3. The Company has changed its accounting policy in the current quarter with respect to accounting of provision for decommissioning cost of mines. Under existing accounting policy, the Company used to create the provision for such obligation with consequential debit to mine development asset and such expenditure was amortised over the life of the mines. Under the new accounting policy, the Company recognises the periodic provisions for such obligations with corresponding debit to cost of production in the Statement of Profit and Loss considering the mining regulations. The aforesaid change, being in line with the Generally Accepted Accounting Principles, will result into reporting for such obligations on more realistic basis and alignment of said policy with that being followed by peer companies.

As required by Ind AS - 8 "Accounting Policies, Changes in Accounting Estimates and Errors", the Company has retrospectively restated its Balance Sheet as at 31.03.2021, as at 01.04.2020 and Statement of Profit and Loss for the year ended on 31.03.2021 to give impact for change in accounting policy.

Limited Review for the impact of change in accounting policy has been carried out by the Statutory Auditors.

The Company has designated an exclusive e-mail ID viz. investors@gipcl.com for investor grievance redressal.
