Gujarat is a leader in women empowerment

To cherish the centrality of gender equality and women's empowerment in all aspects of the developmental agenda, government has implemented various schemes & initiatives

Hon'ble Prime Minister

woman's stride in leading the national transformation has been a defining feature under the Government. The focus has shifted from women development to women-led-development. Hon'ble Prime Minister Narendra Modi has said that the country's top priority is to improve the lives of women and ensure their full participation in India's development journey. The golden era of women's empower-

ment has started in the country. Today our daughters got permanent commission in the army; they are flying fighter planes, leading parade at Rajpath-Delhi and many commendable feathers in their cap.

Addressing women welfare and empowerment, the Government has created many new schemes, which are accelerated through the threetiered approach of women's health, education and security in Gujarat

Urging women to lead from the front with India attaining 75 years of freedom, Hon'ble Prime minister Narendra Modi said, "In a country that worships the nation as Mother India, the government places a premium on women's empowerment and is committed to their full participation in the national journey.

Our Government is making immense efforts in sectors of upliftment and empowerment of women. Issues can't be resolved by announcing schemes, to implement those, our women needs to know the efforts made by govt. actual beneficiaries are away in remote villages, uneducated and suppressed.
