Trigyn Awarded – New York City DoITT Systems Integration Services - Contract

We are pleased to inform you that the wholly owned subsidiary of the Company Trigyn Technologies, Inc., has been awarded an Enterprise Task Order Agreement for Citywide Systems Integration Services (SI), Class I, by the City of New York (City), Department of Information Technology & Telecommunications (DoITT).

The award is for a potential duration of six (6) years, commencing on January 1, 2023, through December 31, 2029, an initial three (3) year term with one (1), three (3) year extension at the discretion of the City.

The Systems Integration Services include designing, installing, and fully integrating projects into live operating environments and includes analysis of existing technological environments, including hardware, software, live operations and transaction volumes; design and development of new systems; add-ons or modifications to existing architecture, including single platform computer systems and distributed systems; development of functional and/or design specifications, technical writing and documentation; provision of operating system and/or applications programming recommendations, including acquisition of off-the-shelf products, or integration of custom programming products; acquisition of hardware/software products and services; coordination and supervision of multiple service or product providers; installing, testing, auditing and integration of new systems within existing environments; and providing cultural transitioning of workforces to new environments, including training of employees and other end users.

The Systems Integration Services are available to all New York City agencies, departments, and offices.

This award facilitates the continued expansion of Trigyn's Public Sector business.

Trigyn also holds a contract with the U.S. General Services Administration (GSA) - Information Technology Multiple Awards Schedule (MAS) - General Purpose Commercial Information Technology Equipment, Software and Services (GS-35F-139A) SIN 54151S (Information Technology – IT Services). This contract vehicle covers a broad range of Labor Categories and enables Trigyn to respond to U.S. Federal as well as State and Local Government opportunities.
