## **RattanIndia backed Revolt Motors strengthens its leadership team; appoints Jenender Anand as Chief Executive Officer**

- *Performance driven veteran executive brings over 30 years of experience in business leadership roles across sectors*

**National, September 02, 2021:** RattanIndia Enterprises Limited is pleased to announce that Revolt Motors has appointed Mr. Jenender Anand, a veteran executive with multi-dimensional leadership experience as Chief Executive Officer, effective September 01, 2021. His appointment would further strengthen the leadership team at Revolt. He would contribute to the company's ambition of becoming the No.1 electric vehicle company of India.

Mr. Anand brings in more than 30 years of vast experience in global companies across automotive and consumer sectors. He brings in considerable expertise in dealing with various stakeholders at a global and Asia Pacific region level. Before joining Revolt, he successfully led Shriram Pistons and Rings as an Executive Director. Prior to that, he has held leadership positions across leading automotive companies such as ExxonMobil, MRF and Goodyear. He would leverage his wide automotive experience across business development, network expansion, vendor ecosystem development, marketing, and operations to bring in industry leading practices to Revolt, as the company steps into a high growth phase.

**Mr. Jenender Anand**

Mr. Anand holds an MBA in Marketing degree from AIMA, Delhi and has a Bachelor's degree in from Delhi University.

### **Revolt Intellicorp**

Revolt Intellicorp is the next-gen mobility company, created for the smart world. Revolt is working with a vision of democratizing clean commutes using next-gen mobility solutions and a mission to create a future of next-gen mobility with 100% accessibility and 0% fuel residue. With technology at its roots and class-apart products, Revolt has introduced India's first AI-enabled motorcycle without compromising on the performance or aesthetics of a regular ride.

Revolt Intellicorp commenced operations in 2019. The company offers two EV models in India currently, in addition to a full range of genuine parts and accessories available through its authorized dealerships.
