Item No. 7 & 8

Keeping in view the Company's intended growth and future fund requirements, vis-à-vis ever-increasing cost of various inputs including labour, materials, finance and administration, etc, it is proposed to authorize the Board of Directors u/s. 180(1)(c) of the Companies Act, 2013 to borrow funds up to an amount not exceeding Rs.7500 Lacs (Rupees Seventy Five Hundred Lacs only) which may exceed the paid-up Capital and free reserves of the Company.

For borrowing the funds, the Company shall have to provide security to the lenders. It is, therefore also proposed to authorize Board of Directors u/s. 180(1)(a) of the Companies Act, 2013. To create security by way of mortgage/charge/hypothecation or otherwise on the immovable / movable properties and assets / the whole or substantially the whole of the undertaking(s) or any other assets of the Company, both present and future, in favour of Financial Institution(s), Banks, lenders, etc. to the extent of Rs.7500 Lacs (Rupees Seventy Five Hundred Lacs only) since creating the aforesaid security, in certain cases, is regarded "As disposal of " the whole or substantially the whole of undertaking(s) of the Company. Under above circumstances, it is necessary to obtain approval of the Shareholders by passing resolution before borrowing and creating security.

The proposal to authorize the Board of Directors to borrow money and create security would attract provisions of Section 180(1)(c) and 180(1)(a) of the Companies Act, 2013, respectively inter-alia requiring approval of the Shareholders by way of Special Resolution. Therefore, approval of the members of the Company is being sought by way of Special Resolution.

None of the Directors of the Company, other key managerial personnel and relatives of Directors or key managerial personnel are in any way concerned or interested in the said Resolutions.

MANAGEMENT DISCUSSION AND ANALYSIS

DISCLAIMER

Readers are cautioned that this discussion and analysis contains forward looking statements that involve risks and uncertainties. The company undertakes no obligations to publicly update or revised any forward looking statements, whether as a result of new information, future events, or otherwise, Actual results, performance or achievements, risks and opportunities could differ materially from those expressed or implied in these forward looking statements.

OVERVIEW

Indian's economy was expected to grow at around 6% at time the union budget was presented earlier in the year. However it appears that growth rate will be lower. The corporate sector therefore has to brace for another tough year following low growth in 2018-19.

Industry Structure and Development

The financial year 2018-19 was a challenging one for most of the economies globally. Flexible Polyurethane Foam industry also remained under pressure and there was no significant growth.

The company has initiated a project for the Growth and Development of factory Building at Noida and has acquired a land adjacent to the Factory Premises.

Despite falling prices and intense competition from imported as well as low cost producers, your Company was able to sustain its performance due to introduction of new products and improvement in product efficiency. The brand "Sweet dream" of the company was extensively advertised through various modes and dealership network and loyalty helped the company to achieve targets during the year under review.

Opportunities, Threats, Risks, Concern& Future Outlook

There is considerable scope for growth of foam industry because of increased usage of foam products in day-to-day life. However competition from importers and unorganized sector has been increasing day by day. Therefore the Indian industry will have to really strive hard to sustain against global competition as well as competition from unorganized markets. The steep competition has led to reduction in prices and increased expenses on promotional front. Therefore, the Company has to resort to an aggressive marketing campaign and thereby fetching higher volumes in the products positioned in lower and middle category segment at one hand and the higher realization from the products positioned in premium segment.

Segment Wise Performance

As such the Company deals only in one segment – Flexible polyurethane foams, hence there is no specific differential information pertaining to this section.

Financial Performance

The company's ability to maintain its cash flows and profits in this uncertain environment reflects hard work done by executive directors of the company and its leadership in domestic sales.

The Net Sales including other income of Rs. 10277.64 Lacs as compared to Rs. 10044.05 Lacs for the Previous Year. The Profit before Tax and Depreciation was Rs.1006.49 Lacs for period under review as compared to Rs. 917.74 Lacs for the Previous Year.

