ARISE

Rise is a small word that is fueled by the culture of our company and the way in which we function. It instills in us an aspiration for greatness, a passion to deliver beyond expectations and an attitude to welcome change and **#KeepEvolving**. It motivates us to take unprecedented steps, to be resilient in the face of disruption and look towards the future with great optimism. Our determination to RISE is how we were able to deliver value to all our stakeholders throughout the years, and it's how we will continue to do so, in the years to come.

We at the Ajmera Group believe that change is the only way to retain our competitive edge and remain relevant in a dynamic & unpredictable environment. The past year was an unforeseeable calamity for the world. Like many others, we too grappled to overcome the herculean challenges that arose as a result of the nationwide lockdowns.

At a time like this, our corporate ethos, #KeepEvolving, proved to be a beacon that helped us navigate the unprecedented storms and emerge triumphant in the real estate segment.

We, at the Ajmera Group, not only managed to keep our heads above water, but also worked tirelessly to ensure that our employees, home buyers and the community were safe and well-cared for during these hard times.

The financial year of 2021 made us realize the true value of our philosophy and the power it wields in the face of adversities.

Drawing from the experiences of last year, we've chosen to amend our course and tread down a path where we:

RISE to the needs of the community

RISE above the expectations of customers

RISE at a faster pace without compromising on our principles

We are certain that this new path, will help us uphold our legacy of trust & growth that we have built over the last 52 years.

Our legacy should not only be defined by the magnificent landmarks that we create, but also by the integrity & transparency with which we create them. The Ajmera Group is remembered for the relationships it has nurtured over the years and the destinations built along the way.

RISE

of the Ajmera Group

VISION

To be a preferred and trusted company for Stakeholders through sustainable growth, quality-driven products and a 'keep evolving' mindset.

MISSION

To raise the Ajmera Group brand to greater heights by leveraging our legacy and new-age management.

VALUES

Working together towards sustainable growth through conservative debt policy, timely delivery, customer-first approach and quality above all else.

1975

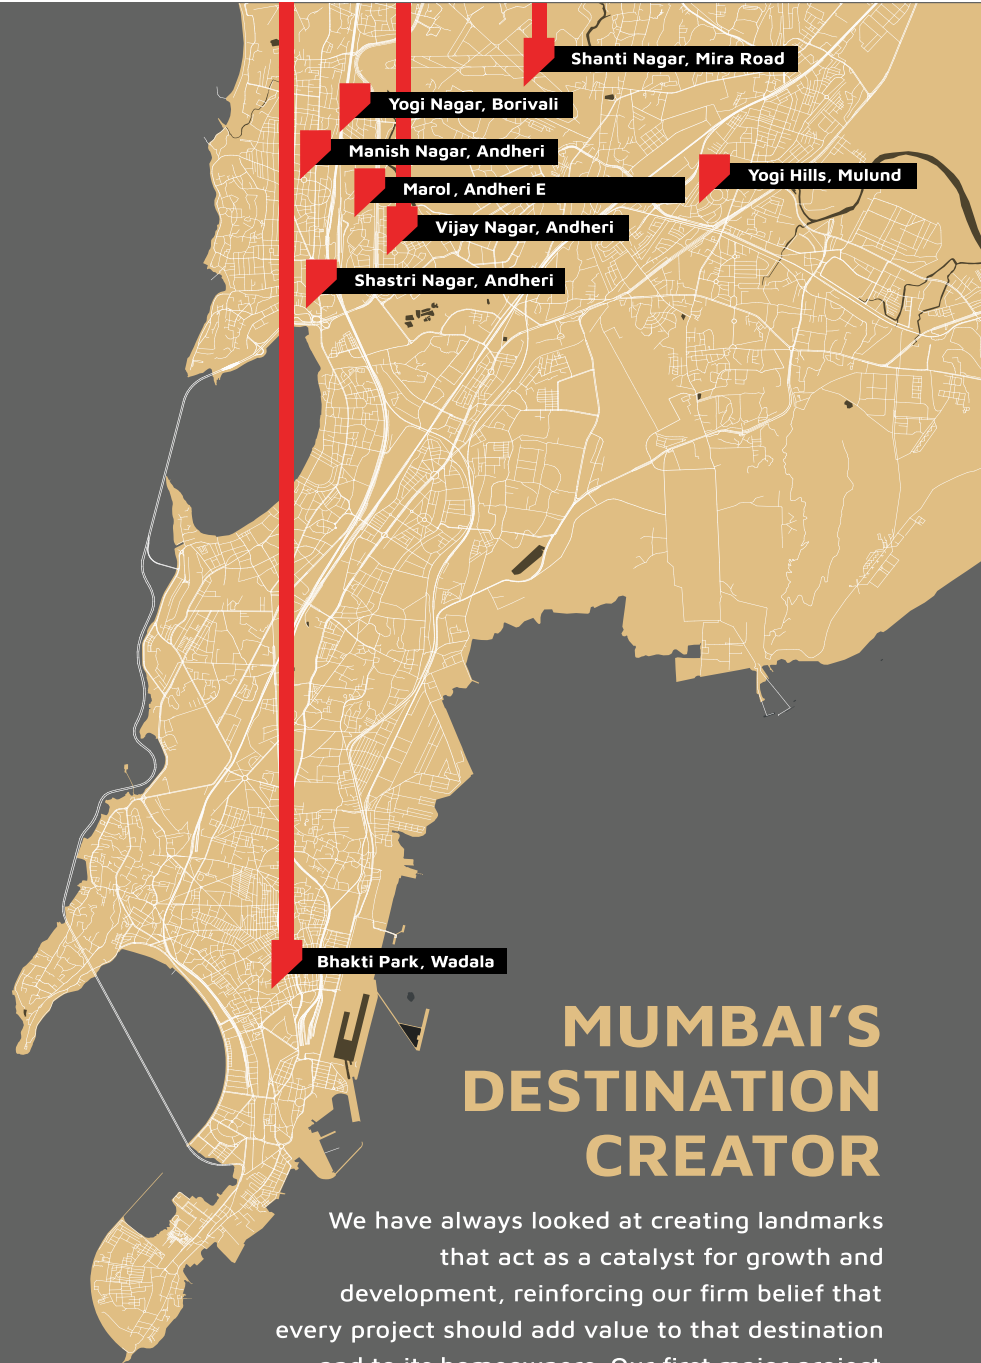

Ex. Chairman, Sri. Chhotalal S. Ajmera handing over 31 apartments to L&T owner at our Andheri East Project.

OUR LEGACY

We are a real estate brand whose reputation precedes us. With a delivery track record of over **30 million sq. ft.** and over **3.5 million sq. ft.** under development in **6 cities of 3 countries**, we are well on our way to building a brand that stands taller than our high-rises.

We are the name behind some of the largest township projects across India as well as **Mumbai's largest garden, spanning 25 acres.**

We offer a **diverse product mix** that includes residential, commercial and retail constructions. Presently, we have **100 acres** of land, **half of which is already reserved** for residential projects with options ranging from mid-income to affordable luxury, across various housing micro markets.

MUMBAI'S DESTINATION CREATOR

We have always looked at creating landmarks that act as a catalyst for growth and development, reinforcing our firm belief that every project should add value to that destination and to its homeowners. Our first major project in the late '70s completely redefined the face of Andheri and earned us the title of **Destination & PIN Code Creator**. From then onwards, our mission has been to unlock the potential of underrated destinations and create urban hubs that put them on the map.

We are proud to say that Ajmera was the first real estate company to venture into Mira Road and build a township that changed the dynamics of the location forever. Similarly, our various luxurious projects in Andheri have helped drive up the value of the location and transformed it into a dream address for many home buyers. Our prestigious 25-acre public garden in Wadala, Mumbai's largest to date, has enhanced the neighbourhood's acceptability, resulting in an overall appreciation of the location.

BUILDING TRUST

At the Ajmera Group, we always strive to keep our name synonymous with trust & reliability.

Over the last **52** years, we have constantly endeavoured to build upon this belief by reflecting our business ethics, integrity, quality and punctuality in our projects.

The overwhelmingly positive response to our latest project Ajmera Greenfinity, which registered **-35% sales within a month of its launch**, exclusively through word of mouth, is a testament to the confidence that the homeowners of today, repose on us. This assurance encourages us to achieve even greater heights of success.

We believe that the adoption of technology & innovation can take us to new heights, but not without a forward-thinking leader at the helm. Thus, we've made tremendous investments in next-gen leadership & technology, so as to preserve our stature & legacy.

Building a Futuristic

ENTERPRISE

ADAPTING TO THE DIGITAL WORLD

In keeping up with the ever-changing world, we have begun to prioritize the construction of smart buildings with better user experience, energy efficiency, security and smart environments. We are extremely passionate and focused on employing the latest technologies in building and construction.

We have initiated the implementation of **home automation systems** and **best-in-class security systems** in almost all our projects. Our ongoing **project Ajmera Nucleus, in Bengaluru, is IOT enabled** while project Ajmera Greenfinity at Wadala has a host of smart home technologies integrated within the apartments.

Our flagship project – Ajmera Zeon, part of the Group's i-Land Township, was **awarded a Gold Rating by the Indian Green Building Council.**

Given the limitations of the lockdown and restricted movement of people, we came up with innovative solutions to address the safety & mobility issues of our customers. By digitizing the **viewing of flats through QR codes, brochures and virtual project walkthroughs**, we ensured a seamless and safe home buying experience, even during the pandemic.

SUSTAINABLE LEADERSHIP — BUILDING BLOCKS FOR THE FUTURE

Very few companies in the real estate industry have succeeded in maintaining the longevity, leadership and unity that the Ajmera Family has maintained for 3 generations. We believe that succession planning provides stability to the company and avoids hindrances during the passing of the baton from one generation to the next. So, here's a glimpse of what the future of our leadership will look like— young, enthusiastic, compassionate, and purposeful individuals, ever-willing to go the extra mile.

We are proud to have nurtured a generation of competent leaders who will take forward the legacy we have built, the values we have upheld and the trust that we have secured, into the next phase of growth.

