4. Pursuant to nationwide lockdown imposed by the Government of India due to COVID-19, the Group's manufacturing facilities and operations were shut down for some period during the quarter ended June 30, 2020. During the quarter ended June 30, 2021, the operations of the Group were affected due to impact of the second wave of COVID-19 pandemic. The Group has considered the possible effects that may result from the COVID-19 pandemic in the preparation of these unaudited financial results, including but not limited to the assessment of liquidity position and recoverability of carrying value of its assets comprising Property Plant and Equipment, Intangible assets, investments, inventories and trade receivables. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Group has, at the date of approval of these unaudited financial results, used internal and external sources of information and expects that the carrying amount of these assets will be recovered. Given the uncertainties associated with the nature, condition and duration of COVID-19, the Group will closely monitor any material changes arising out of the future economic conditions and its impact on the business of the Group.

5. At the time of transition to Indian Accounting Standards (Ind AS) with effect from 1 April 2015, the Parent Company had recognised fair value of its land parcels in its books of accounts and recognised deferred tax liability on such fair valued Land as Parent company expected sale of such land parcels on a piecemeal basis, delinked from the business. During the year ended March 31, 2021, the Parent Company has reassessed the expected manner of recovery of the carrying value of all land parcels and has now determined that a number of such land parcels would not be delinked from the business as they either form an integral part of the business operations or are proximate to the factory premises. Consequently, the Parent Company currently expects that in the event of disposal of most of the land parcels in future, these would only be disposed off along with the business and in a slump sale arrangement thereby resulting in no temporary difference between the accounting position and, position as per tax laws upon such future disposal. Accordingly, the Parent Company has reversed deferred tax liability amounting to ₹ 65.62 crores pertaining to such land parcels in the Statement of Profit and loss during the year ended March 31, 2021.

6. During the quarter ended on March 31, 2021, the Group has re-purchased its own Non-Convertible Debentures ("NCDs") at a face value of ₹ 100 crores. The Group currently is in the process of getting these NCDs extinguished with Debenture Trustee's and Stock Exchange's approvals.

7. Pursuant to the approval granted by the Union Cabinet on July 14, 2021 for continuation of Rebate of State and Central Taxes and Levies (RoSCTL) with the same rates (as notified on March 8, 2019) on exports of apparel and made ups, the Group has recognized the benefit of RoSCTL of ₹ 23.98 crores during the quarter ended June 30, 2021. Out of this, ₹ 13.23 crores benefit pertains to the eligible export sales of the quarter ended March 31, 2021.

8. The textiles products that are not covered under the RoSCTL scheme are eligible for benefit under the Remission of Duties and Taxes on Exported Products (RoDTEP) scheme with effect from January 01, 2021. Considering that the rates of RoDTEP are yet to be notified, the Group has not accrued income relating to benefits of RoDTEP scheme for the period from January 1, 2021 to June 30, 2021.

9. The listed Secured Non-Convertible Debentures of the Group aggregating to ₹ 75 crore as on June 30, 2021 are secured by way of first pari passu charge on certain identified property, plant and equipment of the Group whereby value of underlying assets exceeds hundred percent of the principal amount of the said debentures.

10. The figures for the quarter ended March 31, 2021 are the balancing figures between audited figures in respect of the full financial year and the unaudited published year-to-date figures upto December 31, 2020.

Notes:

- The above is an extract of the detailed format of Quarterly Financial Results filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of the Quarterly Financial Results is available on the National Stock Exchange website (URL: www.nseindia.com) and on the Company's website (www.sundaramholdings.in).
- During the quarter ended June 30, 2021, the Company has allotted of 7,10,00,000 Equity Shares, at an issue price of ₹50 per Equity Share, including a premium of ₹45 per Equity Share to the eligible applicants in the Rights Issue. The said shares rank pari-passu in all respects including dividend entitlement. Pursuant to this, the paid up share capital of the company stands increased from ₹7555.19 lakhs to ₹11105.19 lakhs.
- The Covid -19 pandemic has affected several countries across the world, including India. The pandemic and consequent lockdown imposed by the government authorities has considerably impacted the business operations of our associate companies, including their subsidiaries, which in turn, has impacted the financial results of the Company. Though there have been signs of a reasonable recovery during June 2021 in the automotive sector, given the dynamic and evolving nature of the pandemic, a full recovery to the levels of the pre-COVID era is unlikely in the near term. The company will however continue to closely monitor any material changes to future economic conditions and take appropriate risk mitigation measures.
- The above results were reviewed by the Audit Committee and approved by the Board of Directors at the respective meetings held on August 5, 2021.
- The figures for the quarter ended March 31, 2021 are the balancing figures between the audited figures for the respective financial years and the published unaudited year-to-date figures for the period ended 31st December 2020.

The company will however continue to closely monitor any material changes to future economic conditions and take appropriate risk mitigation measures.

4. Pursuant to nationwide lockdown imposed by the Government of India due to COVID-19, the Group's manufacturing facilities and operations were shut down for some period during the quarter ended June 30, 2020. During the quarter ended June 30, 2021, the operations of the Group were affected due to impact of the second wave of COVID-19 pandemic. The Group has considered the possible effects that may result from the COVID-19 pandemic in the preparation of these unaudited financial results, including but not limited to the assessment of liquidity position and recoverability of carrying value of its assets comprising Property Plant and Equipment, Intangible assets, investments, inventories and trade receivables. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Group has, at the date of approval of these unaudited financial results, used internal and external sources of information and expects that the carrying amount of these assets will be recovered. Given the uncertainties associated with the nature, condition and duration of COVID-19, the Group will closely monitor any material changes arising out of the future economic conditions and its impact on the business of the Group.