Internal Control Systems and Their Adequacy

The Company has adequate Internal control systems commensurate with its size and operations to ensure orderly and efficient conduct of business while safeguarding the assets, quality, safety, procurements, finance and accounts and reducing and detecting error.

The Company also has appointed an external firm of Chartered Accountants to supplement the efficient Internal Audit.

Material Development in Human Resources and Industrial Relations Front

The Company routinely undertakes employee development activities keeping in mind the professional requirements of the employees as well as the growth of the Company.

The Industrial Relations were cordial throughout the year with no incidence of strike or lockouts.

CAUTIONARY STATEMENT

Statements in this Management Discussion & Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic developments in the country and improvement in the state of capital markets, changes in the Government regulations, tax laws and other status and other incidental factors.

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
TIRUPATI FOAM LTD.
Tirupati House, 4th Floor, Nr. Topaz Restaurant,
University Road, Polytechnic Char Rasta, Ambawadi,
Ahmedabad, Gujarat - 380015.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **TIRUPATI FOAM LIMITED** (CIN: **L25199GJ1986PLC009071**) (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the company's books, papers, minutes books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2019, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minutes' books, forms and returns filed and other records maintained by the company for the financial year ended on 31st March, 2019 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;

INDEPENDENT AUDITOR'S REPORT

**TO THE MEMBERS OF
TIRUPATI FOAM LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Tirupati Foam Limited ("the Company")** which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the period then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, its profit and total comprehensive income, changes in equity and its cash flows for the period ended on that date.

Basis for Opinion

We conducted our audit of Standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters	How our audit addressed the key audit matter
Revenue recognition (refer notes 1.8 and 25 to the Standalone Financial Statements)	
<p>Revenue is one of the key profit drivers and is therefore susceptible to misstatement. Cut-off is the key assertion in so far as revenue recognition is concerned, since an inappropriate cut-off can result in material misstatement of results for the year.</p> <p>For the year ended March 31, 2019 the Company has recognized revenue from contracts with customers amounting to Rs. 10,240.76Lacs.</p> <p>Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.</p> <p>Revenue is measured net of returns, incentives, cash discounts, trade discounts, and volume rebates (collectively 'discount and rebates'). Discounts and incentives to dealers / customers are administered through various schemes including incentives. These are material items of business cost. The calculation of the amount of expense to be recognized based on sales made during the year is material and considered to be judgmental. The liability recognized for such incentives as at 31st March, 2019 is Rs.41.87 Lacs.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • Revenue recognition included testing controls, automated and manual, around dispatches/deliveries, inventory reconciliations and circularization of receivable balances, substantive testing for cut-offs and analytical review procedures. • Assessed the design and tested the operating effectiveness of internal controls related to revenue recognition, discounts and rebates. • Performed sample tests of individual sales transaction and traced to sales invoices, sales orders and other related documents. Further Tested the provision calculations related to management incentives, discounts and rebates by agreeing a sample of amounts recognized to underlying arrangements with customers and other supporting documents. • To test cut off selected sample of sales transactions made pre- and post-year end, agreeing the period of revenue recognition to third party support, such as transporter invoice and customer confirmation of receipt of goods.

There is a risk that such liabilities for incentives may be inaccurately recognised. There is a risk that these discount and rebates are incorrectly recorded as it also requires a certain degree of estimation, resulting in understatement of the associated expenses and accrual.

Accordingly, due to the significant risk associated with revenue recognition in accordance with terms of Ind AS 115 'Revenue from contracts with customers', it was determined to be a key audit matter in our audit of the standalone Ind AS financial statements.

- Considered the adequacy of the Company's disclosures in respect of revenue.

