Independent Auditors' Report on Standalone Financial Results of Oil India Limited for the quarter and year ended 31st March, 2023 Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To
The Board of Directors
Oil India Limited

Report on the Audit of the Standalone Financial Results

1. Opinion

We have audited the Standalone Financial Results ("the statement") of **OIL INDIA LIMITED** ("the Company") for the quarter and year ended on 31st March, 2023, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 as amended ("the Listing Regulations"), read with SEBI Circular No. CIR/CFD/CMD1/80/2019 dated 19th July, 2019 and SEBI Circular No. SEBI/HO/DDHS/CIR/2021/0000000638 dated 14th October, 2021.

In our opinion and to the best of our information and according to the explanations given to us the statement:

- a) is presented in accordance with the requirements of Regulation 33 and Regulation 52 of the Listing Regulations in this regard, and
- b) gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information for the quarter and the year ended on 31st March, 2023.

2. Basis for Opinion

We conducted our audit of the Statement in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act, and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Results.

3. Emphasis of Matter

We draw attention to the following matters in the notes to the Standalone Financial Results.

- i) Note no. 4 (b) regarding challenging the levy of GST on royalty on crude oil and natural gas, under the Oil Fields (Regulation & Development) Act, 1948 and considering it as contingent liability.
- ii) Note no. 5 regarding consideration of GST liability on royalty, paid under protest, as an allowable deduction for computation of taxable income and tax thereon under the Income Tax Act, 1961.
- iii) Note No. 9 regarding provision of further liability, if any, towards remediation of environment due to blowout of a producing gas well around Baghjan #5.

Our opinion on the Standalone Financial Results is not modified in respect of these matters.

4. Management's Responsibilities for the Standalone Financial Results

This statement, which is responsibility of the Company's Management and approved by the Board of Directors, has been prepared on the basis of the related annual and quarterly Standalone Financial Statements of the Company. The Company's Board of Directors are responsible for the preparation and presentation of the Standalone Financial Results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 and Regulation 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

5. Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results are free from material misstatement whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

i. Identify and assess the risks of material misstatement of the Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

ii. Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion through a separate report on the complete set of Financial Statements on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

iv. Conclude on the appropriateness of the Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Standalone Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

v. Evaluate the overall presentation, structure and content of the Standalone Financial Results, including the disclosures, and whether the Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

6. Other Matters

a. The Standalone Financial Results and other financial information include Company's proportionate share in joint ventures in respect of assets ₹ 2,499.08 crore, liabilities ₹ 2,109.29 crore, expenses ₹ 229.51 crore, income ₹ 428.61 crore and the elements making up the Statement of Cash Flow and related disclosures as at 31st March, 2023 which is based on unaudited statements from the operator and certified by the management.

Licensing Policy (NELP) and nominated blocks for under-performance against Minimum Work Programme.

The Standalone Financial Results include the results for the quarter ended 31st March, 2023 being the derived figures between the audited figures in respect of full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were reviewed by us.

1. The above Standalone Financial Results of the Company for the quarter and year ended 31st March, 2023 have been reviewed and recommended by the Audit & Ethics Committee and approved by the Board of Directors in its meeting held on 24th May, 2023.
2. The Joint Statutory Auditors of the Company have audited the Standalone Financial Results for the quarter and year ended 31st March, 2023 as required under Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
3. The audited financial statements are subject to review by the Comptroller and Auditor General of India under section 143 (6) (b) of the Companies Act, 2013.
4. a. Service Tax demand was raised on the Company for the period March'2016 to June'2017 seeking to levy Service Tax on Royalty paid on Crude Oil & Natural Gas under the Oil Fields (Regulation & Development) Act, 1948 for the states of Assam, Arunachal Pradesh and Rajasthan. The Company has challenged the demand on various grounds by filing writ petitions before different High Courts. However, pending adjudication of the Writs, the Company has deposited under protest the entire Service Tax demand of ₹ 257.13 crore.

b. Goods and Services Tax (GST) was implemented w.e.f. 01st July, 2017 and as per the FAQs on Government Services issued by CBIC, GST is payable on Royalty paid for assignment of right to use natural resources. However, based on a legal opinion obtained by the Company Service tax/GST is not payable on Royalty paid under the Oil Fields (Regulation & Development) Act, 1948. The Company has accordingly filed writ petitions in different High Courts challenging such levy. Further, the Hon'ble Gauhati High Court, vide its interim order dated 2nd November, 2021 has granted stay on the GST on royalty payments made by the Company in the state of Assam until further orders.

