43rd
ANNUAL REPORT
2022-23

Vardhman Polytex Limited
An Oswal Group[®] Company

Message from Chairman & Managing Director

Dear Shareholders,

I am writing to you today as the Chairman of our esteemed company to provide an overview of our performance in the past fiscal year and to share our unwavering optimism for the future. While the financial results presented in this annual report may reflect a decline in revenue compared to the previous year, we remain steadfast in our commitment to turning the tide in the coming years.

The textile industry, which forms the backbone of our operations, experienced high volatility in the past year resulting in adverse effects on our revenue. Additionally, our liquidity position has been under strain which impacted the operations.

One major accomplishment this year has been the successful completion of resolution of our bank debts through a one-time settlement as well as assignment of the debt to an Asset Reconstruction Company (ARC) which will provide us with an opportunity to restructure and strengthen our financial position. With this significant achievement, we now have a more stable foundation to build upon. We are aware that challenges may still lie ahead, but we are confident in our ability to navigate through them with resilience and determination.

Looking forward, we see a glimmer of hope on the horizon. We firmly believe that the textile industry will rebound, presenting us with opportunities for growth and profitability. We remain proactive in monitoring market trends, identifying emerging markets and diversifying our product portfolio.

Transparency and effective communication are key to our relationship with you, our valued shareholders. We are committed to providing regular updates on our progress, initiatives, and any significant developments that may impact our business. Your trust and support are crucial to our success, and we are dedicated to creating sustainable long-term value for you.

In conclusion, I extend my sincere gratitude to our shareholders, employees, customers, and partners for their unwavering support during these challenging times. Together, we will overcome obstacles and forge a path towards success. With our collective efforts, resilience, and a renewed sense of purpose, we are confident that we will emerge stronger, more competitive, and well-positioned for a prosperous future.

Thank you for your continued trust and confidence in our company.

Sincerely,

Adish Oswal

6. Members holding shares in the same/identical name(s) under different folios are requested to apply for consolidation of such folios and send relevant share certificates to the Company/RTA of the Company.
7. In support of the Green Initiative and in compliance with the MCA general circular no. 10/2022 dated 28.12.2022 and SEBI circular SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated 05.01.2023, your Company proposes to send the documents like Notice calling the Annual General Meeting and Annual Report 2022-23 containing Financial Statements, Director's Report etc and other communications in electronic form only to the members whose email addresses are registered with the Company/ Depository Participant(s).
8. The Notice of AGM can also be accessed from the website of the company at www.vpl.in and from Stock Exchanges at www.bseindia.com and www.nseindia.com . The AGM Notice is also disseminated on the website of CDSL at www.evotingindia.com
9. **Voting Instructions:**
 - a) Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and other MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting will be provided by CDSL.

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- i) The voting period begins on Tuesday, 15.08.2023 (09:00 A.M.) and ends on Thursday, 17.08.2023 (05:00 P.M.). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e., Friday, 11.08.2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/ retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This

necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- iv) **In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.**

Pursuant to above said SEBI Circular, Login method for e-Voting for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

Pursuant to the provisions of Section 197 read with Schedule V to the Act relating to payment of managerial remuneration in case of absence of profits and/or inadequacy of profits (calculated under Section 198 of the Act), the Company may pay such remuneration over and above the ceiling limit as specified in Schedule V, subject to the members' approval by way of a Special Resolution for payment of minimum remuneration for a period not exceeding 3 years, compliance of disclosure requirements and other conditions stated therein. In view of the foregoing factors, the approval of the members is being sought for payment of remuneration to Mr. Adish Oswal from 1st August, 2023 to 23rd November, 2025, as may be permitted under applicable laws, in case of absence of profits and/or inadequacy of profits or otherwise, in the Company.

The revision in the remuneration of Mr. Adish Oswal is in compliance with the provisions of Section II of Part II of Schedule V of the Companies Act, 2013. The Nomination and Remuneration Committee at its meeting held on 18th July, 2023 has already approved the remuneration payable to Mr. Adish Oswal, Chairman & Managing Director of the Company.

Considering Mr. Adish Oswal's experience in textile company and the trend in the industry, the terms of his remuneration are considered to be fair, just and reasonable and recommended for your approval. Accordingly, Special Resolution is submitted to the meeting for the consideration and approval of Members.