We have determined that there are no other key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind As and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities;

selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty

exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 (the "Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, and the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid standalone financial statements comply with the Ind As specified under Section 133 of the Act.
- e. On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's Internal Financial Controls over financial reporting.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has no pending litigations as on 31st March, 2019 in its standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education & Protection Fund by the Company.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to the paragraph 1 under "Report on Other Legal and Regulatory Requirements" section of our report of even date)

- i. (a) The company has maintained proper records showing full particulars including quantitative details and situation of its fixed assets;
- (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals having regard to the size of the company, nature and value of its assets. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (c) In our opinion and according to information and explanations given to us and on the basis of an examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii. The inventory has been physically verified by the Management at reasonable intervals during the year. In our opinion, the frequency of such verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material and have been dealt with in books of account.
- iii. In our opinion and according to information & explanation given to us, the company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnership or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly the provisions of Clause (iii) of paragraph 3 of the order are not applicable to the Company.
- iv. According to information and explanations given to us, the Company has not granted any loans or investments made or provided any guarantees or security to the parties covered under Section 185 and 186 of the Companies Act, 2013.
- v. According to the information and explanations given to us, the Company has not accepted any deposit nor has any unclaimed deposit within the meaning of the provisions of Sections 73 to 76 or any other relevant provision of the Act and the rules framed there under. Accordingly, the provisions of Clause (v) of paragraph 3 of the Order are not applicable to the Company.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records pursuant to the Companies (Cost Records and Audit) Rules 2014 specified by the Central Government of India under Section 148 of the Companies Act, 2013 in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have,

however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete

- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess, and any other material statutory dues, as applicable, with the appropriate authorities.
- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and any other material statutory dues were in arrears as at 31st March, 2019 for a period of more than six months from the date they became payable.
- (c) According to the information and explanations given to us, there are no dues of Income Tax, Service Tax, Custom Duty, Excise duty, Sales tax, Value Added Tax and Cess which have not been deposited with the appropriate authorities on account of any dispute.
- viii. In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to banks. The Company does not have any loans or borrowings from financial institutions or government and has not issued any debentures.
- ix. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) and term loans taken by the Company have been applied for the purposes for which they were obtained.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) under "Report on Other Legal and Regulatory Requirements" section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of Tirupati Foam Limited (the "Company") as of 31st March 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Control over Financial Reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Control over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over Financial Reporting and their operating effectiveness. Our audit of Internal Financial Control over Financial Reporting included obtaining an understanding of Internal Financial Control over Financial Reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Control system over Financial Reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A Company's Internal Financial Control over Financial Reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of Internal Financial Controls over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls over Financial Reporting, to future periods are subject to the risk that Internal Financial Controls over Financial Reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the criteria for internal financial controls over financial

reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

TIRUPATI FOAM LIMITED

Notes to Financial Statements for the year ended 31st March, 2019

COMPANY BACKGROUND

Tirupati Foam Limited (the 'Company') is a public limited Company incorporated under the Companies Act 1956. The Company is engaged in the business of manufacturing of Polyurethane Foam and their articles (Like mattress, cushions, Pillow, sofa N bed, etc.)

1. SIGNIFICANT ACCOUNTING POLICIES:

1.1. Basis of preparation of financial statements

(i) Compliance with Ind AS

These financial statements have been prepared in accordance with Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified under Section 133 of the Companies Act, 2013 ("Act) read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values and Defined benefit planned assets measured at fair value at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

(ii) Use of estimated and judgments

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

(iii) Current / Non- Current Classification

All assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

TIRUPATI FOAM LIMITED

Notes to Financial Statements for the year ended 31st March, 2019

1.2. Property, Plant and Equipment:

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

The Company identifies and determines cost of each part of an item of property, plant and equipment separately, if the part has a cost which is significant to the total cost of that item of property, plant and equipment and has useful life that is materially different from that of the remaining item.

