## Foreword of the Managing Director

Dear Shareholders,

It gives me tremendous pleasure to present to you our Annual Report for the Financial Year March 31<sup>st</sup> 2023. In many ways the year 2022 - 2023 was special for all of us in the history of Sealmatic. In the last quarter of the financial year 2022 -2023, Sealmatic achieved an important milestone. On March 01<sup>st</sup> 2023, Sealmatic shares were listed on the Bombay Stock Exchange (SME Platform). The IPO was oversubscribed by 16.6 times. This historic milestone could be achieved only because of the strong foundation laid by our dedicated employees with their persistence and commitment. I am sure we will continue this legacy of delivering value to all the stakeholders over many more years to come.

Sealmatic succeeded in increasing its turnover by around 40% to INR 596.17 million. This shows that the demand for Sealmatic products is very strong and is being driven by the developed markets in Europe, North America and India.

It was also particularly pleasing that our international business not only developed well in times of limited travel opportunities but also delivered a very satisfactory contribution to our profits.

The year 2023 – 2024 will mark the beginning of a decade of technological transformation. Sealmatic will play an active formative role in shaping this within the sealing technology, supported by the recognition and certification from the Ministry of Science & Technology coupled with a host of other valuable certifications and qualifications by international bodies.

In 2022 - 2023, we developed our long-term strategy for the next five years under the title “Sealmatic Beyond 2028.” As our focus remains exclusively on sealing technology, we will not only remain committed to our industry but we are also prepared to assume even greater responsibility for the development of highly engineered sealing technology. With our focus on people and sustainability as a core value, we look beyond the boundaries of the Company and will solve the challenges of

sealing technology together with our customers.

We have been successful in meeting the market demand by continuous investments in our plants, new product launches, research & development and infrastructure. Our Kaman factory expansion (16 kms north of the existing plant in Mira Road) is on track and by the end of

2023, it shall be fully functional, thus adding 60% capacity to the current infrastructure. To support our research towards new product development, we are investing in state-of-the-art equipment to develop products such as Dry Gas Seals, Metal Bellows Seals and host of other exciting products.

We shall expand our footprints in Southern and Eastern markets in India. We are in the process of setting up sales and service centers in Chennai and Kolkata. Further, investment is on the drawing board to engage more deeply in markets such as Europe, USA, Middle East and South America.

Sealmatic is the only indigenous mechanical seal manufacturer which has been qualified by BHEL for the 210, 500, 660 MW thermal power plants for critical equipment such as boiler feed, booster and condensate extraction pumps.

In addition to the above our company is also the only mechanical seal company globally which has the certification from API for the prestigious Q1 qualification. Further the company is proud to announce that Sealmatic would be the second company in India who has been qualified for the Nuclear Certification – ISO 19443, thus paving way for getting business in the high-end mechanical seals for nuclear power plants in India. In addition, our company is ATEX - 2014/34/EU, DSIR, ISO 9000, 14000, 45000 & PED 97/23/EC QA-System, FDA, GMP, RoHS, REACH Certified Company.

Our company is an OE supplier to KSB, KEPL, Andritz, KBL, RuhrPumpen, Wilo, SPX, Seepex, DÜCHTING, ITT (USA), BHEL, Idex, Egger, PMSL, MSL, Xylem, Metso, Sundyne and many other renowned OEMS globally.

Our products find wide acceptance with Fortune 500 companies such as IOCL, RIL, BPCL, HPCL, GAIL, NTPC, ONGC and many more end users.

The year 2023 commenced on a buoyant note with a healthy order booking on hand. A robust strategy for 2023 - 2024 has been put in place, resulting in high engineered mechanical seals for FGD, BFP, API 682 and other critical applications.

We made solid progress towards awareness and behaviours around diversity, equity and inclusion with many of our managers completing our comprehensive Inclusive Leadership Training Programme held in the last quarter of 2022.

We have undertaken various CSR initiatives for development of society, including education, healthcare, destitute care, women empowerment etc. We are committed to improving the recruitment of female employees and the proportion of under represented position in senior management. In 2022 - 2023, female employee recruitment was considerable.