The total GST amount deposited under protest till 31st March, 2023 is ₹ 1,232.23 crore. Further out of the above-mentioned amount the Company has received refund of ₹ 24.41 crore in the State of Assam. The estimated amount (including interest and penalty) of ₹ 259.67 crore for Service Tax and ₹ 2010.09 crore for GST (including ₹ 121.89 crore and ₹ 533.38 crore for quarter and year ended 31st March, 2023) have been considered as Contingent Liability as on 31st March, 2023, being disputed levies.

5. The Company has challenged the levy of Service Tax/GST on Royalty paid under the Oil Fields (Regulation & Development) Act, 1948 before different Hon'ble High Courts on various grounds. Considering the expert opinion and in the light of various judicial pronouncements, pending adjudication of the matter, the GST paid under protest during the year ended 31st March, 2023 amounting to ₹ 3.88 crore has been claimed as allowable deduction under the Income Tax Act, 1961. Accordingly, the Company has created deferred tax liability of identical amounts. The total amount of deferred tax liability created on this account till 31st March, 2023 is ₹ 447.24 crore.
6. On 14th January 2022, Oil India (USA), Inc., the wholly owned subsidiary of the Company closed the deal to divest its entire stake in Niobrara shale oil and gas asset in USA. Subsequent to the divestment, OIL Board, in its 536th Meeting held on 23rd September, 2022 approved winding up of Oil India (USA), Inc. Along with the divestment proceeds, the US Corporation repatriated its available funds to the parent Company. After compliance of applicable US laws, Oil India (USA), Inc. has been wound up on 2nd May, 2023.
7. The Board of Directors of Oil India Cyprus Ltd in its meeting held on 8th July, 2021 accorded in principle approval for initiating the process for striking-off the Company and accordingly application was filed with the Registrar of Companies, Nicosia, Republic of Cyprus. On 23rd September, 2022, the Company has been

struck off from the Register under the Companies Law of Republic of Cyprus. The value of investment in Oil India Cyprus Ltd amounting to ₹ 1.41 crore along with the impairment provision of ₹ 1.41 crore has been transferred to the Statement of Profit & Loss during the year ended 31st March, 2023.

8. Oil India International BV, Netherlands, the wholly owned subsidiary of the Company has 50% stake in a JV Company WorldAce Investments Limited, Cyprus (the other 50% is owned by Petroneft Resources Plc., Ireland) which in turn owns 100% of the voting equity in Stimul-T LLC, a Russian registered legal entity, which owns and operates Licence 61 in the Tomsk region of the Russian Federation. Stimul-T, LLC has filed for bankruptcy in the Arbitration Court of Tomsk, Russia on 10th May 2023. A liquidator will be appointed by the Court for the bankruptcy proceedings.
9. On 27th May, 2020 a blowout occurred in a producing well (Baghjan #5) of Baghjan Oilfield in Tinsukia district, Assam, while carrying out workover operations and well subsequently caught fire. The fire was finally put out on 15th November, 2020 and the well was permanently capped and abandoned on 3rd December, 2020. The total losses/damages for the blowout of ₹ 449.03 crore has been shown as Exceptional Item in the Statement of Profit and Loss for the year ended 31st March, 2021.

National Green Tribunal (NGT), Principle Bench, New Delhi through its order dated 19th February 2021 constituted a ten-member Committee headed by the Chief Secretary, Assam to look into the probable damage caused by the blowout to the environment and restoration measures, including measures for restoration of Dibru-Saikhowa National Park (DSBR) and the Maguri – Motapung Wetland (MMW). It also constituted two other committees to fix responsibility for the failure as well as non-compliance of statutory procedures.

An appeal was filed before the Hon'ble Supreme Court challenging the order of NGT regarding formation of the committees. Hon'ble Supreme Court vide order dated 2nd September 2021 re-constituted the Committee with five members for "Assessment of the damage and preparation of restoration plan of Dibru-Saikhowa National Park and Maguri-Motapung Wetland". The said Committee proposed a cost of ₹ 1196 crore in its final report (which includes ₹ 625 crore towards livelihood and socio-economic aspect of victims) for redressal of damage and putting in place systems and institutional mechanisms.

The Hon'ble Supreme Court stated in its order dated 23rd January, 2023 that the "NGT shall hear such objections as the parties in the proceedings have, before issuing necessary directions on the aspects including restoration of the environment, reparation of environmental damage and compensation".