The cost of an item of property, plant and equipment comprises of its purchase price including import duties and other nonrefundable purchase taxes or levies, directly attributable cost of bringing the asset to its working condition for its intended use and the initial estimate of decommissioning, restoration and similar liabilities, if any. Any trade discounts and rebates are deducted in arriving at the purchase price. Cost includes cost of replacing a part of a plant and equipment if the recognition criteria are met. Expenses directly attributable to new manufacturing facility during its construction period are capitalized if the recognition criteria are met. Expenditure related to plans, designs and drawings of buildings or plant and machinery is capitalized under relevant heads of property, plant and equipment if the recognition criteria are met.

Capital work in progress and Capital advances:

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress.

Depreciation:

Depreciation on each part of an item of property, plant and equipment is provided using the Written down Value Method based on the useful life of the asset as estimated by the management and is charged to the Statement of Profit and Loss as per the requirement of Schedule II of the Companies Act, 2013. The estimate of the useful life of the assets is determined as prescribed in Schedule II of Companies Act, 2013.

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Derecognition:

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an item of property, plant and equipment is measured as the

TIRUPATI FOAM LIMITED

Notes to Financial Statements for the year ended 31st March, 2019

difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

1.3. Intangible Assets

Intangible assets are initially recognised at cost. Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably.

Amortization

Intangible Assets with finite lives are amortized on a Straight Line basis over the estimated useful economic life. The amortization expense on intangible assets with finite lives is recognized in the Statement of Profit and Loss. The estimated useful life of intangible assets is mentioned below:

ERP Software	5 Year
--------------	--------

The amortization period and the amortization method for an intangible asset with finite useful life is reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

Derecognition

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an intangible asset is measured as the difference between the net disposal proceeds and the carrying amount of the intangible asset and is recognized in the Statement of Profit and Loss when the asset is derecognized.

1.4. Investment Property

Properties that are held for long-term rental yields or for capital appreciation or both, and that are not occupied by the company, are classified as Investment Property. These are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. Subsequent expenditure related to investment properties are added to its book value only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Investment properties are depreciated using the Written down Method on the useful life of the asset as estimated by the management and is charged to the Statement of Profit and Loss as per the requirement of Schedule II of the Companies Act, 2013. The estimate of the useful life of the assets is determined as prescribed in Schedule II of Companies Act, 2013.

TIRUPATI FOAM LIMITED

Notes to Financial Statements for the year ended 31st March, 2019

1.5. Impairment

Assets that have an indefinite useful life, for example goodwill, are not subject to amortization and are tested for impairment annually and whenever there is an indication that the asset may be impaired.

Assets that are subject to depreciation are reviewed for impairment, whenever events or changes in circumstances indicate that carrying amount may not be recoverable. Such circumstances include, though are not limited to, significant or sustained decline in revenues or earnings and material adverse changes in the economic environment.

An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit (CGU) exceeds its recoverable amount. The recoverable amount of an asset is the greater of its fair value less cost to sell and value in use. To calculate value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market rates and the risk specific to the asset. For an asset that does not generate largely independent cash in flows, the recoverable amount is determined for the CGU to which the asset belongs. Fair value less cost to sell is the best estimate of the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal.

Impairment losses, if any, are recognized in the Statement of Profit and Loss and included in depreciation and amortization expense. Impairment losses are reversed in the Statement of Profit and Loss only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognized.

1.6. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

A financial asset is recognised in the balance sheet when the Company becomes party to the contractual provisions of the instrument. At initial recognition, the Company measures a financial asset at its fair value plus or minus, in the case of a financial asset not at fair value through statement of profit and loss, transaction costs that are directly attributable to the acquisition or issue of the financial asset.

Subsequent measurement

For purpose of subsequent measurement, financial assets are classified into:

TIRUPATI FOAM LIMITED

Notes to Financial Statements for the year ended 31st March, 2019

- a. Financial assets measured at amortised cost;
- b. Financial assets measured at fair value through other comprehensive income (FVTOCI);
- c. Financial assets measured at fair value through statement of profit and loss (FVTPL)

The Company classifies its financial assets in the above mentioned categories based on:

- a. The Company's business model for managing the financial assets;
- b. The contractual cash flows characteristics of the financial asset.