Mr. Adish Oswal is interested in the resolution set out at item no. 3 of this Notice. Further, his relatives are also deemed interested in the respective resolution, to the extent of their shareholding, if any, in the Company. Save and except the above, none of the Directors, Key Managerial Personnel and their relatives are in any way, concerned or interested, financially or otherwise, in the proposed resolutions

The Board recommends the Special Resolution set out at item no.3 of the accompanying Notice for approval of the Members.

Financial Performance & Review

Your company achieved total revenue from operations of Rs. 61,551.04 lakh showing decline from last year's turnover of Rs. 92,859.51 lakh. EBITDA of the Company was Rs. 6,708.62 Lakh showing growth of 7.76% over last year's figure of Rs. 6225.60 Lakh. Operations of the company have resulted into net profit of Rs. 149.14 lakh against net loss of Rs. 1,555.55

lakh in previous year. Many external factors like instability in raw cotton prices, less sales realization coupled with internal liquidity issues have impacted the revenue of the company during the year under review. Consequently, turnover has gone down last year. Management is hopeful to emerge stronger this year despite challenging circumstances.

Earlier, the bank accounts of the company were classified as NPA by the Banks. The company had made efforts to resolve its debts with Banks. State Bank of India, United Bank of India, Canara Bank, Bank of Baroda, Bank of Maharashtra, Union Bank of India (formerly known as Andhra Bank and Corporation Bank) and Axis Bank have assigned our debt to Phoenix ARC Private Limited through Assignment Agreements. Some of the lenders had issued notices U/S 13(2) & 13(4) of Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest (SARFAESI) Act, 2002 which were duly replied and proceedings are pending before Debt Recovery Tribunal (DRT), Chandigarh. Further, the company had settled its debts under OTS with Bank of India, Indian Bank (Allahabad Bank), Punjab National Bank (PNB), J & K Bank, Punjab & Sind Bank. Consequently, J & K Bank & PNB have withdrawn their earlier filed applications with National Company Law Tribunal, Chandigarh (NCLT) u/s 7 of Insolvency and Bankruptcy Code (IBC), 2016. Few Operational Creditors had also filed applications before NCLT for initiating Corporate Insolvency Resolution Process (CIRP). Due to settlement with them, all applications except one have been withdrawn. One application is still pending and will be withdrawn in due course.

Consolidated Financial Statements

Consolidated Financial Statements are not required as there is no subsidiary/ associate/ joint venture of the company.

2. Change in Nature of Business

VPL also filed petition before the CLB to declare that allotment of 1,90,15,920 shares to IRIS (presently held by MUT) as void ab initio for want of consideration and rectify the register by cancelling the allotment made to IRIS. In furtherance of the petition filed by the Company, the MUT filed an application against OFMHT for oppression and mismanagement. The Company Law Board (CLB) vide its

consolidated order dated 13.08.2015 has dismissed all the petitions. The matter pertaining to rectification of register of members was disposed off against VPL. The same was challenged before the Punjab & Haryana High Court at Chandigarh and a stay was granted in the matter by the Hon'ble High Court. In response to the order of CLB dated 13.08.2015, Hahnl Group filed two applications at CLB for execution of above CLB order and for amendment/rectification in the order. Also MUT had got an order dated 13.10.2017 from Supreme Court of India for adding Vardhman Polytex limited as a party to purchase the shares pursuant to CLB Order dated 13.08.2015. Punjab & Haryana High Court, Chandigarh vide its interim order dated 04-12-2019 has directed to determine the market value of shares held by minority shareholders of FM Hammerle Textiles Ltd. Resolution plan of FMH was approved on 13.03.2020 by NCLT vide which existing shares of FMH have extinguished. As per Supreme Court order VPL and MUT shared equally the fees paid to E & Y for valuation of shares of FMH and valuation report was duly submitted to Punjab & Haryana High Court at Chandigarh. Later, all appeals/applications filed with Punjab & Haryana High Court at Chandigarh in this regard have been disposed off. Now, MUT has filed an application with NCLT, Chandigarh for execution of CLB order dated 13.08.2015. The matter is sub judice.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ECONOMIC OVERVIEW

Global Economy

The global economy is going for a gradual recovery from the powerful blows of the pandemic and of Russia's unprovoked war on Ukraine. China is rebounding strongly following the reopening of its economy. Supply-chain disruptions are unwinding, while the dislocations to energy and food markets caused by the war are receding. Simultaneously, the massive and synchronous tightening of monetary policy by most central banks should start to bear fruit, with inflation moving back toward its targets. In IMF's forecast, global growth will bottom out at 2.8 percent in 2023 and would rise modestly to 3.0 percent in 2024. Global inflation will decrease, although more slowly than initially anticipated, from 8.7 percent in 2022 to 7.0 percent in 2023 and 4.9 percent in 2024.