The NGT in its order dated 10th March 2023 stated that NGT is unable to accept in entirety of the SC expert committee's report with respect to recommendations and assessment of cost of restoration measures. Restoration measures to be determined by NGT Committee on further studies, site visits and interaction with stake holders, including OIL. Assessment of expenditure of ₹ 625 crores towards livelihood and socio-economic aspect proposed is against the view taken by NGT vide order dated 10th February 2021, which recorded that the said issue shall be taken as concluded in view of steps taken by OIL.

As against the assessed cost of ₹ 571 crore for restoration of the accident site, the DSBR and MMW, the tribunal directed the Company to initially set apart an amount of ₹ 200 crore in a separate account to be spent as per recommendation of the Committee.

The directions to the Company by NGT vide the above order, has been restricted and broadly limited only to incur expenses for the restoration work which is to be carried out in the areas on a need basis as per assessment to be done by the NGT Committee, for which availability of an amount of ₹ 200 crore has been arranged and shall be facilitated as and when required and informed to the Pollution Control Board, Assam. Accordingly, the management is of the view that there will be no further liability in this respect. However, actual cost, if any, as and when incurred towards remediation of environment, will be accounted for.

10. The Board of Directors in its meeting held on 24th May, 2023 has recommended final dividend of ₹ 5.50 per share (face value of ₹ 10 per equity share) which is subject to the approval of the shareholders in the ensuing Annual General Meeting. This is in addition to the interim dividend of ₹ 14.50 per equity share paid during the year by the Company.
11. Pursuant to SEBI circular No. SEBI/HO/DDHS/CIR/P/2018/144 dated 26th November 2018, annual disclosure by Large Corporate for FY 2022-23 which is already filed with stock exchanges on 10th May, 2023 is attached as Annexure-1 and related disclosure is provided in Annexure-2.

13. The Company hereby, declares that the Joint Statutory Auditors have issued Audit Reports for Standalone Financial Statements with unmodified opinion for the year ended 31st March, 2023.

Independent Auditors' Report on Consolidated Financial Results of Oil India Limited Pursuant to the Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

**TO
THE BOARD OF DIRECTORS
OIL INDIA LIMITED**

Report on the Audit of the Consolidated Financial Results**1. Opinion**

We have audited the Consolidated Financial Results ("the Statement") of OIL INDIA LIMITED ("the Holding Company"), and its Subsidiaries, its Joint Ventures and Associates (holding company and its subsidiaries, its joint ventures and its associates together referred to as "the Group"), for the year ended 31st March 2023, attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 as amended (Listing Regulations"), read with SEBI Circular No. CIR/CFD/CMD1/80/2019 dated July 19, 2019 and SEBI Circular No. SEBI/HO/DDHS/CIR/2021/0000000638 dated 14th October, 2021.

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of Subsidiaries, Joint Ventures and Associates, the Statement:

- Includes the results of the entities attached as Annexure-1
- Is presented in accordance with the requirements of Regulation 33 and Regulation 52 of the Listing Regulations, as amended; and
- Gives a true and fair view, in conformity with the applicable Accounting Standards, and other accounting principles generally accepted in India, of the consolidated total comprehensive income (comprising of net profit and other comprehensive income) and other financial information of the Group for the quarter and year ended 31st March, 2023.

2. Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Results* section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (the "ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

3. Emphasis of Matter Paragraph

We draw attention to the following matters in the notes to the Consolidated Financial Results.

- a) **Note No. 4 (b)** regarding challenging the levy of GST on royalty on Crude Oil and Natural Gas, under Oil Fields (Regulation and Development) Act, 1948 and considering it as contingent liability.
- b) **Note No. 5** regarding consideration of GST liability on royalty, paid under protest, as an allowable deduction for computation of taxable income and tax thereon under the Income Act, 1961.
- c) **Note No. 9** regarding provision of further liability, if any, towards remediation of environment due to blowout of a producing gas well around Baghjan #5.

Our opinion is not modified in respect of these matters.