A) Financial assets measured at amortised cost

This category generally applies to trade and other receivables.

A financial asset is measured at amortised cost if both of the following conditions are met:

- a. The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows;
- b. The contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss.

B) Financial assets measured at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at fair value through other comprehensive income if both of the following conditions are met:

- a. The financial asset is held within a business model whose objective is achieved by both collecting the contractual cash flows and selling financial assets;
- b. The asset's contractual cash flows represent SPPI.

C) Financial assets measured at fair value through the statement of profit and loss (FVTPL)

FVTPL is a residual category. Any financial asset, which does not meet the criteria for categorization as at amortised cost or as FVTOCI, is classified as at FVTPL. In addition, the Company may elect to designate a financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Such financial assets are measured at fair value with all changes in

TIRUPATI FOAM LIMITED

Notes to Financial Statements for the year ended 31st March, 2019

fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

Equity Instruments

All the equity instruments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL.

If the company decides to classify an equity instrument as at FVTOCI, then all the fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity. Equity instruments included within FVTPL category are measured at fair value with all the changes recognized in statement of profit and loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized (i.e. removed from the Company's balance sheet) when:

- a. The contractual rights to the cash flows from the financial asset have expired, or
- b. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
 - a. The Company has transferred substantially all the risks and rewards of the asset, or
 - b. The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company assesses impairment based on expected credit loss (ECL) model to the following:

- a. Financial assets measured at amortised cost;
- b. Financial assets measured at fair value through other comprehensive income

Expected credit losses are measured through a loss allowance at an amount equal to:

- a. The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- b. Full time expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

TIRUPATI FOAM LIMITED

Notes to Financial Statements for the year ended 31st March, 2019

The Company follows simplified approach for recognition of impairment loss allowance on trade receivables, under the simplified approach; the Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable which is adjusted for management's estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through statement of profit and loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables and short term borrowings.

Subsequent measurement

- a. Financial liabilities measured at amortised cost;
- b. Financial liabilities subsequently measured at fair value through statement of profit and loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through statement of profit and loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

Trade and other payables

These amounts represent liability for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

Fair Value

TIRUPATI FOAM LIMITED

Notes to Financial Statements for the year ended 31st March, 2019

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) In the principal market for the asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level3 -Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

1.7. Inventories

Raw materials, work-in-progress, finished goods, packing materials, stores, spares, components, consumables and stock-in-trade are carried at the lower of cost and net realisable value after providing for obsolescence, if any. The comparison of cost and net realisable value is made on an item-by item basis.

In determining the cost of raw materials, packing materials, stock-in-trade, stores, spares, components and consumables, First-in-First-Out (FIFO) method is used. Cost of inventory comprises of all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition.

In the case of manufactured inventories and work-in-progress, Cost includes direct material, labour cost and a proportion of manufacturing overheads. Excise duty is included in the value of Finished Products.

Materials in transit are valued at cost-to-date.

TIRUPATI FOAM LIMITED

Notes to Financial Statements for the year ended 31st March, 2019

1.8. Revenue Recognition

Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

Sale of products:

Revenue from sale of products is recognized when the control on the goods have been transferred to the customer. The performance obligation in case of sale of product is satisfied at a point in time i.e., when the material is shipped to the customer or on delivery to the customer, as may be specified in the contract.

Rent Income is recognised on the accrual basis.

Interest income

Interest income is recognized using effective interest method.

1.9. Borrowing Costs

Interest and other borrowing costs attributable to qualifying assets are capitalised. Other interest and borrowing costs are charged to Statement of Profit and Loss.

1.10. Earnings per Share

Basic earnings per share

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the Company by the weighted average number of Equity Shares outstanding during the year.

Diluted earnings per share

Diluted earnings per are calculated by dividing the profit for the year attributable to the equity holders of the Company by weighted average number of Equity shares outstanding during the

TIRUPATI FOAM LIMITED

Notes to Financial Statements for the year ended 31st March, 2019

year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential Equity shares in to Equity shares.

