21. Instructions for Income Tax compliances with respect to dividend:

The Finance Act, 2020 has abolished dividend distribution tax (DDT). Accordingly, effective from 1st April, 2020, dividend income will be taxable in the hands of shareholders. Therefore, the Company is required to deduct tax at source (TDS) at the rates applicable on the amount distributed to the shareholders, if approved at the Annual General Meeting (AGM). The forms for tax exemption can be downloaded from Company’s website and Link Intime’s website. The url for the same is: <https://linkintime.co.in/formsreg/submission-of-form-15g-15h.html>; which can be submitted by the members on or before 17.08.2023 in order to determine and deduct appropriate TDS / Withholding Tax.

In terms of the MCA and SEBI circular, in case the Company is unable to pay the dividend to any shareholder by electronic mode due to non-availability of the details of their bank account, the Company will despatch the Dividend Warrants/Demand Drafts to such share holders by post.

I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of certification.

The Compliance of the conditions of Corporate Governance is the responsibility of the management. My examination was limited to the procedure and implementation thereof. This certificate is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company. It is neither an audit nor an expression of opinion on the financial statements of the Company.

Based on my examination of the records produced, explanations and information furnished in the manner stated above, I certify that the Company has generally complied with the conditions of the Corporate Governance as stipulated in the above-mentioned LODR. I further report that there has been a marginal delay in transferring the unclaimed dividend amount to be transferred for the FY 2014-15 and, shares required to be transferred under IEPF 4.

Based on the representation received from the Company and certified by the Registrar and Transfer Agent, no investor grievance was pending for a period exceeding one month as on 31st March, 2023 against the Company.

This report is to be read with my report on Secretarial Audit under section 204 of the Companies Act, 2013 and Annual Compliance Report under Regulation 24A of the LODR of even date.

Management Discussion & Analysis

Global Economy

Global growth is slowing sharply in the face of elevated inflation, higher interest rates, reduced investment, and disruptions caused by Russia's invasion of Ukraine, according to the World Bank's latest Global Economic Prospects report.

The global economy is projected to grow by 1.7% in 2023 and 2.7% in 2024. The sharp downturn in growth is expected to be widespread, with forecasts in 2023 revised down for 95% of advanced economies and nearly 70% of emerging market and developing economies. By the end of 2023, GDP levels in emerging and developing economies will be roughly 6% below levels expected before pandemic. Although global inflation is expected to moderate, it will remain above pre-pandemic levels.

Indian Economy

India did well compared to its global peers during the last financial year and has become one of the fastest growing economies in the world. With GDP crossing USD 3 trillion in 2022-23, it has become 5th largest economy of the world. The Indian government has set an ambitious target to become a USD 5 trillion economy by 2025. All the parameters are indicating exponential growth in the next few years. With strong growth in exports for last two consecutive years, higher credit disbursements by banks, balanced inflation, huge skilled manpower and with the Make in India initiative, the CAPEX cycle has just begun in India and is likely to continue. The Indian economy is estimated to grow over 6% for the year ending March 2023 and is likely to continue with 6.5% growth as projected by RBI.

All the above parameters indicate values in the Indian companies to grow better than they did in the past. Broad based markets are performing better and the valuation of the companies are looking attractive in line with their growth potential. However, certain sectors can be impacted by the lower global demand due to ongoing slow down.

Financial Performance

The Company, being an NBFC, is engaged primarily in investments in equity shares for long-term value creation for the stakeholders. The financial performance of the Company is dependent on that of the stock market but steps are being taken to invest in stocks that have long-term sustainable growth potential in the current scenario.

The top holding of the Company, KSB Limited, has posted a very good financial performance during the year under review and has seen substantial appreciation in its stock price.

The Company continues to remain invested in select companies that are continuously performing well. Steps are being taken to make small adjustments in the company's stock portfolio to align it with the current global economic trends under expert advice.

Management Discussion and Analysis Report | Annexure B

Opportunities, Threats, Risks and Concerns

The Indian government has strategic initiatives in place to promote Make in India, Atmanirbhar Bharat and national infrastructure and this is likely to be a great opportunity for Indian companies for higher growth and appreciation in their values. The long-term continuance of the ongoing war between Russia and Ukraine will cause disturbance and impact growth in the long term. However, internal risks continue to be inflation, higher interest rates and demand slow down.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2023
[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
Industrial And Prudential Investment Company Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Industrial And Prudential Investment Company Limited, (hereinafter called “the Company”) having CIN: L65990WB1913PLC218486. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company, and also the information and records provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, and the details downloaded from the MCA Portal, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2023, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereunder.

I have examined the books, papers, minute books, forms and returns filed, and other records maintained by Industrial and Prudential Investment Company Limited, (“the Company”) for the financial year ended on 31st March, 2023 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 (SCRA) and the rules made there under;
- (iii) The Depositories Act, 1996 and the Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018 and other regulations and Bye -laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Investment and External Commercial Borrowings;
- (v) The Investor Education and Protection Fund Authority Rules, 2016;
- (vi) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations 2009;
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

- i. Such other Regulations, Circulars, Notifications and Guidelines issued by SEBI and BSE Ltd. as applicable to the Company
- vii) Regulations, Circulars, Notifications and Guidelines issued by the Reserve Bank of India in relation to the Non-Banking Financial Companies as applicable to the Company.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India.
- (ii) SEBI Listing (Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time. (LODR).

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. as mentioned above.

There has been a delay in transferring unpaid dividend amounts and the underlying shares thereto required to be transferred to the Investor Education and Protection Fund.

I further report that during the period under review,

- the Board of Directors of the Company is duly constituted with proper balance of executive directors, non- executive directors and independent directors. There were no changes in the composition of the Board of Directors during the period under review.
- Adequate notice is given to all directors of schedule of the Board meetings, agenda and detailed notes on agenda were sent in advance in accordance with the applicable Secretarial Standards, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- All the decisions were carried out unanimously; therefore, there was no question of recording dissenting members' views in the minutes.
- there are adequate systems and processes in the Company commensurate with its size and operations to monitor and ensure compliance with the applicable laws, rules, regulations and guidelines.

During the year under review, in accordance with the order of NCLT, Kolkata Bench process of merger of New Holding and Trading Company Limited (WOS) was completed. In terms of the above referred order of NCLT, authorized capital of WOS was transferred to the Company by the Registrar of Companies, West Bengal, Kolkata and to that extent the Memorandum of Association was altered.