We further draw attention to the following matters in the notes to the Consolidated Financial Statements:

- i) The auditors of **Oil India Sweden AB (Subsidiary)** in their Audit Report under **Emphasis of Matter** regarding contingent liabilities have reported the following:

"We would like to draw attention to the section "General Information about the Enterprise in the annual report" which describes the movements linked to investment in Petrocarabobo S.A., Venezuela, as per 31 March 2023. The section shows that, in view of the current political and economic situation in Venezuela, there is considerable uncertainty as to and when the situation in the country will improve in such a way that the outcome of the investment in Petrocarabobo S.A. is expected to be met. In order to secure the investment for the company, the ultimate parent companies, Indian Oil Corporation Limited and Oil India Limited, have exhibited a guarantee regarding the investment in Petrocarabobo S.A. and the Signature bonus agreement. We have not modified our opinion because of this."

- ii) The auditors of **Oil India (USA) Inc. (Subsidiary)** in their Audit Report under **Emphasis of Matter** have reported the following:

"As discussed in Note 1 to the financial statements, the Company closed on the sale of all of its oil and natural gas properties on January 14, 2022, with an effective date of October 1, 2021. On May 5, 2022, the Company adopted a plan of liquidation and termination. The operations will wind up on a voluntary basis, all claims and obligations will be settled and any remaining assets will be distributed to the Parent. A Company in liquidation is required to change its method of accounting from a going concern basis to a liquidation basis which contemplates presenting amounts at net realizable value. The Company continues to present its financial statements on a going concern basis of accounting which is a departure from U.S. GAAP. Failure to adopt the liquidation basis of accounting has no effect on the amounts presented as they are recorded at amounts to be realized and settled."

- iii) The auditors of **Numaligarh Refinery Limited (Subsidiary)** in their audit report under **Emphasis of Matter** have reported the following:

1. Cost of the PPU project amounting to Rs. 145.52 crore incurred towards the said project till F.Y 2022-23 has been disclosed under Capital Work in Progress (CWIP). Expenditures are mainly on account of pre-project activities and towards VGO Hydrotreater and Propylene Recovery Unit which are subunits

of overall petrochemical project. These two units are tightly integrated with RPTU and PFCC unit of NREP with many common equipment and utilities. An amount of Rs. 88.50 crore relating to such common facilities and equipments are included in above CWIP of Rs. 145.52 crore.

2. We also draw attention to the Emphasis of Matter Para of the Independent Auditors Report of DNP Limited dated 9th May' 2023 stating that:

a. Change in classification of land from Agriculture to Industrial class in respect of land purchased during the period April 2017 to March 2021 is pending.

b. In some of the cases land revenue has not been paid by the Company due to non-separation of Original periodic patta.

However, our opinion is not modified in respect of above matters.

iv) The auditors of **Oil India International BV (Subsidiary)** in their Audit Report under **Disclaimer of Opinion** have reported the following

"We were engaged to audit the financial statements 2022/2023 of Oil India International BV based in Amsterdam.

Due to the significance of the matters described in the 'Basis for our disclaimer of opinion' section, we do not express an opinion on the accompanying financial statements of the company as a whole. We have not been able to obtain sufficient appropriate audit evidence regarding the joint venture "World Ace Investments Ltd." to provide a basis for an audit opinion on the accompanying financial statements as a whole.

The financial statements 2022/2023 are prepared in accordance with International Financial Reporting Standards as adopted by the European Union (EU-IFRS) and with Part 9 of Book 2 of the Dutch Civil Code.

The financial statements comprise:

1. the statement of financial position as at 31 March 2023

2. the following statements for 2022/2023:

the income statement, the statements of comprehensive income, changes in equity and cashflows; and

3. the notes comprising a summary of the significant accounting policies and other explanatory information."

v) The auditors of **Oil India International BV (Subsidiary)** in their Audit Report under **Material Uncertainty Related to Going Concern** have reported the following

"We draw attention to the going concern paragraph on page 9 of the financial statements, which indicates that the company's joint venture WorldAce Investments Ltd incurred significant losses during the previous years and the subsidiary Stimul-T LLC of the joint venture WorldAce Investments Limited has filed for bankruptcy on 10 May 2023.

As of 31 March 2023, the company's equity remain negative, due to the aforementioned circumstances as well as the breach of loan covenants.

These conditions, along with ether matters as set forth in the note 'going concern', indicate the existence of a material uncertainty, which may cast significant doubt about the company's ability to continue as a going concern. Our opinion is not modified."

