ANNEXURE TO BOARD'S REPORT- MANAGEMENT DISCUSSION AND ANALYSIS REPORT**INDUSTRY STRUCTURE AND DEVELOPMENT**

Confidence Futuristic Energetech Limited (Formerly known as GLOBE INDUSTRIAL RESOURCES LIMITED) has changed its name along with the main object of the company. The company has launched blast proof, translucent and light-weight composite cylinders under the brand name GoGas Elite for which we have set up a nation-wide distribution network.

India's growth has been driven mainly by the agricultural industry, service industry and manufacturing activity. Agriculture is expected to grow higher than current estimates, on the back of a bumper harvest, and the Government's thrust on rural housing and infrastructure. This coupled with increase in private consumption, especially improved rural demand, and Government spending has been a major stimulant for growth.

Your Company's performance for the year 2019-20 has to be viewed in the context of aforesaid economic and market environment.

RISK OPPORTUNITIES & THREATS

The company started the new area of business with its holding company Confidence Petroleum India Limited. The lowering of global inventory levels and healthy global demand has further pressurized the market equilibrium. While conscious attempts by oil producing nations to enhance output and compete for market share does balance the trend of rising prices, the uncertainty in the markets seems to be intense. This, by far, is the most powerful threat that the oil & gas sector has to manage. Another ostensible situation that the oil & gas sector is compelled to deal with is that of renewable energy. The company expect good demand of blast proof, translucent and light-weight composite cylinders in near future.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company's internal control system is designed to ensure operational efficiency, protection and conservation of resources, accuracy and promptness in financial reporting and compliance with laws and regulations. The internal control system is supported by an internal audit process for reviewing the adequacy and efficiency of the Company's internal controls, including its systems and processes and compliance with regulations and procedures. Internal Audit Reports are discussed with the Management and are reviewed by the Audit Committee of the Board which also reviews the adequacy and effectiveness of the internal controls in the Company. The Company's internal control system is commensurate with the size, nature and operations of the Company.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

We recognize people as our most valuable asset and we have built an open, transparent and meritocratic culture to nurture this asset. Talent Management is a key people planning tool that provides an integrated means of identifying, selecting, developing and retaining top talent within our Organization. Attrition has been managed well and has been below industry benchmarks. Globe Industrial Resources Limited has kept a sharp focus on Employee Engagement. We follow 360 degree feedback to ensure the satisfaction of our

people. We have a strong system of grievance handling too. No concern of our people goes without addressing.

COMPLIANCE

The Company has generally complied and continues to comply with all the applicable regulations, circulars and guidelines issued by the SEBI and Stock Exchange such as Securities/Debentures Issues, Net Owned Funds, Concentration of Credit and Investment, filings, etc.

The Company has complied with all applicable provisions of the Companies Act, 2013, Reserve Bank of India (RBI) and the SEBI Act, and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other applicable rules/regulations/guidelines issued from time to time.

DISCLAIMER

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013 and recently adopted Indian Accounting Standard in India. All statements that address expectations or projections about the future, including, but not limited to statements about the company's strategy for growth, product development, market position, expenditures and financial results are forward looking statements. Forward looking statements are based on certain assumptions and expectations of future events. The Company cannot guarantee that these assumptions and expectations are accurate or will be realized.

STANDALONE FINANCIAL STATEMENT

INDEPENDENT AUDITORS REPORT

TO THE MEMBERS OF CONFIDENCE FUTURISTIC ENERGTECH LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of CONFIDENCE FUTURISTIC ENERGTECH LIMITED (“the Company”), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor’s Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor’s Response
1	Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 “Revenue from Contracts with Customers” (new revenue accounting standard)	<p><u>Principal Audit Procedures</u></p> <p>We assessed the Company’s process to identify the impact of adoption of the new revenue accounting standard. We have obtained an understanding of and assessing the design, implementation and operating effectiveness of managements key internal controls relating to the reconciliation of revenue, including to the reconciliation of sales records to cash / credit card / online receipts preparation, posting and approval of manual journal entries relating to revenue recognition</p>

The application of the new revenue accounting standard involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, new revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.