Save as stated above there were no events/actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. such as

1. Public/ Right/ Preferential Issue of shares/ debentures/ sweat equity, etc.
2. Redemption/buy-back of securities
3. Major decisions taken by members pursuant to section 180 of the Companies Act, 2013
4. Foreign technical collaborations

This report is to be read with my report on Certificate on Compliance of conditions of Corporate Governance and Annual Compliance Report under Regulation 24A of the LODR of even date.

INDEPENDENT AUDITORS' REPORT

To the Members of Industrial and Prudential Investment Company Limited **Report on the audit of the standalone Ind AS financial statements**

1. Opinion

We have audited the accompanying standalone Ind AS financial statements of **Industrial and Prudential Investment Company Limited** ("the Company"), which comprise the standalone Balance Sheet as at 31 March 2023, the standalone statement of profit and loss (including the statement of other comprehensive income, the standalone statement of cash flows and the standalone statement of changes in equity for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

2. Basis for Opinion

We conducted our audit of the Standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's responsibilities for the audit of the standalone Ind AS financial statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS financial statements.

3. Emphasis of Matter

We draw attention to note 40 of standalone Ind AS financial statements regarding the approval of Scheme of Amalgamation between the Company and its wholly owned subsidiary company, New Holding and Trading Company Limited, by the National Company Law Tribunal ("NCLT"), vide NCLT's order dated 22 August 2022, with appointed date of 1 April 2021. A certified copy of the order sanctioning the scheme has been filed by the Company with the Registrar of Companies, West Bengal, on 27 September 2022. Accordingly, the audited standalone Ind AS financial statements for the year ended 31 March 2022 have been restated by the Company after recognising the effect of merger from the appointed date as stated in the aforesaid note.

Our opinion is not modified in respect of this matter.

4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context

of our audit of the standalone financial statements as a whole and, in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on the audit procedures performed including assessment of risk of material misstatement we have not come across any material Key Audit Matters that are required to be communicated in accordance with the standard.

5. Information other than the standalone financial statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report including annexures to the Board report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

6. Responsibilities of management and those charged with governance for the standalone Ind AS financial statements

The accompanying standalone Ind AS financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) and accounting principles generally accepted in India specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

7. Auditor's responsibilities for the audit of the standalone Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue

an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone Ind AS financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS financial statements, including the disclosures, and whether the Standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the "Annexure-A", a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c. The standalone Balance Sheet, the standalone statement of profit and loss (including the statement of other comprehensive income), the statement of cash flows and statement of changes in equity dealt with by this report are in agreement with the books of account.
 - d. In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e. On the basis of the written representation received from the directors as on 31 March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to Standalone Ind AS financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal control with reference to standalone financial statements of the Company.
3. With respect to the other matters to be included in the Auditor's report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - a) the Company does not have any pending litigations which would impact its financial position in its financial statements.
 - b) the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c) the unclaimed dividend for the year 2014-15 amounting to ₹ 974,765 which was not transferred to the Investor Education and Protection Fund (IEPF) by the Company within its due date of i.e., 05 November 2022, has been transferred to IEPF on 20 December 2022.

- d) (i) The Company's management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("intermediaries"), with the understanding whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (ii) The Company's management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the Ind AS financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties") with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (iii) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement.
- e) the dividend declared or paid during the year by the company is in compliance with section 123 of the Companies Act, 2013.
- f) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from 1 April 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended 31 March 2023.
4. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act: In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 read with schedule V of the Act.

Annexure -A to the Independent Auditors' Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of **Industrial and Prudential Investment Company Limited** of even date)

In terms of information and explanation sought by us and given by the company and the books of accounts and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
(b) The property, plant and equipment have been physically verified by the management at regular intervals during the year and no material discrepancies were noticed on such verification. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its property, plant and equipment.
(c) The Company does not own any immovable properties. Hence reporting under clause 3(i)(c) is not applicable.
(d) The Company has not revalued any of its Property, Plant, and Equipment during the year.
(e) We have not come across any proceedings that have been initiated under section 24(1) of the Prohibition of Benami Property Transactions Act, 1988 by the Initiating Officer (IO) and/or any proceedings being pending against the Company before the Initiating Officer/Adjudicating Authority/Apellate Tribunal/High Court/Supreme Court during any of the preceding financial years.
- ii. (a) The Company is in the business of investing and financing activity and consequently, does not hold any inventory. Therefore, the provisions of clause 3(ii) of the said Order are not applicable to the Company.
(b) The Company has not been sanctioned working capital limits in excess of ₹ 5 Crore, in aggregate, at any point of time during the year, from banks or financial institutions on the basis of security of current assets and hence, reporting under clause 3(ii)(b) of the order is not applicable to the Company.
- iii. (a) Since the Company is engaged in non-banking financial activity, the provisions of clause 3(iii)(a) of the Order are not applicable to it.
(b) In our opinion and according to the information and explanations given to us, the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees, provided during the year are, prima facie, not prejudicial to the Company's interest.
(c) In respect of loans and advances in the nature of loans, the schedule of repayment of principal and payment of interest has been stipulated and the repayments or receipts are regular during the year.
(d) No amount is overdue for more than ninety days, in respect of loans and advances in the nature of loans.
(e) Since the Company's principal business is to give loans, the provision of clause 3(iii)(e) of the Order is not applicable to it.
(f) Based on our audit procedures, according to the information and explanation made available to us, the company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms of period of repayment during the year.
- iv. The Company has not granted any loans or provide any guarantees or securities to parties covered under Section 185 of the Companies Act, 2013. Further, provisions of Section 186 of the Companies Act, 2013 in respect of loans, investments, guarantees and security have been complied by the Company.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of the directives issued by the Reserve Bank of India ("RBI"), provisions of Sections 73 to 76 of the Act, any other relevant provisions of the Act and the relevant rules framed thereunder. Accordingly, clause 3(v) is not applicable to the Company. According to the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or the RBI or any court or any other tribunal against the Company in this regard.