Particularly in times of major change, the backbone of a business is its employees, shareholders and customers. We would like to thank all these people for their loyalty and trust in Sealmatic.

## ANNEXURE I TO BOARD'S REPORT

### MANAGEMENT DISCUSSION AND ANALYSIS REPORT

#### Introduction

Mechanical seals prevent the leakage of liquids or gasses through the clearance between the stuffing box and the shaft and these include cartridge seals, balanced and unbalanced seals, pusher and non-pusher seals and host of other conventional mechanical seals.

The Company is a well-established player in the mechanical seal industry catering to the ever evolving needs of the customers. A future-focused Company which believes in innovation, the Company's bespoke quality and manufacturing excellence makes it a preferred choice of a growing and ever-evolving customer base. The Company designs and manufactures mechanical seals and associated products mainly for the oil & gas, refinery, petrochemical, power, marine, chemical, pharmaceutical, pulp & paper, mining and for many more industrial applications. It provides the most complete selection of engineered mechanical seals and sealing support systems and its products are globally recognized as one of the most trusted products in the process industry in over 45 countries. With a wide range of products and services, the Company has solutions for every sealing requirement such as API 682 mechanical seals, highly engineered mechanical seals, standard cartridge seals, metal bellows seals, split seals, gas-lubricated seals and many other custom-built sealing solutions.

#### (a) INDUSTRY STRUCTURE AND DEVELOPMENT

##### General

The global growth is expected to be 2.7% in 2023 and 2.9% in 2024 as per OECD Economic Outlook

and 2.8% in 2023 and 3.00 % in 2024 as per outlook of International Monetary Fund ("IMF"). High inflation, rising interest rates, geopolitical uncertainties and natural disasters are factors that are driving down the growth expectations. According to IMF Global headline inflation is set to fall from 8.7% in 2022 to 7.0% in 2023 on the back of lower commodity prices, but underlying inflation is likely to decline more slowly. (Source: World Economic Outlook- A Rocky Recovery – April 2023 by IMF)

Indian economy is expected to grow by 6.0% in 2023 and by 7.0 % in 2024 as per the outlook of OECD. The IMF has projected the growth of Indian economy by 5.9% in 2023 and by 6.3%. Despite the rising interest rates and external headwinds, the domestic demands remain resilient. The inflation

is expected to anchor down to the pre-pandemic levels by the end of 2023. The broad-based recovery in manufacturing is expected to be driven by the robust domestic demand. Government focus on infrastructure and the capital investments by private sector are expected to drive growth in the medium term. The improving investment outlook backed by Production-Linked Incentive (PLI) schemes for various sectors is expected to draw-in private investment in the manufacturing sector. Despite the effect of global slowdown on exports of merchandise and services, the service sector is expected to maintain a healthy growth rate.

##### Mechanical seal industry

The demand for mechanical seals is showing upward trend, which is mainly due to growing manufacturing as well as the industrial sectors across the world which can be attributed to the increase in supportive investment, more particularly the capex spending in India and foreign investment policies throughout

the globe. Furthermore, the rising applications in the core sector industry is also expected to the expansion of market for mechanical seals. According to various surveys, the global mechanical seals market is projected to grow by about **USD 1.37 billion** with a **CAGR of 5.27%** by **2026** whereas the global mechanical seals market stands at USD 4.15 billion as of date.

The focus of Indian government on infrastructure and capital expenditure is expected to crowd-in private investment benefitting the capital goods industry. Indian mechanical seals industry is one of the fastest growing markets in the world. Government focus on irrigation projects, drinking water supply, sanitation, infrastructure, core sector such as refineries, power projects and urban housing is expected to drive the demand for mechanical seals in the various core industrial sectors. A series of capacity expansion drives and greenfield projects in the refinery, petrochemical, steel, cement and other allied industries will help the mechanical seals markets.