Our new leadership is a team with a diverse set of expertise, unique perspectives, digital inclinations, creativity and agility — all traits that we believe will help steer the company onwards & upwards.

Preparing the next generation of leaders at Ajmera.

Some of the key growth drivers for the company in the coming years are outlined below:

INTRINSIC LAND BANK – DRIVING ORGANIC GROWTH

With an inherent development potential of over **18 million sq. ft. of land parcels** owned by us within key markets of operation, we are confident of achieving revenue growth of more than **3 times** what we are today, even without having to acquire any new land banks in the city of Mumbai.

These historically owned land parcels will be our key growth drivers over the next 5 years. They will enable us to develop multiple asset classes in the affordable, mid-income, luxury and commercial segments.

WELL DELEVERAGED FOR GROWTH

The **conservative debt policy** of our company also provides a significant advantage in our journey of growth. The company, over the years, has deliberately refrained from over-leveraging on any of the projects and has continued to focus on efficient execution with minimal working capital requirements. This undoubtedly provides us with the right springboard to catapult us to the next level of growth.

We have envisioned a future with manifold growth, powered by our 'no holds barred' approach, and ability to capitalize on the tools & resources that are already at our disposal.

Our 3-Fold RISE

We strongly believe that the next decade in the real estate industry belongs to Grade A Organizations that have an inherently strong brand recall, are financially sound and are supported by strong balance sheets that are not leveraged. Herein lies a great opportunity for us!

Given our values and internal business processes along with visionary leadership, we are well poised to leap to greater heights in the next 3-5 years.

NUCLEUS

Whitefield • Bengaluru

COMMERCIAL POTENTIAL

After decades of developing residential projects, we now plan to focus on commercial real estate as well. A land parcel within the Ajmera township of Wadala has been identified for a high-end commercial park. This 6.5-acre land has the potential for commercial development estimated to be about **3 million sq. ft.** of leasable area. By developing a **Grade-A landmark commercial project**, we aim to create a niche for ourselves in the commercial real estate market.

Project Ajmera Nucleus is another commercial project **coming up at Whitefield, Bengaluru** and is estimated to generate a rental income of about **INR 7.5 crores approx. annually** once completed. This would set the ball rolling on the annuity-yielding assets and lead to the creation of a robust commercial portfolio for us.

NEW PROJECTS IGNITING GROWTH

We are set to launch multiple projects in the coming year — two in Mumbai and one each in Pune and Bengaluru, admeasuring about 1.5 million sq. ft. of saleable area and an estimated topline of ~INR 2,000 crores, which will surely fire up growth. These build-to-sell (residential) projects will help in liquidity positions and cashflows, while the commercial developments will help unlock the value of the land and create a fixed annuity income for us.

INTERNATIONAL PRESENCE

In keeping with **our global vision**, we have launched a number of projects overseas in collaboration with reputed local partners. Projects such as King's Borough, The Crossways, Savoy Close and Southall Men's Working Club are all low-investment, mid-return projects, set up in prime locations in London. We believe that these projects will be supportive in driving up our overall growth trajectory over the next few years.

STRONG EXECUTION CAPABILITIES

One of the key elements of growth for the real estate sector today is the capability of developers to execute projects and deliver homes on time. We, at the Ajmera Group, rely on our decades of experience, efficient planning, in-house skills and technological strengths to deliver superior and high-quality constructions well on time. Our capabilities and commitment to deliver can be witnessed through the timely progression of project Ajmera Nucleus at Bengaluru, despite the lockdowns and its restrictions.

Another shining example is our project Ajmera Greenfinity at Wadala, Mumbai. Launched in January 2021, this smart home-enabled project has already completed the casting of 10 slabs and has seen a staggering sales response so far.

King's Borough - Kingston

LONDON

The new feathers in our hat and upward growth trajectory despite the odds, speak volumes of our never-yielding spirit and #KeepEvolving mindset. The facts & figures are simply a testament to our perseverance.

TO SUMMARISE

Key Highlights for FY 2021

Despite an extremely challenging year with lockdowns & restrictions that had a crippling effect on the real estate industry, we are proud of our ability to move forward, tide over the challenges and successfully navigate the downturn through path-breaking project launches that sustained both the top-line as well as our bottom-line.

demand from individual professionals and smaller businesses. Ajmera Sikova, Ghatkopar is a mere 10 min walk from the railway station and is accessible by all modes of transport in Mumbai. In Bangalore, the newly launched Ajmera Nucleus Tower C which is part of a larger 5.5 acre layout is strategically located close to key business districts and is well connected to other major parts of the city.

Dear Shareholders,

I hope you and your family are doing well, given the times and the circumstances. We will always remember 2020 as a year that made the word "unprecedented" a part of our daily dialogue. While the COVID-19 pandemic tested, and continues to test the limits of human endurance, it also underlines the great power of human resilience. Communities that we serve and are part of, continue to be hit hard and recovery is going to be a slow process. The spread of the virus and, the resultant lockdown in March 2020 disrupted economic activities and led to the GDP contracting in the first half of 2020.

While the real estate industry started to show signs of recovery in the second half of FY21, the pandemic hastened certain trends and transformed certain business practices and outlooks. Investor sentiments remain strong even in this environment with financial institutions on the lookout for opportunistic deals and income-yielding assets. The signs of rising demand in residential markets returned in the last two quarters of FY2021 and have given renewed hope and anticipation for the next financial year.

FY2021 was the year that disrupted our real estate industry in many ways. However, FY2022 could be the year where we shift to a new normal and use the tools of survival to move towards unprecedented success in our business. Cities like Bengaluru proved to be resilient in times of adversity, while our financial capital, Mumbai was hit hard especially with regard to residential and commercial office spaces with signs of revival towards the end of FY21. The Maharashtra State Government's announcement of a reduction in stamp duty and concession in regulatory premiums was a strong move that greatly helped the city developers. Mumbai has moved towards consolidation over the past few years, fast-tracked to an extent by the pandemic. Positive trends in the residential and commercial spaces have given city developers hope of a better FY22.

As I present to you Ajmera Realty & Infra India Limited's Annual Report 2020-21, let us appreciate that the year 2020 -2021 is not a year that can be reduced to a bottom-line. It deserves to be remembered as a year when we demonstrated our strength and commitment to stand together as one team and deliver on our promises to the best of our abilities.

Given the global economic down-surge, investors and customers have become wary of participating in real estate ventures, but our legacy and reputation continues to make the Ajmera name a preferred choice. During 2021, we saw an 80% increase in sales value from Rs.339 Crs. in FY20 to Rs. 615 Crs. in FY21. 380 units sold in FY21 also indicates a 50% growth over the previous year. This was coupled with a growth in sales advances by 35% (Rs. 521 Crs. received) if we are to make a year-on-year comparison. We de-leveraged significantly through the repayment of Rs. 200 Crs. on our construction loans for the projects and now with a leaner leverage position, we can seize growth propositions likely to come our way due to the consolidation mode prevalent in the market.

Our ongoing projects are at different levels of completion and continue to be on schedule. Even the newly added projects - Ajmera Greenfinity, Sikova and Nucleus Tower C with an estimated sales potential of Rs. 500 Crs. have already clocked a robust sale of Rs. 90 Crs (approx.) since their launches. In launching Ajmera Greenfinity, we were able to cater to a demand for 1 & 2 BHK homes in the mid segment housing, while with our commercial project Ajmera Sikova we look to meet the

With an aim to sustain business growth, I am delighted to report that our company has adopted several technological interventions during the lockdown. Our thrust on IOT in some of our current flagship projects opens up stronger possibilities to deploy cutting-edge technology in our projects going forward. This has also given us an edge in creating effective digital engagement models in areas including CRM, ERP & BIM. Our digital communication infrastructure, already in place before the lockdown, has been aggressively adopted to seamlessly communicate with our existing and potential customers. Our ever-strengthening influencer relations on social media channels continue to support this process.

In a strategic milestone move, we completed the de-merger of an undertaking into our wholly owned subsidiary company 'Radha Raman Dev Ventures Private Limited' to unlock 6.5 acres of land for a potential commercial project at Wadala. The de-merger enables us to focus on acquiring strategic investments and partnerships to help the company realize the full value of this project for which we are currently awaiting the NCLT approval. Given the strong liquidity that our company enjoys, the growth strategy for the future will be focused on optimizing our existing revenue drivers and moving our currently owned land parcels into development. We are also exploring a number of inorganic growth avenues by acquiring projects through JV/JDA/DM models with an asset-light, quick turnaround approach.

The challenges of the fiscal year 2020-2021 have further augmented the robustness of our business model and has reinforced our confidence to leverage opportunities arising from favourable macro-economic landscapes, sustainable demand for affordable housing and policy initiatives.

As we look forward to a brighter future, I would like to acknowledge those who have stood unwavering in their commitment to the company. All our employees worked as a team to rise up to every challenge and embody the true spirit of 'evolving with the times'. I also express my heartfelt gratitude to our Board of Directors, bankers, partners & associates and customers for their steadfast support during this time of adversity.

I look forward to a future where a new sunrise will illuminate newer realms of growth, better opportunities and prosperity for all.

Warm regards,

Rajnikant S. Ajmera
Chairman & Managing Director

BOARD OF DIRECTORS

Shri Rajnikant S. Ajmera, Chairman & Managing Director of the company, aged 68, is the pillar and guiding force behind the growth of our Ajmera Group of Companies. A Civil Engineer by qualification, Mr. Ajmera, assumed diverse managerial responsibilities over his 42-year long career. His role in the construction industry has branched out extensively and now encompasses land development and construction of residential colonies.

He served as the President of MCHI (Maharashtra Chamber of Housing Industry), as well as in the CREDAI (Confederation of Real Estate Developers Association of India), in the capacities of President and Vice President. In his tenure of Directorship, he has been instrumental in bringing amendments to various rules governing this industry and is actively involved in the MCHI Grievance Redressal Cell.

Apart from this, he has played an advisory role in various Management and Educational Institutions across Mumbai and Pune. He is known for his dignity, honesty and sage advice in all walks of life and was conferred **The Lifetime Achievement Award by 11th Realty+ Excellence Awards 2019**.