- vi) The auditors of **Duliajan Numaligarh Pipeline Limited (Joint Venture)** in their Audit Report under **Emphasis of Matter** have reported the following:

- ix) The auditors of **Assam Petro Chemicals Limited (Joint Venture)** in their Audit Report under **Emphasis of Matters** have reported the following

Quote

We draw the attention to the following matters in the Notes to the Financial Statements and Others:

(a) Company Category:

In the ROC Portal, the Company is continuously declaring its Company Sub-Category as 'State Govt. Company', whereas as per 2(45) of the Companies Act, 2013 the Company Sub Category seems to be of a Non-Government Company.

As per Section 2(45) of the Companies Act, 2013 "Government Company" means any company in which not less than fifty-one per cent of the paid-up share capital is held by the Central Government, or by any State Government or Governments, or partly by the Central Government and partly by one or more State Governments, and includes a company which is a subsidiary company of such a Government Company.

But neither fifty-one per cent of the paid-up share capital of this Company is held by the Central Government, or by any State Government or Governments, or partly by the Central Government and partly by one or more State Governments nor this Company is a subsidiary company of any Government Company, as is evident from the under mentioned shareholding pattern of the Company as at 31/03/2023:

List of Shareholders	Subcategory of Shareholder	% of Paid-Up Capital Held
Governor of Assam	State Govt.	37.46%
Oil India Limited	Union Govt. Company	48.79%
Assam State Industrial Development Corporation Ltd.	State Govt. Company	08.02%
Assam Gas Company Limited	State Govt. Company	05.64%
Others (Individual)		0.09%
Total		100.00%

The new Companies Act 2013 does not contain specific provisions about 'deemed Government Companies' on the lines of Section 619 B of the Companies Act 1956. However, Section 2(27) of the Companies Act define the word Control as under:

"control" shall include the **right to appoint majority of the directors or to control the management or policy decisions exercisable** by a person or persons acting individually or in concert, directly or indirectly, including by virtue of their shareholding or management rights or shareholders agreements or voting agreements or in any other manner.

As per clause 85 of Articles of Association of the Company the Governor of Assam (including Assam Industrial Development Corporation Limited and Assam Gas Co Ltd.) and Oil India Limited shall have right to nominate equal number of Directors on the Board of the Company. **Thus right to appoint majority of directors is equally vested in the hands of Government of Assam & Oil India Limited, thus in concert it vests with government.**

As per Clause 119 of Articles of Association of the Company, **General Power of the Company is vested in Board and as** per clause 121 of Articles of Association of the Company, the Managing Director of the Company shall be nominated by Governor of Assam and a Whole Time Director on Finance i.e. Director (Finance) shall be nominated by Oil India Limited": **Thus management control of this Company seems to be equally vested in the hands of Government of Assam & Oil India Limited, thus in concert it vests with government.**

Office of the Principal Accountant General (Audit), Assam (vide letter No. AMG-III (PSU)/2-12/ Appointment of SA /Vol-XI/2020-21/30 dated 16/05/2023) has clarified that Assam Petro Chemicals Limited is a 'Government Controlled Other Company'

MCA Circular No. 33/2014 dated 31st July 2014, clarifies that New Act does not alter the position with regard to audit of such deemed Government Companies through C& AG and thus Deemed Government Companies, referred to in Section 619B of the Companies Act 1956 shall also be covered under subsection (5) and (7) of Section 139 of the New Act. However no such MCA Gazette Notification allowing all specified exemptions (as mentioned in MCA Gazette Notification No 372 dated 05.06.2015, which specifically grant certain exemption to Government Companies) has been issued by MCA for allowing exemption to **'Government Controlled Other Company'** (as was earlier available to deemed government company, referred to in Section 619B of the old Companies Act 1956).

'Many Government Controlled Other Company' have declared its Company SubCategory as Non Govt. Company. For Example North East Transmission Company Limited ('a Government Controlled Other Company') has declared its Company Sub Category as 'Non Govt. Company' in spite of the fact that its 74% paid up capital is collectively owned by Government(s) along with Govt. undertakings but fifty-one per cent of the paid-up share capital is not held by the Central Government, or by any State Government or Governments, or partly by the Central Government and partly by one or more State Governments and also this company is not a subsidiary company of any Government Company.