With the growth in manufacturing, process industries and various infrastructure projects the Indian market for mechanical seals is expected to grow at a sustained pace over the medium- and long-term. The technological innovations in this sector are contributing to the drive towards greener and sustainable manufacturing.

#### **(b) Opportunities & Threats**

The buoyant activity in the industrial and manufacturing sectors will increase the demand for mechanical seals. At the same time the growth in aftermarket sales is expected to be one of the key

factors for stimulating demand for mechanical seals. As the primary function of a mechanical seal is to prevent the leakages of liquid or gas, it is one of the critical components in various types of pumps, compressors and agitators, amongst others. High-pressure or high-temperature fluids if leaked to the environment can cause various damages and hence even a small leakage or damage will make it necessary to replace mechanical seals. The majority of mechanical seals replacements involve 'like for like' replacements, which means that the end-users which uses mechanical seals will continue to employ and replace mechanical seals at a periodic interval of 12 to 18 months during the life time of the equipment, which generally is 25 years. As most of the mechanical seals have a relatively short lifespan and as such their frequent replacement is required.

The mechanical seals are manufactured by using steel, silicon carbide, tungsten carbide amongst other exotic materials. Therefore, the fluctuating price of steel and other related material will have an impact on the sales of the final product. As the substantial revenue is earned through exports, the uncertain geographical and political instability can also have an impact on the revenue of the Company. We have put in place sound mitigation strategies for threats arising out of commodity prices and exports slowdown. We are allocating necessary resources and investing adequately to ramp our capacities to cater to the increasing order intake.

#### **(c) Segment-wise or product-wise performance**

During the year under review, mechanical seals worth Rs. 5,854.05 lakhs (Previous Year – Rs. 4,238.21 lacs) were sold. Out of the above export accounted for Rs. 3,448.50 lakhs (Previous Year Rs. 3,165.90 lakhs)

#### **(d) Outlook**

As a growth in global and in Indian economy is expected to increase and due to the impetus especially of the Indian Government of infrastructural investment, the Company expects a healthy growth in the

## Annual Report 2022-23

Indian market for mechanical seals. The Export growth is expected to be slower due to the global slowdown but on the positive side the trade restrictions because of Russo-Ukrainian war has created a huge surge in demand for mechanical seals from Russia and other CIS countries. The impact of a global slowdown on domestic consumption in India though limited, can affect the capex projects in private sector to some extent.

### (e) Risks & Concerns

Risks to the outlook are primarily to the downside. With the ever-evolving political situation, high inflation globally and rising interest rates, the global growth is likely to be affected. The increased competition in domestic market due to the possible slowdown in exports is expected to lead to aggressive price competition, impacting the bottom lines. The withdrawal of cheaper liquidity may also

lead to a slow-down in the capex cycle in the industry and may hurt the demand for mechanical seals.

### (f) Internal Control Systems and their adequacy

Internal Control Systems are in place:

- To safeguard the Company's assets from loss or damage.
- To keep constant check on cost structure.
- To provide adequate financial and accounting controls and implement accounting standards.

The system is improved and modified continuously to meet with changes in business condition, statutory and accounting requirements.

During the year under review internal controls were adequately supported by periodic review by the management and now onwards will be reviewed by the Internal Auditor.

**(h) Material developments in HR/IR including number of employees**

Year 2022-23 has proven to be a year of resilience setting multiple records, pivotal moments and achievements. By keeping the SIL's core sustainability principles like Environmental protection, Social

commitments and Governance Culture (ESG) at center of operations we have attained new heights in business. We have adapted appropriate employee engagement and Health and Safety measures. We have also implemented measures like restructuring of departments, investment in expansion of plants & infrastructure, employee friendly policies, Diversity & Inclusion, Employee Engagement activities, Communication Meetings with all employees, state of art offices and enhanced Health & Safety. By refocusing our business around core strengths we have become significantly more profitable, better balanced and more cost-efficient. With the execution of our HR strategy, we have been able to support our employees through the challenging conditions and embarked the high quadrant in the employee engagement survey. This execution of strategy includes continued efforts to raise awareness and facilitating open dialogues through several initiatives. We steered our efforts on Skill and Knowledge enhancement, Process Improvisation, Retention of Employees, Leadership Development, Performance Management and Employee Engagement. We could maintain the attrition rate below industry standards due to pleasant work environment, prioritization of growth of employees, offering competitive compensation and benefits, Development of Infrastructure, Communication Mechanisms, Succession Planning and Reward and Recognition. Healthy and co-operative employee relations at all plants ensured support to the business growth As a result of these collaborative and collective efforts, we are well-equipped to deliver sustainable growth and have established us as a strong brand in the market. The Company had 246 employees (236 Male and 10female) on its roll as on 31<sup>st</sup> March, 2023.