1.11. Foreign Currency Translation

Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

Initial Recognition:

On initial recognition, transactions in foreign currencies entered into by the Company are recorded in the functional currency (i.e. Indian Rupees), by applying to the foreign currency amount, the spot exchange rate prevailing on the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss.

Transactions and balances:

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

1.12. Income Taxes

Tax expense is the aggregate amount included in the determination of profit or loss for the period in respect of current tax and deferred tax.

Current tax:

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the income Tax Act, 1961.

TIRUPATI FOAM LIMITED

Notes to Financial Statements for the year ended 31st March, 2019

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Deferred tax:

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit under Income Tax Act, 1961.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Also, for temporary differences if any that may arise from initial recognition of goodwill, deferred tax liabilities are not recognized.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefits of part or all of such deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/ expense are recognized in Other Comprehensive Income.

TIRUPATI FOAM LIMITED

Notes to Financial Statements for the year ended 31st March, 2019

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

1.13. Provisions and Contingent Liabilities

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

1.14. Employee Benefits

Short Term Employee Benefits:

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus, short term compensated absences, ex-gratia, etc. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognised as an expense as the related service is rendered by employees.

Post-Employment Benefits:

(i) Defined Contribution plans:

Defined contribution plans are employee state insurance scheme and Government administered provident fund scheme for all applicable employees.

Recognition and measurement of defined contribution plans:

TIRUPATI FOAM LIMITED

Notes to Financial Statements for the year ended 31st March, 2019

The Company recognizes contribution payable to a defined contribution plan as an expense in the Statement of Profit and Loss when the employees render services to the Company during the reporting period. If the contributions payable for services received from employees before the reporting date exceed the contributions already paid, the deficit payable is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the reporting date, the excess is recognized as an asset to the extent that the prepayment will lead to, for example, a reduction in future payments or a cash refund.

(ii) Defined Benefit plans:

Provident Fund scheme:

Defined Contribution Plans such as Provident Fund etc., are charged to the Statement of Profit and Loss as incurred. The contributions are made to a government administered Provident Fund towards which the Company has no further obligations beyond its monthly contributions.

Recognition and measurement of Defined Benefit plans:

The cost of providing defined benefits is determined using the Projected Unit Credit method with actuarial valuations being carried out at each reporting date. The defined benefit obligations recognized in the Balance Sheet represent the present value of the defined benefit obligations as reduced by the fair value of plan assets, if applicable. Any defined benefit asset (negative defined benefit obligations resulting from this calculation) is recognized representing the present value of available refunds and reductions in future contributions to the plan.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability / (asset) are recognized in the Statement of Profit and Loss. Remeasurements of the net defined benefit liability / (asset) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liability/asset), are recognized in Other Comprehensive Income. Such remeasurements are not reclassified to the Statement of Profit and Loss in the subsequent periods.

1.15. Cash and Cash Equivalents

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments net of bank overdrafts which are repayable on demand as these form an integral part of the Company's cash management.

1.16. Events after reporting date

TIRUPATI FOAM LIMITED

Notes to Financial Statements for the year ended 31st March, 2019

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

1.17. Recent accounting pronouncements

Standards issued but not yet effective

On March 30, 2019 the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2019, notifying Ind AS 116 on Leases. Ind AS 116 would replace the existing leases standard Ind AS 17.

The standard sets out the principles for the recognition, measurement, presentation and disclosures for both parties to a contract, i.e. the lessee and the lessor. Ind AS 116 introduces a single lease accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Currently for operating lease rentals are charged to the statement of profit and loss. The Company is currently evaluating the implications of Ind AS 116 on the financial statements.

The Companies (Indian Accounting Standards) Amendment Rules, 2019 also notified amendments to the following accounting standards. The amendments would be effective from April 1, 2019.