Present Shareholding pattern of North East Transmission Company Limited is as under:

List of Shareholders	Sub-Category of Shareholder	% of Paid-Up Capital Held
Power Grid Corporation of India Limited	Union Govt. Company	26%
ONGC Tripura Power Company Limited	Non-Govt. Company	26%
Assam Electricity Grid Corporation Ltd	State Govt. Company	13%
Government of Tripura	State Govt.	10%
Government of Mizoram	State Govt.	10%
Government of Manipur	State Govt.	6%
Government of Meghalaya	State Govt.	5%
Government of Nagaland	State Govt.	4%
Total		100%
Grouping of Shareholding Pattern		
State Govt. Shareholding (Collectively)		35%
Union Govt. Company		26%
State Govt. Company		13%
Non-Govt. Company		26%
Total		100%

Thus from the above enumerated facts, it is evident that although M/s. Assam Petro Chemicals Limited is a 'Government Controlled Other Company' but not the 'State Government Company'

Therefore, we hereby place emphasis that Financial Statement of Assam Petro Chemicals Ltd, should be read by treating the Company Sub-Category as Non-Government Company.

(b) Trade Payable (Note 20):

Trade Payable Rs. 12785.11 Lakhs is without provision of demand raised by M/s. Oil India Ltd to Rs. 79.02 Lakhs to compensate assessed VAT payments and interest thereon. The Company has disclosed amount as contingent liability on the plea that 'the Company is under process of examination of the legality of the demand,' However the company has not raised any dispute before M/s. Oil India Ltd against demand of Rs. 79.02 Lakhs.

Therefore, we hereby place emphasis that Financial Statement of Assam Petro Chemicals Ltd, should be read by treating that 'Trade Payable & consequential 'Book Loss' has been understated by Rs.79.02 Lakhs.

Quote

"On the basis of the Gazette Notification No 372 dated 05.06.2015 issued by the Ministry of Corporate Affairs, Government of India, the provisions of Section 164(2) of the Companies Act, 2013, regarding the "Disqualification of Directors" for appointment as Director of company shall not apply to a Government Company.

Since M/s. Assam Petro Chemicals Limited is a Non Govt. Company therefore provisions of Section 164(2) with respect to disqualification of Director is applicable

on Assam Petro Chemicals Limited. Further to that, also as per clause 94 of Articles of Association of Company "The Office of the director shall become vacant in case he incurs any of the disqualifications specified in Section 164 of the Companies Act, 2013".

However, the Company in respect of Govt. of Assam Nominated Director has neither obtained 'consent to act as director' nor obtained declaration from its director about section 164(2) disqualification'. Therefore, we are unable to comment on eligibility of directors as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act."

5. Auditors' Responsibility for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial results.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group to express an opinion on the consolidated financial results. We are responsible for the directions, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are Independent auditors. For the other entities included in financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding company and such other entities included in the consolidated financial results of which we are Independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The said Committee proposed a cost of ₹ 1196 crore in its final report (which includes ₹ 625 crore towards livelihood and socio-economic aspect of victims) for redressal of damage and putting in place systems and institutional mechanisms.

The Hon'ble Supreme Court stated in its order dated 23rd January, 2023 that the "NGT shall hear such objections as the parties in the proceedings have, before issuing necessary directions on the aspects including restoration of the environment, reparation of environmental damage and compensation".

The NGT in its order dated 10th March 2023 stated that NGT is unable to accept in entirety of the SC expert committee's report with respect to recommendations and assessment of cost of restoration measures. Restoration measures to be determined by NGT Committee on further studies, site visits and interaction with stake holders, including OIL. Assessment of expenditure of Rs. 625 crores towards livelihood and socio-economic aspect proposed is against the view taken by NGT vide order dated 10th February 2021, which recorded that the said issue shall be taken as concluded in view of steps taken by OIL.

As against the assessed cost of ₹ 571 crore for restoration of the accident site, the DSBR and MMW, the tribunal directed the Company to initially set apart an amount of ₹ 200 crore in a separate account to be spent as per recommendation of the Committee.

The directions to the Company by NGT vide the above order, has been restricted and broadly limited only to incur expenses for the restoration work which is to be carried out in the areas on a need basis as per assessment to be done by the NGT Committee, for which availability of an amount of ₹ 200 crore has been arranged and shall be facilitated as and when required and informed to the Pollution Control Board, Assam.

Accordingly, the management is of the view that there will be no further liability in this respect. However, actual cost, if any, as and when incurred towards remediation of environment, will be accounted for.

10. The Board of Directors in its meeting held on 24th May, 2023 has recommended final dividend of ₹ 5.50 per share (face value of ₹ 10 per equity share) which is subject to the approval of the shareholders in the ensuing Annual General Meeting. This is in addition to the interim dividend of ₹ 14.50 per equity share paid during the year by the Company.