**(i) Key Financial Ratios**

	Ratios	Year ended 31 <sup>st</sup> March 2023	Year Ended 31 <sup>st</sup> March 2022
1.	Debtors Turnover (days)	79.70	76.70
2.	Inventory Turnover (days)	153.93	125.19
3.	Interest Coverage Ratio (%) <sup>Note 1</sup>	83.19	124.08
4.	Current Ratio <sup>Note 2</sup>	5.38	3.48
5.	Debt Equity Ratio <sup>Note 3</sup>	0.06	0.03
6.	Operating Profit to Sales (%)	25.29	26.51
7.	Net Profit to Sales (%)	18.76	19.71

Note :

1. During the year under review, the payment towards interest was Rs. 23.69 lakhs as against Rs. 9.14 lakhs during the year 2021-22, (increase by about 159.19%). Whereas the profit before tax increased by Rs. 356.61 lakhs from Rs. 1123.68 lakhs as on 31<sup>st</sup> March, 2022 to Rs. 1480.29 lakhs as on 31<sup>st</sup> March, 2023. (increase by about 31.74%). Due to this reason there is a substantial variation in the interest coverage ratio.
2. The levels of Inventory, Receivables increased due to bunching of the orders during the months of February and March, 2023. Similarly, the proceeds of IPO were parked in Fixed deposits with banks which also form part of the Current Assets. In view of this, there is a variation of more than 25 % in Current Ratio compared to the years 2021-22.
3. The increase in Long Term Debts during the year under review was not commensurate with the increase in the Net worth. Hence the variation of more than 25 %

**(j) Changes in Return on Net Worth**

The Return on Net worth as on 31<sup>st</sup> March, 2023 was 18.27% whereas the same was 36.90% as on 31<sup>st</sup> March, 2022. The reduction to the tune of 50.49% in the Return on Net worth was due to the increase in

## Annexure III

FOR THE FINANCIAL YEAR ENDED 31st March, 2023

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,  
SEALMATIC INDIA LIMITED  
[CIN U26900MH2009PLC197524]  
Mumbai

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **SEALMATIC INDIA LIMITED [CIN U26900MH2009PLC197524]** (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on **31<sup>st</sup> March, 2023** ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on **31<sup>st</sup> March, 2023** according to the provisions of:

- i. The Companies Act, 2013 (**the Act**) and the rules made there under.

## Independent Auditor's Report

To the Members of Sealmatic India Limited (Formerly known as Sealmatic India Private Limited)

### Report on the Audit of the financial Statements

#### Opinion

1. We have audited the accompanying Financial Statements of **Sealmatic India Limited (Formerly known as Sealmatic India Private Limited)** ("the Company"), which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss and Cash Flow Statement for the year then ended and notes to the financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the afore said financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with Companies (Accounting Standards) Rules, 2014 as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023 and its profit and its cash flows for the year ended on that date.

#### Basis for Opinion

3. We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

#### Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

#### Information Other than the Financial Statements and Auditor's Report Thereon

5. The Company's Board of Directors is responsible for the preparation and presentation of its report (herein after called the "Board Report") which comprises various information required under section 134(3) of the Companies Act, 2013 but does not include the financial statements and our auditor's report thereon.

**Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.**

6. In connection with our audit of the financial statements, our responsibility is to read the Board Report and in doing so, consider whether the Board Report is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement in this Board Report, we are required to report that fact. We have nothing to report in this regard.

