L&T Construction Wins Orders (Large*) for its Power Transmission & Distribution (PT&D) Business

Mumbai, October 30 2023:

The Power Transmission & Distribution business of L&T Construction has secured key orders in India and overseas, in the current quarter.

In Chhattisgarh, the business has received an order for establishing 400kV & 220kV transmission lines to help relieve the congestion in the state's electricity transmission grid.

In Saudi Arabia, an order for turnkey construction of a 380kV Substation with associated overhead transmission lines has been won.

Another order has been bagged in the State of Kuwait to build 5 Substations to provide reliable and efficient power supply to an upcoming residential city.

Additional orders have been won in ongoing substation orders in Qatar.

In a significant breakthrough, the business has bagged an order in Malaysia, in a consortium, to establish a 275kV Underground Cable system to double the power transmission capacity in the existing network.

Background:

Larsen & Toubro is a USD 23 billion Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing and Services. It operates in over 50 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