Shri Manoj Ishwarlal Ajmera, the **Managing Director** of the Company, aged 59, leads the strategic planning, fundraising & monitoring of the overall growth trajectory of the Ajmera Group. With his rich experience of 37 years and quick & practical decision-making abilities, Mr. Manoj Ajmera has played a pivotal role in the evolution of our Group. He efficiently leads the legal matters related to various projects and has contributed tremendously towards the development of projects like Shanti Nagar at Mira Road, Thane District.

Shri Sanjay C. Ajmera, Whole-time Director, aged 54, has been actively involved in the group for almost 30 years. He is well associated with business development and works in liaison with Government and Municipal authorities. He also plays a leading role in development and construction projects in Pune, and is also associated with redevelopment projects undertaken by the Group. Mr. Sanjay Ajmera's practical approach and pleasing personality have contributed to the success of various prestigious projects all over India.

Mr. A.C. Patel, an **Independent Director**, aged 77, is a Metallurgical Engineer from IISC, Bengaluru (batch of 1969). He also serves as an Independent Board member of major Indian corporates such as Sumeru Industries Limited, SAL Steels Limited, Jindal Hotels Limited and Shree Precoated Steels Limited.

He started his career with Gujarat Mineral Development Corporation Ltd. (GMDC) in 1969. He joined Gujarat Industrial Investment Corporation Ltd. (GIIC) in the year 1973 as a Technical Director, serving the corporation for over 30 years until his retirement in 2004. Mr. A.C. Patel's vast knowledge & experience continues to guide the Board of our Company.

Aarti Ramani, an **Independent Director** on the Board, aged 61, is the proprietor of Alpha Environs – a pioneering environmental and water management firm, with extensive government, semi-government and private projects in hand.

Her firm has successfully executed large afforestation projects of forest land in Maharashtra, Gujarat and Goa. Among the firm's many achievements are the landscaping, water management, soil conservation and self-sustainable plantations for India's first private SEZ in Gujarat. The firm also specializes in CRZ consultancy.

Mr. K.G. Krishnamurthy, an **Independent Director on the Board**, aged 65 is a graduate from IIT Kharagpur with a Management Degree from Jamnalal Bajaj Institute of Management, Mumbai. Mr. K. G. Krishnamurthy was the Managing Director & CEO of HDFC Property Ventures Limited (HPVL). Prior to that, he was employed with HDFC as Senior General Manager-Technical Services. He had advised international and domestic real estate funds having an aggregate corpus of INR 71 billion.

He has a vast experience of over three decades in real estate and has been widely consulted by the industry on real estate matters. He has offered his services to the Asian Development Bank-to develop a housing package for Project Affected Persons under Karnataka Urban Infrastructure Project and to the USAID to build-up a mortgage market in Sri Lanka.

He is on the Board of Booker India Limited (A TATA and TESCO Enterprise), Ajmera Realty & Infra India Limited, Vascon Engineers Limited, MMK Toll Road Private Limited, Shriram Properties Limited and Puravankara Limited.

Our growth means very little if we cannot improve the quality of life of the communities we build. Through sustainable projects, social outreach and ethical practices, we intend to add value to society and build goodwill for ourselves.

Awareness on the **RISE**

We believe that sustainability is the need of the hour. That is why we make a conscious effort towards developing green constructions. Right from selecting the site location to designing, constructing, operating, maintaining, incorporating renewable energy systems, waste water management systems and more, we are extremely focused on building a greener, smarter and better future for all.

ENVIRONMENT

EFFICIENT IMPLEMENTATION OF RENEWABLE ENERGY

- Effective utilization of Solar Energy to help provide a foundation of sustainability.
- Installation of motion sensor lights in common areas of the building, along with the use of VRV & inverter type HVAC systems to minimize the overall usage of electricity.
- Solar-coated glass facades on exteriors for improved HVAC cooling & reduced carbon footprint.
- Terrace-tops in all our constructions are installed with puff insulations, aimed to reduce the temperature of the top floor slabs.
- We use organic waste converters to minimize the garbage volumes and reuse generated waste as manure for horticulture.
- We have minimized the use of natural wood in our construction work through the use of cement-bonded boards.
- We have made a conscious effort to reuse STP waste water for landscape irrigation, horticulture & sanitation purpose in our projects to ensure minimal use of fresh water.
- We implement the usage of petroleum by-products for waterproofing works, power plant by-products (Flash) in the production of concrete and environment-friendly AAC blocks instead of burnt clay bricks.
- We do not create any toxic chemical wastage during our business operations.

ENERGY CONSUMPTION

- We use Inverter Technology Drive Compressors for HVAC purposes to optimize energy consumptions by investing more in capital goods.
- In a situation where our main power supply fails, we use alternate power supply lines from service providers instead of DG sets to curb the usage of fossil fuel-driven power supply options.
- We have also taken various steps towards the improvement of power supply by installing Capacitor Banks and UPS as a standby power supply backup.
- Other energy conservation measures taken during the financial year under review include Optimization of Compressor Operations and the disuse of standby power when machines were not in use.

SAFETY FIRST

SOCIAL RESPONSIBILITY

We believe that our responsibility towards society goes beyond the bounds of construction. That is why we have made significant contributions in the fields of healthcare, education and most recently, in the fight against COVID-19.

Our CSR committee, headed by **Mr. Rajnikant Ajmera, Mr. Manoj Ajmera** and **Mr. Ambalal Patel** disbursed **contributions of INR 1.29 crores towards various social causes in FY21.**

INITIATIVES IN HEALTHCARE

- Donation of PPE Kits to Orion Healthcare – INR 15,00,000
- Donation to Shri Swami Narayan Hospital and Medical Research Foundation towards Medical Facilities – INR 51,00,000
- COVID Centre in Dahisar – 150 beds

INITIATIVES IN EDUCATION

- Donation to Shri Swami Narayan Vidyapith (Gujarat) for Education Purposes – INR 51,00,000
- Donation towards School Building Fund for construction of a new school in Mumbai – INR 12,05,000
- Free Health Checkups and Medicals for labourers.
- Best-in-class safety arrangements at all our project sites.

All our social responsibilities are carried out through our group level trust — **Shamalji Samjuben Ajmera Trust**, or our registered private trust, **Vijay Nagar Trust.**

STRONG GOVERNANCE

- We have established a **Structured Digital Database** online portal to curb trading with UPSI.
- A **Board Diversity Policy** was put in place to enhance the effectiveness of Board performances.
- Provision of **Insurance Renewals** along with regular **Health Checkups.**
- **Regular and Timely Disclosures** that are SEBI compliant.
- Use of **ERP Platforms** for effective and efficient supply chain management.
- Building of Business Relations with manufacturers that have a **Low Carbon Footprint.**

From the very beginning, we've understood that it's the customers who build a company. Therefore, every decision we make, every building we construct, or initiative we launch, is done with the intention of enhancing customer experience & securing their loyalty.

RISE TO OUTSHINE

CUSTOMER RELATIONS

We greatly value the relationship we have with our stakeholders and go beyond expectations to maintain a cordial, positive and strong relationship with them. Be it our shareholders, employees, channel partners and most importantly our customers, we do our best to secure their trust & confidence.

We engage with our Channel Partners through regular **real estate dealer meets** and keep shareholders updated by publishing **press releases, financial results & conducting analyst meets** from time to time. **Investor queries are addressed promptly** and there is active participation in **investor meets** to discuss key business opportunities. **Customer engagement initiatives** are also conducted regularly across various sites to ensure market buzz.

IT INITIATIVES

- Migrated ERP from on-premises to a cloud-based platform which ensures 24x7 uptime & seamless upgradation of systems without any hassle.
- Enabled **Work From Home** for all the employees to minimize the effects of the lockdown on business processes.

MARKETING INITIATIVES

Marketing and brand building in the real estate sector has seen a major transformation in recent days. In keeping pace with the times, we have drastically shifted our focus to new-age marketing methods. We now create virtual tours of projects that enable customers to explore the sites while staying safe at home.

We also have a strong presence on social network sites and leverage digital media effectively, to drive quality lead generation campaigns that are well-optimized to deliver good results.

IMPLEMENTATION OF LEAD & DATA MANAGEMENT SYSTEM

To support its strong push on digital marketing initiatives, the company has implemented a robust lead management system to track leads right up to the point of conversions.

IMPLEMENTATION OF FARVISION.COM

- Online platform to track customers from the lead acquisition phase to final booking and servicing.
- Ability to engage customers online through web leads.
- Comprehensive Lead Management Policies.
- Adequate guidelines on segmenting the database, frequency of contacts, choosing the right customers and providing them with the right experience.

DEDICATED LEAD MANAGEMENT TEAM

- We have assembled a dedicated **call center** with quality & well-trained manpower.
- We have also set up efficient **inbound & outbound tele calling facilities** with advanced dialer services, integrated backend IVR and the capacity to handle 300 calls a day.

ADVERTISING & COMMUNICATION DEVELOPMENT

We work with one of the most renowned creative agencies **Another Idea** that specializes in luxury and aspirational brand identity creation. Our media buying across communication channels like digital, OOH, radio, etc. is managed by the media agency **MAD**.

ON-GROUND ACTIVATION

We actively participate in all major property exhibitions across the country organized by leading trade bodies like **MCHI, Times Property** and others.

MEDIA RELATIONSHIP

We are well known in the industry as a thought leader with staunch corporate values. We work with leading PR agencies such as **Adfactors** to manage the company's media relations.

RESEARCH & BUSINESS STRATEGY

In-depth market mapping and price discovery research is carried out regularly through our research partners, **Cushman & Wakefield**.

Built to

SURPRISE

We have recognized the power of putting our employees first. Unlike most organizations, our level of care and involvement in aspects of career advancement, far exceed the expectations of our employees. The kind of work culture we've fostered, often comes as a surprise to many.

WORKPLACE INITIATIVES

COVID-19 INITIATIVES

- Distribution of hand sanitizers & masks to all employees.
- Daily sanitization of corporate, branch & site offices.
- RTPCR & Rapid Antigen Tests for all construction worker at site entrance & during migration.
- Vaccinations drives for all employees, their spouses as well as construction & contract workers.
- Safe commutes for employees through pooled transport.

