### MANAGEMENT DISCUSSION AND ANALYSIS

Your Company is engaged in the manufacture of Rigid PVC Pipes and Fittings .The government is backing the industry through favorable agricultural reforms. Demand is also expected to boost by Infrastructure & Construction development sustained by industrial, manufacturing and be stimulated by agriculture sectors.

As on December 15th, 2020, your company has take on lease the Land, Building and Machinery of Arcee Ispat Udyog Limited , a unit for manufacturing of Black Steel tubes & pipes, for a period of 10 years. Company has started its Commercial production of Black Steel tubes & pipes on January 14<sup>th</sup>, 2021.Now, Company is working in two segment:- 1. PVC pipe 2. Steel pipe

In the previous year the business was affected severely due to complete lockdown in April 2020 and then gradual lifting of business in May 2020. The business was again affected in July 2020 due to intermittent regional lockdowns. This has led to de-growth in volume for the full year.

PVC is the predominant raw material in the Company's Plastic Pipe business. The prices of PVC were in downward trend from 18th March 2020 till first half of May 2020. Overall prices of PVC had gone down by Rs.13.50 / kg during that time. Thereafter beginning 18th May 2020 prices of PVC started continuously increasing month after month upto April 2021. The prices have increased by approx. Rs.70 per kg upto 31st March 2021. This has affected country's PVC consumption which has seed de-growth by around 16% in volume for the year.

The Government at the Centre and States has put the priority focus on Jal Jeevan Mission, Swatch Bharat Abhiyan, Sanitation and affordable houses to all and development of 100 smart cities on all India basis. NITI Aayog has declared following as growth drivers across the country:

- Government infrastructure spending
- Increasing construction
- Increasing Industrial production
- Rising demand from irrigation sector
- Replacement of aging Pipes
- Providing affordable house to all
- Heavy investment by Government in irrigation,housing and sanitization

Almost all the above growth drivers will boost the business of Plastic Piping System Division.

Real Estate Regulation Act (RERA) has created a major transformation the way housing construction for sale was in vogue in the Country. Many prominent Business Houses have made ambitious plans in this sector to grow geometrically with launch of their projects at multiple locations. For affordable housing segment Company has introduced customer friendly drainage system under the different brand name "Streamline" which meets all functional requirements of the affordable Housing sector. The growth tempo has now started and the Company expects good demand coming from the segment on continual basis.

The catastrophic year 2020 after creating one of the greatest challenges of the century came to an end reversing the hopelessness with lots of positivity. The feel-good period, however, appears short-lived as the second wave of the pandemic spread most parts of the country which hampered the economic activities once again. Speed in vaccination covering the vulnerable sections, while maintaining all possible mandatory precautions against the disease remains the only solution left to fight the menace.

\*India's GDP contracts 7.3% in FY21

As far as steel sector is concerned, the country is ending FY21 with a total steel consumption of around 95-97 million tonnes of steel which is nearly 5 percent lower than the previous year. Apart from construction and infra sectors (68 percent share), engineering goods and fabrication comprises around

20 percent share of steel use, while automobile and packaging have shares of 9 and 3 percent respectively of total steel demand. The demand from the C&I sector is slated to go up substantially with more investment in Infra, stability in the real estate sector, FERA amendment etc, the demand from the Auto and Auto component sector may witness a consolidation stage in FY22 with the thrust towards EV, Petrol and diesel price hike and export opportunities.

The incoming public investment along with enhancement of FDI limits (from 49 percent to 74 percent in Defence, 100 percent in retail and real estate) has generated a good feeling in the commodity sector, steel being the significant beneficiary, and an enabling environment for infrastructure growth. As nearly 68 percent of steel goes for building, construction and infra sectors, it is imperative that the amount earmarked must be spent during the year

With several backward and forward linkages in place, several factors catalyse the demand in the PVC Pipes & Steel Tubes/Pipes industry. Traditionally, construction, infrastructure, agriculture sectors generate PVC Pipes & Steel Tubes/Pipes demand, while the availability of raw materials and workforce have an impact on the production.

However, the government is working towards bolstering India's industry by direct and indirect policy stimuli that are expected to increase demand.

The company has instituted adequate internal control procedure commensurate with the nature of its business and the size of its operations. Internal Audit is conducted at regular intervals and covers the key areas of operations. All significant audit observations and follow-up actions thereon are reported to the Audit Committee.

Your company's Industrial relations continued to be harmonious during the year under review. The focus is on maintaining employee motivation at a high level with stress on leadership development.

Estimates and expectations stated in this Management Discussion and Analysis may be "forward-looking statement" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expected or implied. Important factors that could make a difference to your Company's operations include economic conditions affecting demand/supply and price conditions in the domestic and international markets, changes in the Government regulations, tax laws, other statutes and other incidental factors.

## **INDEPENDENT AUDITORS' REPORT**

### **TO THE MEMBERS OF ARCEE INDUSTRIES LIMITED**

#### **Report on the Audit of the Financial Statement**

##### **Opinion**

We have audited the accompanying financial statements of Arcee Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of The Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

##### **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

##### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on the work during the year no such matter to be reported in this regard.

##### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based

on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.

In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.

With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

We have audited the internal financial controls over financial reporting of ARCEE INDUSTRIES LIMITED the Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### **TAXES ON INCOME**

Deferred Tax is recognized, subject to the consideration of prudence, in respect of deferred tax assets or liabilities, on timing differences, being the difference between taxable income and accounting income that originate in one period, and is reversible in one or more subsequent periods.

Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in the future; however where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets and are reviewed for the appropriateness of their respective carrying values at each reporting date.

Income Taxes are accrued in the same period the related revenue and expenses arise. A provision is made for income tax annually, based on the tax liability computed, after considering tax allowances and exemptions. Provisions are recorded when it is estimated that a liability due to disallowances or other matters is probable. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives rise to future economic benefits in the form of tax credit against future income tax liability, is recognized as an asset in the Balance Sheet if there is convincing evidence that the company will pay normal tax in future and the resultant asset can be measured reliably.

### **IMPAIRMENT OF ASSETS**

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Statement of Profit & Loss of the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting periods is adjusted if there has been a change in the estimate of the recoverable amount.

### **BORROWING COSTS**

A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred. ### **PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

Contingent Liability is disclosed in case of a present obligation arising from past events when it is not probable that an outflow of resources will be required to settle the obligation, or a present obligation when no reliable estimate is possible, or a possible obligation arising from past events where the probability of outflow of resources is remote.

Contingent Assets are neither recognized nor disclosed.
