Evaluated the design, implementation and operating effectiveness of Company's control in respect of revenue recognition. • Tested the effectiveness of such controls over revenue cut off at the year-end • On a sample basis, tested supporting documentation for sales transactions recorded during the year which included sales invoices, customer contracts and shipping documents. • Performed an increased level of substantive testing in respect of sales transactions recorded during the period closer to the year end and subsequent to the year end. • Assessed disclosure in financial statements in respect of revenue, as specified in Ind AS 115.

Information Other than the Financial Statement and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, but does not include the standalone financial statements and our auditor’s report there on.

Our opinion on the standalone financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statement our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statement or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those charged with Governance for the Standalone Financial Statements

The Company’s Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, statement of changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (“Ind As”) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibility for the Audit of Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to

draw attention in our auditor's report to the related disclosures in the standalone financial statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statement, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statement may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statement.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in the internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statement of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Standalone Financial Statements dealt with by this report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid Standalone Financial Statements comply with the Ind AS specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on 31st March 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Standalone Financial Statements and the operating effectiveness of such controls, refer to our separate report in "Annexure B" to this report.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/ provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements (Refer Note 40 & to standalone financial statements.)

- ii) The company has made provision as required under the applicable law or Ind AS, for material foreseeable losses, if any, on long term contracts including derivatives contracts.
- iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented that, to the best of its knowledge and belief no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material mis-statement.
- v) No dividend has been declared or paid during the year by the Company.
- vi) Based on our examination, which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated during the year for all relevant transactions recorded in that software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

ANNEXURE - A TO THE INDEPENDENT AUDITORS' REPORT

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31st March 2024, we report that:

- I (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment, capital work-in-progress, investment property and relevant details of right-of-use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The fixed assets are physically verified by the Management according to a phased program designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) Based upon the audit procedure performed and according to the records of the Company, the title deeds of all the immovable properties (other than self-constructed building and properties where the Company is the lessee, and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company except for the following which are not held in the name of the Company:

Description of Property	Gross carrying value	Held in the name of	Whether promoter, director of their relative of employee	Period held	Reason for not being held in name of company
PPE	18,50,000	Pardeep Goyal	Yes	12.08.2000	Due to issue in Registration

- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets or both during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- II (a) The inventory, except goods-in-transit and stocks lying with third parties, has been physically verified by the management during the year. In respect of inventory lying with third parties at the year-end, these have substantially been confirmed by them. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
- (b) The Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets during the year. According to the information and explanations given to us, with regard to inventories, the quarterly returns or statements filed by the Company with such banks are materially in agreement with the books of accounts of the Company except in few cases in which the differences has arose due to subsequent finalization of the books of accounts.
- III According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments in or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnerships or any other parties during the year. The Company has provided guarantees during the year to companies and other parties, details of which are stated below. The Company has not provided guarantees during the year to firms or limited liability partnerships.
- (a) Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has provided guarantee to any other entity as below:

<u>Particulars</u>	<u>Guarantee amounts</u>
Aggregate amount of guarantee provided during the year	
- Subsidiaries	Rs. 62.69 Crore
Balance outstanding as at balance sheet date – 31 March 2024	
- Subsidiaries	Rs. 62.69 Crore

- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion the guarantees provided during the year are, prima facie, not prejudicial to the interest of the Company.
- (c) The Company has not granted any loans or advances in the nature of loan secured or unsecured. Hence, reporting under clause 3(iii)(c), 3(iii)(d), 3(iii)(e) and 3(iii)(f), of the Order is not applicable.
- IV According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- V The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- VI According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the business activities carried out by the company. Accordingly, clause 3(vi) of the Order is not applicable.
- VII In respect of statutory dues:

- (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.

- (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2024 on account of disputes are given below:

Nature of the statute	Nature of dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount in Rs.
Goods and Service Tax Act, 2017	Goods and Service Tax	Appellate Authority upto Commissioner level	F.Y. 2017-18, 2018-19, 2019-20 & 2020-21	81,07,470/-

Income Tax Act, 1961	Income Tax	Commissioner of Income Tax, Appeals	F.Y. 2020-21	36,43,886/-

- VIII There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the IncomeTaxAct, 1961 (43 of 1961).
- IX (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in the repayment of loans or borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.

- (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries or associates, as defined in the Act. The Company does not hold any investment in any joint venture (as defined in the Act) during the year ended 31 March 2024.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries or associates (as defined under the Act).
- X a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally).
- XI a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c) As represented to us by the management, there are no whistle blower complaints received by the company during the year.
- XII The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable
- XIII In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- XIV (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b) We have considered, the internal audit reports for the year under audit, in determining the nature, timing and extent of our audit procedures.
- XV In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- XVI (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clauses 3(xvi)(a) and 3(xvi)(b) of the Order are not applicable.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- (d) According to the information and explanations provided to us during the course of audit, the Group does not have any CICs
- XVII The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- XVIII There has been no resignation of the statutory auditors of the Company during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- XIX According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material

uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

XX In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project. Accordingly, clause 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of "**Bhartiya International Limited**" ("the Company") as of 31st March 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also,

projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

1 CORPORATE INFORMATION

Bhartiya International Limited ('the Company') is a public limited company with domiciled in India and incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on leading stock exchange in India. The Company has its registered office at Chennai and its Corporate Office at Gurugram, Haryana. The Company is in the business of manufacturing and trading of Leather Products & Textile Products.

2 BASIS OF PREPARATION

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules,2015.

The financial statements have been prepared on the historical cost basis except the certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies.

Based on the nature of products/activities and the time between acquisition of assets and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

3 MATERIAL ACCOUNTING POLICIES

3.1 Property, Plant and Equipment

Freehold land is carried at cost. All other items of property, plant and equipment and Capital work in progress (including Pre-operative expenses) are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset. General and specific borrowing costs directly attributable to the construction of a qualifying asset are capitalized as part of the cost.

Depreciation is charged on a pro-rata basis at the straight-line method over estimated economic useful lives of its property, plant and equipment generally in accordance with that provided in the Schedule II.

Assets acquired under finance lease and leasehold improvements are amortized over the shorter of estimated useful life of the asset or the related lease term.

3.2 Investment Properties

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured at its cost, including related transaction costs and applicable borrowing costs less depreciation and impairment if any.

Depreciation is charged on a pro-rata basis at the straight-line method over estimated economic useful lives of building generally in accordance with that provided in the Schedule II of the Companies Act.

3.3 Intangible Assets

Computer Software

Computer software are stated at cost, less accumulated amortisation and impairments, if any.

Amortisation Method and Useful Life

The Company amortizes computer software using the straight-line method over the period of 3 years.

3.4 Lease

Effective from 1st April, 2019, the Company adopted Ind AS 116 – Leases and applied the standard to all lease contracts existing as on 1st April, 2019 using the modified retrospective method on the date of initial application i.e. 1st April, 2019.

At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a Lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS (CONTD.)

(i) Right-of-use Assets (ROU Assets)

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment.

(ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset. Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

(iii) Short-Term Leases and Leases of Low-Value Assets

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as a Lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

3.5 Investment In Subsidiaries And Associates

Investments in subsidiaries and associates are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists permanently, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries and associates, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

3.6 Inventories

Raw materials and consumables have been valued at cost after providing for obsolescence. Cost comprise of cost of purchase and other cost incurred in bringing the inventories to their present location and condition. Cost is determined on FIFO basis. Finished goods are value at cost or net realisable value whichever is lower. Cost of finished goods and work-in-progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS (CONTD.)

3.7 Cash & Cash Equivalents

The Company's cash and cash equivalents consist of cash on hand and in banks and demand deposits with banks, which can be withdrawn at any time, without prior notice or penalty on the principal.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand and are considered part of the Company's cash management system. In the balance sheet, bank overdrafts are presented under other current liabilities.

3.8 Employee Benefits

Defined Contribution Plan

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders the related service.

Defined Benefit Plan

Gratuity is a defined benefit obligation. The Company accounts for the gratuity liability, based upon the actuarial valuation performed in accordance with the Projected Unit Credit method carried out at the year end, by an independent actuary.

Re-measurement, comprising actuarial gains and losses and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss.

3.9 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Financial Assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of a Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset.

Financial Assets are subsequently classified as measured at

- Amortised Cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Debt Instruments

Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

(a) Measured at Amortised Cost:

Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any is recognised in the Statement of Profit and Loss.

(b) Measured at Fair Value through Other Comprehensive Income:

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS (CONTD.)

(c) Measured at Fair Value through Profit or Loss:

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

Equity Instruments:

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Financial Liabilities

Initial Recognition and Measurement

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Subsequent Measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Trade and Other Payable

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are generally unsecured. Trade and other payable are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using effective interest method.

Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

Derivative Instruments

The Company enters into foreign exchange forward contracts to manage its exposure to foreign exchange rate risks. These contracts are initially recognised at fair value and subsequently, at the end of each reporting period, re-measured at their fair values on reporting date. The resulting gain or loss is recognised in profit or loss in the same line as the movement in the hedged exchange rate.