- vi. The Central Government has not specified the maintenance of cost records under Section 148(1) of the Companies Act, 2013, for the Company. Accordingly, provision of clause 3(vi) of the order are not applicable to the company.
- vii. (a) Amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including sales-tax, income-tax, service tax, duty of custom, duty of excise, value added tax, goods and service tax, cess and other material statutory dues have been generally regularly deposited during the year by the Company with the appropriate authorities except for the delay in transferring the amount of unclaimed dividend to Investor Education Protection Fund (IEPF) as stated above in para 3 (c) of our report.
(b) According to the records of the Company, there are no dues outstanding of income tax, sales tax, service tax, duty of custom, duty of excise, value added tax, goods and service tax and cess which have not been deposited with the appropriate authorities on account of any dispute.
- viii. The Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income-tax Act, 1961 as income during the year.
- ix. (a) The Company did not have any loans or borrowings from any lender during the year. Accordingly, clause 3(ix)(a) of the Order is not applicable.
(b) The Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
(c) The Company has not obtained any term loans. Accordingly, clause 3(ix)(c) of the Order is not applicable.
(d) On an overall examination of the balance sheet of the Company, we report that no funds have been raised on short-term basis by the Company. Accordingly, clause 3(ix)(d) of the Order is not applicable.
(e) On an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries or associates as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.
(f) We report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable.
- x. (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
(b) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- xi. (a) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the company or no fraud on the company has been noticed or reported during the year.
(b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
(c) As represented to us by the management, there are no whistle blower complaints received by the company during the year.
- xii. The Company is not a Nidhi Company and hence the Nidhi Rules, 2014 are not applicable to it. Accordingly, the provisions of clause 3(xii) of the Order are not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the standalone financial statements as required under Ind AS 24, Related Party Disclosures specified under

Independent Auditors' Report | Annexure I

- Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
- xiv. (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the company issued till date, for the period under audit.
- xv. According to the information and explanations given to us and on the basis of review on an overall basis, the Company during the year has not entered into non-cash transactions, in terms of section 192 of the Act, with directors or persons connected with them. Accordingly, the provisions of clause (xv) are not applicable to the company.
- xvi. (a) The Company is registered under section 45-IA of the Reserve Bank of India Act 1934 and the certificate has been obtained.
- (b) The Company has carried on Non-Banking Financial activities (NBFC) with a valid registration from RBI.
- (c) In our opinion, and according to the information and explanations given to us, the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- (d) In our opinion, and according to the information and explanations given to us, the group has no CIC as part of the group. Accordingly, clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred any cash loss during the current financial year and the immediately preceding financial year.
- xviii. There has been no resignation of statutory auditors during the year and accordingly reporting under clause 3(xviii) of the Order is not applicable to the Company.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xx. (a) The Company is not required to transfer any unspent amount pertaining to the year under report to a fund specified in schedule VII to the Companies Act, 2013 in compliance with second proviso to sub section 5 of section 135 of the said Act.
- (b) There is no amount which is remaining unspent under sub section 5 of section 135 of the Act pursuant to any ongoing CSR project.
- xxi. Reporting under clause xxi of the Order is not applicable at the standalone level.

Annexure - B to the Independent Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the member of **Industrial and Prudential Investment Company Limited** of even date)

We have audited the internal financial controls over financial reporting of Industrial and Prudential Investment Company Limited. ("the Company") as on 31 March 2023 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Responsibility of management and those charged with governance for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility for the audit of the internal financial controls with reference to financial statements

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertains to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company.
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Significant Accounting Policies

1 Corporate Information

The Industrial and Prudential Investment Company Limited (“the Company”) is a Non-Banking Finance Company (NBFC) having the registered office at Paharpur House 8/1/B, Diamond Harbour Road, Kolkata - 700027, engaged in Non-Banking Financial activities including the business of investments and lending. This has been registered with the Reserve Bank of India (RBI) as a Non-Banking Finance Company (NBFC) and is therefore governed by directions and laws issued for NBFC by RBI.

During the current year, the wholly owned subsidiary of the Company, New Holding and Trading Co. Ltd., incorporated in India, has merged with the Company pursuant to the Scheme of Amalgamation (“the Scheme”) approved by the National Company Law Tribunal (“NCLT”) vide its order dated 22 August 2022 with effect from the Appointed Date of 1 April 2021 (refer note 40).

2 Statement of Compliance with Ind AS and Recent Pronouncements

2.1 Statement of Compliance with Ind AS

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (“Ind AS”) prescribed under section 133 of the Companies Act, 2013 (“Act”) read with the Companies (Indian Accounting Standard) Rules, 2015 as amended from time to time.

All Ind AS issued and notified till the standalone financial statements are approved for issue by the Board of Directors have been considered in preparing these standalone financial statements.

Accounting policies have been consistently applied except where a newly issued Ind AS is initially adopted or a revision to an existing Ind AS requires a change in the accounting policy hitherto in use.

2.2 Application of new and revised standards

(i) Ind AS 1 – Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

(ii) Ind AS 12 – Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company does not expect this amendment to have any significant impact in its financial statements.

(iii) Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are “monetary amounts in financial statements that are subject to measurement uncertainty”. Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.

Notes forming Part of the standalone Financial Statements

3 Significant Accounting Policies

3.1 Basis of Preparation

The standalone financial statements have been prepared under the historical cost convention on accrual basis excepting certain financial instruments which are measured in terms of relevant Ind AS at fair value/ amortized costs at the end of each reporting period.

Historical cost convention is generally based on the fair value of the consideration given in exchange for goods and services.

The standalone financial statements are presented in Indian Rupees and all values are rounded off to the nearest thousands.

Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within level 1 that are observable either directly or indirectly for the asset or liability.

Level 3: Inputs for the asset or liability which are not based on observable market data (unobservable inputs).

The company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements who regularly review significant unobservable inputs, valuation adjustments and fair value hierarchy under which the valuation should be classified.

3.2 Property Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition, construction and subsequent improvements thereto less accumulated depreciation and impairment losses, if any. For this purpose cost include deemed cost on the date of transition and comprises purchase price of assets or its construction cost including duties and taxes, inward freight and other expenses incidental to acquisition or installation and adjustment for exchange differences wherever applicable and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended for its use.

Parts of an item of Property, Plant Equipment having different useful lives and material value and subsequent expenditure on Property, Plant and Equipment arising on account of capital improvement or other factors are accounted for as separate components.

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognised in the income statement when incurred.

Depreciation

Depreciation on Property, Plant and Equipment is provided as per Schedule II of the Companies Act, 2013 on straight line method.

Depreciation on Property, Plant and Equipment commences when the assets are ready for their intended use.

Depreciation methods, useful lives, residual values are reviewed and adjusted as appropriate, at each reporting date.

