Dear Sir,

Subject: Intimation under Regulation 30 – Update on Wire Rod Mill Modernization

Dear Sir / Madam,

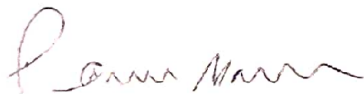

This is further to our earlier intimation dated March 27, 2024 with respect to Wire Rod Mill Modernization. We are pleased to inform that the said equipment(s) have been installed and commercial production from the same has commenced within the envisaged time frame.

The above activities required frequent shut downs which affected the production and sales volumes during the current month.

Kindly take note and oblige.

Thanking you

Yours faithfully,
For Rathi Steel and Power Limited