1. Ind AS 12, Income taxes – Appendix C on uncertainty over income tax treatments
2. Ind AS 12, Income Taxes - Accounting for Dividend Distribution Taxes
3. Ind AS 23, Borrowing costs
4. Ind AS 28 – Investment in associates and joint ventures
5. Ind AS 103 and Ind AS 111 – Business combinations and joint arrangements
6. Ind AS 109 – Financial instruments
7. Ind AS 19 – Employee benefits

The Company is in the process of evaluating the impact of such amendments.

1.18. Key accounting estimates and judgments

The preparation of the Company's financial statements requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in

TIRUPATI FOAM LIMITED

Notes to Financial Statements for the year ended 31st March, 2019

outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Critical accounting estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

Income taxes

The Company's tax jurisdiction is India. Significant judgments are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions (Refer Note 33).

Property, Plant and Equipment

Property, Plant and Equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

Defined Benefit Obligation

The costs of providing gratuity and other post-employment benefits are charged to the Statement of Profit and Loss in accordance with Ind AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions selected by the management. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates. The same is disclosed in Note 39, 'Employee benefits'.

Fair value measurement of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgments and assumptions.

TIRUPATI FOAM LIMITED
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST MARCH 2019

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

Types of inputs for determining fair value are as under:

Level 1: This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of investment in quoted equity shares, and mutual fund investments. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

i) Transfers between Levels 1 and 2

There have been no transfers between Level 1 and Level 2 during the reporting periods.

ii) Transfer out of Level 3

There were no movement in level 3 in either directions during the financial year ending on 31 March 2019 and 31 March 2018.

B. Financial risk management

The Company's financial liabilities comprise mainly of borrowings, trade payables and other payables. The Company's financial assets comprise mainly of cash and cash equivalents, other balances with banks, loans, trade receivables and other receivables.

The Company is exposed to Market risk, Credit risk and Liquidity risk. The Board of Directors ('Board') oversee the management of these financial risks through its Risk Management Committee. The Risk Management Policy of the Company formulated by the Board, states the Company's approach to address uncertainties in its endeavor to achieve its stated and implicit objectives. It prescribes the roles and responsibilities of the Company's management, the structure for managing risks and the framework for risk management. The framework seeks to identify, assess and mitigate financial risks in order to minimize potential adverse effects on the Company's financial performance.

The following disclosures summarize the Company's exposure to financial risks. Quantitative sensitivity analysis have been provided to reflect the impact of reasonably possible changes in market rates on the financial results, cash flows and financial position of the Company.

TIRUPATI FOAM LIMITED
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST MARCH 2019

1) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk includes borrowings, trade payables, trade receivables, loans and derivative financial instruments.

a) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk on long term floating rate borrowings. The borrowings of the Company are principally denominated in Indian Rupees with floating rate of interest.

For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk represents management's assessment of the reasonably possible change in interest rates.

Exposure to interest rate risk

	Amount (In Lacs)	
Variable-rate instruments	As At 31st March, 2019	As At 31st March, 2018
Non current - Borrowings	547.61	69.03

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST MARCH 2019

b) Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. The Company operates, in addition to domestic markets, significantly in international markets through its purchases from overseas suppliers in US\$ and is therefore exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US\$. The Company does not enter into any derivative instruments for trading or speculative purposes.

The Company does not enter into forward exchange contracts, to hedge against its foreign currency exposures relating to the underlying transactions and firm commitments denominated assets. The sources of foreign exchange risk are outstanding amounts payable for imported raw materials denominated in foreign currency. The Company is also exposed to foreign exchange risk on its imports. Most of these transactions are denominated in US dollars.

