## CORPORATE ANNOUNCEMENT

### **Om Infra Limited (Formerly known as Om Metals Infraprojects Limited) bags a contract of approx. INR 410 MILLION order from Government of Manipur.**

Om Infra Ltd is pleased to inform that it has received the Letter of Acceptance (LOA) from Government of Manipur for Design, Supply, Installation, Testing and Commissioning of Hydro Mechanical Equipment for Imphal Barrage, in Imphal West District, Manipur under DRIP- II program of the government with value of approx. INR 410 million.

Commenting on the development, Mr. Vikas Kothari, Managing Director & President said that, "We are very delighted to win this prestigious order from Government of Manipur . It takes a quantifiable leap allowing us to enhance our revenues from DRIP - DAM REHABILITATION AND IMPROVEMENT PROGRAMME funded by the World Bank and primes us to prepare for much higher leaps in the near future under the DRIP program across all states in India.

We are aggressively focused for enhancing our foot prints in India, neighbouring countries and Africa through our core business. With our order pipeline brimming with several more opportunities on all fronts including water, irrigation and DRIP program, we are bullish on our growth in the years to come. "

About Om Infra Limited - We are one of a leading EPC companies having business interests into various fields covering engineering construction (EPC) of Hydro mechanical components in dams, canals, barrages and other infrastructure projects including civil structures, irrigation, water storage and pipe line laying projects. Our core business is providing turnkey EPC solutions for Engineering and construction of dams, irrigation projects, Hydropower and other infrastructure projects in India and Abroad.

The same is for your information and record, please.