Outlook of the Company:

We are proud as well as humbled to state that in spite of everything, the 2020-2021 journey for Ajmera is, worth celebrating and being grateful for. In the midst of a continued upheaval that gravely impacted lives and crippled livelihoods across industries we continued to evolve, innovate and adapt to a new normal in our services and products. While endeavouring to realign ourselves to the changing real estate landscape, implement adaptive growth strategies and create value for all the stakeholders, we continued to deliver on our commitments without compromise.

We have completed FY21 with good operational performance in terms of units & value of area sold, sales collection and debt deleveraging. We have a high visibility of revenue growth due to our superlative operational performance, combined with the advanced completion stage of projects such as Zeon, Treon and Ajmera Nucleus, mid-level completion stage of project Ajmera Lugaano, and initial development stage of projects Ajmera Greenfinity, Ajmera Sikova & Ajmera Nucleus C Tower.

We further plan to launch 4 new projects, 2 in Mumbai and one each in Pune and Bengaluru, admeasuring about 1.5 mn sq. ft. of saleable area. We are also considering new acquisitions through JV / JDA / DM model under our asset-light strategy for inorganic growth.

Despite the challenging business environment during the year 2020-21, your Company was back on track and continued its business and operations through optimum technology and cost efficient programs.

COVID-19 has had a catastrophic impact on people and economy globally. We, in Ajmera focused on the following during this crisis:

- (a) Safety of employees and other stakeholders &
- (b) Ensuring continuing of the construction activity after the same was permitted by Government with utmost security and safety precautions.

Your Company also collaborated with DR. MEENA'S MULTISPECIALTY HOSPITAL & provided COVID-19 vaccine free of cost to all its eligible employees and their spouse.

Your Directors wish to place on record their appreciation to the Company's employees, suppliers, customers & Government authorities for their selfless efforts who helped your Company reach normalcy in operations within few weeks of lock-down. The ownership and responsiveness shown by all the stakeholders is unparalleled and is a testimony of the spirit of this great organization.

Your Company shall review the long term impact of the pandemic and take all steps necessary to adapt itself to emerging changes and the new normal. The detailed impact of COVID-19 is provided in the Management Discussion & Analysis Report forming part of this Annual Report.

Form No. MR-3
SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

The Members,

AJMERA REALTY & INFRA INDIA LIMITED
CITI MALL, LINK ROAD, ANDHERI (W)
MUMBAI - 400053.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **AJMERA REALTY & INFRA INDIA LIMITED** (hereinafter called the "Company") for the audit period covering the financial year ended on 31st March, 2021. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March 2021, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

1. I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2021, according to the provisions of:
 - (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
 - (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
 - (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
 - (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment;

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- (c) Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018
- (d) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015

2. There were no actions/ events in pursuance of following Regulations of SEBI requiring compliance thereof by the Company during the period under review:

- (i) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- (ii) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
- (iii) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
- (iv) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- (v) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; and
- (vi) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client

3. Provisions of Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of External Commercial Borrowings were not attracted during the year under review;
4. Based on the information provided and review of the Compliances Report of Managing Director taken on record by the Board of the Company and also relying on the representation made by the Company and its Officers, in my opinion adequate system and process exists in the company to monitor and ensure compliances with the provisions of general and other industry and sector specific Laws and Regulations applicable to the Company, as identified and confirmed by the management of the company and listed in **Annexure -A** to this report.
5. I have also examined compliance with the applicable clauses of the following:
 - (i) Secretarial Standards (SS-1 and SS-2) issued by The Institute of Company Secretaries of India; and
 - (ii) Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Limited.

During the Audit period, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards mentioned above and there are no material non-compliances that have come to my knowledge except non-compliance in respect of:

- (i) Regulation 47 read with Regulation 30 with reference to disclosure of events specified under Clause 12 of Para A of Part A of Schedule III of SEBI (LODR) Regulations, 2015 as the Clippings of Newspaper publications referring to the intimation of Board Meeting held to approve Financial Results for the quarter ended 30th September 2020, were not submitted to the stock exchanges.

I further report that compliances of finance and tax laws and maintenance of financial records and books of accounts has not been reviewed in this Audit since the same have been subject to review by statutory Auditors and other designated professionals.

I further report that:

1. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors

and Independent Directors. No changes in the composition of the Board of Directors took place during the period under review.

2. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting
3. All decisions at Board Meetings and Committee Meetings were carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the Audit period, following event occurred which had a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above:

The Scheme of Arrangement for demerger of Wadala Project from the Company into Radha Raman Dev Ventures Private Limited (Wholly owned Subsidiary of the Company), has received "No adverse observation Letter" from the stock exchanges.

MANAGEMENT DISCUSSION & ANALYSIS

Economic overview (Global & Indian economy)

A. ECONOMIC OVERVIEW: A tough year but signs of recovery bring muted cheer.

The COVID-19 pandemic has ensured that life as we know it, will never be the same again. A change of such unprecedented proportions has created tectonic shifts in the Indian business ecosystem. A holistic focus on safety, wellness, health and hygiene will accompany a massive transformation in how various industries evolve across both their physical as well as commercial aspects.

The spread of the virus and resultant lockdown in March 2020, disrupted the economic activities and led to the GDP contracting in the first half of 2020.

Since then, however, we have seen offshoots and the economy has begun to move towards normalcy faster than was initially anticipated. More importantly, our country could potentially be on its way to becoming the fastest growing economy in the coming year.

Indicators such as steady and consistent recovery in GST collections post September 2020 and normalizing of electricity consumption, demonstrate the fact that the Indian economy has smartly navigated the COVID-19 shock.

Certain stimulus packages such as 36 billion USD for jobs and 1.4 trillion USD outlay planned over 5 years for infrastructure pipeline, and increase in FDI limit for strategic sectors to 74% from 49%, will prove decisive as our country fights to move back to normalcy in a post COVID environment.

A sharp rebound in the GDP is anticipated in FY22, and with economic indicators likely to start looking up, we at Ajmera are bullish to a brighter and successful tomorrow.

B. INDUSTRY OVERVIEW

While the real estate industry started to show signs of recovery towards the end of FY21, the pandemic hastened certain trends and transformed certain business practices and outlooks.

Investor sentiments remain strong even in this environment with financial institutions on the lookout for opportunistic deals and income-yielding assets. The signs of rising demand in residential markets returned in the last two quarters of FY2021 and have given renewed hope and anticipation for the next financial year.

With 3 listed REITs over the past 2 years, improved governance & relaxed FDI norms and the 'Make in India' movement to boost the ease of doing business in the country, real estate in India is pegged for substantial recovery in the coming year.

FY2021 was the year that disrupted our real estate industry in many ways, however, FY2022 could be the year where we shift to a new normal and use the tools of survival to move towards unprecedented success in our business.

C. CITY SPECIFIC REAL ESTATE OVERVIEW

Bengaluru

Bengaluru has emerged as one of the most important and diverse real estate markets in India over the past few years. The city has maintained steady growth and has established a stronghold in the eyes of customers and investors alike. Even during the pandemic, Bengaluru proved to be a resilient market. The institutionalization of the Bengaluru real estate market due to its preference as a destination for private equity investors and REIT vehicles alike, has led to the city prospering even in the face of adversity.

Mumbai

Mumbai is the financial capital of the country and boasts of a vibrant and diverse culture that is seen only in few mega cities across the world. Mumbai, however, was one of the worst affected cities in real estate during this pandemic and extended lockdown. The city's residential and commercial office markets were absolutely battered and revival in the last few months of FY21 was welcomed by developers and lenders. The slow movement and upward trend in sales and rental activities in Q3 and Q4 of the last FY has seen developers taking steps towards new launches. The State Government's announcement of a reduction in stamp duty and concession in regulatory premiums was a strong move that helped city developers with their projects. Mumbai has moved towards consolidation over the past few years, fast-tracked to an extent by the pandemic. Positive trends in the residential and commercial spaces have given city developers hope of a better FY22.

D. FINANCIAL & OPERATIONAL REVIEW

On a consolidated basis, we were able to retain our revenue from operations at the same level in fiscal 2021 amounting to INR 346.72 crores as compared to INR 344.38 crores in fiscal 2020. We were able to

achieve profitability in fiscal 2021 wherein we reported the EBITDA at INR 100 crores as compared to INR 111 crores in fiscal 2020. Profitability at the EBITDA level was impacted due to the spike in raw material cost that resulted from a rise in input cost caused by commodity price cycles. Our PAT stood at INR 31 crores in fiscal 2021 as compared to INR 33 crores in fiscal 2020. This helped strengthen our balance sheet as we were able to repay debts to the tune of INR 193 crores on a consolidated basis.

The financials have affected changes in the following ratio:

Particulars	FY 2020-21	FY 2019-20	% Difference
Current Ratio	5.29	5.47	-3.35
Debt Equity Ratio	1.17	1.52	-23.05
Debtors Turnover Ratio	1.92	1.64	17.57
Inventory Turnover Ratio	0.38	0.34	10.59
Interest Coverage Ratio	1.74	1.68	3.59
Operating Profit Margin	72.48	69.67	4.03
Net Profit Margin	8.91	9.45	-5.71

E. OPPORTUNITIES

Affordable housing

Affordable housing continues to remain a significant opportunity for players and key focus area of government, as major short supply of housing lies in economically weak and low-income segment. The government constant push for affordable housing has shifted the focus from high-end and luxury segments to affordable segment.

Digital Real estate sales

With rapidly evolving marketing landscape, digital marketing tools have emerged as important tools for real estate companies to amplify their sales and reach out to customers globally. With sharp focus on building consumer experience and connection through digital means, established brands will be ahead of curve, giving a competitive edge to their business. The recent lockdown due to COVID 19, has forced real estate companies to focus much more on digital marketing and online platforms.

F. THREATS AND CHALLENGES & RISKS AND CONCERNS

Regulatory hurdles

Unfavourable changes in government policies and the regulatory environment can adversely impact the performance of the sector. There are substantial procedural delays with regards to land acquisition, land use, project launches and construction approvals. Retrospective policy changes and regulatory bottlenecks may impact profitability and affect the attractiveness of the sector and companies operating within sector.

