Notes:

- The above Audited standalone and consolidated financial results have been reviewed by the Audit committee and approved by the Board of directors in their meeting held on May 12, 2023
- 2) The Audited standalone and consolidated financial results of the company for the year ended March 31, 2023 have been subject to Audit by its Statutory auditors. 3) The Company has prepared these standalone and consolidated financial results in accordance with Companies (Indian Accounting Standard) Rules, 2015 as prescribed under
- Section 133 of the Companies Act, 2013 ("the Act") read with the relevant rules issued thereunder and the other accounting principles generally accepted in India. 4) Transition to Ind AS 116 - Leases - effective April 1, 2019, the Company has adopted Ind AS 116, 'Leases'. Ind AS 116 introduces a single lease accounting model and requires a lessee to recognise Right-of-Use assets and lease liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. The company has used the 'modified retrospective approach' from transition from previous standard-Ind AS 17, and consecutively comparatives for previous periods have been retrospectively adjusted. On transition, the company records the lease liability at the present value of future lease payments discounted using the incremental borrowing rate and has also chosen the practical expedient provided in the standard to measure the right-of-use at the same value as the lease liability. The effect of Ind AS 116 on profit for current quarter ended is not material.
- 5) Previous period figures have been regrouped wherever necessary to confirm the current period presentation.
