### Auditor's Responsibility for the Audited of Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the SA will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these consolidated financial results.

As part of an audit in accordance with SA, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the statement, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentation or override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(xi) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosure made by the Board of Directors.
- d) Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exist related to events or conditions that may cast significant doubt on the ability of the Group to continue as going concern. If we concluded that a material uncertainty exist, we are require to draw attention in our auditor's report to the related disclosures in the consolidated financial results or if such disclosure are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group to cease to continue as a going concern basis.
- e) Evaluate the overall presentation, structure and content of the statement, including the disclosures and whether the statement represent the underlying transactions and event in a manner that achieves fair presentation.