3.3 Intangible Assets

Intangible assets are stated at cost comprising of purchase price inclusive of duties and taxes less accumulated amount of amortization and impairment losses. Such assets, are amortised over the useful life using straight line method and assessed for impairment whenever there is an indication of the same.

Amortisation methods and useful lives are reviewed, and adjusted as appropriate, at each reporting date.

3.4 Derecognition of Tangible and Intangible Assets

An item of Tangible and Intangible Assets is de-recognised upon disposal or when no future economic benefits are expected to arise from its use or disposal. Gain or loss arising on the disposal or retirement of an item of Tangible and Intangible Assets is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

3.5 Impairment of Tangible and Intangible Assets

Tangible and Intangible assets are reviewed at each balance sheet date for impairment. In case events and circumstances indicate any impairment, recoverable amount of assets is determined. An impairment loss is recognized in the statement of profit and loss, whenever the carrying amount of assets either belonging to Cash Generating Unit (CGU) or otherwise exceeds recoverable amount. The recoverable amount is the higher of asset's fair value less cost of disposal and its value in use. In assessing value in use, the estimated future cash flows from the use of the assets are discounted to their present value at appropriate rate.

Impairment losses recognized earlier may no longer exist or may have come down. Based on such assessment at each reporting period the impairment loss is reversed and recognized in the Statement of Profit and Loss. In such cases the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years.

3.6 Financial Assets and Financial Liabilities

Financial Assets and Financial Liabilities (financial instruments) are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial Liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

The classification of financial instruments whether to be measured at Amortized Cost, at Fair Value through Profit and Loss (FVTPL) or at Fair Value through Other Comprehensive Income (FVTOCI) depends on the objective, business model and contractual terms to which they relates. Classification of financial instruments are determined on initial recognition.

(i) Cash and cash equivalents

All highly liquid financial instruments, which are readily convertible into determinable amounts

Notes forming Part of the standalone Financial Statements

of cash and which are subject to an insignificant risk of change in value and are having original maturities of three months or less from the date of purchase, are considered as cash equivalents. Cash and cash equivalents includes balances with banks which are unrestricted for withdrawal and usage.

(ii) Investment in Subsidiary and Associate

The Company has chosen to carry investments in Subsidiary and Associate at cost less impairment, if any in the separate financial statements.

(iii) Financial Assets and Financial Liabilities measured at amortised cost

Financial Assets held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost.

The above Financial Assets and Financial Liabilities subsequent to initial recognition are measured at amortized cost using Effective Interest Rate (EIR) method.

The effective interest rate is the rate that discounts estimated future cash payments or receipts (including all fees and points paid or received, transaction costs and other premiums or discounts) through the expected life of the Financial Asset or Financial Liability to the gross carrying amount of the financial asset or to the amortised cost of financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

(iv) Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognised directly in other comprehensive income.

- (v) For the purpose of paragraph (iii) and (iv) above, principal is the fair value of the financial asset at initial recognition and interest consists of consideration for the time value of money and associated credit risk.

(vi) Financial Assets or Liabilities at Fair value through profit or loss (FVTPL)

Financial Instruments which does not meet the criteria of amortised cost or fair value through other comprehensive income are classified as Fair Value through Profit or loss. These are recognised at fair value and changes therein are recognized in the statement of profit and loss.

(vii) Impairment of Financial Assets

A financial asset is assessed for impairment at each balance sheet date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

The company measures the loss allowance for a financial asset at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

However, for trade receivables or contract assets that result in relation to revenue from contracts with customers, the company measures the loss allowance at an amount equal to lifetime expected credit losses.

(viii) Derecognition of Financial Instruments

The Company derecognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable are recognized in statement of profit and loss.

On derecognition of assets measured at FVTOCI (except equity instruments designated at FVTOCI), the cumulative gains or losses previously recognised in OCI are reclassified from OCI to profit or loss. However, in respect of equity instruments designated at FVTOCI, the gains or losses are never recycled to profit or loss and are transferred within equity.

Financial liabilities are derecognized if the Company's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in Statement of Profit and Loss.

3.7 Equity Share Capital

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Par value of the equity shares is recorded as share capital and the amount received in excess of par value is classified as Securities Premium.

Costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

3.8 Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a legal or constructive obligation as a result of past events and it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are not recognised for future operating losses. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Contingent liabilities are not recognized and are disclosed by way of notes to the standalone financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the same or a reliable estimate of the amount in this respect cannot be made.

Contingent assets are not recognised but disclosed in the standalone financial statements by way of notes to accounts when an inflow of economic benefits is probable.

Notes forming Part of the standalone Financial Statements

3.9 Employee Benefits

Employee benefits are accrued in the year in which services are rendered by the employees. Short term employee benefits are recognized as an expense in the statement of profit and loss for the year in which the related service is rendered.

3.10 Revenue

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Dividend income (including from FVOCI investments) is recognised when the Company's right to receive the payment is established.

Under Ind AS 109 interest income is recorded using the Effective Interest Rate (EIR) method for all financial instruments measured at amortised cost, debt instrument measured at FVOCI and debt instruments designated at FVTPL. The EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument or, when appropriate, a shorter period, to the net carrying amount of the financial asset.

The EIR (and therefore, the amortised cost of the asset) is calculated by taking into account any discount or premium on acquisition, fees and costs that are an integral part of the EIR.

3.11 Taxes on Income

Income tax expense representing the sum of current tax expenses and the net charge of the deferred taxes is recognized in the Statement of Profit or Loss except to the extent that it relates to items recognized directly in equity or other comprehensive income.

Current tax is provided on the taxable income and recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

3.12 Earnings Per Share

Basic earnings per share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit attributable to the equity holders of

the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

4 Critical accounting judgments, assumptions and key sources of estimation and uncertainty

The preparation of the standalone financial statements in conformity with the measurement principle of Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the standalone financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognized in the year in which the results are known / materialized and, if material, their effects are disclosed in the notes to the standalone financial statements.

Application of accounting policies that require significant areas of estimation, uncertainty and critical judgments and the use of assumptions in the standalone financial statements have been disclosed below. The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year are discussed below:

4.1 Current Tax and Deferred Tax

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

4.2 Provisions and Contingencies

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations/ against the Company as it is not possible to predict the outcome of pending matters with accuracy. The carrying amounts of provisions and liabilities and estimation for contingencies are reviewed regularly and revised to take account of changing facts and circumstances.

