FE BUREAU
Mumbai, April 30

FUTURE ENTERPRISES (FEL), another Future Group company, on Saturday said it has total outstanding borrowings of ₹4,542.96 crore as of March 31. This takes the total outstanding borrowings disclosed by Kishore Bivani-led Future Group companies to ₹11,017.94 crore. Earlier on Friday, three Future Group companies - Future Retail (FRL), Future Lifestyle Fashions (FLFL) and Future Supply Chain Solutions (FSCS) - had stated their total outstanding borrowings stood at ₹6,474.98 crore. As of March 31, FRL had a total outstanding of ₹4,876.88 crore, while that of

FLFL was at ₹1,181.98 crore and FSCS at ₹416.12 crore, the companies said in separate stock exchange updates. Under regulations, the firms said that they were not classified as "large corporates". Further

details of the borrowings were not immediately disclosed. Earlier in 2020, Future Group had signed a deal to sell its retail, logistics and warehousing businesses to Reliance Retail, a subsidiary of Mukesh

Ambani-controlled Reliance Industries Ltd (RIL) for ₹24,713 crore. However, the deal got entangled in legal tussles after the US e-commerce major Amazon opposed the scheme, citing the 2019 agreement it had

entered into with Future Group. Amazon, which acquired a 49% stake in Future Coupons, the promoter entity of Future Retail, for about ₹1,500 crore, alleged violation of certain terms in the deal signed in 2019. A number of cases were filed across different forums, including the Supreme Court, Delhi Court, National Company Law Tribunals and Singapore International Arbitration Centre. Last week, RIL expressed its inability to acquire Future Group's businesses, as secured creditors of FRL voted against the scheme. Meanwhile, a bankruptcy petition against FRL by Bank of India before the National Company Law Tribunal (NCLT) is slated to come up for hearing for admission in May.

IDFC First Bank net jumps over two-fold to ₹343 crore in Q4

PRESS TRUST OF INDIA
New Delhi, April 30

IDFC FIRST BANK on Saturday posted over two-fold rise in net profit to ₹343 crore in the March 2022 quarter on the back of strong core operating income and lower provisioning for bad loans.

The private sector lender had reported a net profit of ₹128 crore in the same quarter of the previous fiscal.

The total income during the January-March quarter of 2021-22 rose to ₹5,384.88 crore from ₹4,811.18 crore in the same period of FY21, IDFC First Bank said in a regulatory filing. "The net profit for Q4-FY22 grew by 168% to ₹343 crore from ₹128 crore in Q4 FY21, driven by strong growth in core operating income and lower provisioning," the bank said.

The net interest income (NII) during the quarter increased by

36% to ₹2,669 crore, while fee and other income jumped 40% to ₹841 crore. Provisions other than tax came down by 36% to ₹369 crore in the March 2022 quarter, the lender said, adding asset quality at a gross and net level reduced by 45 and 33 basis points to 3.40% and 1.53%, respectively.

"Our core operating profit for Q4 22 has more than doubled (up 106%) to ₹836 crores compared to ₹405 crore in Q4 FY 21. This shows the power of the business model we are build-

ing. Our PAT is up 168% year-on-year from ₹128 crore to ₹343 crore," V Vaidyanathan, managing director and CEO, IDFC FIRST Bank, said.

However, the net profit for 2021-22 fell 68% to ₹145 crore from ₹452 crore in 2020-21, due to higher provisioning in the first quarter of FY22 to manage the Covid-19 second wave impact on its assets, IDFC First Bank said.

The total income during the year rose to ₹20,394.72 crore from ₹18,179.19 crore.

MUMBAI-HEADQUARTERED YES BANK on Saturday reported a net profit of ₹367 crore in the March quarter of FY22. The private-sector lender had incurred a loss of ₹3,788 crore in the corresponding quarter a year ago. Its performance was led by strong growth in net interest income (NII) and a decline in provisions.

NII rose 84% year-on-year (y-o-y) to ₹1,819 crore, while provisions dropped 95% to ₹271 crore. The bank's net interest margin (NIM), a key measure of profitability, rose 10 basis points (bps) sequentially to 2.5%.

Prashant Kumar, MD & CEO, Yes Bank, said that the lender is now acquiring more than a lakh CASA customers on a monthly basis. "The important point is that the growth in liabilities has come despite reductions in interest rate, a reflection of our superior customer service and stakeholder confidence," he said. The bank saw fresh slippages worth ₹802 crore during

Lender says on track to set up ARC, on lookout for partners

DHFL-Yes Bank case: CBI searches premises of prominent realtors in Mumbai, Pune

PRESS TRUST OF INDIA
Mumbai, April 30

THE CBI on Saturday began searches at the premises of some prominent builders, including Ashwini Bhonsale, Shahid Balwa and Vinod Goenka, at eight locations in Mumbai and Pune in connection with the DHFL-Yes Bank corruption case, officials said.

The CBI suspects that their companies were used to channel alleged illicit money in the Yes Bank-DHFL loan case, they said. Balwa and Goenka had earlier been arraigned as accused by the CBI in the 2G spectrum case but were acquitted by a special court in 2018.

The CBI has now knocked on their doors in a 2020 corruption case against Yes Bank founder Rana Kapoor, Kapil Wadhawan of DHFL and others.

"The searches are going on at eight locations in Mumbai and Pune. Nothing can be said now about the role of people being searched," an official said.

The CBI has recently arrested Sanjay Chhabria of Radius Developers in the case.

The agency has alleged that Kapoor entered into a criminal conspiracy with Wadhawan for extending financial assistance to DHFL through Yes Bank in return for substantial undue benefits to himself and his family members through companies held by them, they said.

According to the CBI FIR, the scam started taking shape between April and June 2018 when Yes Bank invested ₹3,700 crore in short-term debentures of DHFL. In return, Wadhawan allegedly "paid kick-back of ₹600 crore" to Kapoor and his family members in the form of loan to DoT Urban Ventures (India) Pvt Ltd, they said.

Kapoor's daughters - Roshini, Radha and Rakhee - are 100% shareholders of DoT Urban Ventures through Mogran Credits, it alleged.

DoT exempts handsets, smart watches from mandatory testing regime

THE TELECOM DEPARTMENT has exempted certain products including mobile user equipment, mobile handsets, and smart watches from the ambit of its mandatory testing 'MTCTE regime', removing a regulatory overlap that existed, an official release said on Saturday.

The exemptions on these widely-used products will reduce the compliance burden and will enable the industry to roll out their products faster, it said, adding that the move will

also reduce import delays. "DoT (Telecom Department) in consultation with MeitY examined the issue and has now decided to exempt following products from the ambit of MTCTE regime: Mobile User Equipment / Mobile handset (Mobile phone), server, smart watch, smart camera, PoS Machine (Point of Sale Devices)," the release said.

The Ministry of Electronics and Information Technology (MeitY) carries out Compulsory Registration of specified goods - such as laptops, wireless key-

boards, PoS machines and other equipment - under the Electronics and Information Technology (Requirement for Compulsory Registration) Order, 2012. The department of telecom (DoT) has specified 'Mandatory Testing and Certification of Telecommunication Equipment (MTCTE)' under Indian Telegraph (Amendment) Rules, 2017 for equipment capable of being used for telecommunication. —PTI

PVC PIPES AND plastic products maker Astral said it will acquire a majority 51% stake in Gem Paints for ₹194 crore, a move which will allow the Ahmedabad-based firm to expand its product portfolio into the paints segment.