Details of unhedged foreign currency exposure

(a) Particulars of unhedged foreign currency exposure as at the reporting date are as follows:

Unhedged Exposures	Foreign Currency Denomination	(Amount in Rs.)			
		As at March 31, 2019		As at March 31, 2018	
		Amount in Foreign Currency	Amount in Rs.	Amount in Foreign Currency	Amount in Rs.
Trade Payable	USD	-	-	173,000	11,251,920

(b) Foreign Currency Risk Sensitivity

The Company is mainly exposed to changes in USD. The below table demonstrates the sensitivity to a 5% increase or decrease in the USD against INR, with all other variables held constant. The sensitivity analysis is prepared on the net unhedged exposure of the Company as at the reporting date. 5% represents management's assessment of reasonably possible change in foreign exchange rate.

A change in Foreign currency would have following Impact on profit before tax	Amount (In Lacs)			
	As at March 31, 2019		As at March 31, 2018	
	5% Increase	5% Decrease	5% Increase	5% Decrease
USD	-	-	(5.63)	5.63

TIRUPATI FOAM LIMITED
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST MARCH 2019

C) Other Price Risk

Other price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. Other price risk arises from financial assets such as investments in equity instruments. The Company's investments in bonds recognised at amortised cost and get recouped through fixed coupon accruals. As at 31st March, 2019, the carrying value of the investments in bonds amounts to Rs.86,790 (Rs.86,790 as at 31st March, 2018). The details of such investments in bonds are given in Note 5. Investments in bonds is not considered to be significant and hence the risk is negligible.

2) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations resulting in a financial loss to the Company. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information. The Company considers Credit risk arises primarily from financial assets such as trade receivables, other balances with banks, and loans.

Credit risk arising from other balances with banks is limited and there is no collateral held against these because the counterparties are banks and recognised financial institutions with high credit ratings assigned by the credit rating agencies.

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no provision considered.

3) Liquidity Risk

Liquidity risk is the risk that the company will encounter in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The approach of the company to manage liquidity is to ensure, as far as possible, that these will have sufficient liquidity to meet their respective liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risk damage to their reputation. The company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low.

The table below summarises the maturity profile of the company's financial liabilities based on contractual undiscounted payments.

NOTE 35 : CAPITAL MANAGEMENT

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

The capital structure of the group is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the group may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

D. Assumption

With the objective of presenting the plan assets and plan liabilities of the defined benefits plans and privilege Leave benefits at their fair value on the balance sheet, assumptions under Ind AS 19 are set by reference to market conditions at the valuation date.

The significant actuarial assumptions were as follows:

PARTICULARS	As at 31st March, 2019	As at 31st March, 2018
GRATUITY:		
Discount Rate	7.45%	7.60%
Salary Growth Rate	8.00%	8.00%

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST MARCH 2019

E. Sensitivity

The sensitivity of the defined benefit obligation to changes in the weighted key assumptions are:

Increase / (Decrease) in defined benefit obligation	Year ended 31st March, 2019		Year ended 31st March, 2018	
	Define Benefit Obligation(DBO)	Change in DBO %	Define Benefit Obligation(DBO)	Change in DBO %
GRATUITY:				
Discount Rate				
Increase by 0.50%	1,462,190	-4.59%	1,230,029	-4.60%
Decrease by 0.50%	1,608,317	4.94%	1,353,110	4.95%
Salary growth Rate				
Increase by 0.50%	1,588,036	3.62%	1,339,756	3.92%
Decrease by 0.50%	1,463,681	-4.49%	1,230,836	-4.53%
Withdrawal Rate				
Increase by 10%	1,529,360	-0.21%	1,287,052	-0.17%
Decrease by 10%	1,535,621	0.20%	1,291,402	0.17%

The above sensitivity analysis may not be representative of the actual benefit obligation as it is unlikely that the change in assumptions would occur in isolation one another as some of the assumptions may be correlated. Furthermore in presenting the above sensitivity analysis, the present value of defined benefit obligation has been calculated using the projected unit credit method at the end of reporting period, which is the same as that applied in calculating the defined which is the same as that applied in calculating the defined benefit obligation liability recognized in the balance sheet.

F Expected cashflows based on past service liability after year end 31st March, 2019 as follows:
