Sub.: Issue of Duplicate share certificate/s and Demat of shares

---

Respected sir,

I, the undersigned, Sanjay C Patel have to inform you that I am a shareholder of JUBILANT LIFE SCIENCES LIMITED holding 480 equity shares vide Registered Folio No.13543.

I have just received an Interim Dividend towards my above shareholding. However, upon verification of my records, I have found that the shares are still in physical form and moreover, on verifying my records, I found that share certificate/s in original are not traceable at my end.

Hence, I request you to register the STOP TRANSFER request against my above folio in the company and advise me the complete procedure for the initiation of duplicate share certificate/s and dematerialization of shares after issuing it at the earliest.

I am thankful for your kind attention and timely requested action.
