Accordingly, we do not express an audit opinion.
4. Attention is drawn to the fact that the figures for the three months ended 31 March 2023 as reported in the Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it

MANAGEMENT COMMENT

“Q1 FY24 was an eventful quarter for Rane Group companies with demand remaining strong across major customer segments in India and International markets. Focused cost reduction initiatives and favourable material price trend resulted in profitability improvement. Demand across major vehicle segments continues to remain robust. We are closely monitoring the evolving economic indicators and continuing to prioritise cost reduction and operational improvement programs in the upcoming quarter.”

– L. Ganesh, Chairman & Managing Director, Rane Holdings Ltd.