Refer Notes 1.4a and 2.16 to the Standalone Financial Statements

- Evaluated the design of internal controls relating to implementation of the new revenue accounting standard.
- Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, re performance and inspection of evidence in respect of operation of these controls.
- Tested the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard.
- Selected a sample of continuing and new contracts and performed the following procedures:
 - Read, analysed and identified the distinct performance obligations in these contracts.
 - Compared these performance obligations with that identified and recorded by the Company.
 - Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration.
 - Samples in respect of revenue recorded for time and material contracts were tested using a combination of approved time sheets including customer acceptances, subsequent invoicing and historical trend of collections and disputes.
 - In respect of samples relating to fixed price contracts, progress towards satisfaction of performance obligation used to compute recorded revenue was verified with actual and estimated efforts from the time recording and budgeting systems. We also tested the access and change management controls relating to these systems.
 - Sample of revenues disaggregated by type and service offerings was tested with the performance obligations specified in the underlying contracts.
 - Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings.
 - We reviewed the collation of information and the logic of the report generated from the budgeting system used to prepare the disclosure relating to the periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.
 - We have obtained reconciliation of retail sales as per books of account with the sales as per indirect tax records and inquire about reasons for differences, if any
 - Performing an analysis of the manual journal entries passes during the year.

2	<p>The Company's major part of inventory comprises finished goods which are geographically spread across multiple locations such as retail stores, depots and factories. These inventories are counted by the Company on a cyclical basis and accordingly provision for obsolescence of inventories is assessed and recognized by the management in the financial statements based on management estimation as at end of reporting period. The Company manufactures and sells goods which may be subject to changing consumer demands and fashion trends. Significant degree of judgment is thereby required to assess the net realizable value of the inventories and appropriate level of provisioning for items which may be ultimately sold below cost. Such judgment include management's expectations for future sale volumes, inventory liquidation plans and future selling prices less cost to sell. Based on above, existence and valuation of inventories has been identified as a key audit matter.</p>	<p>In view of the significance of the matter, we applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence:</p> <p>A) Obtaining an understanding of and assessing the design, implementation and operating effectiveness of management's key internal controls relating to physical verification of inventories by the management and the internal auditors of the Company, identification of obsolete and slow moving inventories, inventories with low or negative gross margins, monitoring of inventory ageing and assessment of provisioning and of net realizable values.</p> <p>B) Assessing whether items in the inventory ageing report prepared by the management were classified within the appropriate ageing bracket;</p> <p>C) Performing a review of the provisions for inventories by examining movements in the balance during the current year and new provisions made for inventory balances as at 31 March 2018 during the current year to assess the historical accuracy of management's inventory provisioning process;</p> <p>D) Assessing, on a sample basis, the net realizable value of slow-moving and obsolete inventories and inventories with low or negative gross margins as calculated by management with reference to prices achieved and costs to sell after the financial year end.</p> <p>E) Attending cyclical inventory counts at selected stores, factories, retail distribution centers and wholesale distribution centres twice during the reporting period and evaluating the results of the cycle counts performed by the management throughout the year to assess management's estimation of the provisioning.</p>

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

☐ Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient

and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

☒ Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

☒ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

☒ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

☒ Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF CONFIDENCE FUTURISTIC ENERGTECH LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s CONFIDENCE FUTURISTIC ENERGTECH LIMITED as of 31-Mar-2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31-Mar-2020.

- (iii) it is due to be settled within twelve months after the reporting date; or
- (iv) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the opinion of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current.

B) Property Plant & Equipment

Tangible Assets

Tangible Assets are stated at cost net of recoverable taxes, trade discounts and rebates and include amounts added on revaluation, less accumulated depreciation and impairment loss, if any. The cost of Tangible Assets comprises its purchase price, borrowing cost and any cost directly attributable to bringing the asset to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets. Subsequent expenditures related to an item of Tangible Asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance. Projects under which assets are not ready for their intended use are disclosed under Capital Work-in-Progress.

