Regulations, 2015 – COVID-19 intimation**

Dear Sir(s),

In the light of the declaration of COVID-19 as a pandemic, the Company has been taking appropriate measures in its operations to safeguard against any risk of proliferation. Ensuring the safety and well-being of workmen, employees, their families, the society, the constituents we serve and the eco system in which we all interact remain our top-most priority whilst ensuring business continuity. Critical response teams have been set up across our organization to ensure that we remain at the highest level of vigilance and dynamic compliance on hygiene and sanitation while mandating the adherence to social distancing, minimal contact, working from home and a ban on travel until circumstances permit.

As a step in this direction and respecting the guidelines of both the Central and State Governments, the Company has taken steps to suspend production at all its locations till further notice. However, as the situation remains dynamic, we are on a continuous monitoring regime to take further decisions on the duration, subject to ongoing Government guidelines and policies.

This is for your information and record please.

Thanking you,

Yours sincerely,  
For **Orient Cement Limited**

**Nidhi Bisaria  
(Company Secretary)**