Notably, emerging market and developing economies are already powering ahead in many cases, with growth rates jumping from 2.8 percent in 2022 to 4.5 percent in 2023. The slowdown is concentrated in advanced economies, especially the euro area and the United Kingdom, where growth is expected to fall to 0.7 percent and -0.4 percent, respectively, in 2023 before rebounding to 1.8 and 2.0 percent in 2024.

Indian Economy

The Indian economy, however, appears to have moved on after its encounter with the pandemic, staging a full recovery in FY22 ahead of many nations and positioning itself to ascend to the pre-pandemic growth path in FY23. Yet in the current year, India has also faced the challenge of reining in inflation that the European strife accentuated. Measures taken by the government and RBI, along with the easing of global commodity prices, have finally managed to bring retail inflation below the RBI upper tolerance target. However, the challenge of the depreciating rupee, although better performing than most other currencies, persists with the likelihood of further increases in policy rates by the US Fed. The widening of the CAD may also continue as global commodity prices remain elevated and the growth momentum of the Indian economy remains strong. The loss of export stimulus is further possible as the slowing world growth and trade shrinks the global market size in the second half of the current year.

Despite these, agencies worldwide continue to project India as the fastest-growing major economy at 6.5-7.0 per cent in FY23. These optimistic growth forecasts stem in part from the resilience of the Indian economy seen in the rebound of private consumption seamlessly replacing the export stimuli as the leading driver of growth. The uptick in private consumption has also given a boost to production activity resulting in an increase in capacity utilisation across sectors. The rebound in consumption was engineered by the near-universal vaccination coverage overseen by the government that brought people back to the streets to spend on contact-based services, such as restaurants, hotels, shopping malls, and cinemas, among others.

INDUSTRY STRUCTURE & DEVELOPMENTS

Global Textile Industry

The global textile industry is moderately competitive, with companies increasing their product portfolio and expanding their production capacity to serve the growing demand, particularly in emerging markets. However, the market's fragmented nature is expected to refrain investments by prospective companies over the forecast period. Furthermore, several companies adopted expansion strategies to strengthen their market position and have a competitive edge over others. The market players compete based on differentiation in technology, design, product innovation, and customer-centric products. The market also possesses various strengths such as flexibility, rich heritage, mass production capabilities, capital investment capabilities, high-performance machinery, value-added textile production, and strong R&D. Rising awareness toward reducing greenhouse emissions on a global level owing to the implementation of stringent regulations by the European Commission and EPA to reduce environmental pollution is expected to force textile manufacturers to develop new products by utilizing bio-based polyesters, including bio-PET as raw material. The economic value generated by the textile industry was estimated at approximately USD 1.7 trillion in 2022 with 7.8% CAGR (2023-2030). This economic output is an amalgamation of businesses that are involved in the manufacturing, distribution & supply, and application of textiles.

Indian Textiles Industry

India's textiles sector is one of the oldest industries in the Indian economy, dating back to several centuries. The industry is extremely varied, with hand-spun and hand-woven textiles sectors at one end of the spectrum, with the capital-intensive sophisticated mills sector at the other end. The fundamental strength of the textile industry in India is its strong production base of a wide range of fibre/yarns from natural fibres like cotton, jute, silk and wool, to synthetic/man-made fibres like polyester, viscose, nylon and acrylic. The decentralised power looms/ hosiery and knitting sector form the largest component of the textiles sector. The close linkage of textiles industry to agriculture (for raw materials such as cotton) and the ancient culture and traditions of the country in terms of textiles makes it unique in comparison to other industries in the country. India's textiles industry has a capacity to produce a wide variety of products suitable for different market segments, both within India and across the world.