Industrial cyclicity

The real estate market is inherently a cyclical market and is affected by macroeconomic conditions, changes in applicable governmental schemes, changes in supply and demand for projects, availability of consumer financing and illiquidity. Your Company has attempted to hedge against the inherent risks through a business model comprising of JV, partnering through equity stakes, etc.

G. CITY-WISE PROJECT

Bengaluru

Ajmera Lugaano

Ajmera Lugaano is located in the heart of North Bengaluru, at Yelahanka and is surrounded by 105 acres of lake. Since it's at a higher altitude than the sea level, it is lush green and pleasant all year round. The 11 acres of land has lake-view 1 & 2 BHK homes which offer all essential avenues of convenience, catering to the right customer segment. It also offers great social infrastructure, education and job opportunities as well as excellent connectivity by road, rail and air. The road network to Yelahanka is one of the best in the entire city.

Ajmera Nucleus

We have always aspired to joyful and wholesome experiences for our customers. And our passion for building the perfect living experience, has resulted in our newest offering, 'Project Nucleus'.

This project is spread across approx. 5.5 acres of land with efficient design and amenities. It consists of 2 & 3 BHK deluxe apartments that are strategically located close to key business destinations and travel points. It is also excellently connected to all the major parts of the city via the proposed peripheral Ring Road. Ajmera Nucleus is first Project to adopt IOT enabled systems for the benefit of residents. This edge of the technology will be beneficial for better use of resources and assets, cost effective operations and improved safety features.

Mumbai

Ajmera i-Land

Our significant presence in Mumbai is due to our luxury high-rise towers, Ajmera i-Land. This project promises an extraordinary living experience amidst the serene majesty of nature as well as the advantages of a world-class township. Located at Wadala, the project is excellently interconnected and is an integrated new-age living destination.

The project offers 3 high-rise towers, Aeon, Zeon and Treon, with calming views of nature as well as the breath-taking cityscape. It has lavish lifestyle amenities within its complex as well as excellent connectivity and proximity to prominent work, leisure or entertainment destinations. It is Mumbai's only integrated township with the Monorail and Eastern Freeway just a stone's throw away.

- Thane via New Metro Railway in 30 mins
- BKC via Chunabhatti Flyover in 10 mins
- Navi Mumbai via the proposed SEWRI Nhava Sheva Sea Link in 20 mins
- Mahalaxmi via Mono Rail in 20 mins.

Ajmera Sikova :

Ajmera Sikova is a cosmopolitan commercial building envisioned with individual professionals and businesses in mind. The project offers 1,27,902 sq. ft. of saleable space in one of the most promising locations in Ghatkopar, Mumbai. The USP of this location is that it is within a 10 mins walkable distance from Ghatkopar Station, connecting New Metro station from corridor of lane of the Project and is accessible to all public transport stops. The project is a 14-storey commercial tower of small and medium-sized offices. This project reveals boutique office concept, highlighting three major advantages viz: premium facilities and services under one roof, turnkey solutions right away, easy networking and business opportunities. We have also on panel Cushman & Wakefield as Facility Manager for ease of Business of all the tenants/owners..

Ajmera Greenfinity

Ajmera Greenfinity is a part of Ajmera i-Land, addressing mid-segment residential customers. The project comprises spacious 1 & 2 BHK residences. Leveraging on the USP of Bhakti Park, Ajmera Greenfinity comes as a breath of fresh air. Its panoramic views, ample sunshine and lifestyle amenities make it the most coveted project within

the neighbourhood. The accelerated speed of construction ensures the completion of the project well before its deadline. This project caters to affordable segment.

International Presence

London

Our company has furthered its global presence through undertakings in prime London locations. We have selected the Kingston area for our King's Borough project because of its pleasant and serene surroundings. The project is a joint venture between our company and a prestigious local developer in the United Kingdom (UK), through our wholly-owned subsidiary, 'Ajmera Corporation UK Limited'. We plan on constructing 14 complex houses catering to the mid-income segment in residential zones. These are small low-investment, high-return projects with a low gestation period.

H. COMPANY'S OUTLOOK

We have completed FY21 with good operational performance in terms of units & value of area sold, sales collection and debt deleveraging. We have a high visibility of revenue growth due to our superlative operational performance, combined with the advanced completion stage of projects such as Zeon, Treon and Nucleus, mid-level completion stage of project Lugaano, and initial development stage of projects Greenfinity, Sikova & Nucleus C Tower.

We further plan to launch 4 new projects, 2 in Mumbai and one each in Pune and Bengaluru, admeasuring about 1.5 mn sq. ft. of saleable area. We are also considering new acquisitions through JV / JDA / DM model under our asset-light strategy for inorganic growth.

I. HUMAN RESOURCE

(People's Philosophy, Employee Well Being, Culture Recognition)

- We protect our human resources through the implementation of safety & hygiene norms, vaccination drives and employee programs.
- We believe in adhering to the governing statutory rules.
- We ensure real-time tracking of government notifications related to employment & benefits, EPF, ESIC as well as labour laws, and regulate the compensation norms in line with policies.

J. EFFECTIVE TEAM MANAGEMENT

The year 2020-21 was truly volatile with fast-paced changes. This called for us to be more agile in our approach, re-prioritize company goals and set up a robust communication network between middle management and executives.

To facilitate this, we looped the entire organisation on WhatsApp and sub-divided the teams according to their functions and geographical locations.

This brought the teams closer, enhanced collaboration and helped build a real-time communication platform to give and receive feedback in order to effectively perform and adapt to the changing environment.

This model also helped in building engagement and bridging the communication gap between employees and management.

K. SAFETY & HYGIENE

Safety and well-being have become our topmost priority in the current financial year. We have endeavoured to remain alert to and informed about changing outbreak conditions and implement prevention & control measures accordingly.

In order to adhere to OSHAS requirements and provide a safe & hygienic workplace for our employees, we have ensured that the following measures are taken across all offices and sites:

- Hand sanitizer dispensers are placed at all office entrances and reception areas
- Mandatory thermal screening of individuals before entering the premises
- No visitors are allowed to enter office premises and all employees are encouraged to conduct virtual meetings whenever required
- Outdoor duties through office boys were restricted to important and urgent activities
- High-risk employees i.e., older employees, pregnant employees and employees with underlying medical conditions were advised to take extra precautions through extended Work From Home policy
- Usage of face masks at all times inside the office premises

L. INTERNAL CONTROL SYSTEMS AND RISK MANAGEMENT MECHANISM

Our company has a proactive approach to manage and mitigate risks. This ensures sustainable growth and value creation for stakeholders. Our well-drafted risk management framework, consistently enhances our ability to anticipate risks, take pre-emptive measures

and respond with agility and confidence in managing them.

We believe that proactive risk management is a vital element for good corporate governance. It helps us identify the risk, exposure, potential impact, mitigation process, and non-business risks among others.

These risks are timely reviewed by the Board and mitigation strategies are suggested to reduce the impact. All this has helped our company achieve favourable results.

We have all the main processes laid out, to assure timely feedback on completion of operational and strategic goals, compliance with policies, procedures, laws and regulations, safeguarding of assets and efficient use of resources.

Our internal Auditor reviews the effectiveness of internal controls on a regular basis to avoid fraud or any other issue arising in daily operational activities. We have also formally created a Risk Management Policy in tune with the new regulatory requirements. These policies help in identifying and assessing key risk areas.

Based on the detailed review, the following key risks have been identified:

- Personnel Risk
- Regulatory risks
- Borrowing Risk
- IT and System Risk
- Liquidity Risk
- Input Costs Risk
- Sales Market Risk
- Project Implementation Risk
- Legal Risk

Performance Evaluation Criteria for Independent Directors

The performance evaluation criteria for independent directors are determined by the Nomination and Remuneration Committee. An indicative list of factors on which evaluation was carried out includes participation and contribution by a director, commitment, effective deployment of knowledge and expertise, integrity and maintenance of confidentiality and independence of behavior and judgment.

Succession Planning

The nomination and remuneration committee works with the Board on the leadership succession plan to ensure orderly succession in appointments to the Board and in senior management. The Company strives to maintain an appropriate balance of skills and experience within the organization and the Board in an endeavour to introduce new perspectives while maintaining experience and continuity.

By integrating workforce planning with strategic business planning, the Company puts the necessary financial and human resources in place so that its objectives can be met.

Our Board includes 6 (six) directors with broad and diverse skills and viewpoints to aid the Company in advancing its strategy. In addition, promoting senior management within the organization fuels the ambitions of the talent force to earn future leadership roles.

Compensation policy

The nomination and remuneration committee determines and recommends to the Board the compensation payable to the directors. All Board level compensation is approved by the shareholders and disclosed separately in the financial statements. The committee makes a periodic appraisal of the performance of the executive directors based on a detailed performance matrix. The annual compensation of the executive directors is approved by the committee and placed before the shareholders at the shareholder's meeting or via postal ballot.

As required under the Listing Regulations effective April 1, 2019, the nomination and remuneration committee will recommend to the Board the payment of remuneration to senior management. The Nomination and Remuneration Policy of the Company is available on our website at: <https://ajmera.com/investor-corner/pdf/policies/nomination-and-remuneration-policy.pdf> In accordance with the Listing Regulations, no employee, including key managerial personnel or director or promoter of a listed entity, shall enter into any agreement for himself or on behalf of any other person, with any shareholder or any other third party with regard to compensation or profit sharing in connection with dealings in the securities of the Company, unless prior approval for the same has been obtained from the Board of Directors as well as public shareholders by way of an ordinary resolution. During the year, there were no such instances.