Gain or losses arising from disposal of tangible assets are measured as the difference between the net disposal proceeds and the carrying amount of assets and are recognized in the statement of profit and loss when the assets is disposed.

Intangible Assets

Intangible Assets acquired separately are recorded at cost at the time of initial recognition following initial recognition intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses

LEASES

Determining whether an arrangement contains a lease

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in the arrangement.

Where the Company is a lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the company is classified as a finance lease.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term

Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

ASSET IMPAIRMENT

Management Periodically assesses, using external and internal sources whether there is an indication that an asset may be impaired. An impairment is recognized whenever the carrying value of the asset exceeds its recoverable amount. Recoverable amount is higher of an assets net selling price and its value in use. An impairment loss, if any, is recognized in the Statement of profit & Loss in the period in which impairment takes place

FINANCE COSTS

Borrowing costs that are directly attributable to the acquisition or construction of an asset that necessarily takes substantial period of time to get ready for its intended use are capitalized as a part of the cost of that asset till the date it is ready for its intended use or sale. Other borrowing costs are recognized as an expense in the period in which they incurred.

C) DEPRECIATION AND AMORTIZATION

Tangible Assets

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the written down value Method Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013

In respect of additions or extensions forming an integral part of existing assets and insurance spares, including incremental cost arising on account of translation of foreign currency liabilities for acquisition of Fixed Assets, depreciation is provided as aforesaid over the residual life of the respective assets.

Depreciation and amortization methods, useful lives and residual values are reviewed periodically, including at each financial year end.

Intangible Assets

Intangible Assets with finite lives are amortized over useful economic life and assessed for impairment whenever there is a indication that the intangible assets may be impaired. The amortization period and amortization method for an intangible assets with a finite useful life are reviewed at the end of each reporting period.

D) INVESTMENTS

Investments in subsidiaries and associates

Investments in subsidiaries and associates are recognized at cost, less impairment loss (if any) as per Ind AS 27. Investments are reviewed for impairment if events or changes in circumstances indicate that the carrying amount may not be recoverable.

Other Investments

Long term investments including interest in incorporated jointly controlled entities, are carried at cost less impairment loss if any , after providing for any diminution in value, if such diminution is of permanent nature. Current investments are carried at lower of cost or market value. The determination of carrying amount of such investments is done on the basis of specific identification. Investments in integrated joint ventures are carried at cost net of adjustments for Company's share in profit or losses as recognized.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis.

Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between carrying amount and net disposal proceeds is charged or credited to the Profit and loss Statement.

E) INVENTORIES

Inventories –are valued as follows: (In accordance with IND AS -2)	
Raw materials	Lower of cost or net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on Weighted Average basis. Cost of raw materials comprises of cost of purchase (net of discount) and other cost in bringing the inventory to their present location and condition excluding Goods and Service Tax / / Countervailing duty. Customs duty on stock lying in bonded warehouse is included in cost.
Work-in-progress and Finished goods	Lower of cost and net realizable value. Cost includes direct materials and labor and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty. Cost is determined on Weighted Average basis.

F) REVENUE RECOGNITION

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of Goods /Services

Revenue is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer. The Company collects Good and Service Tax / other taxes on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue.

Interest Income

- a) Interest income is recognized on a time proportion basis considering the carrying amount and the effective interest rate. Interest income is included under the head 'Other income' in the statement of profit and loss Separate disclosure of Tax Deducted at Source has been made by the Company.

Dividends

Revenue is recognized when the Company's right to receive the dividend is established by the reporting date. Dividend income is included under the head 'Other income' in the statement of profit and loss..

G) FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions are accounted at the exchange rates prevailing at the date of the transaction Gains and losses resulting from the settlement of such transactions and from the

translation of monetary assets and liabilities denominated in foreign currencies, are recognized in the Profit and Loss Account.

Monetary Foreign Currency asset and liabilities at the year end are translated at the year end exchange rates and the resultant exchange difference are recognized in profit and loss account statement.