5. At the time of transition to Indian Accounting Standards (IND AS) with effect from 1 April 2015, the Parent Company had recognised fair value of its land parcels in its books of accounts and recognised deferred tax liability on such fair Valued Land as Parent company expected sale of such land parcels on a piecemeal basis, delinked from the business. During the year ended March 31, 2021, the Parent Company has reassessed the expected manner of recovery of the carrying value of all land parcels and has now determined that a number of such land parcels would not be delinked from the business as they either form an integral part of the business operations or are proximate to the factory premises. Consequently, the Parent Company currently expects that in the event of disposal of most of the land parcels in future, these would only be disposed off along with the business and in a slump sale arrangement thereby resulting in no temporary difference between the accounting position and, position as per tax laws upon such future disposal. Accordingly, the Parent Company has reversed deferred tax liability amounting to ₹ 65.62 crores pertaining to such land parcels in the Statement of Profit and loss during the year ended March 31, 2021.

6. During the quarter ended on March 31, 2021, the Group has re-purchased its own Non-Convertible Debentures ("NCDs") at a face value of ₹ 100 crores. The Group currently is in the process of getting these NCDs extinguished with Debenture Trustee's and Stock Exchange's approvals.

7. Pursuant to the approval granted by the Union Cabinet on July 14, 2021 for continuation of Rebate of State and Central Taxes and Levies (RoSCTL) with the same rates (as notified on March 8, 2019) on exports of apparel and made ups, the Group has recognized the benefit of RoSCTL of ₹ 23.98 crores during the quarter ended June 30, 2021. Out of this, ₹ 13.23 crores benefit pertains to the eligible export sales of the quarter ended March 31, 2021. The textiles products that are not covered under the RoSCTL scheme are eligible for benefit under the Remission of Duties and Taxes on Exported Products (RoDTEP) scheme with effect from January 01, 2021. Considering that the rates of RoDTEP are yet to be notified, the Group has not accrued income relating to benefits of RoDTEP scheme for the period from January 1, 2021 to June 30, 2021.

8. The listed Secured Non-Convertible Debentures of the Group aggregating to ₹ 75 crore as on June 30, 2021 are secured by way of first pari passu charge on certain identified property, plant and equipment of the Group whereby value of underlying assets exceeds hundred percent of the principal amount of the said debentures.

- Pursuant to nationwide lockdown imposed by the Government of India due to COVID-19, the Group's manufacturing facilities and operations were shut down for some period during the quarter ended June 30, 2020. During the quarter ended June 30, 2021, the operations of the Group were affected due to impact of the second wave of COVID-19 pandemic. The Group has considered the possible effects that may result from the COVID-19 pandemic in the preparation of these unaudited financial results, including but not limited to the assessment of liquidity position and recoverability of carrying value of its assets comprising Property Plant and Equipment, Intangible assets, investments, inventories and trade receivables. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Group has, at the date of approval of these unaudited financial results, used internal and external sources of information and expects that the carrying amount of these assets will be recovered. Given the uncertainties associated with the nature, condition and duration of COVID-19, the Group will closely monitor any material changes arising out of the future economic conditions and its impact on the business of the Group.

- At the time of transition to Indian Accounting Standards (IND AS) with effect from 1 April 2015, the Parent Company had recognised fair value of its land parcels in its books of accounts and recognised deferred tax liability on such fair Valued Land as Parent company expected sale of such land parcels on a piecemeal basis, delinked from the business. During the year ended March 31, 2021, the Parent Company has reassessed the expected manner of recovery of the carrying value of all land parcels and has now determined that a number of such land parcels would not be delinked from the business as they either form an integral part of the business operations or are proximate to the factory premises. Consequently, the Parent Company currently expects that in the event of disposal of most of the land parcels in future, these would only be disposed off along with the business and in a slump sale arrangement thereby resulting in no temporary difference between the accounting position and, position as per tax laws upon such future disposal. Accordingly, the Parent Company has reversed deferred tax liability amounting to ₹ 65.62 crores pertaining to such land parcels in the Statement of Profit and Loss during the year ended March 31, 2021.
- During the quarter ended on March 31, 2021, the Group has re-purchased its own Non-Convertible Debentures ("NCDs") at a face value of ₹ 100 crores. The Group currently is in the process of getting these NCDs extinguished with Debenture Trustee's and Stock Exchange's approval.
- Pursuant to the approval granted by the Union Cabinet on July 14, 2021 for continuation of Rebate of State and Central Taxes and Levies (RoSCTL) with the same rates (as notified on March 8, 2019) on exports of apparel and made ups, the Group has recognized the benefit of RoSCTL of ₹ 23.98 crores during the quarter ended June 30, 2021. Out of this, ₹ 13.23 crores benefit pertains to the eligible export sales of the quarter ended March 31, 2021. The textiles products that are not covered under the RoSCTL scheme are eligible for benefit under the Remission of Duties and Taxes on Exported Products (RoDTEP) scheme with effect from January 01, 2021. Considering that the rates of RoDTEP are yet to be notified, the Group has not accrued income relating to benefits of RoDTEP scheme for the period from January 1, 2021 to June 30, 2021.
- The listed Secured Non-Convertible Debentures of the Group aggregating to ₹ 75 crore as on June 30, 2021 are secured by way of first pari passu charge on certain identified property, plant and equipment of the Group whereby value of underlying assets exceeds hundred percent of the principal amount of the said debentures.
- The figures for the quarter ended March 31, 2021 are the balancing figures between audited figures in respect of the full financial year and the unaudited published year-to-date figures upto December 31, 2020.
