Investor Release

Compuage joins hands with GOQii

Mumbai (India), 24 December 2019

GOQii, the smart-tech-enabled preventive healthcare platform, recently announced their tie up with Compuage Infocom for their general trade across India during its annual event #ReimagineHealth in Mumbai. GOQii is working on its vision of 'The Internet of Health' by making preventive healthcare accessible under the GOQii ecosystem.

Compuage's strong network and channel partner reach Pan India will enable GOQii to leverage its reach in general trade fraternity and strengthen GOQii's objectives.

Commenting on the announcement, Mr. Bhavesh H Mehta, Whole Time Director & Chief Operating Officer, Compuage Infocom said, *"We are delighted to partner with GOQii for their range of healthcare & fitness devices. GOQii's platform of providing preventive healthcare platform is unique and given the state of 'Sickcare' delivery infrastructure the brand has tremendous scope in India. Their model of retail distribution very well fits into our business model and aligns well with our network. Our nationwide presence, counting no less than 800 cities and 12,000+ channel partners we are certain that we will be able to expand and promote GOQii to the largest possible audience."*

About Compuage Infocom Limited:

Compuage Infocom Ltd. is the distribution giant that creates opportunities for enterprise advancement for its channel partners through aggressive market development and continuous enhancement of its product portfolio.
