6 ECONOMY & PUBLIC AFFAIRS

NITI Aayog suggests privatising United India Insurance Co

Core group to soon consider the proposal to privatise the insurer

NIKUNJ OHR New Delhi, 29 Jun

he NITI Aayog has recommended privatisation of state-owned insurer United India Insurance Company as the government aims to move ahead with its new public sector enterprise (PSE) policy for Atmanirbhar Bharat.

The policy think tank has suggested that the public sector insurer be considered for privatisation in the banking, insurance and financial services sector, which has been classified as 'strategic' in the PSE policy, said an official. The policy proposes the "bare minimum" presence of government-owned companies in strategic sectors, and privatisation, merger or closure of remaining public sector undertakings (PSUs). The recommendation is in line with the announcement made by Finance Minister Nirmala Sitharaman in the Union Budget that one insurance company and two public sector banks (PSBs) will be privatised this year.

The government is on course to privatise two PSBs and one insurance company in the current fiscal year as announced in the Budget, said another official.

Although the process may take time to complete, the target as of now is to stick to the Budget announcement of privatising one insurance company and two banks, he added.

The NITI Aayog's recommendation would soon be considered by the Core Group of Secretaries on Divestment (CGD) chaired by the cabinet secretary, and the privatisation process would be timed post an analysis of sectoral developments and investor appetite in the sector

The policy think tank's rec-

Government think tank NITI Aayog has suggested 100 per cent income tax exemption for donations and provision of working capital loans with lower interest rates for not-for-profit hospitals to strengthen health care services in India. In a report titled 'Not-for-Profit Hospital Model in India', the Aayog also pitched for involving high performing hospitals in public private partnership (PPP) models for managing primary health care (PHCs), operations of government facilities and PSU hospitals. PTI

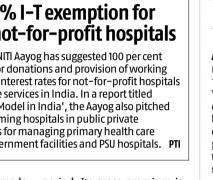

ommendation has been made only after a holistic sectoral analysis, said the first official. However, the government would approve and time the transaction after considering many factors. including investors' interest in the sector.

Net worth

Source: Annual repor

Although the insurer has not performed well, investors would still find the company attractive as there's interest from foreign investors in the sector, the official said.

United India Insurance reported a net loss of ₹1,485 crore in 2019-20 against a net loss ₹1,878 crore in the year-ago

3,817 4,797 2,899 1,443

period. Its gross premium income grew nearly 7 per cent year on year in FY20 to ₹17,515 crore. The insurer's gross premium underwitten in 2020-21 fell nearly 5 per cent year-onyear to ₹16,711 crore, according to the data on Insurance Regulatory and Development Authority of India's (Irdai) website.

According to the latest data, gross premium underwritten in May 2021 was ₹1.164 crore against ₹1,350 crore in May 2020. The insurer has seen its net worth erode from ₹5,731 crore in 2015-16 to ₹1,443 crore in 2019-20.

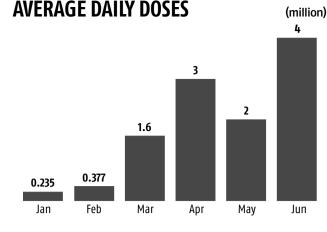

VACCINE DOSES GIVEN IN INDIA CROSS 331 MN

India's average daily vaccinations doubled in June to over 4 million from nearly 2 million in May. So far, 331 million doses have been administered in the country. The health ministry has said India is taking a distinct lead in total vaccine doses administered in the world.

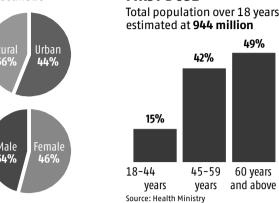

While almost half of the population above 60 years of age has received at least one dose of the Covid vaccine, only 15 per cent of those in the 18 to 44 category have got one dose so far. In the eight days following the launch of the new vaccine policy on June 21, India has administered 46 million doses. "It is more than the population of Iraq, Canada, Saudi Arabia, and Malaysia. The average doses given in the period is more than the population of Finland, Norway and New Zealand," said Lav Aggarwal, joint secretary, health ministry.

The government has said it would take steps to ramp up availability and production of domestic vaccines in the coming days. In the last two months, health ministry data shows more doses have been given in rural than urban areas. RIICHIKA CHITRAVANSHI

Banks not in a hurry to raise deposit rates

ABHIJIT LELE Mumbai, 29 June

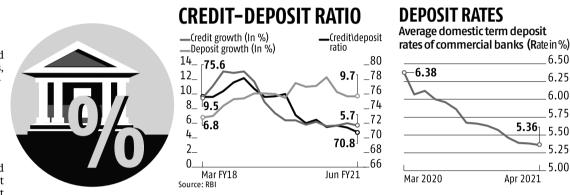

With abundant liquidity and tepid credit demand amid lockdowns, banks are not in a hurry to hike interest rates on deposits despite the price rise. The crucial factor will be the government's decision on small savings instruments (SSIs) by the end of the month for any revision, especially by public sector banks.