H) Retirement and other employee benefits

(i) Provident Fund

Provident fund is a defined contribution plan covering eligible employees. The Company and the eligible employees make a monthly contribution to the provident fund maintained by the Regional Provident Fund Commissioner equal to the specified percentage of the basic salary of the eligible employees as per the scheme. The contributions to the provident fund are charged to the statement of profit and loss for the year when the contributions are due. The Company has no obligation, other than the contribution payable to the provident fund.

(ii) Gratuity

Gratuity is a defined benefit obligation plan operated by the Company for its employees covered under the Company Gratuity Scheme. Since company is having huge turnover of employee and further employees are appointed are also only of fixed term of 1 to 2 years hence liability gratuity does not arise and provided.

(iii) Leave encashment

Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit for measurement purposes. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the reporting date. Re-measurements, comprising of actuarial gains and losses are recognized in full in the statement of profit and loss.

The Company presents the entire leave encashment liability as a current liability in the balance sheet, since employee is entitled to avail leave anytime and hence the company does not have an unconditional right to defer its settlement for twelve months after the reporting date.

I) SEGMENT REPORTING

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole. The Company prepares its segment information in conformity with accounting policies adopted for preparing and presenting the financial statements of the Company as a whole. K) PROVISIONS

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates

L) TAXES ON INCOME

The Tax expense for the period comprises of current and deferred Income tax. Tax is recognized instatement of Profit & Loss, except to the extent it relates to its items recognized in the Other Comprehensive Income or in equity. In which case, the tax is also recognized in other Comprehensive Income or Equity.

i) Current Tax

Current Tax is asset and liabilities are measured at the amount expected to be recovered from or paid to the Income tax Authorities, based on tax rates and laws that are enacted at the Balance Sheet date. **Deferred Tax**

Deferred Tax is recognized on temporary differences between the carrying amounts of the assets and liabilities in which the liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred Tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realized, based on the tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

Contingent liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Recent accounting pronouncements

Standards issued but not effective

The amendments to standards that are issued, but not yet effective, up to the date of issuance of the Confidence Futuristic Energtech Limited ("Company") financial statements are disclosed below. The company intends to adopt these standards, if applicable, when they become effective.

Ind AS 116 Leases

Ind AS 116 Leases replaces Ind AS 17 Leases, including appendices thereto and is effective for annual periods beginning on or after April 1, 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the accounting for finance leases under Ind AS 17. The standard includes two recognition exemptions for lessees' leases of "low-value" assets (e.g. personal computers) and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognize a liability to make lease payments (i.e. the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e. the right-of-use asset). Lessees will be required to separately recognize the interest expense on the lease liability and the depreciation expense on the right-of-use asset.

Lessees will be also required to remeasure the lease liability upon the occurrence of certain events (e.g. a change in the lease term, a change in future lease payments resulting from a change in an index or rate used to determine those payments). The lessee will generally recognize the amount of the remeasurement of the lease liability as an adjustment to the right-of-use asset.

Lessor accounting under Ind AS 116 is substantially unchanged from today's accounting under Ind AS 17. Lessors will continue to classify all leases using the same classification principle as in Ind AS 17 and distinguish between two types of leases: operating and finance leases.

Ind AS 116, which is effective for annual periods beginning on or after April 1, 2019, requires lessees and lessors to make more extensive disclosures than under Ind AS 17.

The Company will adopt Ind AS 116 from financial year beginning April 1, 2019. On adoption, the Company expects to recognize lease liabilities with corresponding ROU assets for certain leases where the company is a lessee. The single lessee accounting model of Ind AS 116 will result in a front-loaded lease expense pattern. While the Company continues to evaluate certain aspects of Ind AS 116, it does not expect Ind AS 116 adoption to have a material effect on its financial statements.

The Company is analyzing potential changes to the current accounting practices and are in the process of implementing the same in connection with the adoption of Ind AS 116.

In addition to Ind AS 116, the MCA has also notified the following changes which are effective from financial year beginning 1 April. The Company will adopt these changes from the date effective however, the adoption of these changes is unlikely to have any impact on the financial statements