The Indian textile and apparel industry is expected to grow at 10% CAGR from 2019-20 to reach US\$ 190 billion by 2025-26. India has a 4% share of the global trade in textiles and apparel. India is the world’s largest producer of cotton. Estimated production stood at 362.18 lakh bales during cotton season 2021-22. Domestic consumption for the 2021-22 cotton season is estimated to be at 338 lakh bales. Cotton production in India is projected to reach 7.2 million tonnes by 2030, driven by increasing demand from consumers. In FY23, exports of readymade garments (RMG) cotton including accessories stood at US\$ 7.68 billion till January 2023. It is expected to surpass US\$ 30 billion by 2027, with an estimated 4.6-4.9% share globally. India’s textile and apparel exports (including handicrafts) stood at US\$ 44.4 billion in FY22, a 41% increase YoY. During April-October in FY23, the total exports of textiles stood at US\$ 21.15 billion. India’s textile and apparel exports to the US, its single largest market, stood at 27% of the total export value in FY22. Exports of readymade garments including cotton accessories stood at US\$ 6.19 billion in FY22.

(Source: <https://www.ibef.org/industry/textiles>)

India has the world’s second largest spinning capacity, commanding a share of the global Cotton Yarn market. Cotton Yarn accounts for nearly 73% of total spun yarn production. India produces a comprehensive range of yarns for every conceivable end use – non-spun or open-end; combed or carded, basic, compact, mélange or fancy. With more companies modernizing their mills with state-of-the-art technology, Indian cotton yarn markets is set to boost its export potential. The world’s most renowned Indian Cotton Yarns are available as greige, bleached, mercerized, gassed, twisted, dyed or an endless range of fashion yarns like mélange, stretch, blends, high twist and so on to meet the different applications in fashion, clothing, home textiles, hosiery and industrial fabrics. India can meet every customer requirement whether large or small, regular or customized, premium or basic. Today, Indian yarn is widely accepted in International markets as the exporters here regularly meet the needs of importers with unmatched efficiency. China is the largest importer of yarns from India.

Opportunities & Threats

Opportunities

The textile industry in India is very strong as it has a variety of natural and man-made fibres and yarns. India’s textile industry plays a technological and capital-intensive role and is compared with industries like heavy machinery, automobiles etc. Since the pattern of industrialisation in trade has become common in consumer goods industries and labour-intensive industries there is immense opportunity in the textile industry. India is estimated to be the second most appealing market by the year 2025.

India is one of the fastest-growing economies and this creates a boost in the purchasing power of the people while it also spurs the demand for products of the textile industry. This boost results in a wide range of capacity to manufacture different products that can be transported within India as well as across the world. Apart from this, India has one of the most extremely varied textile sectors as it has hand-woven textiles on one end while capital intensive mills on the other end which results in an enormous number of opportunities in the textile industry.

Threats

Though there are many opportunities and investments in the textile industry, like any other industry, the textile industry of India also undergoes certain challenges. The frequently changing policies stated by the government at the central and state levels create immense pressure on the textile industry. Another challenge that the textile industry faces is the limitation to access the latest and best technology while also failing to meet the global standards in the competitive export market. Apart from these issues like competition from neighbouring countries regarding low-cost garments is also the challenge the Indian textile industry faces.

COMPANY OVERVIEW & ROLE

Vardhman Polytex Limited manufactures yarns that are synonymous with the highest quality. With prominent position in the domestic and international market, its range of Cotton Yarns (Carded, Combed, Organic, BCI), Cotton Polyester Yarns and Value Added Yarns (Grey and Dyed) in variable counts, hold a place of pride in the industry. Using the finest raw materials and cutting edge technology for production, each yarn confirms to highest global standards. The company puts forth fresh products through constant innovation and synchronization with trends. The company has production facilities located at three locations at Ludhiana (Punjab), Bhatinda (Punjab) and Nalagarh (Himachal Pradesh).

Segment-wise/Product-wise Performance

The company operates in one segment only i.e Textile and product-wise sale details are as under:

₹ in Lakh

Sale of products	2022-23	2021-22
Grey yarn	43462.42	75377.61
Dyed yarn	7711.04	9470.68

Total	61551.04	92859.51

Outlook

The future of the Indian textiles industry looks promising, buoyed by strong domestic consumption as well as export demand. India is working on various major initiatives to boost its technical textile industry. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade. The growth in textiles will be driven by growing household income, increasing population and increasing demand by sectors like housing, hospitality, healthcare, etc.

During FY 2023-24, major focus of the company shall be on cost cutting measures, improving productivity, reduction in wastage, efforts on taking quality to next level, deriving efficiency to make products further cost competitive and debt cost reduction. Despite all odds, the company expects to bounce back. It is a testing times for all of us, but with our good brand image and network in the market, we expect to be back on track soon.

