ED's former I-T officer, two Rs 263-crore TDS scam

immovable and movable properties worth Rs 69.65 crore in Maharashtra and Karnataka as part of the probe.

The ED's investigation is based on an FIR registered by the Central Bureau of Investigation (CBI), Delhi, on the basis of a written complaint by the Additional Director General (Vigilance)-4 CBDT about bogus issuance of refunds for Assessment Years 2007-08 and 2008-09.

It was alleged that Adhikari (38), while working as a senior tax assistant, had access to RSA (Request Service Acceptance) tokens and login credentials of his supervisory authorities and orchestrated the fraud in connivance with others, decep-

tively generating TDS refunds exceeding Rs 263 crore and transferred it to various bank accounts, including that of M/s SB Enterprises, a proprietary concern of Patil (28).

The CBI had also filed a chargesheet against Adhikari, Patil, Shetty (52) and others for committing offences including cheating, forgery, criminal breach of trust under the Indian Penal Code and relevant sections of the Prevention of Corruption Act.

"ED's investigation under PMLA revealed that, during the period of November 15, 2019 to November 04, 2020, total 12 fraudulent TDS refunds were generated by Adhikari amounting Rs 263.95.31.870, which

were fraudulently credited in the account of M/s SB Enterprises," the ED said earlier in a statement. These Proceeds of Crime (PoC) were subsequently transferred into the bank accounts of Patil and other related persons and entities and also in shell companies, the statement added.

The ED probe also revealed that immovable properties in the form of lands, flats, luxury cars were acquired out of the proceeds of crime. On identification of these assets, 32 assets totalling Rs 69,65,99,720 were provisionally attached. Thus, out of the total PoC of Rs 263 crore, assets of Rs 166 crore have been either seized or attached provisionally.

PUNE, JULY 7

THE MAHARASHTRA State Electricity Distribution Company has urged consumers to pay electricity bills online. The utility has noted a rise in the number of cheque-bouncing cases and appealed to consumers to use the electronic clearance system.

About 20 lakh consumers (low tension category) under the Pune circle pay monthly power bills online that amount to nearly Rs 600 crore. However, about 99,000 consumers under Pune circle pay their dues of about Rs 119.50 crore, through cheques.

Power utility officials said that over the past months, cheques of at least 6,500 consumers amounting to Rs 4.65 crore, have bounced

for various reasons. The cheques were dishonored for a number of reasons such as incorrect dates, wrong signatures and so on. The consumer is then burdened with additional bank charges.

Rajendra Pawar, Chief Engineer, MSEDCL, Pune Circle said consumers can avail the electronic clearance system to pay bills. The minimum payment limit of electricity bills through RTGS or NEFT, which was previously Rs 10,000, is now Rs 5,000.