In April, rates on SSIs were slashed by 50-100 basis points for the first quarter (Q1Fy22) but the government rolled back the decision amid the Assembly elections in four states.

A S Rajeev, MD and CEO, Bank of Maharashtra, said the bank had seen 4-5 per cent growth in savings deposits during Q1 because it seemed people preferred to save during the pandemic (April onwards). Credit growth needs to happen in a substantial way in the second quarter for banks to think about hiking rates, he said.

Year-on-year growth in deposits till early June 2021 has been 9.7 per

DATE : 30.06.2021

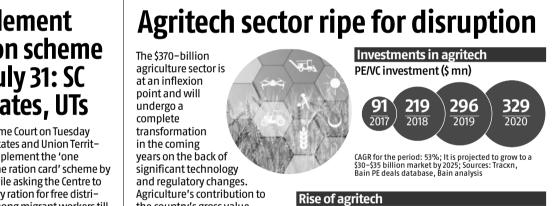

cent while credit growth is only 5.7 per cent. Around the same time last year. deposits had expanded by 11.3 per cent and credit expanded by 6.2 per cent, according to the Reserve Bank of India data. With a severe contraction in demand due to lockdown to contain the pandemic, the credit\deposit ratio (C\D ratio) fell sharply through FY21 from a high of 76 per cent in March 2020 to 71.5 per cent in March 2021. This perhaps sig-

nals there is still room for banks to accommodate any rise in credit demand before they raise deposit rates to garner money

The first priority of banks could be to increase lending rates and then look to revise those for deposits. bankers said. According to the RBI's bulletin (June 2021) during March 2020 to May 2021, the median-term deposit rate, representing average card rates on fresh deposits across all

tenors, declined by 144 basis points (bps). There was a noticeable moderation stemming from shorter-tenor deposits of a maturity of up to one year (156 bps). Across bank groups, the maximum cut in term deposit rates was by foreign banks, followed by private banks. PSBs, which face stiff competition from alternative savings instruments like small savings, allowed more moderate transmission to term deposit rates, the RBI said.

Digestible soya, high protein quinoa to be notified soon

Will take 2–3 years to reach farmers

SANJEEB MUKHERJEE New Delhi, 29 June

From high protein quinoa to digestible soya, the Centre's bucket-list of 21 biofortified seeds - that will be notified in the next few months – contains a host of items that are expected to reach the farmers in the next 2-3 years.

Announcing the new varieties as part of the Covid-19 relief package, finance minister Nirmala Sitharaman on Tuesday said that the earlier focus of research was on developing higher crop varieties. However, focus on nutrition, climate resilience and other traits were missing.

Buckwheat and winged beans are also part of the list. These are crops which are highly under-utilised but have high growth potential in the coun-

Also, in the list is high-zinc bajra to develop immunity.

In the last five-six years, the Indian Council of Agriculture Research (ICAR) has released 71 bio-fortified seed vari-

eties of various crops. These include rice, wheat, maize, pearl millets, finger millets, linseeds, mustard and also vegetables such as cauliflower, potatoes and sweet potatoes. Of these, around 29 bio-fortified seed varieties have already entered the seed chain and will be cultivated in largescale in the coming kharif and rabi season.

"These 29 varieties consist of almost all the identified bio-fortified vegetables and also a host of cereals and pulses, including wheat," a senior scientist from the ICAR told Business Standard.

He said the 17 bio-fortified seeds in eight major crops, dedicated to the nation by Prime Minister Narendra Modi last year, were part of this original list of 71 identified seeds.

So far, the ICAR has provided 11,000 quintals of bio-fortified seeds in various crops to state-run research agencies such as National Seed Corporation and State Seed Corporation along with 200 private seed companies. Of this, bio-fortified wheat comprises a sizable chunk of the seeds that has been availed by private companies for commercial use.

In the last few years, around 4 million hectares of wheat land has been brought under bio-fortified seeds, while 0.15 million hectares of bio-fortified mustard and pearl millet have also been grown.

"The biggest problem is traceability at the mandi level, because in a mandi it is not known which wheat is grown from bio-fortified seeds and which is not. But, ICAR and other agencies are working to improve this," the official added.

He said largescale availability of seeds also remains a cause for concern. This is because of the high-quality standards that need to be adhered to before a bio-fortified hybrid variety is released for commercial use.

One solution to this could be further strengthening the extension system.

IMPACT OF COVID-19 Economic activities in rural India fared better in lockdown 2.0: Survey

Income, employment and health were still key concerns for rural communities

IANS New Delhi

Smart Power India (SPI) a subsidiary of the Rockefeller Foundation, has released the results of their survey titled "SPI's Survey of Mini-grid Villages May 2021" which shows that overall economic activity in such villages was less affected in 2021 due to the pandemic that largely impacted the healthcare and educational sector.

The survey was carried out to assess the impact of COVID-19, with a sample size of 200 respondents across 48 villages in the states of Uttar Pradesh and Bihar. It was learnt that while overall economic activity in mini-grid villages was less affected in 2021, the impact on education and healthcare infrastructure was much worse compared to 2020. SPI conducts these surveys periodically to stay abreast of evolving issues the rural Indian consumer is dealing with, in the light of the pandemic.

SPI is working to understand the ground realities and requirements for rural communities by building a resource bank, adapting from survey insights to understand the pain points and offering quick, locally relevant solutions

their incomes.

According to recent SPI surveys conducted in This improvement in the mini-grid villages, 61% of family incomes in rural the participants responded areas can be attributed to that availability of essential reliable access to electricity services this year was better that has been consistent tothan the lockdown in 2020. wards the rural communit-Family income also showed ies amidst both the lockimprovement as compared downs in 2020 and 2021. to the first lockdown as 67% of the respondents of 29% of the respondents exthe survey expressed satispressed that 10 to 25% of faction with the quality and availability of reliable electheir family income this year was impacted due to tricity from mini-grids. the lockdown due to better

preparedness. Around 1.6%

impact of the lockdown on

Though India's economy reflected the signs of recovery after the first wave peaked in September 2020, this recovery wasn't consistent. Income, employment and health were still key concerns for rural communities. A recent report by CSE estimates that more than 230 million Indians fell below the national minimum wage due to the COVID-19 crisis. The loss of jobs, decrease in wages, and unavailability of the health infrastructure remains a concern, leaving the rural masses unable to properly feed their families.

Many of those who had lost their jobs during the 2020 lockdown had found employment again but there was a fall in aggregate income - 90% due to lower earnings and the rest due to job loss. As the second wave swept India, the nation reported 1,432,292 new COVID-19 cases and 24,914 deaths (as of June 20, 2021). India is at the cusp of an-

other deadly wave of the pandemic. With new variants of the virus entering our ecosystem, the upcoming wave is expected to be as deadly as the last.

Eliminate impediments facing Goan MSMEs: **GCCI** president

BIZ SCAN **HCCB** provides beds to **COVID-19 care facility at Verna**

handing over the cheque to Ganpat Kapadi in the presence of company officials and office bearers of VIA

PANAJI: Hindustan Coca-Cola Beverages (HCCB), provided 100 modular beds, PPE kits and free beverages to the healthcare staff at the new COVID-19 care facility set up by the Verna Industrial Association (VIA) at the Verna industrial estate. Abhishek Sharma, factory manager, HCCB-Goa handed over the cheque to Ganpat Kapadi, treasurer, VIA, during a function organised at the factory premise on Tuesday. Others present on the occasion included Pradip da Costa, president and Rajesh Prabhu, vice president, VIA. Set up proactively to deal with the impending 3rd wave of the pandemic, the COVID care facility will initially operate with only 40 beds in the first phase expected to become operational by June end. The facility will essentially cater to the daily wage workers of the Verna estate and also serve the neighbouring villagers. NT

Govt enhances funds for health infra

IANS New Delhi

As the second wave of Covid-19 laid bare India's healthcare infrastructure with lack of beds and medical-grade oxygen, the Centre on Monday came up with measures and funds to improve the country's health and medical infrastructure.

Accordingly, Finance Minister Nirmala Sitharaman announced an additional outlay of Rs 23,220 crore for public health.

Addressing the media, Sitharaman said that the new scheme would be focused on short-term emergency preparedness with special emphasis on children and paediatric care and paediatric beds. The scheme also includes funding for shortterm human resource augmentation through medical students, including interns, final year students and nursing students.

trict and sub-district levels with the fund and ensure adequate availability of equipment, medicines, access to teleconsultation, ambulance services etc.

According to the government, the Rs 15,000 crore **Emergency Health Systems** Project (2020-21) led to 25-fold increase in Covid dedicated hospitals, setting up of 7,929 Covid health centres, 9,954 Covid care centres, 7.5 times increase in oxygen supported beds, 42-fold increase in isolation beds, and 45-fold increase in ICU beds.