Management perception of Risk & Concerns

Textile sector faces an array of challenges like rising labour costs, production and process automation, 'reshoring' and 'nearshoring', as well as increased pressure to transition towards a more sustainable business model, with improved wages and working conditions.

In today's challenging and competitive environment, strategies for mitigating inherent risks in accomplishing the growth plans of the Company are imperative. The main risks inter alia include strategic risk, operational risk, financial risk and compliances & legal risk. The fast technology obsolescence, high cost of manufacturing and economic uncertainty in key global markets are the major risk/concerns of the business.

The Company has devised and implemented a mechanism for risk management and has developed a Risk Management Policy. The Audit Committee also evaluates risk management system of the Company periodically. To cover foreign exchange risk, the Company transacts its all exports through secured mode either against LC or partial advance payment and foreign currency is being hedged simultaneously against almost all confirmed contracts. The company has very agile corporate team of professionals keeping tab on business developments and working efficiently to mitigate the various risks.

Internal Control System & their adequacy:

The Company has a well-established framework of internal controls in all areas of its operations, including suitable monitoring procedures and competent personnel. In addition to statutory audit, the financial controls of the Company at various locations are reviewed by the Internal Auditors, who report their findings to the Audit Committee of the Board. The Audit Committee is headed by an Independent Director and this ensures independence of functions and transparency of the process of supervision. The Committee meets on a regular basis to review the progress of the internal audit initiatives, significant audit observations and planning and implementation of the follow-up action required. The Company conducts its business with integrity and high standards of ethical behavior and in compliance with the all applicable laws and regulations that govern its business.

Discussion on Financial Performance with respect to Operational Performance

During the FY 2022-23, your company achieved total revenue from operations of Rs.615.51 Crores showing decline from last year's figure of Rs.928.59 Crores. EBITDA of the Company was Rs.67.08 Crores as against last year's figure of Rs.62.25 Crores. Profit before tax was Rs.1.49 Crores during the year under review.

The past few years have been quite tough for the company which required resilience and adaptability. The textile industry experienced a significant downturn in the past year resulting in adverse effects on our revenue as well. Additionally, our liquidity position has also been under strain which impacted the operations. Management is of the strong belief that the textile industry will rebound from its current depressed state, presenting us with opportunities for growth and profitability.

Resource utilization:

The gross fixed assets as at 31st March, 2023 were Rs. 57,707.80 lakh as against Rs. 58,175.46 lakh in the previous year. The Net block of assets as on 31st March, 2023 was Rs.15,423.22 lakh as compared to Rs.16,541.15 lakh in the previous year.

Inventory levels as at 31st March, 2023 were Rs.1,592.72 lakh as against Rs.4,375.49 lakh in the previous year. The trade receivable as at 31st March, 2023 were Rs.18.57 lakh as against Rs. 1,079.74 lakh in the previous year.

Annexure-2**CERTIFICATE OF COMPLIANCE FROM AUDITOR**

To
The Members of
Vardhman Polytex Limited

We have examined the compliance of conditions of Corporate Governance by Vardhman Polytex Limited ("the Company") for the year ended 31st March, 2023, as stipulated in Regulations 17-27, clause (b) to (i) of Regulation 46 (2) and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') pursuant to the Listing Agreement of the Company with Stock exchanges.

Management's Responsibility for Compliance with the Conditions of Listing Regulations

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

Auditors' Responsibility

We conducted our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

In our opinion, and to the best of our information and according to explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Regulations.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Restriction on use

The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the Listing Regulations, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

INDEPENDENT AUDITOR'S REPORT

To The Members of Vardhman Polytex Limited

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the accompanying financial statements of Vardhman Polytex Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended, and notes to the financial statement, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter stated in the "Basis for Qualified Opinion" section of this report, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the **Companies (Indian Accounting Standards) Rules, 2015**, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the Loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified opinion

Note No. 49 of the Ind AS financial statements regarding crediting a profit of Rs 396.44 lakhs due on payment of FCCB liability to the statement of profit & loss during the year ended March 31, 2017 which should have been credited in the statement of profit & loss on payment of FCCB liability which is still outstanding to the tune of 221.53 Lacs as on March 31, 2023 is not in compliance with

the requirements of para 27 of the Ind AS 1- Presentation of Financial Statements w.r.t. preparation of financial statements on accrual basis. Consequently, the profit and loss has been overstated by the above mentioned amount. The Company has settled the matter with Axis bank where in a payment plan has been agreed (Final payment date being 30th September 2024) and the company is making payment as per the plan.

