Basis of Qualified Opinion:

1. Food Processing Machinery Unit, Aurangabad:

As per information and explanation given to us with regard to Inventory valuation as stated in Note No. 2 (ii) (j) stock of raw material, it is valued by adopting Weighted Average Cost method. Owing to the nature of Company's records and in the absence of sufficient audit evidence, we are unable to ascertain if there is material departure from the Weighted Average Cost Method adopted by the company. We are also unable to ascertain its consequent impact, if any, on the Standalone Ind AS financial statements.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. However, as the Board’s Report is not made available to us, we have nothing to report.

Management's Responsibility for Standalone Ind AS Financial Statements:

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements:

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism through the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS financial statements, including the disclosures, and whether the Standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE-B REFERRED TO IN PARAGRAPH 2 (f) UNDER THE HEADING “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT TO THE MEMBERS OF HMT LIMITED.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”):

We have audited the internal financial controls over financial reporting of HMT Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls:

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (“the Act”).

Auditors’ Responsibility:

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion:

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India except:

Company as a Whole:

1. The company did not have adequate appropriate internal controls for reconciling inventories and obtaining balance confirmation from sundry debtors, sundry creditors and other parties. This could potentially result a material weakness, in financial reporting process of debtors, creditors and other parties.

In case of Food Processing Machinery Unit, Aurangabad the branch auditor has reported in the following manner:

2. There is no appropriate internal control system of internal control system for inventory as there is no integration between financial accounting module and inventory module. The valuation of inventory is done in inventory module.

It has been explained that Company is in the process of integrating the Finance accounting module and inventory module and currently it is in the final stage.

As explanation given by the management, stock is valued by adopting Weighted Average Cost method. However, the details related to inventory valuation were not provided for our verification. Hence, we could not verify the rates considered in Inventory Valuation. Further, the overhead cost was also not identified and allocated. These could potentially result in the material misstatement in the Company's Consumption, Inventory and Expense account balances.

4. Ind AS-36 : Impairment test not done by Ajmer Unit on various assets. Hence financial implication of not conducting impairment test could not be ascertained.
5. We are unable to comment on the applicability of Ind AS – 116, Leases to the unit since the required information are not made available to us.
6. The unit has defaulted in settlement/payment of gratuity to the extent of **Rs. 2,00,62,661/-** in the case of employees retired/separated from the unit. Further the unit has not made any provision for penalty for non-payment/settlement of gratuity as per the Payment of Gratuity Act, 1972. The amount of penalty has not been ascertained by the unit, being contingent in nature.
7. Ajmer Unit has not paid any interest which has been due and payable for the period of delay in making payments (which have been paid but beyond the appointed day during the year) but without adding the Interest specified under micro, small, and Medium Enterprises Development Act, 2006.

MTP, Pinjore:

8. As per Ind AS -19, defined benefit plan is termed as any plan in which the enterprise has obligation to provide the agreed benefits to current and former employees and the actuarial risk and investment risk fall. Therefore, the unit has not determined the actuarial valuation liability for Provident Fund dues as at 31st March, 2023. Consequent effect of the same on the financial statements for the years is not ascertainable. Accordingly, provident fund set up employer which require interest shortfall to be met by the employer would be in effect defined benefit plan in accordance with Ind AS -19. Hence this is not in compliance with the Ind AS-19 Employee Benefits.
9. As per Ind AS-36, Impairment of Assets, the objective of this Standard is to prescribe the procedures that an entity applies to ensure that its assets are carried at no more than their recoverable amount. An asset is carried at more than its recoverable amount if its carrying amount exceeds the amount to be recovered through use or sale of the asset. If this is the case, the asset is described as impaired and the Standard requires the entity to recognise an impairment loss. The Standard also specifies when an entity should reverse an impairment loss and prescribes disclosures. However the company has failed to conduct an impairment test of assets, as otherwise advised to be conducted once annually.

10. Property, plant & equipment is charged at 100% of the cost of asset over their useful life. The residual value for all the assets has been standardized at Re 1. The Division has not appropriately justified and disclosed in the Notes to Accounts for charging depreciation at 100% of the cost of asset over their useful life. In our opinion this is a departure from the Schedule II of the Companies Act, 2013 where it is stated that Residual value should be 5% for the tangible assets and depreciation should be charged at ninety five percent of the cost of asset over their useful life. The Impact of such non-compliance on the loss, Assets and liabilities could not be ascertained.

Our observation revealed that the division has not complied with “Component” based depreciation method as required by Ind AS 16 despite the stated policy and necessary identification of components of an item of PPE has not been identified and depreciated accordingly. The impact of such noncompliance on the loss and the accumulated depreciation could not be ascertained.