The allocation would

also be utililsed to enhance the testing capacity and supportive diagnostics, strengthen capacity for surveillance and genome

sequencing. The Finance Minister also announced a loan guarantee scheme worth Rs 1.1 lakh crore for the Covid-hit sectors out of which Rs 50,000 crore would be available for healthcare aimed at scaling medical infrastructure targeting the underserved areas. Under this scheme, guarantee cover would be provided for expansion and new projects related

to health or medical infrastructure in cities other than eight metropolitan cities

The scheme would provide guaranteed coverage of 50 per cent for expansion and 75 per cent for new projects. For the aspirational districts, guarantee cover would be 75 per cent for both new projects and expansion.

The maximum loan to be provided under the scheme is Rs 100 crore with interest rate capped at 7.95 per cent. The duration for loan guarantee would be up to three years.

NT NETWORK implemented by banks in Panaji the state. "BoB has sanctioned emergency lines of Stating that, micro, small working capital specifically

(MSMEs) play a key role in creating inclusive growth, Ralph D'Souza, new president of GCCI on Sunday urged eliminating impediments in the way of Goan MSMEs.

chief guest at function celebrating World MSME Day on June 27, said that, effective global supply-chain management can help to remove the impediments faced by MSMEs. "Goa has shown a positive

upwards in the Niti Aayog Sustainable Development Goals index from the 7th position in 2019 to 3rd place in 2021. MSMEs thus provide impetus to industry and innovation," he said.

Ankita Anand, director IT and guest of honour, pointed out that, there exists lot of potential in Goan start-ups. She disclosed that close to Rs one crore funding so far has been provided to startups in the state un-

Lokmanya Society Margao Branch relocated at Paulino's Building

PANAJI: The Margao branch of Lokmanya Multipurpose Co-op Society Ltd is being relocated from June 28, 2021 at Paulino's Building, near Popular High School, Comba, Margao, Salcette, Goa. Due to Covid-19 pandemic situation, this will be a soft launch. The Margao branch of Lokmanya Society is well equipped with all modern facilities including safe deposit lockers facility. Other services provided are payment of electricity bills, telephone bills. LIC and Health insurance are also available. Since this is a flagship branch it will provide other services as well in future such as Gold Loans, Forex, inward/outward foreign/domestic Remittances etc. The operation of 49 branches in Goa is in full swing with uninterrupted customer service. NT

Arihant Superstructures Q4 FY21 PAT up 95%

MUMBAI: Arihant Superstructures Limited (ASL), one of India's leading real estate companies with a predominant focus on the affordable housing segment in the Navi Mumbai, MMR and the Jodhpur region, reported a strong set of numbers for its Q4 and Year ended March 31 2021. The Company recovers from pandemic-affected loss of earlier quarters, with an impressive Q4, FY21. PAT improved to Rs13.48 crore, growth of 95% over the corresponding period last year. Total Income for Q4FY21 at Rs 124.26 crore, 98% YoY growth. EBITDA at Rs 20.84crore for Q4FY21, a growth of 35% YoY. EPSfor Q4FY21 at Rs 3.20, 148% YoY growth. Total Income for 12M FY21 increased by 14% to Rs 272.31 Crore. The EBITDA for the full year FY2021 was at Rs 50.16 Crore (at margin of 18.42%), increase of 5% over the previous year figure of Rs 47.66 Crore (at margin of 20.04%). The PAT for the full year FY2021 was at Rs 15.74 Crore (at margin of 5.78%), Substantial increase of 43% over the previous year figure of Rs 10.98 Crore (at margin of 4.62%). Company generated one of its highest-ever yearly operational cash flow, of about Rs120.52 Crore, up from Rs 25.41 Crore in the previous year. NT

Co-operative banks can't outsource core management functions: RBI РТІ

New Delhi

The Reserve Bank of India (RBI) on Monday directed co-operative banks not to outsource core management functions such as policy formulation, internal audit and compliance, compliance with KYC norms, credit sanction, and management of investment portfolio.

Issuing guidelines for managing risk in outsourcing of financial services by cooperative banks, the RBI said the lenders can hire experts, including former employees, on a contractual basis subject to certain conditions. Outsourcing is defined as use of a third-party to perform activities on a continuing basis.

NOTICE TO SHAREHOLDERS

Transfer of Equity Shares of the Company to Investor Education and Protection Fund (IEPF) Authority

Shareholders are hereby informed that pursuant to the provisions of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("the Rules") the final dividend declared for the financial year 2013-14, which remained unclaimed for a period of seven years will be credited to IEPF on due date. The corresponding shares on which dividend was unclaimed for seven consecutive years will also be transferred as per the procedure set out in the Rules.