We further report that, had the impact of our observations made in para above been considered, the net loss and the net worth, for the period ended, would have increased and decreased respectively by Rs. 396.44 lakhs.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind As Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Ind AS financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No.	Key Audit Matter	Auditor's Response
1.	<p>Evaluation of uncertain tax positions</p> <p>The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.</p> <p>Refer Note 39 and 40 to the Ind AS Financial Statements</p>	<p>Principal Audit Procedures:</p> <p>Obtained details of completed tax assessments and demands till the year ended March 31, 2023 from management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions.</p>

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and auditor's report(s) thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users, taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion

on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Sub-Section (11) of Section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. A) As required by Section 143(3) of the Act, based on our audit we report that :
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statement of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- a) The Company has disclosed the impact of pending litigations as at 31 March 2023 on its financial position in its financial statements. Refer note 39 to the financial statements.
- b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- c). There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- d) (i) The management has represented that, to the best of its knowledge and belief, that no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or its joint operation companies incorporated in India to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall:
- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or its joint operation companies incorporated in India or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- (ii) The management has represented, that, to the best of its knowledge and belief, that no funds have been received by the Company or its joint operation from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or its joint operation companies incorporated in India shall:
- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.
- (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.
- (e) The Company has neither declared nor paid any dividend during the year.
- (f) As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only with effect from 1 April 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is not applicable
- (C) With respect to the matter to be included in the Auditors' Report under section 197(16):
- In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

ANNEXURE B to the Independent Auditor’s Report of even date on the Ind As Financial statements

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

(Referred to in paragraph 2A(f) under the heading “Report on other legal and regulatory requirements” of our report of even date)

Opinion

We have audited the internal financial controls over financial reporting of Vardhman Polytex Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls

Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

Management’s and Board of Director’s Responsibility for Internal Financial Controls

The Company’s Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with Reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

* The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another.

** Security Premium reserve represents amount of premium recognised on issue of shares to shareholders at a price more than its face value.

*** Retained earnings refer to net earnings not paid out as dividends, but retained by the Company to be reinvested in its core business. This amount is available for distribution of dividends to its equity shareholders.

NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH 2023

1 Corporate Information

- a) Vardhman Polytex Limited (the' Company) is a public limited listed company registered under the erstwhile Companies Act 1956 (superseded by Companies Act, 2013). The Company's principal activity is manufacturing of yarn & garments. The company is listed on two stock exchanges i.e at National Stock Exchange & Bombay Stock Exchange.
- b) The company's principal place of business is located at 'Vardhman Park, Chandigarh Road, Ludhiana - 141123' & factories/units are located at the following premises:
 - i) Badal Road, Bathinda, Punjab - 151005
 - ii) D295/1, Phase VIII, Focal point, Ludhiana, Punjab - 141123
 - iii) Village Nangal Nihla/Upperla, Swarghat Road, Nalagarh, Himachal Pradesh - 174101
- c) These financial statements are presented in Indian Rupees (Rs) which is also its functional currency.

1A Significant accounting policies

a) Statement of compliance & Basis of preparation & presentation

The financial statements are prepared in accordance with and in compliance, in all material aspects, with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") read along with Companies (Indian Accounting Standards) Rules, as amended and other provisions of the Act. The presentation of the Financial Statements is based on Ind AS Schedule III of the Companies Act, 2013. The standalone financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

b) Use of estimates

The preparation of financial statements in conformity with Indian GAAP, which requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c) Revenue recognition

Revenue is recognised at fair value of the consideration received or receivable. The amount disclosed as revenue is inclusive of and net of returns, trade discounts, Goods & Service Tax related taxes and amount collected on behalf of third parties.