Criteria for making payment to Non-Executive Directors

The compensation payable to the independent directors is limited to a fixed amount per year as determined and approved by the Board, the sum of which does not

exceed 1% of net profits for the year, calculated as per the provisions of the Companies Act, 2013. The Board reviews the performance of independent directors on an annual basis. However the Independent Directors are not withdrawing any remuneration except sitting fees.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
AJMERA REALTY & INFRA INDIA LIMITED

Report on the Audit of the Standalone financial statements

Opinion

We have audited the accompanying standalone financial statements of **AJMERA REALTY & INFRA INDIA LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards specified under Section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021 and its profit, change in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

We carried out a combination of procedures involving enquiry and observation

	<p>over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p>	<p>reperformance and inspection of evidence in respect of operation of these controls.</p> <ul style="list-style-type: none"> ➤ Tested the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the revenue accounting standard. ➤ Selected a sample of continuing and contracts and performed the following procedures:
		<ul style="list-style-type: none"> • Read, analysed and identified the distinct performance obligations in these contracts. • Compared these performance obligations with that identified and recorded by the Company. • Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration.

Information Other than the Standalone financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone financial statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, change in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters, if any, that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government in terms of sub-section (11) of section 143 of the act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure - B to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **AJMERA REALTY & INFRA INDIA LIMITED** ("the company") as of 31st March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2021

NOTES TO ACCOUNTS

1. Corporate Information

Ajmera Realty & Infra India limited is a public company domiciled in India and incorporated under the provisions of the Indian Companies Act, 1956. Its shares are listed on two stock exchanges in India. The company is engaged in real estate business.

2. Significant Accounting Policy

2.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards as notified under section 133 of The Companies Act, 2013 Read with rule 3 of the Companies (Indian Accounting Standards) Rules 2015 by Ministry of Corporate Affairs ('MCA') as amended by the Companies (Indian Accounting Standards) rules, 2016.

The financial statements have been prepared on a historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period as explained in Accounting Policies below.

2.2 Current and Non Current Classification

An asset/liability is classified as current when it satisfies any of the following criteria :

- i. It is expected to be realized/ settled, or is intended for sale or consumption, In the companies normal operating cycle or
- ii. It is held primarily for the purpose of being traded or
- iii. It is expected to be realized/ due to be settled within 12 months after the reporting date or
- iv. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date or
- v. The company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

All other assets and liabilities are classified as non-current.

2.3 Plant, Property and Equipment

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives)

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on property, plant and equipment is provided on a straight-line basis, computed on the basis of useful lives (asset-out below) prescribed in Schedule II to the Act:

Asset Category	Estimated Useful Life
Plant & Equipments	15 Years
Furniture & fixtures	10 Years
Vehicles	8 Years
Office equipments	5 Years
Computer Hardware	3 Years

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is de-recognized.

2.4 Intangible Assets

Recognition and initial measurement

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent measurement (amortisation)

The cost of capitalized software is amortized over a period of 6 years from the date of its acquisition.

2.5 Borrowing cost

Borrowing costs directly attributable to the acquisition and/or construction of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the statement of profit and loss as incurred.

2.6 Investments

a) Investment in equity instruments of subsidiaries, joint ventures and associates

Investment in equity instruments of subsidiaries, joint ventures and associates are stated at cost as per Ind AS 27 'Separate Financial Statements'

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2021

b) Investment in Other Equity Instruments

These investments being strategic in nature are measured at fair value through other comprehensive income (FVOCI) since these are not held for trading purposes. In absence of any contradictory information cost of investments (net of any permanent diminution) reflects fair value of these instruments

2.7 Inventories:

Direct expenditure relating to construction activity is inventorised. Other expenditure (including borrowing costs) during construction period is inventorised to the extent the expenditure is directly attributable cost of bringing the asset to its working condition for its intended use. Other expenditure (including borrowing costs) incurred during the construction period which is not directly attributable for bringing the asset to its working condition for its intended use is charged to the statement of profit and loss. Direct and other expenditure is determined based on specific identification to the construction and real estate activity. Cost incurred/items purchased specifically for projects are taken as consumed as and when incurred/ received.

Work-in-progress - Contractual: Cost of work yet to be certified/ billed, as it pertains to contract costs that relate to future activity on the contract, are recognised as contract work-in-progress provided it is probable that they will be recovered. Contractual work-in-progress is valued at lower of cost and net realisable value.

Work-in-progress - Real estate projects (including land inventory): Represents cost incurred in respect of unsold area of the real estate development projects or cost incurred on projects where the revenue is yet to be recognised. Real estate work-in-progress is valued at lower of cost and net realisable value.

Finished goods - Flats: Valued at lower of cost and net realisable value.

Land inventory: Valued at lower of cost and net realisable value.

2.8 Revenue Recognition

Effective April 1, 2018, the company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts.

The company has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognised at the date of initial application (i.e. April 1, 2018). The standard is applied retrospectively only to contracts that are not completed as at the date of initial application. The impact of adoption of the standard on the financial statements of the company is insignificant.

Revenue is recognised upon transfer of control of

promised inventory to customers in an amount that reflects the consideration which the company expects to receive in exchange. Revenue is recognised over the period of time when control is transferred to the customer on satisfaction of performance obligation, based on contracts with customers.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, price concessions, incentives, if any, as specified in the contracts with the customers. Revenue excludes taxes collected from customers on behalf of the government.

i. Revenue from Real estate projects is recognized when it is reasonably certain that the ultimate collection will be made and that there is buyers commitment to make the complete payment.

Revenue from real estate under development is recognized upon transfer of all significant risks and rewards of ownership of such real estate, as per the terms of the contracts entered into with buyers, which generally coincides with the firming of the sales contracts/ agreement, except for the contracts where the company still has obligations to perform substantial acts even after the transfer of all significant risks and rewards. In such cases, the revenue is recognized on percentage of completion method, when the stage of completion of each project reaches a reasonable level of progress. The revenue is recognized in proportion that the contract cost incurred for work performed up to the reporting date bear to the estimated total contract cost.

Revenue from real estate projects including revenue from sale of undivided share of land [group housing] is recognised upon transfer of all significant risks and rewards of ownership of such real estate/ property, as per the terms of the contracts entered into with buyers, which generally coincides with the firming of the sales contracts/ agreements.

When the outcome of a real estate project can be estimated reliably and the conditions above are satisfied, project revenue (including from sale of undivided share of land) and project costs associated with the real estate project should be recognised as revenue and expenses by reference to the stage of completion of the project activity at the reporting date arrived at with reference to the entire project costs incurred (including land costs). Revenue is recognized on execution of either an agreement or a letter of allotment

ii. **Interest Income**

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2021

iii. Dividend Income

Dividend income is recognized with the company's right to receive dividend is established by the reporting date.

iv. Other Income

Other Income is accounted on accrual basis.

2.9 Unbilled Revenue

Revenue recognized based on policy on revenue, over and above the amount due as per the payment plans agreed with the customers.

2.10 Cost of revenue

Cost of constructed properties includes cost of land (including cost of development rights/land under agreements to purchase), estimated internal development costs, external development charges, borrowing costs, overheads, construction costs and development/construction materials, which is charged to the statement of profit and loss based on the revenue recognized as explained in accounting policy for revenue from real estate projects above, in consonance with the concept of matching costs and revenue. Final adjustment is made on completion of the specific project.

2.11 Foreign Currency Transactions

Functional and Presentation Currency

The financial statements are presented in Indian Rupees (Rs.) which is also the functional and presentation currency of the Company.

Transactions and balances

Foreign currency transactions are recorded in the functional currency, by applying the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Foreign currency monetary items outstanding at the balance sheet date are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transactions.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

All other exchange differences towards loans and advances made to foreign subsidiary are recognized as exchange fluctuation gain or loss on the disposal of Investments.

2.12 Employee Benefit Expenses

Provident Fund

The Company makes contribution to statutory provident funding accordance with the Employees' Provident Funds and Miscellaneous Provisions Act, 1952.

Gratuity

Gratuity is a post-employment benefit and is in the nature of a defined benefit plan. The liability recognized in the balance sheet in respect of gratuity is the present value of the defined benefit/obligation at the balance sheet date, together with adjustments for unrecognized actuarial gains or losses and past service costs. The defined benefit/obligation is calculated at or near the balance sheet date by an independent actuary using the projected unit credit method. This is based on standard rates of inflation, salary growth rate and mortality. Discount factors are determined close to each year-end by reference to market yields on government bonds that have terms to maturity approximating the terms of the related liability. Service cost on the Company's defined benefit plan is included in employee benefits expense. Net interest expense on the net defined benefit liability is included in finance costs. Actuarial gains/losses resulting from re-measurements of the liability are included in other comprehensive income.

Other long-term employee benefits

Liability in respect of compensated absences becoming due or expected to be availed within one year from the balance sheet date is recognized on the basis of discounted value of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees. Liability in respect of compensated absences becoming due or expected to be availed more than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the year in which such gains or losses are determined.

Short-term employee benefits

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The company measures the expected cost of such absences as the additional amount that is except to pay as a result of the unused entitlement that has accumulated at the reporting date.

2.13 Taxation

Tax expense recognized in statement of profit and loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity).

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2021

Minimum alternate tax ('MAT') credit entitlement is recognized as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the Specified period. In the year in which MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred tax is recognized in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for Taxation purposes. Deferred tax assets on unrealised tax loss are recognized to the extent that it is probable that the underlying tax loss will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant on-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside statement of profit and loss is recognized outside statement of profit or loss (either in other comprehensive income or in equity).

2.14 Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the recoverable amount of the asset or the cash generating unit is estimated. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount. The carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If, at the reporting date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

2.15 Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the weighted-average of difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Company is required to consider:

All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.

Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

2.16 Trade Receivables

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

2.17 Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

2.18 Cash and Cash Equivalent

Cash and cash equivalents comprise cash in hand, demand deposits and short-term highly liquid investments that are readily convertible into known amount of cash and which are subject to an insignificant risk of changes in value.

2.19 Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events and when a reliable estimate of the amount of obligation can be made at the

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2021

reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

2.20 Leases

Ind AS 116 supersedes Ind AS 17 Leases including its appendices. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to recognise most leases on the balance sheet.

The Company has adopted Ind AS 116 using the modified retrospective method of adoption under the transitional provisions of the Standards, with the date of initial application on 1st April, 2019. The Company also elected to use the recognition exemptions for lease contracts that, at the commencement date, have a lease term of 12 months or less and do not contain a purchase option (short-term leases), and lease contracts for which the underlying asset is of low value (low-value assets). Adoption of Ind- AS 116 doesn't have any material impact on the financial statements of the Company.