17.1 Nature and purpose of reserves :

Special Reserve (in terms of Section 45-IC of Reserve Bank of India Act, 1934)

Special Reserve represents the reserve created pursuant to the Reserve Bank of India Act, 1934 (the "RBI Act") and related regulations applicable to those companies. Under the RBI Act, a Non Banking Financial Company is required to transfer an amount not less than 20% of its net profit to a reserve fund before declaring any dividend. Appropriation from this reserve fund is permitted only for the purposes specified by the RBI.

Capital Reserve

Capital Reserve is a reserve which is not free for distribution. The balance in this reserve has been created long ago.

Capital Redemption Reserve

Capital redemption reserve has been created consequent to buy back of equity shares. This reserve shall be utilised in accordance with the provisions of the Act.

General Reserve

The General Reserve is created from time to time by appropriating profits from Retained Earnings. The general reserve is created by a transfer from one component of equity to another. Accordingly, it is not reclassified to the statement of profit and loss.

Retained Earnings

Retained earnings represents the undistributed profits/ amount of accumulated earnings of the Company.

Other Comprehensive Income

This reserve represents the cumulative gains and losses arising on the revaluation of equity instruments measured at fair value through other comprehensive income. The Company transfers amounts from this reserve to retained earnings when the relevant equity instruments are de-recognised as per the policy.

Fair Valuation Techniques

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

The fair value of cash and cash equivalents, trade payables, financial liabilities and assets approximate their carrying amount largely due to the short-term nature of these instruments. The management considers that the

carrying amounts of financial assets and financial liabilities recognised at nominal cost/amortised cost in the financial statements approximate their fair values.

Investments traded in active market are determined by reference to the quotes from the Stock exchanges as at the reporting date. Investments in mutual funds have been valued based on their respective net asset value as on the reporting date.

Fair value hierarchy

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as at balance sheet date:

(Rs in thousand)

Particulars	As at 31 March 2023 (31 March 2022)	Fair value measurements at reporting date using		
		Level 1	Level 2	Level 3
Financial Assets				
Investment in equity instruments other than subsidiaries, associates and joint venture	343,80,29 (354,68,78)	343,34,79 (354,68,78)	45,50 -	- -
Investment in mutual fund	19,66,69 (42,29,99)	19,66,69 (42,29,99)		
Investment in debentures	2,16 (2,76)	2,16 (2,76)		

Measurement of fair values

Level I: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level II: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level III: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

- (i) The management assessed that fair value of cash and cash equivalents, trade receivables, trade payables, and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- (ii) Financial assets and liabilities are stated at carrying value which approximates their fair value.
- (iii) The fair values of the equity investment which are quoted, are derived from quoted market prices in active markets.
- (iv) The fair value of the financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period
- (v) During the year ended 31st March 2023 there were no transfers between Level 1, Level 2 and Level 3.

Financial Risk Management

The Company's activities are exposed to variety of financial risks. The key financial risks includes market risk,

Notes forming Part of the standalone Financial Statements

credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors reviews and approves policies for managing these risks. The risks are governed by appropriate policies and procedures and accordingly financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

Market Risk

Market risk is the risk or uncertainty arising from possible market fluctuations resulting in variation in the fair value of future cash flows of a financial instrument. The major components of Market risks are currency risk, interest rate risk and other price risk. Financial instruments affected by market risk includes investments and trade and other payables.

Interest rate risk

The company doesn't have exposure in market risk relating to change in interest rate as it doesn't have any borrowed funds whether in fixed rate or floating rate.

Price risk

(a) Exposure

The Company is exposed to price risk arising from investments in Equity Shares held by the company and is classified in the balance sheet as fair value through Other Comprehensive Income. The Company is also exposed to price risk arising from investments in Mutual Funds, Preference Shares and Debentures held by the company and is classified in the balance sheet as fair value through profit or loss. To manage its price risk arising from investments, the Company diversifies its portfolio.

(b) Sensitivity analysis- Equity price risk

The table below summaries the impact of increases/decreases of the index on the Company's equity and profit for the year. The analysis is based on the assumption that the equity/index had increased by 2% or decreased by 2% with all other variables held constant, and that all the Company's investments in equity instruments moved in line with the index.

Particulars	Impact on profit after tax		Impact on other components of equity	
	As at 31 st March 2023	As at 31 st March 2022	As at 31 st March 2023	As at 31 st March 2022
NSE/BSE Index- increase by 2%	-	-	6,86,70	7,09,38
NSE/BSE Index- decrease by 2%	-	-	(6,86,70)	(7,09,38)

Profit for the period would increase/decrease as a result of gains/losses on exchange traded funds equity securities classified as fair value through profit or loss, if any. Other components of equity would increase/decrease as a result of gain/losses on equity securities classified as fair value through other comprehensive income.

Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

Financial assets that are neither past due nor impaired

Cash and cash equivalents, investment and deposits with banks are neither past due nor impaired. Cash and cash equivalents with banks are held with reputed and credit worthy banking institutions.

Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's objective is to maintain optimum level of liquidity to meet it's cash and collateral requirements at all times. The company relies on internal accruals to meet its fund requirement.

INDEPENDENT AUDITORS' REPORT

To the Members of Industrial and Prudential Investment Company Limited **Report on the audit of the Consolidated Ind AS Financial Statements**

1. Opinion

We have audited the accompanying consolidated Ind AS financial statements of **Industrial and Prudential Investment Company Limited** ("the Company") and its associate, which comprises the consolidated Balance Sheet as at March 31, 2023, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditor on separate financial statements of such associate, the aforesaid consolidated financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Ind AS and accounting principles generally accepted in India, of the consolidated state of affairs of the Company and its associate as at March 31, 2023, its consolidated profit (including other comprehensive income), the consolidated statement of changes in equity and its consolidated cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements' section of our report. We are independent of the Company and its associate in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current year. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on the audit procedure performed including assessment of risk of material misstatement we have not come across any material Key Audit Matters that are required to be communicated in accordance with the standard.

4. Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including annexures to the Board's Report, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Independent Auditors' Report Consolidated | Annexure J

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and based on the work done/audit report of other auditor, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

5. Responsibility of Management and those charged with governance for the Consolidated Ind AS Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated statement of cash flows and consolidated statement of changes in equity of the Company including its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

The respective Board of Directors of the Company and its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and its associate and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the Company and of its associate is responsible for assessing the ability of the Company and its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company and its associate or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Company and its associate are also responsible for overseeing the financial reporting process of the Company and its associate.

6. Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013 we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the consolidated Ind AS financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Company and its associate to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated Ind AS financial statements of which we are the independent auditors. For the other entities included in the consolidated Ind AS financial statements, which have been audited by other auditor for its associate company, such other auditor remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated Ind AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

Independent Auditors' Report Consolidated | Annexure J

We communicate with those charged with governance regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Other Matter

The consolidated financial statements include the share of net profit after tax of Rs. 39,38,07 thousands, other comprehensive income/(loss) of Rs. (14,984) thousands, total comprehensive income of Rs 37,88,23 thousands for the year ended 31 December 2022, as considered in the consolidated financial statements, in respect of its associate, whose financial statements/financial information have not been audited by us. The financial statements/financial information have been audited by other auditor whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amount and disclosures included in respect of this associate, and our report in terms of section 143(3) of the Act, in so far as it relates to the aforesaid associate, is based solely on the report of the other auditor.

Our opinion on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditor.

8. Report on Other Legal and Regulatory Requirements

1. As per the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub section (11) of Section 143 of the Act, we give in the "Annexure A" as statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, based on our audit and on the consideration of the report of the other auditor on the separate financial statements of such associate, as were audited by the other auditor as referred in the 'Other Matters' paragraph, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the report of the other auditor.

Annexure - A to the Independent Auditor's Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of Independent Auditors' Report on the consolidated financial statements to the Members of **Industrial and Prudential Investment Company Limited** of even date).

With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report)

Order, 2020 ('CARO') issued by Central Government in terms of Section 143(11) of the Act, to be included in Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and based on our consideration of CARO reports issued by respective auditor of the associate included in consolidated financial statements, we report that there are no qualifications or adverse remarks in these CARO reports.

Annexure – B to the Independent Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our Independent Auditors' Report on the consolidated financial statements to the Members of **Industrial and Prudential Investment Company Limited** of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") (Referred to in our report of even date)

In conjunction with our audit of the consolidated financial statements of Industrial and Prudential Investment Company Limited (hereinafter referred to as "the Company") as of and for the year ended March 31 2023, we have audited the internal financial controls over financial reporting of the Company and its associate, which are companies incorporated in India, as of that date.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor referred to in the other matters paragraph below, the Company and its associate, which are companies incorporated in India, have, in all material respects, an adequate internal financial control system with reference to the consolidated financial statements and such internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2023, based on the criteria for internal control over financial reporting with reference to consolidated financial statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on 'Audit of Internal Financial Controls Over Financial Reporting' issued by the Institute of Chartered Accountants of India (the 'Guidance Note').

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Company and its associate, which are companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company and its associate incorporated in India considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ('the Act').

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its associate, which are the companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section

143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statement, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, and the audit evidence obtained by the other auditor in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its associate which are the companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. The Company's internal financial control with reference to consolidated financial statements includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company.
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to

Independent Auditors' Report Consolidated | Annexure J

the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements in so far as it relates to associate company, incorporated in India, is based on the corresponding audit reports of the other auditor of such associate incorporated in India.

Our opinion is not qualified in respect of this matter.

Significant Accounting Policies

1 Corporate Information

The Industrial and Prudential Investment Company Limited is a Non-Banking Finance Company (NBFC) having the registered office at Paharpur House 8/1/B, Diamond Harbour Road, Kolkata - 700027, engaged in Non-Banking Financial activities including the business of investments and lending. This has been registered with the Reserve Bank of India (RBI) as a Non-Banking Finance Company (NBFC) and is therefore governed by directions and laws issued for NBFC by RBI.

2 Statement of Compliance with Ind AS and Recent Pronouncements

2.1 Statement of Compliance with Ind AS

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Companies Act, 2013 ("Act") read with the Companies (Indian Accounting Standard) Rules, 2015 as amended from time to time.

All Ind AS issued and notified till the consolidated financial statements are approved for issue by the Board of Directors have been considered in preparing these consolidated financial statements.

Accounting policies have been consistently applied except where a newly issued Ind AS is initially adopted or a revision to an existing Ind AS requires a change in the accounting policy hitherto in use.

2.2 Application of new and revised standards

(i) Ind AS 1 – Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Group does not expect this amendment to have any significant impact in its consolidated financial statements.

(ii) Ind AS 12 – Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Group does not expect this amendment to have any significant impact in its consolidated financial statements.

(iii) Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Group does not expect this amendment to have any significant impact in its consolidated financial statements.

Notes forming Part of the Consolidated Financial Statements

3 Significant Accounting Policies

3.1 Basis of Preparation

The consolidated financial statements have been prepared under the historical cost convention on accrual basis excepting certain financial instruments which are measured in terms of relevant Ind AS at fair value/ amortized costs at the end of each reporting period.

Historical cost convention is generally based on the fair value of the consideration given in exchange for goods and services.

The consolidated financial statements are presented in Indian Rupees and all values are rounded off to the nearest thousands.

Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within level 1 that are observable either directly or indirectly for the asset or liability.

Level 3: Inputs for the asset or liability which are not based on observable market data (unobservable inputs).

The Company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements who regularly review significant unobservable inputs, valuation adjustments and fair value hierarchy under which the valuation should be classified.

Principles of Consolidation

The Consolidated financial statements have been prepared in accordance with principles laid down in Ind AS 28 on “Accounting for Investments in Associates and Joint Ventures”. Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Company uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Company member’s financial statements in preparing the consolidated financial statements to ensure conformity with the Company’s accounting policies. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Company, i.e., year ended on 31st March except for the financial statements of the Associate used in the consolidation are drawn upto the reporting date of December 31, 2022.

Associate Company

Associate is an entity over which the Company has significant influence, but not control or joint control. Investments in Associate is accounted for using the equity method and are initially recognised at cost from the date significant influence commences, and thereafter to recognise the Company’s share of post acquisition profits or losses of the investee in the Consolidated Statement of Profit and Loss, and the

Company's share of Other Comprehensive Income of the investee in Other Comprehensive Income. Dividend received or receivable from associate are recognised as a reduction in the carrying amount of the investment.

If the Company's share of the net fair value of the investee's identifiable assets and liabilities exceeds the cost of the investment, any excess is recognised directly in Equity as capital reserve in the period in which the investment is acquired. Goodwill, if any, relating to the associate is included in the carrying amount of the investment and is not tested for impairment individually.

When the Company's share of losses exceeds the carrying value of the associate, the carrying value is reduced to nil and recognition of further losses is discontinued, except to the extent that the Company has incurred obligations in respect of the associate.

