Dear Sir/Madam,

Sub: Update related to COVID -19-Partial resumptions of work

This has reference to our letter dated March 23, 2020 on update related to Covid-19.

The Ministry of Home Affairs (“MHA”), Government of India, vide its order dated April 15, 2020 and April 16, 2020, has issued revised consolidated Guidelines under which certain Industries/Industrial Establishments/ construction activities (which includes laying/erection of power transmission lines and laying of cables related activities) have been allowed w.e.f. April 20, 2020.

We would like to inform that pursuant to the necessary approvals received from the relevant State Governments Authorities, the Company has resumed/is resuming operations at few of its factories in India in a phased manner. The Company has also applied for permission from the relevant authorities for resuming operations at the remaining factories and is hopeful that the remaining factories too shall resume operations shortly.

The Company’s factories at Brazil and Mexico, being identified as an Essential Sector in the respective geographies have been operational throughout this period.

Majority of the Company’s International Project Sites for T&D have been operating, while domestically the Company has commenced operations at some of its T&D/Railways/Civil sites after receiving the requisites approvals. The Company has already applied for permissions for the remaining sites and is confident that operations would be resumed at more sites in the near future.

The Company is taking all the necessary steps for ensuring complete sanitization and social distancing norms. As an organizational philosophy, safeguarding the Health and Hygiene of its stakeholders have always been foremost priority, especially for its direct & contractual employees.

This is for your information and records.

Thanking you,

Yours faithfully,
For **KEC International Limited**

Amit Kumar Gupta
Company Secretary & Compliance Officer