#### **Management's and Board of Directors' Responsibility for the Financial Statements**

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going

## Annual Report 2022-23

concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
  13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
  14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Report on Other Legal and Regulatory Requirements

15. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure -A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
16. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet and the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements (refer note no.31).
- ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred by the Company to the Investor Education and Protection Fund.
- iv. a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (intermediaries”) with the understanding whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;  
b) The Management has represented that to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party(“ Ultimate Beneficiaries’) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;  
c) Based on the audit, procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above contain any materials misstatement.
- v. The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with Section 123 of the Act to the extent it applies to payment of Dividend.

As stated in Note no.2.10 to the Financial Statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

17. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

## Annexure –A to the Independent Auditors' Report

Annexure referred to an Independent Auditors' Report of even date to the members of Sealmatic India Limited (Formerly known as Sealmatic India Private Limited) ("the Company") on financial statements for the year ended 31st March, 2023.

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- (i) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
  - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of its Property, Plant and Equipment.
  - (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Property, Plant and Equipment have been physically verified by the Management during the year. In our opinion, the frequency of verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noted on such verification.
- (c) According to the information and explanations given to us by the management and on the basis of our examination of the records of the Company, the company does not own any immovable property hence reporting under clause 3(i)(c) of the Order is not applicable.
- (d) The Company has not revalued any of its Property, Plant and Equipment (including right of-use assets) and intangible assets during the year.
- (e) As disclosed in note no.42(ii) of the Financial Statements, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- (ii) (a) As explained to us, the inventory has been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable. The discrepancies noticed on physical verification of inventory as compared to book records were not material and have been appropriately dealt with in the books of account.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits in excess of five crore rupees in aggregate from banks and financial institutions on the basis of security of current assets at any point of time of the year and accordingly clause 3(ii) (b) of the Order is not applicable to the Company.
- iii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has made investments in companies and has not made any investments in firms, limited liability partnership or any other parties. The Company has granted loan and advances in the nature of loan to one Company and to employees during the year, in respect of which the requisite information is stated in sub-clause (a) below. The Company has not provided any guarantee or security, granted any loans or advances in the nature of loans, secured or unsecured, to firms, limited liability partnership or any other parties during the year.
  - a) (A) The Company did not have subsidiary, joint venture and associates, hence reporting under clause 3(iii)(a)(A) of the Order is not applicable
  - (B) Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has granted a loan to one Company, a related party and loans and advances to employees as below:

Aggregate amount during the year to a Company	Rs.125.00 Lakhs
Aggregate amount during the year to Employees	Rs.14.44 Lakhs
Balance outstanding as at Balance Sheet date	
For Company	Rs. Nil.
For Employees	Rs. 4.49 Lakhs

- b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion that the investment made and the terms and conditions of the grant of loans are, prima facie, not prejudicial to the interest of the company.
- (c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are generally been regular as per stipulation. No interest charged or receivable on loans given to employees.
- (d) In respect of loan granted by the Company to a company, there is no overdue amount remaining outstanding as at the balance sheet date. The said loan is repaid by the party during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan or advance in the nature of loan granted falling due during the year, which has been renewed or extended or fresh loans granted to settle the over dues of existing loans given to same parties.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.
- iv) In our opinion and according to the information and explanation given to us, the Company has complied with the provisions of S.185 and S.186 of the Act with respect to loans and investments.
- (v) In our opinion and according to information given to us, the company has complied with the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act and rules framed there under to the extent applicable in respect of acceptance of deposits. We are informed that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal.
- (vi) We have been informed that the company is not covered under the rules made by the Central Government of India in respect of the maintenance of cost records as has been specified under sub-section (1) of Section 148 of the Act. We have, therefore, not examined the records with a view to determine whether they are accurate or complete.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion undisputed statutory dues including Goods and Services Tax ('GST'), Provident fund, Employees' State Insurance, Income Tax, Duty of Customs, Cess and other statutory dues have been regularly deposited by the Company with the appropriate authorities.