3.10 Provision and Contingent Liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS (CONTD.)

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

3.11 Revenue Recognition

Revenue from contract with customers is recognised when the Company satisfies performance obligation by transferring promised goods and services to the customer. Performance obligations are satisfied at the point of time when the customer obtains controls of the asset.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and taxes. Transaction price is recognised based on the price specified in the contract, net of discount.

Revenue from Services

Revenue from services is recognised in the accounting period in which the services are rendered.

Other Operating Revenue - Export Incentives

"Export Incentives under various schemes are accounted in the year of export.

Interest Income

Interest income is recognized using the effective interest rate (EIR) method

Dividend Income

Dividend income on investments is recognised when the right to receive dividend is established.

3.12 Foreign Currency Translation

The Company's financial statements are presented in Indian currency, which is also the company's functional currency.

Transactions and Balances

Transactions in foreign currencies are initially recorded in functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

3.13 Income Tax

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in other comprehensive income.

Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit before tax as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and liability simultaneously.

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS (CONTD.)

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The Company offsets deferred income tax assets and liabilities, where it has a legally enforceable right to offset current tax assets against current tax liabilities, and they relate to taxes levied by the same taxation authority on either the same taxable entity, or on different taxable entities where there is an intention to settle the current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

3.14 Earning Per Share

Basic earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

3.15 Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they are incurred.

3.16 Government Grants

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Profit and Loss on a straight - line basis over the expected lives of related assets and presented within other income.

3.17 Share Based Payment

Equity-settled share-based payments to employees are measured at the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity-settled employee benefits reserve.

3.18 Critical Estimates and Judgements

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results. Management also need to exercise judgement in applying the Group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The Areas involving Critical Estimates or Judgement are:

- Estimation of Defined benefit obligation
- Estimation of current tax expenses and Payable
- Useful lives of depreciable assets
- Provision and contingent liability
- Carry value of investment in subsidiary and associates

51. FAIR VALUE MEASUREMENT

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset and paid to transfer a liability in an orderly transaction between market participants.

The following Methods and Assumptions were used to Estimate the Fair Values:

Trade receivables, cash and cash equivalents, other bank balances, short term loans, other current financial assets, current borrowings, trade payables and other current financial liabilities, : approximate their carrying amounts largely due to the short-term maturities of these instruments.

Investments traded in active markets are determined by reference to quotes from the financial institutions; for example: Net asset value (NAV) for investments in mutual funds declared by mutual fund house.

The fair values for loans, security deposits were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

The Company uses the following hierarchy for determining and disclosing the fair value of Financial instruments by Valuation Techniques.

The following is the basis for categorising the financial instruments measured at fair value into Level 1 to Level 3 :

Level 1: This level includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: This level includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: This level includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

52. CAPITAL MANAGEMENT

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings less cash and cash equivalents.

Particulars	Rs. in Lakhs	
	As at 31st March, 2024	As at 31st March, 2023
Borrowings (long-term and short-term, including current maturities of long term borrowings) (Note 21 & 26)	48,386.54	45,712.11
Less: Cash and cash equivalents (Note 14)	552.32	435.78

Capital and Net Debt	81,543.98	77,218.99
Gearing Ratio	58.66%	58.63%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31st March, 2024 and 31st March, 2023.

53. FINANCIAL RISK MANAGEMENT

The Company's management monitors and manages the financial risks relating to the operations of the Company. These risks include credit risk, liquidity risk and market risk (including currency risk, interest rate risk and other price risk).

Credit Risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets.

Financial instruments that are subject to concentrations of credit risk, principally consist of balance with banks, investments in debt instruments/bonds, trade receivables, loans and advances. None of the financial instruments of the Company result in material concentrations of credit risks.

The age analysis of trade receivables as of the balance sheet date have been considered from the due date and disclosed in below table.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS (CONTD.)

Liquidity Risk

The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The surplus funds with the Company and operational cash flows will be sufficient to dispose the financial liabilities within the maturity period.

Market Risk

Market risk is the risk of any loss in future earnings, in realisable fair values or in future cash flows that may, result from a change in the price of a financial instrument. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates risk/liquidity risk which impact returns on investments. Market risk exposures are measured using sensitivity analysis.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

Impact on Profit or Loss as at the end of reporting year	(1,545.71)	1,545.71	922.87	(922.87)

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

Disclosure Regarding Derivative Instruments.

The Company uses foreign currency forward contracts to hedge its risks associated with foreign currency fluctuations relating to accounts receivable. The use of foreign currency forward contracts is governed by the Company's strategy approved by the Board of Directors, which provide principles on the use of such forward contracts consistent with the Company's Risk Management Policy. The Company does not use forward contracts for speculative purposes.

The following are outstanding forward contracts.
