The Company has been taking serious measures in view of the *COVID -19* pandemic to ensure safety and health of all our employees as well as site workers. The Company also adheres to comply with various directives issued and being issued by the Government. In this connection it is submitted that the operations at project sites have been discontinued as per the lockdown declared across the country by the Government. The company had moved to the '*work from home*' policy for all office employees. The Company will continue to assess the situation and will consider resuming operations at project sites at an appropriate time. The uncertainty around the situation makes it difficult to ascertain the exact impact at this time.
