Qualified Opinion expressed by the statutory auditors (if any) :

(a) Going Concern Assumption in preparation of the Statement

Due to continuous losses, the net-worth of the company has been fully eroded. The Company has defaulted in repayment of borrowings to its lenders. In view of the Management, the Company would be able to improve its net working capital position to discharge its total financial obligations as described in note-5 to the result. However, in view of the uncertainties involved, these events and conditions indicate a material uncertainty which may cast a significant doubt on the Company's ability to continue as a going concern. Accordingly, the use of going concern assumption of accounting in preparation of this Statement is not adequately and appropriately supported.

(b) Non-recognition of Interest Expense

We draw attention to Note 7 (a) of the Statement relating to non-recognition of interest expense amounting to Rs. 4,15,151 thousand (including Rs. 1,12,585 thousands for the guarter) year ended 31st March, 2021 on its borrowings. As a result, finance Costs liability on account of interest is understated and total comprehensive income for the year ended 31st March, 2021 is overstated to that extent.

These constitute a departure from the requirements of Indian Accounting Standard 109 "Financial Instruments".

(c) Non-recognition of Interest Income

Interest income of Rs. 1,35,900 Thousand (including Rs. 56,650 thousands for the quarter) year ended 31st March, 2021 not provided on loans given refer note-8(a). As a result, interest income, interest receivable and total comprehensive income for the year ended 31st March, 2021 are understated to that extent.

These constitute a departure from the requirements of Indian Accounting Standard 109 "Financial Instruments".

(d) Advances

The Company had given Advances to Body Corporate aggregating to Rs.2,85,000 Thousand which are outstanding as on March 31, 2021. In absence of appropriate audit evidence and status thereof, we are unable to comment on the validity and recoverability of such advances. Due to Non provision, the impact of the same on advances and total comprehensive income are overstated.

(e) Non Confirmation of Loans and Advances

Due to non Confirmation and reconciliation of Loans and Advances and Borrowings, adjustment/impact or provisions in financial results if any not ascertainable in respect of this, so cannot be commented by us at present. [Refer Note-8(b)]