11. Employee Benefits: Our observation revealed that the division is not in compliance with para 57 of IND AS 19, as defined benefit plan does not include Current service cost plus interest obligation thereof nor does it incorporate plan asset. The impact of the such non compliance on the loss and the current liabilities could not be ascertained.

MTM, Bangalore

The lands in question were obviously Government lands as on 01.04.1964 to which the provisions of Section 81 falling under Chapter III of the Act do not apply. Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism through the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the holding company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the Consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Ind AS financial statements of which we are the independent auditors. For the other entities included in the Consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE-A REFERRED TO IN PARAGRAPH 2 (f) UNDER THE HEADING “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT TO THE MEMBERS OF HMT LIMITED.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”):

In conjunction with our audit of the Consolidated Ind AS financial statements of HMT Limited (“the Holding Company”) as of 31st March 2023, we have audited the internal financial controls with reference to the Consolidated Ind AS financial statements of the Holding Company and such companies incorporated in India under the Companies Act, 2013 which are its subsidiary companies, as of that date. However in case of Sudmo HMT Process Engineering (India) Ltd. which is a joint venture company, as reported by its Auditor, the reporting on Internal Financial controls over financial reporting is not applicable for the year under review.

Management’s Responsibility for Internal Financial Controls:

The respective Board of Directors of the Holding company, its subsidiary companies and its Joint Venture company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (“the Act”).

Auditors’ Responsibility:

Our responsibility is to express an opinion on the internal financial controls over financial reporting with reference to Consolidated Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to Consolidated Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Ind AS financial statements include obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these Consolidated Ind AS Financial Statements.

Meaning of Internal Financial Controls with reference to Consolidated Ind AS financial statements:

A company's internal financial controls with reference to Consolidated Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Consolidated Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting with reference to Consolidated Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to Consolidated Ind AS financial statements to future periods are subject to the risk that internal financial controls with reference to Consolidated Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION:

I. Qualified Opinion of HMT Ltd.:

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India except:

Company as a Whole:

1. The company did not have adequate appropriate internal controls for reconciling inventories and obtaining balance confirmation from sundry debtors, sundry creditors and other parties. This could potentially result a material weakness, in financial reporting process of debtors, creditors and other parties.

In respect of Food Processing Machinery Unit, Aurangabad

There is no appropriate internal control system for inventory as there is no integration between financial accounting module and inventory module. The valuation of inventory is done in inventory module.

It has been explained that Company is in the process of integrating the Finance accounting module and inventory module and currently it is in the final stage.

As explanation given by the management, stock is valued by adopting Weighted Average Cost method, However, the details related to inventory valuation were not provided for our verification. Hence, we could not verify the rates considered in Inventory Valuation. Further, the overhead cost was also not identified and allocated. These could potentially result in the material misstatement in the company's Consumption, Inventory & Expense account balances.

II. Qualified Opinion (issued by Statutory Auditors of HMT Machine Tools Ltd.)

In our opinion, to the best of our information and according to the explanations given to us, two divisions viz., 1) HMT- Hyderabad & 2) Praga Tools –Hyderabad, the following material weaknesses is identified in the company relating to inadequate internal financial controls over financial reporting as at March 31st 2023 considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

1. In respect of HMT, Hyderabad Unit and PTH, Praga Tools Hyderabad:

- i) Books of account are not being maintained in all completeness on day to day basis as evidenced from accounting entries being posted upon conclusion of the transactions to an intermediary/suspense heads of accounts and later deletion of such entries and reposting of entries in the correct heads of accounts.
- ii) Delay in recording of inventory movements in the inventory records and its reporting to Accounts department resulting in inappropriate updation of financial books.
- iii) Non – implementation of E-invoicing under GST wef 01.10.2022 whose turnover exceeds Rs.10 crores.

2. In respect of Whole Company

- i) Substantial delay / non filings of statutory returns and delay/ non payment of statutory dues exposes the Company to various late fees, penalties and other consequences under various statutes ex. IT Act, GST Act, Profession Tax Act, PF/ESI/Gratuity Acts (Payments to Funds set up under the Acts), including Property Taxes which are not ascertainable and provided for in books of account in some instances.
- ii) Lack of centralised control over recording and corrective legal/administrative actions in responding to and accounting of default/non-payment notices/claims received from statutory bodies viz., Income Tax, TDS, GST, PF,etc

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Institute's annual financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company has in all material aspects maintained adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company as at and for the year ended 31 March 2023, and the material weakness has affected our opinion on the standalone financial statements of the Company and we have issued a qualified opinion on the standalone financial statements.

III. Opinion (issued by Statutory Auditors of HMT Watches Limited):

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial control over Financial Reporting issued by the Institute of Chartered Accountants of India.

IV. Opinion (issued by Statutory Auditors of HMT(International) Limited):

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters:

The opinion reported under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to 3 subsidiary companies, incorporated in India, are based on the corresponding reports of the auditor of such companies incorporated in India.