The company recognizes revenue when the amount of revenue can be measured reliably and it is probable that the economic benefits associated with the transaction will flow to the entity.

i) Sale of goods

Revenue from sale of goods is recognized when significant risk and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be reliably estimated and there is no continuing effective control or managerial involvement with the goods and the amount of revenue can be measured reliably. Revenue is recognized in respect of export sales on the basis of bill of lading.

ii) Export Incentives

Revenue in respect of export incentives / benefits are accounted for on post export basis.

iii) Dividends

Revenue in respect of dividends is recognized when the shareholders' right to receive payment is established by the balance sheet date.

iv) Interest

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

v) Insurance Claim

Claims with insurance companies are accounted on accrual basis to the extent, no significant uncertainty exists and these are measurable and ultimate collection is reasonably certain.

d) Inventories

Items of inventories are measured at lower of cost and net realizable value after providing for obsolescence. Cost of inventories comprises of cost of purchase, conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition. The cost in respect of various items of inventory is computed as under:

- i. Stores, spares and raw materials are valued at lower of historical cost or net realizable value. However materials & other items held for use in the production of inventories are not written below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.
- ii. Work in progress is valued at raw material cost plus conversion cost depending upon the stage of completion.
- iii. Finished goods are valued at lower of historical cost or net realizable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present location and condition. By products are valued at net realizable value.
- iv. Raw material valuation is determined on the basis of weighted average method.

e) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

I. Initial recognition and measurement

On initial recognition, all the financial assets and liabilities are recognized at their fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability except financial asset or financial liability measured at fair value through profit or loss account. Transaction costs of financial asset and liabilities carried at fair value through profit and loss are immediately recognized in the Statement of Profit or Loss.

II. Subsequent Measurement (Non Derivative Financial Instrument)**a) Financial assets carried at amortised cost**

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified date to cash flows that are solely payments on principal and interest on the principal amount outstanding.

b) Financial Asset At Fair Value Through Other Comprehensive Income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial Assets At Fair Value Through Profit or Loss (FVTPL)

A financial asset is measured at fair value through profit and loss unless it is measured at amortized cost or at fair value through other comprehensive income.

d) Financial Liabilities

The financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

e) Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

f) Property, plant and equipment

Land is carried at cost and all other items of property plant, equipments and fixtures are stated at cost less accumulated depreciation. The cost of property, plant and equipment includes

- 1) its purchase price including import duties and non refundable taxes after reducing trade discount and rebate if any.
- 2) any attributable expenditure directly attributable to bring an assets to the location and the working condition for its intended use.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Property that is held for long-term rental yields or for capital appreciation or both, and that is not used in the production of goods and services or for the administrative purposes is classified as investment property. Investment property is measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. Subsequent expenditure related to investment properties are added to its book value only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Investment properties are depreciated using the straight line method over the estimated useful lives.

g) Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over expected useful life on a straight line basis from the date they are available for use.

h) Impairment of assets

I. FINANCIAL ASSETS

The company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets expected credit losses are measured at an amount equal to the 12 month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in statement of profit or loss.

II. Non-Financial Assets

Intangible assets and property, plant and equipment

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for cash generating unit to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net off any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior year.

i) Foreign exchange transactions/translation

a. Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

b. Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

c. Exchange Differences

Exchange differences arising on a monetary item that, in substance, form part of the company's net investment in a non-integral foreign operation is accumulated in a foreign currency translation reserve in the financial statements until the disposal of the net investment, at which time they are recognized as income or as an expense.

Exchange differences arising on the settlement of monetary items not covered above, or on reporting such monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

d. Forward exchange contracts not intended for trading or speculation purposes

The premium or discount arising at the inception of forward exchange contracts is amortized as expense or income over the life of the contract. Exchange differences on such contracts are recognized in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as expense for the year.

j) Employee benefits

i. Short Term Employee Benefits

Short Term Employee Benefits are recognized as an expense on an undiscounted basis in the statement of Profit and loss of the year in which the related service is rendered.

ii. Post Employee Benefits

A) Defined Contribution Plans

i. Provident Fund & ESI

The company makes contribution to Statutory Provident Fund and Employee State Insurance in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 and Employee State Insurance Act, 1948 which is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

B) Defined Benefit Plans

Gratuity

The company provides for gratuity, a defined benefit retirement plan ("The Gratuity Plan") covering eligible employees of the company. The gratuity plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the company.

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the standalone balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

k) Taxes on income

Income tax expense comprises current tax and deferred tax. Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or other comprehensive income, in which case, it is also recognized in equity or other comprehensive income respectively.

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

Deferred tax is recognized in respect of temporary differences arising between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes (including those arising from consolidation adjustments such as unrealized profit on inventory etc.). Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized; such reductions are reversed when the probability of future taxable profits improves.