Information on Associate Company

The following Associate company has been considered in the Consolidated Financial Statements:

1. KSB Limited - Associate Company

3.2 Property Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition, construction and subsequent improvements thereto less accumulated depreciation and impairment losses, if any. For this purpose cost include deemed cost on the date of transition and comprises purchase price of assets or its construction cost including duties and taxes, inward freight and other expenses incidental to acquisition or installation and adjustment for exchange differences wherever applicable and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended for its use.

Parts of an item of Property, Plant Equipment having different useful lives and material value and subsequent expenditure on Property, Plant and Equipment arising on account of capital improvement or other factors are accounted for as separate components.

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognised in the income statement when incurred.

Depreciation

Depreciation on Property, Plant and Equipment is provided as per Schedule II of the Companies Act, 2013 on straight line method.

Depreciation on Property, Plant and Equipment commences when the assets are ready for their intended use.

Depreciation methods, useful lives, residual values are reviewed and adjusted as appropriate, at each reporting date.

3.3 Intangible Assets

Intangible assets are stated at cost comprising of purchase price inclusive of duties and taxes less accumulated amount of amortization and impairment losses. Such assets, are amortised over the useful life using straight line method and assessed for impairment whenever there is an indication of the same.

Amortisation methods and useful lives are reviewed, and adjusted as appropriate, at each reporting date.

Notes forming Part of the Consolidated Financial Statements

3.4 Derecognition of Tangible and Intangible Assets

An item of Tangible and Intangible Assets is de-recognised upon disposal or when no future economic benefits are expected to arise from its use or disposal. Gain or loss arising on the disposal or retirement of an item of Tangible and Intangible Assets is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

3.5 Impairment of Tangible and Intangible Assets

Tangible and Intangible assets are reviewed at each balance sheet date for impairment. In case events and circumstances indicate any impairment, recoverable amount of assets is determined. An impairment loss is recognized in the statement of profit and loss, whenever the carrying amount of assets either belonging to Cash Generating Unit (CGU) or otherwise exceeds recoverable amount. The recoverable amount is the higher of asset's fair value less cost of disposal and its value in use. In assessing value in use, the estimated future cash flows from the use of the assets are discounted to their present value at appropriate rate.

Impairment losses recognized earlier may no longer exist or may have come down. Based on such assessment at each reporting period the impairment loss is reversed and recognized in the Statement of Profit and Loss. In such cases the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years.

3.6 Financial Assets and Financial Liabilities

Financial Assets and Financial Liabilities (financial instruments) are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial Liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

The classification of financial instruments whether to be measured at Amortized Cost, at Fair Value through Profit and Loss (FVTPL) or at Fair Value through Other Comprehensive Income (FVTOCI) depends on the objective, business model and contractual terms to which they relates. Classification of financial instruments are determined on initial recognition.

(i) Cash and cash equivalents

All highly liquid financial instruments, which are readily convertible into determinable amounts of cash and which are subject to an insignificant risk of change in value and are having original maturities of three months or less from the date of purchase, are considered as cash equivalents. Cash and cash equivalents includes balances with banks which are unrestricted for withdrawal and usage.

(ii) Financial Assets and Financial Liabilities measured at amortised cost

Financial Assets held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost.

The above Financial Assets and Financial Liabilities subsequent to initial recognition are measured at amortized cost using Effective Interest Rate (EIR) method.

The effective interest rate is the rate that discounts estimated future cash payments or receipts (including all fees and points paid or received, transaction costs and other premiums or discounts) through the expected life of the Financial Asset or Financial Liability to the gross carrying amount of the financial asset or to the amortised cost of financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

(iii) Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognised directly in other comprehensive income.

For the purpose of paragraph (iii) and (iv) above, principal is the fair value of the financial asset at initial recognition and interest consists of consideration for the time value of money and associated credit risk.

(iv) Financial Assets or Liabilities at Fair value through profit or loss (FVTPL)

Financial Instruments which does not meet the criteria of amortised cost or fair value through other comprehensive income are classified as Fair Value through Profit or loss. These are recognised at fair value and changes therein are recognized in the statement of profit and loss.

(v) Impairment of Financial Assets

A financial asset is assessed for impairment at each balance sheet date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

The Company measures the loss allowance for a financial asset at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

However, for trade receivables or contract assets that result in relation to revenue from contracts with customers, the Company measures the loss allowance at an amount equal to lifetime expected credit losses.

(vi) Derecognition of Financial Instruments

The Company derecognizes a financial asset or a Company of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable are recognized in statement of profit and loss.

Notes forming Part of the Consolidated Financial Statements

On derecognition of assets measured at FVTOCI (except equity instruments designated at FVTOCI), the cumulative gains or losses previously recognised in OCI are reclassified from OCI to profit or loss. However, in respect of equity instruments designated at FVTOCI, the gains or losses are never recycled to profit or loss and are transferred within equity.

Financial liabilities are derecognized if the Company's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in Statement of Profit and Loss.

3.7 Equity Share Capital

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Par value of the equity shares is recorded as share capital and the amount received in excess of par value is classified as Securities Premium.

Costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

3.8 Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a legal or constructive obligation as a result of past events and it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are not recognised for future operating losses. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Contingent liabilities are not recognized and are disclosed by way of notes to the consolidated financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the same or a reliable estimate of the amount in this respect cannot be made.

Contingent assets are not recognised but disclosed in the consolidated financial statements by way of notes to accounts when an inflow of economic benefits is probable.

3.9 Employee Benefits

Employee benefits are accrued in the year in which services are rendered by the employees. Short term employee benefits are recognized as an expense in the statement of profit and loss for the year in which the related service is rendered.

3.10 Revenue

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Dividend income (including from FVOCI investments) is recognised when the Company's right to receive the payment is established.

Under Ind AS 109 interest income is recorded using the Effective Interest Rate (EIR) method for all

financial instruments measured at amortised cost, debt instrument measured at FVOCI and debt instruments designated at FVTPL. The EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument or, when appropriate, a shorter period, to the net carrying amount of the financial asset.

The EIR (and therefore, the amortised cost of the asset) is calculated by taking into account any discount or premium on acquisition, fees and costs that are an integral part of the EIR.

3.11 Taxes on Income

Income tax expense representing the sum of current tax expenses and the net charge of the deferred taxes is recognized in the Statement of Profit or Loss except to the extent that it relates to items recognized directly in equity or other comprehensive income.