The Company will not transfer such shares to the IEPF where there is a specific order of Court/tribunal restraining any transfer of such shares or where the shares are hypothecated/pledged under the Depositories Act, 1996

In compliance to the Rules, the Company has communicated individually to the concerned shareholders and the details of such shares liable to be transferred to IEPF are also made available on our website. Shareholders concerned may refer to the website www.zuari.in to verify the details of their unencashed dividend and the shares liable to be transferred

Shareholders are requested to claim the final dividend declared for the financial year 2013-14 and onwards before the same is transferred to IEPF

Concerned shareholders holding shares in physical form and whose shares are liable to be transferred to IEPF, may note that the Company would be issuing new share certificate(s) in, lieu of the original held by them for the purpose of transfer of shares to IEPF and upon such issue, the Company shall inform the depository by way of corporate action to convert the new share certificates into DEMAT form and transfer in favour of IEPF. The original share certificate(s) which are registered in the name of original shareholders will stand automatically cancelled and be deemed nonnegotiable. Concerned shareholders holding shares in dematerialized form may note that the Company shall inform the depository by way of corporate action for transfer of shares in favour of the DEMAT account of the IEPF.

The shareholders may further note that the details made available by the Company on its website should be regarded and shall be deemed adequate notice in respect of issue of new share certificate(s) by the Company for the purpose of transfer of shares to IEPF.

In case the Company does not receive any communication from the concerned shareholders on or before 30th September, 2021 the Company with a view to adhering with the requirements of the Rules, transfer the dividend to the IEPF by the due date

The corresponding shares on which dividend is unclaimed for seven consecutive years shall also be transferred without any further notice

Please note that no claim shall lie against the Company in respect of unclaimed dividend amount and shares transferred to IEPF. Shareholders may claim the dividend and corresponding shares transferred to IEPF including all benefits accruing on such shares, if any, from the IEPF authorities after following the procedure prescribed in the Rules

For any queries on the above matter, Shareholders are requested to contact the Company's Registrar and Share Transfer Agents, M/s. Link Intime India Private Limited, C-101, 247 Park, LBS Marg, Vikhroli(West), Mumbai-400083 Tel No.(022) 49186270 email: iepf.shares@linkintime.co.in

NOTICE

(For the attention of equity shareholders of the Company) (Transfer of Equity Shares of the Company to

Investor Education and Protection Fund ('IEPF') Demat Account)

This Notice is published pursuant to Section 124(6) of the Companies Act 2013 and Rule 6 of the Investor Education and Protection Fund Authority Accounting, Audit, Transfer and Refund) Rules, 2016 as amended from time to time (the Rules) to the shareholders of CG-PPI Adhesive Products Limited whose shares are being transferred to Investor Education and Protection Fund ('IEPF') Authority.

The Rules inter-alia provide for transfer of all such shares in respect of which the dividend(s) have not been encashed or claimed by the Shareholders for seven consecutive years to the IEPF Demat Account.

In compliance with the Rules, the Company has communicated individually to all the concerned shareholders at their latest available address who have not claimed/encashed their dividend declared by the Company on 1st August, 2014 for the financial year 2013-14 and whose share(s) is/are liable to be transferred to IEPF Demat Account for taking the appropriate action(s). The shareholders may kindly note that the details of such Shareholders and their shares which are due to be transferred to IEPF Demat Account is uploaded on the website of the Company at www.cgppi.com.

The concerned shareholders, holding shares in physical form, whose shares are liable to be transferred to IEPF Demat Account may note that the Company shall initiate the procedure of transfer of these shares to IEPF Demat Account as per the Rules notified by the Ministry of Corporate Affairs in this regard. The shareholders may further note that the details uploaded by the Company on its website would be regarded and shall be eemed adequate notice in respect of transfer of shares to IEPF pursuant the Rules

In case the Company does not receive any communication from the concerned shareholders by Thursday, 30th September, 2021 the Company shall, with a view to comply with the requirements set out in the Rules, transfer the shares to the IEPF Demat Account by the due date and as per the procedure prescribed in the Rules. No claim shall lie against the Company in respect of unclaimed dividend amounts and the corresponding shares transferred to IEPF pursuant to the said Rules.

In case the shareholders have any queries on the above matter and the rules, they may contact Mr. Sadanand Fadte. Tel. No.: 91-832-2395209, e-mail: accounts@cgppi.com For CG-PPI Adhesive Products Limited