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right-to-use the underlying assets.

Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and

lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

right-of-use assets are also subject to impairment.

Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of offices, godowns, equipment, etc. that are of low value. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

Company as a lessor

Lessor accounting under Ind AS 116 is substantially unchanged from Ind AS 17. Lessors will continue to classify leases as either operating or finance leases using similar principles as in Ind AS 17. Therefore, Ind AS 116 does not have an impact for leases where the Company is the lessor. Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2021

for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognized as revenue in the period in which they are earned.

2.21 Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair Value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value.

Subsequent measurement of Financial Assets

- i) **Financial assets carried at amortised cost** – a financial asset is measured at the amortised cost, if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

- ii) **Investments in equity instruments of subsidiaries, joint ventures and associates** – Investments in equity instruments of subsidiaries, joint ventures and associates are accounted for at cost in accordance with Ind AS 27 Separate Financial Statements.

- iii) **Financial Assets at Fair Value through FVTPL**

FVTPL is a residual category for financial assets. Any financial assets, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. financial assets included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss. In addition, the Company may elect to designate a financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has not designated any financial asset as at FVTPL.

De-recognition of financial assets

A financial asset is primarily de-recognized when the contractual rights to receive cash flows from

the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Subsequent measurement of Financial Assets

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the Same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

2.22 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted-average number of equity shares outstanding during the period. The weighted-average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted-average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.23 Significant management judgement in applying accounting policies and estimation

uncertainty

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the related disclosures.

Significant management judgements

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Impairment of financial assets – At each balance sheet date, based on historical default rates observed over

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2021

expected life, the management assesses the expected credit loss on outstanding financial assets.

Provisions – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

Revenue and inventories – The Company recognizes revenue using the percentage of completion method. This requires forecasts to be made of total budgeted cost with the outcomes of underlying construction and service contracts, which require assessments and judgements to be made on changes in work scopes, claims (compensation, rebates etc.) and other payments to the extent they are probable and they are capable of being reliably measured. For the purpose of making estimates for claims, the Company used the available Contractual and historical information.

Useful lives of depreciable/ amortisable assets – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Defined benefit obligation (DBO) – Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument. The Group used valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input i.e. significant to the fair value measurement as a whole.;

Level 1. Quoted prices(unadjusted) in active markets for identical assets and liabilities

Level 2. Input other than quoted prices included within level 1 that are observable for the assets or liabilities either directly(i.e. as prices) or indirectly (i.e. derived from prices)

Level 3. Inputs for the assets and liabilities that are not based on observable market data (unobservable inputs)

2.24 Standards issued not yet effective : There are no standards issued but not yet effective up to the date of issuance of the Company's financial statements.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
AJMERA REALTY & INFRA INDIA LIMITED
Report on the audit of the Consolidated financial statements
Opinion

We have audited the accompanying consolidated financial statements of **AJMERA REALTY & INFRA INDIA LIMITED** ("the Holding Company") and its subsidiaries and associates / joint ventures (the Company and its subsidiaries and associates/ joint ventures together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards specified under Section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Group as at 31st March, 2021 and its consolidated profit and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's response
1.	Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances as per Ind AS 115 "Revenue from Contracts with Customers"	Principal Audit Procedures We assessed the Company's process to identify the impact of revenue accounting standard. Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows: ➤ Evaluated the design of internal controls relating to implementation of the revenue accounting standard. ➤ Selected a sample of continuing and contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination

	<p>The application of the revenue accounting standard involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognised over a period. Additionally, new revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p>	<ul style="list-style-type: none"> ➤ of transaction price. We carried out a combination of procedures involving enquiry and observation, reperformance and inspection of evidence in respect of operation of these controls. ➤ Tested the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the revenue accounting standard. ➤ Selected a sample of continuing and contracts and performed the following procedures:
		<ul style="list-style-type: none"> • Read, analysed and identified the distinct performance obligations in these contracts. • Compared these performance obligations with that identified and recorded by the Company. • Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration.

Information Other than the Consolidated financial statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated financial statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting

records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its subsidiary companies and associates which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the standalone consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated

financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters, if any, that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements and other financial information of subsidiaries/associates/Joint ventures included in the consolidated financial statements, whose financial statements reflect total assets of Rs. 106,259.58 Lakhs as at 31st March, 2021, total revenues of Rs. 6,058.32 Lakhs, total net profit after tax of Rs. 657.70 Lakhs, total comprehensive income is Rs 657.70 Lakhs and Cash Flow (net) of Rs 2,043.55 Lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors and whose reports have been furnished to us by the Management and our opinion in so far as it relates to the amounts and disclosures included in respect of these subsidiaries/associates/joint ventures is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements and our report on other legal and regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the report of the other auditors.

Report on Other Legal and Regulatory Requirements

As required by Section 143 (3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- b) In our opinion proper books of account as required by law have been kept by the Holding Company so far as appears from our examination of those books and report of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including (including Other Comprehensive Income) Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7of the Companies (Accounts) Rules,2014.
- e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2021 taken on record by the Board of Directors of the Holding Company and its subsidiaries incorporated in India and the reports of the statutory auditors of its subsidiary and associates companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditor's

report of the Holding Company, its subsidiary and associate companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of those companies, for reasons stated therein.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rule, 2014, in our opinion and to the best of our information and according to the explanations given to us :
- i. The Consolidate financial statements disclose impact of pending litigation on the consolidated financial position of the group.
 - ii. Provision has been made in the Consolidated Financial Statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, if any, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiary and associate companies incorporated in India.

Annexure - A to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended 31st March, 2021, we have audited the internal financial controls over financial reporting of **AJMERA REALTY & INFRA INDIA LIMITED** ("the Holding Company") and received audit report of the statutory auditor of its subsidiary company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its Subsidiary Company incorporated in India, are responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit

preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

A Company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls over financial reporting includes those policies and procedures that:(1) pertains to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its Subsidiary Companies incorporated in India, have, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

NOTES TO ACCOUNTS

The Consolidated financial statements relate to Ajmera Realty & Infra India Limited and its subsidiaries and associates. The consolidated financial statements are prepared on the following basis: -

- a. The financial statements of the Company and its associate are combined on a line - by - line basis by adding together the book values of like items of Assets, liabilities, income and expenditures, after carefully eliminating intra-group balances and intra-group transactions in accordance with the Indian Accounting Standard (Ind AS) - 28 "Consolidated Financial Statements" issued by the Institute of Chartered Accountants of India.
- b. The difference between the cost of investments in the subsidiary over the net assets at the time of acquisition of shares in the subsidiary is recognized in the financial statements as Goodwill or Capital Reserve as the case may be.
- c. As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements.
- d. Minority Interest share of Net profit of consolidated subsidiaries for the year is identified and adjusted against the Income of group in order to arrive the net income attributable to shareholders of the company
- e. Minority interest share of net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separate from liabilities and the equity of company's shareholders
- f. Investment in Associate companies has been accounted under the equity method as per (AS-28) - "Accounting for Investment in Associates & Joint Venture"

As far as possible the consolidated financial statements are prepared using uniform accounting policy for like transactions and other events in similar circumstances and are presented in the same manner as the company's separate financial statements

1. Corporate Information

Ajmera Realty & Infra India limited is a public company domiciled in India and incorporated under the provisions of the Indian Companies Act, 1956. Its shares are listed on two stock exchanges in India.

The Group mainly deals in Real Estate business. The Group has its wide network of operations in local as well as in foreign market. The group also deal in generation and supply of electricity.

The Financial statements of the Group for the year ended 31 March, 2021 were authorised for issue in accordance with a resolution of the Board of Directors on 25th May 2021.

2. Significant Accounting Policy

2.1 Basis of preparation

The financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as 'Ind AS') as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

The financial statements have been prepared on a historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period as explained in Accounting Policies below.

Principles of Consolidation

Subsidiaries are all entities over which the Group has control. The Group controls an entity when the group is exposed to, or has rights to, variable returns, from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combination by the Group.

The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity income and expenses. Inter Company transactions, balances and unrealised gains on transactions between Group Companies are eliminated. Unrealised losses are also eliminated unless the transaction provided evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group. Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

Financial statements of foreign subsidiaries are consolidated line by line basis after considering the Reserve Bank of India's exchange rate as on 31.03.2021 into functional currency.

2.2 Current and Non Current Classification

An asset/liability is classified as current when it satisfies any of the following criteria :

- i. It is expected to be realized/ settled, or is intended for sale or consumption, in the companies normal operating cycle or
- ii. It is held primarily for the purpose of being traded or
- iii. It is expected to be realized/ due to be settled within 12 months after the reporting date or
- iv. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date or
- v. The group does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

All other assets and liabilities are classified as non-current.

2.3 Plant, Property and Equipment

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives)

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on property, plant and equipment is provided on a straight-line basis, computed on the basis of useful lives (asset-out below) prescribed in Schedule II to the Act:

Asset Category	Estimated Useful Life
Plant & Equipments	15 Years
Furniture & fixtures	10 Years
Vehicles	8 Years
Office equipments	5 Years
Computer Hardware	3 Years

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is de-recognized.

2.4 Intangible Assets

Recognition and initial measurement

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent measurement (amortisation)

The cost of capitalized software is amortized over a period of 6 years from the date of its acquisition.

2.5 Borrowing cost

Borrowing costs directly attributable to the acquisition and/or construction of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the statement of profit and loss as incurred.