## Annual Report 2022-23

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of GST, Provident fund, Employees' State Insurance, Income-Tax, Duty of Customs, Cess, and other statutory dues were in arrears as at 31 March 2023 for a period of more than six months from the date they became payable.

- (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2023 on account of disputes are given below:-

Nature of dues and period to which the amount relates	Amount (Rs.)	Forum where dispute is pending

**Annexure - B to the Independent Auditor's Report of even date to the members of Sealmatic India Limited (Formerly known as Sealmatic India Private Limited) on the financial statements for the year ended 31st March, 2023.**

Report on Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Sealmatic India Limited (Formerly known as Sealmatic India Private Limited)** ("the Company") as of 31st March, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that

## Annual Report 2022-23

transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### 1 SIGNIFICANT ACCOUNTING POLICIES

#### a) BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

The financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory Accounting Standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 and the provisions of the Act (to the extent notified). Accounting policies have been consistently applied by the Company and are consistent with those used in the previous year except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard required a change in the accounting policy hitherto in use. As per MCA Notification dated 16th February 2015, the companies whose shares are listed on SME exchange are exempted from the compulsory requirement of adoption of Ind AS. As the company is covered under exempted from the compulsory requirement of adoption of Ind AS, the company has not adopted Ind AS.

#### b) USE OF ESTIMATES:

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. Difference between the actual results and estimates are recognized in the period in which actual the results are known or materialized.

#### c) METHOD OF ACCOUNTING:

The Company follows mercantile system of accounting for recognising income & expenditure on accrual basis to the extent measurable and where there is a certainty or ultimate realization in respect of incomes. Accounting policies not specifically referred to otherwise, are consistent and in consonance with the generally accepted accounting policies.

#### d) REVENUE RECOGNITION:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- i) Sales of goods is recognised on shipment or despatch to customers. Sales exclude amount recovered towards GST.
- ii) Export Sale is accounted on the prevailing rate of exchange (Custom rate) at the time of export.
- iii) Export benefits available under the Export Import policy of the Government of India are accounted for in the year of export, to the extent measurable.
- iv) Interest income is recognized on a time proportion basis taking into account the amount outstanding and the interest rate applicable. However, where the ultimate collection of the same is uncertain, revenue recognition is postponed to the extent of uncertainty.
- v) All other income is accounted on accrual basis.

**e) PROPERTY, PLANT AND EQUIPMENT AND DEPRECIATION:**

**i) Property, Plant and Equipment:**

Property, Plant and Equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs, if capitalization criteria are met and directly attributable to cost of bringing the asset to its working condition for the intended use.

Where the grant or subsidy relates towards specific fixed asset, its value is deducted from gross value of the asset concerned in arriving at the carrying amount of the related asset.

Subsequent expenditure related to an item of Property, Plant and Equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing property, plant and equipment including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Property, plant and equipment are derecognized from financial statements, either on disposal or when no economic benefits are expected from its / their use or disposal. Gain or losses arising from derecognized of Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

**ii) Depreciation :**

The Company provided depreciation on Property, Plant and Equipment on Straight Line Method over the useful life of assets as prescribed under schedule II of Companies Act, 2013.

The Company up to 31/3/2021 provided depreciation on Property, Plant and Equipment on Written Down Value method over the useful life of assets as prescribed under schedule II of Companies Act, 2013.

Effective from financial year 2021-22, the Company has changed its policy on providing depreciation from Written Down Method to Straight Line Method.

**iii) Intangible Assets and Amortisation :**

Intangible Assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are recognised if it is probable that future economic benefits that are attributable to the asset will flow to the Company and the cost of the asset can be measured reliably. Intangible assets are amortised on a straight line basis over their estimated useful lives. Gains or

**Annual Report 2022-23**

losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognized as income or expense in the Statement of Profit and Loss. The amortisation rates used are :

Asset	Period of amortisation
Computer Software	3 years
Other Intangible	6 years

**iv) Research and Development Costs**

Research costs are expenses as incurred.

