The registered office of the Company being at very distant place, the management has been facing operational difficulties in managing the affairs of the Company. Also, since the registered office is situated in a remote location, it results in delay in receipt of the correspondences from the various authorities, and consequently, delay in actionable, especially which require the execution in a time bound manner.

For administrative and operational convenience, it is proposed to shift the registered office of the company from the state of the Kerala to the State of Gujarat and the Board has approved the aforesaid proposal at its meeting held on August 23, 2022.

Further as per section 12 and section 13 of the Companies Act, 2013, a special resolution is required to be passed if the registered office of the company is shifted outside the local limits of any city, town or village where such office is situated at the time of commencement of the Act and consequent alteration of Memorandum of Association of the Company.

Consequent to proposed change, Clause II of the Memorandum of Association of the Company is proposed to be substituted as given below:

Clause II: The registered office of the Company will be situated in the State of Gujarat.

Further, confirmation of the Regional Director is also required if the Registered office of the company is changed from the jurisdiction of one Registrar to that of another Registrar.

As required under the provisions of the act, approval of Members is sought for shifting the registered office of the Company from Kerala to Gujarat and for alteration of Memorandum of Association of the Company.

The Board therefore recommends the Special Resolution set forth in Item No. 3 of the Notice for approval of the Members.

None of the Directors or Key Managerial Personnel of the Company including their relatives are interested or concerned in the Resolution except to the extent of their shareholding, if any, in the Company.
