## Kejriwal changed policy

X n politics, there are no n politics, there are no permanent friends or enemies. Am Admi Party leader Arvind Kejriwal is best example of this. A decade after launching his Aam Aadmi Party, Delhi chief minister Arvind Kejriwal is now searching for Arving Acprival is now searching for political friends, realizing that it may be challenging to take on the BJP without the backing of other parties. The only reason for AAP to take on The only reason for AAP to take on BJP with all force and vigor is that it has been sunk in liquor scam from top to toe. So AAP needs friends at this time. It is very difficult to tell whether this new friendship will be fruitful for it. Because people know why Kejriwan and other parties also changing colors like lizard. AAP has seen many ups and downs. It is the only national party other it. seen many ups and downs. It is the only national party other than the Congress which rules two states – Delhi and Punjab. It won two seats, a 6.3 per cent vote share in Goa, and five seats in Gujarat last year. The party has one seat in the Lok Sabha and ten in the Upper House. No one accuses Krijiwal of a lack of Sabha and ten in the Upper House. No one accuses Kejriwal of a lack of ambition. The AAP came from the India Against Corruption movement in November 2012. It captured power in Delhi, decimating the Congress in 2013, 2017 and 2020. It expanded to other states and gained national party status in April 2023. The AAP is now projecting itself as an alternative to the BJP. Keiriwal genuinely now projecting itself as an alternative to the BJP. Kejriwal genuinely perceives himself as a future Prime Minister. Did he not contest against Prime Minister Narendra Modi from Varanasi in 2014 and get over two lakh votes?The AAP has no significant ideological position like the BJP or the Left parties. Unlike the AIADMK, DMK (Dravidian ideology), the Samajwadi Party, Biju Janata Dal or Rashtriya Janata Dal (socialist background), it has come to power on the development mantra and the background), it has come to power on the development mantra and the freebie culture. But of late, things are going wrong.AAP's isolation dawned on Kejriwal after his Deputy chief minister Manish Sisodia's arrest some time ago. Sisodia was his trusted aide and the second most important person is the morth Added important person in the party. Added to that were the corruption charges to that were the corruption charges against another minister, Satyendar Jain, and party communications chief, Vijay Nair,Numerous others are also being investigated for alleged corruption. AAP worries that the excise policy investigation may reach Kejriwal's door. Kejriwal had kett an emual distance form had kept an equal distance from Congress and BJP like other chief ministers like Biju Janata Dal chief Naveen Patnaik and Telangana chief minister K. Chandrashekhar Rao. But now, with the binding glue of a common enemy (BJP), political equations have changed. In pursuit of new friends, Kejriwal has sought support from Mamata Banerjee, Uddhav Thackery, M.K.Stalin and Date: 30th May 2023 other regional leaders to counter the Centre, Kejiwal leaders to counter the Centre, Kejiwal was known for wild allegations against many parties and their leaders, including the Congress. He has been critical of Sonia Gandhi and Rahul Gandhi. But out of processive now has ready to see the necessity, now he is ready to accept that without Congress, there cannot be a national coalition against Modi. be a national coalition against Modi. He says, "it is not a battle of either Rahul Gandhi or Congress; it is the fight to save the country from an illiterate, dictatorial, and egoistic person. It is battle to save country from Modi or corrut AAP is ligner. dal monese karn repersional el Profit for the portad before (se fler Exceptional arms) from Modi or corrupt AAP in liquor scam is main question. Whatever AAP is saying is only to save his only party leaders like Manish Sisodia and himself from jail terms. Of course, whatever Kejriwal will do, he can't save his party leaders from going behind bars.
