Sub: Intimation of disruption of operations due to covid-19 pandemic

This is to inform you that with the spread of the second wave of Covid-19 and lockdowns enforced in various states of the country, the operations of our Company are temporarily affected and have been scaled down. Apart from limited essential services of Fuel Retail Outlet and Trading in Pesticides (essential commodities), the Company's other trading operations remained shut from May 1, 2021 due to lockdown, which is adversely impacting its operations during the month of May 2021.

Some of the Company's pending orders are on hold as per requirements of buyers. Recoveries from debtors from the end of March, 2021 are very slow. The uncertainties have increased as the customer orders have started getting impacted.

As the business situation is very dynamic, the Company is closely monitoring it. The Company continues to work closely with its dealers and suppliers to minimize the impact of disruption in operations due to localized lockdown restrictions in various parts of the country. The expected impact on company's business is difficult to assess at present as the situation continues to evolve.

However, all operations are in full compliance of the regulatory norms. The Company is following all relevant government directives and guidelines regarding health and safety of the workforce. The Company will continuously monitor the implementation of government directives and guidelines at working place.

The Company is continuously monitoring the situation and is ready with its business continuity plans to be able to quickly resume and scale up operations as and when the situation improves.

You are requested to kindly take the above information on record.

Thanking You,

Yours Faithfully,

For The Yamuna Syndicate Ltd.
