RBI to pay ₹57,128 cr dividend to Govt

PTI ■ MUMBAI

The Reserve Bank of India Board on Friday approved a dividend payout of Rs 57,128 crore to the government, a move in line with the Budget expectation but may not help plug a huge revenue hole created by the pandemic and slowing economy.

The surplus transfer of Rs 57,128 crore for the accounting year 2019-20 compared with Rs 1.76 lakh crore transferred last year, which included Rs 1.23 lakh crore as dividend and Rs 52.37 crore excess provisions identified as per the revised Economic Capital Framework (ECF).

In a statement, the RBI said its central board headed by Governor Shaktikanta Das "reviewed the current economic situation, continued global and domestic challenges and the monetary, regulatory, and other measures taken by RBI to mitigate the economic impact of COVID-19 pandemic."

The Board also approved the transfer of Rs 57,128 crore as surplus to the Central Government for the accounting year 2019-20, while deciding to maintain the Contingency Risk Buffer at 5.5 per cent.

At the same time, the government is being forced to spend more to cushion the blow from the pandemic, straining the budget deficit.

The central bank largely earns profit through its trading of currencies and government bonds as well as printing of notes and coins.

Part of these earnings is set aside by the RBI for its operational and contingency needs, while the rest is transferred to the government in the form of dividend.

RBI's financial year runs from July-June at present and is scheduled to be harmonised with the government's April-March fiscal starting FY22. In the current year, the RBI will have a nine-month financial year, ending in March.

Markets retreat for 3rd day; bank stocks bleed

PTI ■ MUMBAI

Equity indices nursed losses for the third straight session on Friday as investors grew exposed to banking, financial and consumption stocks amid negative global cues.

Weaker macroeconomic data and a depreciating rupee further curbed risk appetitive traders said.

Tanking 663 points from the day's high, the 30-share BSE Sensex settled 433.15 points or 1.13 per cent lower at 37,877.34.

The broader NSE Nifty slumped 122.05 points or 1.08 per cent to close at 11,178.40.

Axist Bank was the top laggard in the Sensex pack, slipping 2.81 per cent, followed by SBI, M&M, Bajaj Finance, ITC, HDFC Bank, HCL Tech and IndusInd Bank.

Only five index constituents ended in the green — Sun Pharma, NTPC, Tata Steel, Titan and Infosys, rising up to 2.04 per cent, during the session, the Sensex declined 163.23 points or 0.42 per cent, while the Nifty fell 35.65 points or 0.31 per cent.

"Indian markets tracked weak global cues in the latter part of the trading day to end with losses. The uncertainty was with regards to the US-China trade meet this weekend and a lack of wholesome pickup in economic activity in many countries, including China."

The Indian retail inflation numbers that came in above the MPC's target also put doubt on expected rate cuts by the RBI, which the market was looking forward to. Weak results especially in the Auto sector also contributed to the losses," said Vinod Nath, Head of Research at Geotif Financial Services.

Retail inflation rose to 6.93 per cent in July, mainly driven by rising prices of food items like vegetables, pulses,

meat and fish, official data released post market hours on Thursday showed.

BSE bank, finance, oil and gas, FMCG and telecom indices fell up to 2.50 per cent in Friday's session, while metal, healthcare and consumer durable closed higher.

Brokerage BSE mid-cap and small-cap indices fell up to 1.02 per cent.

Global equities were under pressure following lacklustre industrial production and retail sales data in China.

Bourses in Hong Kong and Seoul ended in the red, while Shanghai and Tokyo settled with gains.

Stock exchanges in Paris, Frankfurt and London plunged up to 2 per cent in early deals, dragged by travel stocks, after the UK added more European countries to its quarantine list.

Global oil benchmark Brent crude was trading 0.65 per cent lower at USD 44.67 per barrel. In the forex market, the rupee settled 6 paise lower at 74.90 against US dollar.

At the interbank forex market, the local unit opened at 74.85 and then lost further ground to settle at 74.90, registering a decline of 6 paise over its previous close of 74.84 to the US dollar.

During the session, the rupee witnessed an intra-day high of 74.74 and a low of 74.93 against the greenback.

On weekly basis, the rupee inched up 3 paise against the US dollar. PTI

Allow e-way bill for intra-State transportation of gold: GoM

PTI ■ NEW DELHI

States can make e-way bill mandatory for transportation of gold within the respective states but implementing it for inter-state movement across India will not be feasible, a state ministerial panel suggested on Friday.

The group of ministers (GoM), comprising finance ministers of Kerala, Bihar, Gujarat, Punjab, Karnataka and West Bengal, set up to examine feasibility of implementation of e-way bill for movement of gold and precious stones met via video conferencing.

It was decided that if any state wants to implement e-way bill for gold, they can do so for intra- or within the state transportation," Bihar Deputy Chief Minister Sushil Modi told PTI.