Unrecognized deferred tax assets are reassessed at each reporting date and recognized to the extent that it has become probable that future taxable profits will be available against which they can be used.

l) Government grants and subsidies

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grants will be received. Government grants are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate. Specifically, government grants whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets are recognised as deferred revenue in the balance sheet and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets. Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Company with no future related costs are recognised in profit or loss in the period in which they become receivable.

m) Borrowing cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

n) Provisions, contingent liabilities and contingent assets

A provision is recognized when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. A contingent liability is recognized for:

- i. a present obligation that arises from past events but is not recognized as a provision because either the possibility that an outflow of resources embodying economic benefits will be required to settle the obligation is remote or a reliable estimate of the amount of the obligation cannot be made; and
- ii. a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company. Contingent assets are neither accounted for nor disclosed in the financial statements.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

o) Earning per share

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

p) Cash and cash equivalents

Cash and cash equivalents comprises cash at bank and in hand, including offsetting bank overdrafts, and short-term highly liquid investments that are readily convertible to known amounts of cash, are subject to an insignificant risk of changes in fair value and have a maturity of three months or less from the acquisition date.

The company has deferred tax liability till the end of the current year on account of differences arising between carrying cost of fixed assets as per books of accounts and that as per income tax. However, deferred tax assets are much higher than the deferred tax liability. In view of this, no further deferred tax assets are being recognised as at March 31, 2023. Based on the company's virtual certainty of the profit, the company is carrying a deferred tax asset of ₹ 5,016.18 lakh as on March 31, 2023. Further despite the net worth being eroded the management is taking all due steps to revive the company. Therefore the financial statements have been prepared on going concern basis.

46. Financial Risk Management

The principal financial assets of the Company include loans, trade and other receivables, and cash and bank balances that derive directly from its operations. The principal financial liabilities of the company, include loans and borrowings, trade and other payables and the main purpose of these financial liabilities is to finance the day to day operations of the company.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks and that advises on financial risks and the appropriate financial risk governance framework for the Company.

This note explains the risks which the company is exposed to and policies and framework adopted by the company to manage these risks:

Market Risk

Market risk is the risk that the fair values of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: interest rate risk, currency risk and other price risk, such as equity risk. Financial instruments affected by market risk include loans & borrowings and deposits. The sensitivity analyses in the following sections relate to the position as at 31 March 2023 and 31 March 2022.

(i) Foreign Currency risk management

The company undertakes certain transactions denominated in foreign currencies. Hence, exposures to exchange rate fluctuations arise.

(ii) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates.

As the Company has no significant interest-bearing assets, the income and operating cash flows are substantially independent of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates, which are included in interest bearing loans and borrowings in these financial statements. The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

At the reporting date the interest rate profile of the Company's interest bearing financial instrument is at its fair value:

Particulars	As at 31 March 2023	As at 31 March 2022
Variable rate instruments		
Long term borrowings	-	43.29
Current maturities of long term debt	42.80	98.59
Short term borrowings	44,705.64	52,754.36

Cash flow sensitivity analysis for variable rate instruments

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. A change of 100 basis points in interest rates for variable rate instruments at the reporting date would have increased/(decreased) profit or loss for the below years by the amounts shown below. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	(₹ in Lakh)	
	As at 31 March 2023	As at 31 March 2022
Increase/ (decrease) in 100 basis point	447.48	528.96

Liquidity Risk

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company has outstanding borrowings from Phoenix ARC Private Limited. The Company is passing through a phase of liquidity stress and there is a mismatch in cash flows. Due to this, the capacities of the Company are running at sub-optimal level. The Company is working towards devising a plan which would correct the cash flow mismatch. The Company believes that the Company would be able to generate enough cash inflows to meet its working capital requirements in the medium and long run. The company manages liquidity risk by maintaining adequate reserves, continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

Credit Risk

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in financial loss to the company. Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the company grants credit terms in the normal course of business. On

account of adoption of Ind AS 109, the company uses expected credit loss model to assess the impairment loss or gain. The Company has exposure to credit risk from trade receivable balances on sale of Yarns & Readymade Garments. The Company ensures concentration of credit does not significantly impair the financial assets since the customers to whom the exposure of credit is taken are well established and reputed industries engaged in their respective field of business. The creditworthiness of customers to which the Company grants credit in the normal course of the business is monitored regularly.

The Following is the detail of revenues generated from top five customer of the company and allowance for life time expected credit loss:

Particulars	(₹ in Lakh)	
	As at 31 March 2023	As at 31 March 2022