Research and development expenditure of a capital nature is included in the Property Plant and Equipment.

**f) IMPAIRMENT OF ASSETS:**

An Asset is treated as impaired when the carrying cost of an assets exceeds its recoverable value. An impairment loss is charged for when the asset is identified as impaired. This impairment loss recognized in prior accounting year will be reversed if there has been change in the estimate of recoverable amount.

**g) INVESTMENTS**

Investments, which are readily realizable and intended to be held for not more than one year from the date of on which such investments are made, are classified as current investments. Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis.

Investments other than current investments are classified as Long Term Investments and are stated at cost. Provision for diminution in value of Long term investments is made only if such a decline is other than temporary.

**h) LEASES:**

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the Lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the statement of Profit and Loss on a straight line basis.

**i) BORROWING COSTS**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

**j) ACCOUNTING FOR GOVERNMENT GRANTS:**

Grants and subsidies from the government are recognised when there is reasonable assurance that the grant/subsidy will be received and all attaching conditions will be complied with.

When the grant or subsidy received is revenue in nature, it is recognised as income over the periods necessary to match them on a systematic basis to the cost, which it is intended to compensate or adjusted against the specific expenses.

Where the grant or subsidy relates towards specific fixed asset, its value is deducted from the gross value of the concerned asset in arriving at the carrying amount of the related asset.

**k) EMPLOYEE BENEFITS:**

**I) Short Term Employee Benefit:**

All Employees' benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and are recognised on an undiscounted basis and charged to the statement of profit and loss. Benefit such as salaries and wages including non-monetary benefits, bonus etc that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service.

**II) Post-Employment Benefit Plans:**

**A) Defined Contribution plans**

**Provident Fund:**

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company makes contribution to statutory provident fund in accordance with the Employees Provident Fund & Miscellaneous Provisions Act, 1952. The contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

**B) Defined Benefit plans:**

**Gratuity:**

The Company's is having gratuity plan wherein every eligible employee is entitled to the benefit equivalent to fifteen days salary drawn for each completed year of service. The same is payable on termination of service or retirement whichever is earlier. The benefit vest after five years of continuous service and is governed as per the payment of Gratuity Act, 1972. The cost of providing benefits is determined using the projected unit credit method and the Gratuity Liability is computed as per actuarial valuation. The retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as reduced by the fair value of plan assets. The Company has created a Trust with respect to establishment of Funded Group Gratuity (cash accumulation) Scheme through Life Insurance Corporation of India. Contribution is made to such fund based on the actuarial valuation.

**III) Other Long term employee benefits obligations:**

Accumulated compensated absences which are expected to be availed or encashed beyond 12 months from the end of the period are treated as other long term employee benefits for measurement purpose. Company's liability is actuarially determined by an independent actuary using the Projected Unit Credit method at the end of year. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss.

**I) TRANSACTIONS IN FOREIGN EXCHANGE :**

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of the transactions (Custom rate). Monetary items denominated in foreign currencies and outstanding at the balance Sheet date are translated at the exchange rate ruling at the year end. Exchange differences arising on foreign currencies transactions are recognized as income or expense in the period in which they arise.

## Annual Report 2022-23

### m) INVENTORIES :

Inventories are valued at lower of cost or net realizable value. Cost incurred in bringing the inventories to its present location and condition are accounted for as follows:

Raw materials: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

Finished goods and Work in progress: Cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity but excluding borrowing costs. Cost is determined on weighted average basis.

### n) TAXATION :

Current tax is determined on the amount of tax payable in respect of taxable income for the year. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred tax is recognised on timing difference, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Where there is unabsorbed depreciation or carried forward losses, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets.

### o) PROVISIONS AND CONTINGENT LIABILITIES :

The Company recognizes a provision when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation that arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognized nor disclosed in the financial statements.

### p) EARNINGS PER SHARE

Basic Earnings per Share is calculated by dividing the net profit for the year attributable to equity shareholders by weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

### q) CASH AND CASH EQUIVALENTS :

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.
