Nucleus Software announces Q2 FY21 Financial Results

New Delhi, November 2, 2020: <u>Nucleus Software</u>, the leading provider of lending and transaction banking solutions to the global financial services industry, announced its consolidated results for the quarter and half year ended 30th September, 2021.

Consolidated revenue for the second quarter of FY21 is at **Rs. 137.0 crore** compared to **Rs. 128.2 crore** in Q2 of the previous year. Revenue for the first half year of FY21 is at **Rs. 265.3 crore**, against **Rs. 252.3 crore** in the corresponding half year of FY20.

Mr. RP Singh (CEO, Nucleus Software) said, "Our focus remains on ensuring well-being and safety of our employees and also helping customers grow by providing them best of the technology and support globally in these uncertain times. We continued to make good progress on all business metrics. During the quarter, we gained 4 new customers, won 10 product orders, and implemented 17 product modules worldwide. We continued to add tremendous capabilities to our solutions. We launched the latest version of our digital transaction banking solution – FinnAxia. This latest release provides banks with a range of new facilities to help improve the resiliency of their corporate customers' supply chains. In lending, I'm delighted to report that Aite Group – the global research and advisory firm recognized FinnOne Neo as one of the top 3 retail loan origination solutions in the world. The report entitled, Aite Matrix: Transforming Consumer Lending Through Loan Origination Systems also rated FinnOne Neo as "best in class" for customer strength and bestowed the "Global Innovator Award" on Nucleus Software. These recognitions speak volumes about the strength of our strategy and our customer focus, as well as recognizing the tremendous business value we deliver to our customers".