2.6 Investments

a) Investment in equity instruments of subsidiaries, joint ventures and associates

Investment in equity instruments of subsidiaries, joint ventures and associates are stated at cost as per Ind AS 27 'Separate Financial Statements'

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

b) Investment in Other Equity Instruments

These investments being strategic in nature are measured at fair value through other comprehensive income (FVOCI) since these are not held for trading purposes. In absence of any contradictory information cost of investments (net of any permanent diminution) reflects fair value of these instruments

2.7 Inventories:

Direct expenditure relating to construction activity is inventorised. Other expenditure (including borrowing costs) during construction period is inventorised to the extent the expenditure is directly attributable cost of bringing the asset to its working condition for its intended use. Other expenditure (including borrowing costs) incurred during the construction period which is not directly attributable for bringing the asset to its working condition for its intended use is charged to the statement of profit and loss. Direct and other expenditure is determined based on specific identification to the construction and real estate activity. Cost incurred/items purchased specifically for projects are taken as consumed as and when incurred/ received.

Work-in-progress - Contractual: Cost of work yet to be certified/ billed, as it pertains to contract costs that relate to future activity on the contract, are recognised as contract work-in-progress provided it is probable that they will be recovered. Contractual work-in-progress is valued at lower of cost and net realisable value.

Work-in-progress - Real estate projects (including land inventory): Represents cost incurred in respect of unsold area of the real estate development projects or cost incurred on projects where the revenue is yet to be recognised. Real estate work-in-progress is valued at lower of cost and net realisable value.

Finished goods - Flats: Valued at lower of cost and net realisable value.

Land inventory: Valued at lower of cost and net realisable value.

2.8 Revenue Recognition

Effective April 1, 2018, the Group has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much

and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts.

The Group has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognised at the date of initial application (i.e. April 1, 2018). The standard is applied retrospectively only to contracts that are not completed as at the date of initial application. The impact of adoption of the standard on the financial statements of the group is insignificant.

Revenue is recognised upon transfer of control of promised inventory to customers in an amount that reflects the consideration which the group expects to receive in exchange. Revenue is recognised over the period of time when control is transferred to the customer on satisfaction of performance obligation, based on contracts with customers.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, price concessions, incentives, if any, as specified in the contracts with the customers. Revenue excludes taxes collected from customers on behalf of the government.

i. Revenue from Real estate projects is recognized when it is reasonably certain that the ultimate collection will be made and that there is buyers commitment to make the complete payment.

Revenue from real estate under development is recognized upon transfer of all significant risks and rewards of ownership of such real estate, as per the terms of the contracts entered into with buyers, which generally coincides with the firming of the sales contracts/ agreement, except for the contracts where the group still has obligations to perform substantial acts even after the transfer of all significant risks and rewards. In such cases, the revenue is recognized on percentage of completion method, when the stage of completion of each project reaches a reasonable level of progress. The revenue is recognized in proportion that the contract cost incurred for work performed up to the reporting date bear to the estimated total contract cost.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

Revenue from real estate projects including revenue from sale of undivided share of land [group housing] is recognised upon transfer of all significant risks and rewards of ownership of such real estate/ property, as per the terms of the contracts entered into with buyers, which generally coincides with the firming of the sales contracts/ agreements.

When the outcome of a real estate project can be estimated reliably and the conditions above are satisfied, project revenue (including from sale of undivided share of land) and project costs associated with the real estate project should be recognised as revenue and expenses by reference to the stage of completion of the project activity at the reporting date arrived at with reference to the entire project costs incurred (including land costs). Revenue is recognized on execution of either an agreement or a letter of allotment

ii. Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

iii. Dividend Income

Dividend income is recognized with the group right to receive dividend is established by the reporting date.

iv. Other Income

Other Income is accounted on accrual basis.

2.9 Unbilled Revenue

Revenue recognized based on policy on revenue, over and above the amount due as per the payment plans agreed with the customers.

2.10 Cost of revenue

Cost of constructed properties includes cost of land (including cost of development rights/ land under agreements to purchase), estimated internal development costs, external development charges, borrowing costs, overheads, construction costs and development/construction materials, which is charged to the statement of profit and loss based on the revenue recognized as explained in accounting policy for revenue from real estate projects above, in consonance with the concept

of matching costs and revenue. Final adjustment is made on completion of the specific project.

2.11 Foreign Currency Transactions

Functional and Presentation Currency

The financial statements are presented in Indian Rupees (Rs.) which is also the functional and presentation currency of the Group.

Transactions and balances

Foreign currency transactions are recorded in the functional currency, by applying the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Foreign currency monetary items outstanding at the balance sheet date are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transactions.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

All other exchange differences towards loans and advances made to foreign subsidiary are recognized as exchange fluctuation gain or loss on the disposal of investments.

2.12 Employee Benefit Expenses

Provident Fund

The Group makes contribution to Statutory Provident Funding accordance with the Employees' Provident Funds and Miscellaneous Provisions Act, 1952.

Gratuity

Gratuity is a post-employment benefit and is in the nature of a defined benefit plan. The liability recognized in the balance sheet in respect of gratuity is the present value of the defined benefit/ obligation at the balance sheet date, together with adjustments for unrecognized actuarial gains or losses and past service costs. The defined benefit/ obligation is calculated at or near the balance sheet date by an independent actuary using the projected unit credit method. This is based on standard rates of inflation, salary growth rate and

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

mortality. Discount factors are determined close to each year-end by reference to market yields on government bonds that have terms to maturity approximating the terms of the related liability. Service cost on the group's defined benefit plan is included in employee benefits expense. Net interest expense on the net defined benefit liability is included in finance costs. Actuarial gains/losses resulting from re-measurements of the liability are included in other comprehensive income.

Other long-term employee benefits

Liability in respect of compensated absences becoming due or expected to be availed within one year from the balance sheet date is recognized on the basis of discounted value of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees. Liability in respect of compensated absences becoming due or expected to be availed more than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the year in which such gains or losses are determined.

Short-term employee benefits

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short – term employee benefit. The group measures the expected cost of such absences as the additional amount that is except to pay as a result of the unused entitlement that has accumulated at the reporting date.

2.13 Taxation

Tax expense recognized in statement of profit and loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity).

Minimum alternate tax ('MAT') credit entitlement

is recognized as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the Specified period. In the year in which MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred tax is recognized in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for Taxation purposes. Deferred tax assets on unrealised tax loss are recognized to the extent that it is probable that the underlying tax loss will be utilised against future taxable income. This is assessed based on the group's forecast of future operating results, adjusted for significant on-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside statement of profit and loss is recognized outside statement of profit or loss (either in other comprehensive income or in equity).

2.14 Impairment of non-financial assets

At each reporting date, the group assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the recoverable amount of the asset or the cash generating unit is estimated. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount. The carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If, at the reporting date, there is an indication that

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

2.15 Impairment of financial assets

In accordance with Ind AS 109, the group applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the weighted-average of difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the group expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the group is required to consider:

All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.

Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

2.16 Trade Receivables

In respect of trade receivables, the group applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

2.17 Other financial assets

In respect of its other financial assets, the group assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the group measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the group uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the group compares the risk of

a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The group assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

2.18 Cash and Cash Equivalent

Cash and cash equivalents comprise cash in hand, demand deposits and short-term highly liquid investments that are readily convertible into known amount of cash and which are subject to an insignificant risk of changes in value.

2.19 Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the group or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

2.20 Leases

Ind AS 116 supersedes Ind AS 17 Leases including its appendices. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to recognise most leases on the balance sheet.

The Company has adopted Ind AS 116 using the modified retrospective method of adoption under

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

the transitional provisions of the Standards, with the date of initial application on 1st April, 2019. The Company also elected to use the recognition exemptions for lease contracts that, at the commencement date, have a lease term of 12 months or less and do not contain a purchase option (short-term leases), and lease contracts for which the underlying asset is of low value (low-value assets). Adoption of Ind- AS 116 doesn't have any material impact on the financial statements of the Company.

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right-to-use the underlying assets.

Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

right-of-use assets are also subject to impairment.

Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at

the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of offices, godowns, equipment, etc. that are of low value. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

Company as a lessor

Lessor accounting under Ind AS 116 is substantially unchanged from Ind AS 17. Lessors will continue to classify leases as either operating or finance leases using similar principles as in Ind AS 17. Therefore, Ind AS 116 does not have an impact for leases where the Company is the lessor. Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognized as revenue in the period in which they are earned.

2.21 Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognized when the group becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value.

Subsequent measurement of Financial Assets

- i) **Financial assets carried at amortised cost** – a financial asset is measured at the amortised cost, if both the following conditions are met:
- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

- ii) **Investments in equity instruments of subsidiaries, joint ventures and associates**– Investments in equity instruments of subsidiaries, joint ventures and associates are accounted for at cost in accordance with Ind AS 27 Separate Financial Statements.
- iii) **Financial Assets at Fair Value through FVTPL**
FVTPL is a residual category for financial assets. Any financial assets, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. financial assets included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss. In addition, the group may elect to designate a financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is

allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The group has not designated any financial asset as at FVTPL.

De-recognition of financial assets

A financial asset is primarily de-recognized when the contractual rights to receive cash flows from the asset have expired or the group has transferred its rights to receive cash flows from the asset.

Subsequent measurement of Financial Assets

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the Same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

2.22 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted-average number of equity shares outstanding during the period. The weighted-average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted-average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

2.23 Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Group's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the related disclosures.

Significant management judgements

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Impairment of financial assets – At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding financial assets.

Provisions – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the group assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

Revenue and inventories – The group recognizes revenue using the percentage of completion method. This requires forecasts to be made of total budgeted cost with the outcomes of underlying construction and service contracts, which require assessments and judgements to be made on changes in work scopes, claims (compensation, rebates etc.) and other payments to the extent they are probable and they are capable of being reliably measured. For the purpose of making estimates for claims, the group used the available Contractual and historical information.

Useful lives of depreciable/ amortisable assets – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Defined benefit obligation (DBO) –

Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurements –

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument. The Group used valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input i.e. significant to the fair value measurement as a whole.

Level 1. Quoted prices(unadjusted) in active markets for identical assets and liabilities

Level 2. Input other than quoted prices included within level 1 that are observable for the assets or liabilities either directly(i.e. as prices) or indirectly (i.e. derived from prices)

Level 3. Inputs for the assets and liabilities that are not based on observable market data (unobservable inputs)

2.24 Standards issued not yet effective : There are no standards issued but not yet effective up to the date of issuance of the Company's financial statements.