Current tax is provided on the taxable income and recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

3.12 Earnings Per Share

Basic earnings per share are computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

4 Critical accounting judgments, assumptions and key sources of estimation and uncertainty

The preparation of the consolidated financial statements in conformity with the measurement principle of Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding

Notes forming Part of the Consolidated Financial Statements

the estimates. Differences between the actual results and estimates are recognized in the year in which the results are known / materialized and, if material, their effects are disclosed in the notes to the consolidated financial statements.

Application of accounting policies that require significant areas of estimation, uncertainty and critical judgments and the use of assumptions in the consolidated financial statements have been disclosed below. The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year are discussed below:

4.1 Current Tax and Deferred Tax

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

4.2 Provisions and Contingencies

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations/ against the Company as it is not possible to predict the outcome of pending matters with accuracy.

The carrying amounts of provisions and liabilities and estimation for contingencies are reviewed regularly and revised to take account of changing facts and circumstances.

Notes forming Part of the Consolidated Financial Statements

17.1 Nature and purpose of reserves :

Special Reserve (in terms of Section 45-IC of Reserve Bank of India Act, 1934)

Special Reserve represents the reserve created pursuant to the Reserve Bank of India Act, 1934 (the “RBI Act”) and related regulations applicable to those companies. Under the RBI Act, a Non Banking Financial Company is required to transfer an amount not less than 20% of its net profit to a reserve fund before declaring any dividend. Appropriation from this reserve fund is permitted only for the purposes specified by the RBI.

Capital Reserve

Capital Reserve is a reserve which is not free for distribution. The balance in this reserve has been created long ago.

Capital Redemption Reserve

Capital redemption reserve has been created consequent to buy back of equity shares. This reserve shall be utilised in accordance with the provisions of the Act.

General Reserve

The General Reserve is created from time to time by appropriating profits from Retained Earnings. The general reserve is created by a transfer from one component of equity to another. Accordingly, it is not reclassified to the statement of profit and loss.

Retained Earnings

Retained earnings represents the undistributed profits/ amount of accumulated earnings of the Group.

Other Comprehensive Income

This reserve represents the cumulative gains and losses arising on the revaluation of equity instruments measured at fair value through other comprehensive income. The Group transfers amounts from this reserve to retained earnings when the relevant equity instruments are de-recognised as per the policy.

Fair Valuation Techniques

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

The fair value of cash and cash equivalents, trade payables, financial liabilities and assets approximate their carrying amount largely due to the short-term nature of these instruments. The management considers that the carrying amounts of financial assets and financial liabilities recognised at nominal cost/amortised cost in the financial statements approximate their fair values.

Notes forming Part of the Consolidated Financial Statements

Investments traded in active market are determined by reference to the quotes from the Stock exchanges as at the reporting date. Investments in mutual funds have been valued based on their respective net asset value as on the reporting date.

Fair value hierarchy

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as at balance sheet date:

(Rs in thousand)

Particulars	As at 31 March 2023 (31 March 2022)	Fair value measurements at reporting date using		
		Level 1	Level 2	Level 3
Financial Assets				
Investment in equity instruments other than subsidiaries, associates and joint venture	343,80,29 (354,68,79)	343,34,79 (354,68,79)	45,50 -	- -
Investment in mutual fund	19,66,69 (42,29,99)	19,66,69 (42,29,99)		
Investment in debentures	2,16 (2,76)	2,16 (2,76)		

During the year ended 31st March 2023 there were no transfers between Level 1, Level 2 and Level 3.

Measurement of fair values

Level I: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level II: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level III: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

- (i) The management assessed that fair value of cash and cash equivalents, trade receivables, trade payables, and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- (ii) Financial assets and liabilities are stated at carrying value which approximates their fair value.
- (iii) The fair values of the equity investment which are quoted, are derived from quoted market prices in active markets.
- (iv) The fair value of the financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period
- (v) During the year ended 31st March 2023 there were no transfers between Level 1, Level 2 and Level 3.

Financial Risk Management

The Group's activities are exposed to variety of financial risks. The key financial risks includes market risk, credit risk and liquidity risk. The Group's focus is to foresee the unpredictability of financial markets and

seek to minimize potential adverse effects on its financial performance. The Board of Directors reviews and approves policies for managing these risks. The risks are governed by appropriate policies and procedures and accordingly financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives.

Market Risk

Market risk is the risk or uncertainty arising from possible market fluctuations resulting in variation in the fair value of future cash flows of a financial instrument. The major components of Market risks are currency risk, interest rate risk and other price risk. Financial instruments affected by market risk includes investments and trade and other payables.

Interest rate risk

The Group doesn't have exposure in market risk relating to change in interest rate as it doesn't have any borrowed funds whether in fixed rate or floating rate.

Price risk

(a) Exposure

The Group is exposed to price risk arising from investments in Equity Shares held by the Group and is classified in the balance sheet as fair value through Other Comprehensive Income. The Group is also exposed to price risk arising from investments in Mutual Funds, Preference Shares and Debentures held by the Group and is classified in the balance sheet as fair value through profit or loss. To manage its price risk arising from investments, the Group diversifies its portfolio.

(b) Sensitivity analysis- Equity price risk

The table below summaries the impact of increases/decreases of the index on the Company's equity and profit for the year. The analysis is based on the assumption that the equity/index had increased by 2% or decreased by 2% with all other variables held constant, and that all the Company's investments in equity instruments moved in line with the index.

Particulars	Impact on profit after tax		Impact on other components of equity	
	As at 31 st March 2023	As at 31 st March 2022	As at 31 st March 2023	As at 31 st March 2022

NSE/BSE Index- decrease by 2%	-	-	(6,86,70)	(7,09,38)

Profit for the period would increase/decrease as a result of gains/losses on exchange traded funds equity securities classified as fair value through profit or loss, if any. Other components of equity would increase/decrease as a result of gain/losses on equity securities classified as fair value through other comprehensive income.

Notes forming Part of the Consolidated Financial Statements

Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

Financial assets that are neither past due nor impaired

Cash and cash equivalents, investment and deposits with banks are neither past due nor impaired. Cash and cash equivalents with banks are held with reputed and credit worthy banking institutions.

Liquidity Risk

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at a reasonable price. The Group's objective is to maintain optimum level of liquidity to meet its cash and collateral requirements at all times. The Group relies on internal accruals to meet its fund requirement.
