Note:-
1 The Company vide its letter dated September 1, 2017 informed the stock exchange about the approval of the Board of Directors to (i) transfer by way of slump sale on a going concern basis, for a lump sum consideration to its wholly owned subsidiary, Nelco Network Products Ltd (NNPL) of the following:
(a) Integrated Security and Surveillance Solution ("ISSS") business and (b) Very Small Aperture Terminals ("VSAT") hardware business and allied services consisting of network management, project management, infrastructure services, turnkey solutions for satellite communication systems, and co-location services to customers other than Tatanet Services Ltd (TNSL); and
(ii) the amalgamation of TNSL with the Company, through a composite scheme of Arrangement and Amalgamation (Proposed Scheme).
The Proposed Scheme has been approved by National Company Law Tribunal ("NCLT") on November 2, 2018. During the quarter ended June 2021 the Company has received approval from Department of Telecommunications (DoT) on June 9, 2021. The scheme is effective from appointment date i.e. April 1, 2017. Since, the above reorganisation is between the Company (holding company) and its two wholly owned subsidiaries, this has no implication on consolidated financial results of the Company along with its wholly owned subsidiaries.
2 As a part of transition to Goods Services Tax (GST) in June 2017, the Company carried forward the Conval/Service tax/Sales tax Input credit balance of Rs 31 Lakhs as on September 30, 2021 for future set-off against GST payable. However, due to technical glitch on the GSTN portal, the Company could not file the Form 1 within the prescribed period including the extended filing period. A writ petition filed by the Company in the Hon'ble High Court of Bombay for allowing the carry forward of the input credit balances was dismissed vide its order dated March 20, 2020. Thereby the petition and the claim of the Company of Rs. 31 Lakhs was disallowed. The Company has filed Special Leave Petition in Hon'ble Supreme Court and which is admitted by Supreme Court. Similar writ petition filed by subsidiary which merged with the Company for claim of Rs. 85 Lakhs with Hon'ble High Court of Bombay is pending for hearing. In view of the multiple judgements by various High Courts in India on this matter which supports the Company's claim and based on the advice received from independent legal counsel, the Company expects to recover this Input credit balance. In view of this, no provision has been made in the books of account against the recoverability of these balances.
