We have successfully filed the DRHP with SEBI for fresh issue of equity shares for the purpose of expanding our capacities and reaching to new geographies.

With the increase in dependency on technology for Education, we expect Genext Students Private Limited ("Genext") to perform better in FY23. We are further happy to share that Genext is now backed by Navneet Education group and is on the cusp of new growth story going ahead.

In Q4 FY22, SAT and its subsidiaries invested in 18 start-up companies and venture funds. Till now, we have made an investment in 108 companies covering 27 sectors.
